## Grand Totals:

- C
- D

### Step 1 - Insert totals from Weight or Volume worksheets in Column C and/or D.

### Step 2 - Add each Column down and enter grand totals in the boxes provided.

If Column C is larger than Column D Compliance with the 50% waste reduction requirement is achieved.

### Certification:
The signature below represents that the information provided on this form is true and correct and certifies that I have tracked construction waste during the course of this project and that a minimum of 50% of the total waste has been diverted for either reuse or recycling.
