2015 non-HERA Maximum Income Limits HUD PDR-2015-01 3/6/15

The 2008 Housing and Economic Recovery Act (HERA) directed HUD beginning in 2009 to publish separate income limits specifically calculated for Multifamily Tax Subsidy Projects (MTSPs). Non-HERA Income Limits apply to MTSPs: 1) located within one of ten counties: Alameda, Contra Costa, Marin, Nevada, San Francisco, San Mateo, Santa Clara, Solano, Sonoma and Ventura and placed in service on or after 1/1/09, or 2) not located within one of the ten counties. These 2015 non-HERA Income Limits should be compared with income limits MTSPs are currently operating under to see if they are eligible for an increase in income limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Income Limits (2015 HERA Special Income Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. . AMI = Area Median Income.

VHHP Note: VHHP restricts some units to Extremely Low Income veterans. Please use the Official State Income Limits at: <http://www.hcd.ca.gov/hpd/hrc/rep/state/incNote.html> for these unit Income Limits, which are approximately equal to the 30% Income Level limits shown below.

2015 non-HERA Maximum Income Limits HUD PDR-2015-01 3/6/15

The 2008 Housing and Economic Recovery Act (HERA) directed HUD beginning in 2009 to publish separate income limits specifically calculated for Multifamily Tax Subsidy Projects (MTSPs). Non-HERA Income Limits apply to MTSPs: 1) located within one of ten counties: Alameda, Contra Costa, Marin, Nevada, San Francisco, San Mateo, Santa Clara, Solano, Sonoma and Ventura and placed in service on or after 1/1/09, or 2) not located within one of the ten counties. These 2015 non-HERA Income Limits should be compared with income limits MTSPs are currently operating under to see if they are eligible for an increase in income limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Income Limits (2015 HERA Special Income Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. . **AMI = Area Median Income.**

2015 non-HERA Maximum Income Limits HUD PDR-2015-01 3/6/15

The 2008 Housing and Economic Recovery Act (HERA) directed HUD beginning in 2009 to publish separate income limits specifically calculated for Multifamily Tax Subsidy Projects (MTSPs). Non-HERA Income Limits apply to MTSPs: 1) located within one of ten counties: Alameda, Contra Costa, Marin, Nevada, San Francisco, San Mateo, Santa Clara, Solano, Sonoma and Ventura and placed in service on or after 1/1/09, or 2) not located within one of the ten counties. These 2015 non-HERA Income Limits should be compared with income limits MTSPs are currently operating under to see if they are eligible for an increase in income limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Income Limits (2015 HERA Special Income Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. . AMI = Area Median Income.

VHHP Note: VHHP restricts some units to Extremely Low Income veterans. Please use the Official State Income Limits at: <http://www.hcd.ca.gov/hpd/hrc/rep/state/incNote.html> for these unit Income Limits, which are approximately equal to the 30% Income Level limits shown below.

2015 non-HERA Maximum Income Limits HUD PDR-2015-01 3/6/15

The 2008 Housing and Economic Recovery Act (HERA) directed HUD beginning in 2009 to publish separate income limits specifically calculated for Multifamily Tax Subsidy Projects (MTSPs). Non-HERA Income Limits apply to MTSPs: 1) located within one of ten counties: Alameda, Contra Costa, Marin, Nevada, San Francisco, San Mateo, Santa Clara, Solano, Sonoma and Ventura and placed in service on or after 1/1/09, or 2) not located within one of the ten counties. These 2015 non-HERA Income Limits should be compared with income limits MTSPs are currently operating under to see if they are eligible for an increase in income limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Income Limits (2015 HERA Special Income Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. . AMI = Area Median Income.

VHHP Note: VHHP restricts some units to Extremely Low Income veterans. Please use the Official State Income Limits at: <http://www.hcd.ca.gov/hpd/hrc/rep/state/incNote.html> for these unit Income Limits, which are approximately equal to the 30% Income Level limits shown below.

2015 non-HERA Maximum Income Limits HUD PDR-2015-01 3/6/15

The 2008 Housing and Economic Recovery Act (HERA) directed HUD beginning in 2009 to publish separate income limits specifically calculated for Multifamily Tax Subsidy Projects (MTSPs). Non-HERA Income Limits apply to MTSPs: 1) located within one of ten counties: Alameda, Contra Costa, Marin, Nevada, San Francisco, San Mateo, Santa Clara, Solano, Sonoma and Ventura and placed in service on or after 1/1/09, or 2) not located within one of the ten counties. These 2015 non-HERA Income Limits should be compared with income limits MTSPs are currently operating under to see if they are eligible for an increase in income limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Income Limits (2015 HERA Special Income Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. . AMI = Area Median Income.

VHHP Note: VHHP restricts some units to Extremely Low Income veterans. Please use the Official State Income Limits at: <http://www.hcd.ca.gov/hpd/hrc/rep/state/incNote.html> for these unit Income Limits, which are approximately equal to the 30% Income Level limits shown below.

2015 non-HERA Maximum Income Limits HUD PDR-2015-01 3/6/15

The 2008 Housing and Economic Recovery Act (HERA) directed HUD beginning in 2009 to publish separate income limits specifically calculated for Multifamily Tax Subsidy Projects (MTSPs). Non-HERA Income Limits apply to MTSPs: 1) located within one of ten counties: Alameda, Contra Costa, Marin, Nevada, San Francisco, San Mateo, Santa Clara, Solano, Sonoma and Ventura and placed in service on or after 1/1/09, or 2) not located within one of the ten counties. These 2015 non-HERA Income Limits should be compared with income limits MTSPs are currently operating under to see if they are eligible for an increase in income limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Income Limits (2015 HERA Special Income Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. . **AMI = Area Median Income.**

VHHP Note: VHHP restricts some units to Extremely Low Income veterans. Please use the Official State Income Limits at: <http://www.hcd.ca.gov/hpd/hrc/rep/state/incNote.html> for these unit Income Limits, which are approximately equal to the 30% Income Level limits shown below.

2015 non-HERA Maximum Income Limits HUD PDR-2015-01 3/6/15

The 2008 Housing and Economic Recovery Act (HERA) directed HUD beginning in 2009 to publish separate income limits specifically calculated for Multifamily Tax Subsidy Projects (MTSPs). Non-HERA Income Limits apply to MTSPs: 1) located within one of ten counties: Alameda, Contra Costa, Marin, Nevada, San Francisco, San Mateo, Santa Clara, Solano, Sonoma and Ventura and placed in service on or after 1/1/09, or 2) not located within one of the ten counties. These 2015 non-HERA Income Limits should be compared with income limits MTSPs are currently operating under to see if they are eligible for an increase in income limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Income Limits (2015 HERA Special Income Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. . AMI = Area Median Income.

VHHP Note: VHHP restricts some units to Extremely Low Income veterans. Please use the Official State Income Limits at: <http://www.hcd.ca.gov/hpd/hrc/rep/state/incNote.html> for these unit Income Limits, which are approximately equal to the 30% Income Level limits shown below.

2015 non-HERA Maximum Income Limits HUD PDR-2015-01 3/6/15

The 2008 Housing and Economic Recovery Act (HERA) directed HUD beginning in 2009 to publish separate income limits specifically calculated for Multifamily Tax Subsidy Projects (MTSPs). Non-HERA Income Limits apply to MTSPs: 1) located within one of ten counties: Alameda, Contra Costa, Marin, Nevada, San Francisco, San Mateo, Santa Clara, Solano, Sonoma and Ventura and placed in service on or after 1/1/09, or 2) not located within one of the ten counties. These 2015 non-HERA Income Limits should be compared with income limits MTSPs are currently operating under to see if they are eligible for an increase in income limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Income Limits (2015 HERA Special Income Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. . AMI = Area Median Income.

VHHP Note: VHHP restricts some units to Extremely Low Income veterans. Please use the Official State Income Limits at: <http://www.hcd.ca.gov/hpd/hrc/rep/state/incNote.html> for these unit Income Limits, which are approximately equal to the 30% Income Level limits shown below.

2015 non-HERA Maximum Rents (gross rent including utility allowance) HUD PDR-2015-01 3/6/15

The 2008 Housing and Economic Recovery Act (HERA) directed HUD beginning in 2009 to publish separate income limits specifically calculated for Multifamily Tax Subsidy Projects (MTSPs). Non-HERA Rent Limits apply to MTSPs: 1) located within one of ten counties: Alameda, Contra Costa, Marin, Nevada, San Francisco, San Mateo, Santa Clara, Solano, Sonoma and Ventura and placed in service on or after 1/1/09, or 2) not located within one of the ten counties. These 2015 non-HERA Rent Limits should be compared with rent limits MTSPs are currently operating under to see if they are eligible for an increase in rent limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Rent Limits (2015 HERA Special Rent Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. **AMI = Area Median Income.**

VHHP Note: VHHP restricts some units to Extremely Low Income veterans. Please use the 30% Income Level rent limits shown below for these units.

2015 **non-HERA** Maximum Rents (gross rent including utility allowance) HUD PDR-2015-01 3/6/15

The 2008 Housing and Economic Recovery Act (HERA) directed HUD beginning in 2009 to publish separate income limits specifically calculated for Multifamily Tax Subsidy Projects (MTSPs). Non-HERA Rent Limits apply to MTSPs: 1) located within one of ten counties: Alameda, Contra Costa, Marin, Nevada, San Francisco, San Mateo, Santa Clara, Solano, Sonoma and Ventura and placed in service on or after 1/1/09, or 2) not located within one of the ten counties. These 2015 non-HERA Rent Limits should be compared with rent limits MTSPs are currently operating under to see if they are eligible for an increase in rent limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Rent Limits (2015 HERA Special Rent Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. **AMI = Area Median Income.**

VHHP Note: VHHP restricts some units to Extremely Low Income veterans. Please use the 30% Income Level rent limits shown below for these units.

These 2015 non-HERA Rent Limits should be compared with rent limits MTSPs are currently operating under to see if they are eligible for an increase in rent limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Rent Limits (2015 HERA Special Rent Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. **AMI = Area Median Income.**

2015 **non-HERA** Maximum Rents (gross rent including utility allowance) HUD PDR-2015-01 3/6/15

The 2008 Housing and Economic Recovery Act (HERA) directed HUD beginning in 2009 to publish separate income limits specifically calculated for Multifamily Tax Subsidy Projects (MTSPs). Non-HERA Rent Limits apply to MTSPs: 1) located within one of ten counties: Alameda, Contra Costa, Marin, Nevada, San Francisco, San Mateo, Santa Clara, Solano, Sonoma and Ventura and placed in service on or after 1/1/09, or 2) not located within one of the ten counties. These 2015 non-HERA Rent Limits should be compared with rent limits MTSPs are currently operating under to see if they are eligible for an increase in rent limits. The hold harmless provisions in HERA prevents income limits and rents from falling below the highest levels the project ever operated under. A different set of Rent Limits (2015 HERA Special Rent Limits) are applicable to MTSPs located within one of the ten counties and placed in service prior to 1/1/09. **AMI = Area Median Income.**

VHHP Note: VHHP restricts some units to Extremely Low Income veterans. Please use the 30% Income Level rent limits shown below for these units.
