MEMORANDUM FOR: Planning Directors and Other Interested Parties

FROM: 
Cathy E. Creswell, Deputy Director
Division of Housing Policy Development

SUBJECT: **Housing Element Legislation: Update Schedule**

Governor Davis recently signed Senate Bill 491 (Ducheny), Chapter 58, Statutes of 2003. Chapter 58 extends the planning period of existing housing elements for one year, postponing the due date for the next revision of local housing elements, beginning with those due in 2005. All housing element due dates from the third revision cycle remain unchanged, as shown on the attached schedule. Local governments are responsible for preparing the next update of their housing element pursuant to the dates specified in the attached schedule. Chapter 58 was an urgency statute and is in effect immediately.

The Department of Housing and Community Development (Department) is committed to working in partnership with local governments to promote compliance with State housing element law and the effective implementation of local housing and land-use plans. Department staff is available to provide technical assistance in preparing, adopting and implementing local housing elements. For information about Chapter 58, planning and housing element materials, and information about resources, including funds available from Proposition 46 to assist in addressing local housing and community development needs, please refer to the Department's website at www.hcd.ca.gov/hpd. If you have any questions or to discuss your technical assistance needs, please contact the Division of Housing Policy Development at (916) 445-4728.
