The California Department of Housing and Community Development (HCD) is pleased to announce that it is accepting applications under the CalHome General Program. This Notice is for approximately $43 million which is provided by the passage of Proposition 1C, the Housing and Emergency Shelter Trust Fund Act of 2006, to provide funding to local public agencies or nonprofit corporations for the following eligible activities within the CalHome Program (Program):

- Mortgage Assistance for Low or Very Low Income First-Time Homebuyers
- Owner-Occupied Rehabilitation for Low or Very Low Income Homeowners
- Manufactured Home Set Aside for $10 million (over the counter process)

Only one application from a local public agency will be accepted for each jurisdiction. Nonprofit corporations (Nonprofits) may operate in several jurisdictions under one application.
Section 2 - Authority

HCD administers the CalHome Program, subject to the Health and Safety Code, Section 50650 *et seq.* (“Program Statutes”) and the California Code of Regulations Title 25 [25 CCR], Section 7715 *et seq.* (“CalHome Program Regulations” also referred to as Regulations). The Final Regulations were issued in April 2004 and may be found on HCD’s website at:

www.hcd.ca.gov/fa/calhome

HCD awards CalHome grants to eligible organizations for activities that support existing homeownership programs aimed at lower and very low income households. The intent of the legislation governing the CalHome Program is to “…increase homeownership, encourage neighborhood revitalization and sustainable development, and maximize use of existing homes.”
Entities:

Any California local public agency or nonprofit corporation may apply that has:

Operated as a housing program administrator, AND

**Experience:**

An eligible applicant must be able to:

  **AND**

- For each activity for which it has applied, show a minimum of two years of experience within the four calendar years immediately preceding the date of application to ensure its program is current.

Applicant that has an existing program that has multiple-year contracts may count experience from the original date of the contract through the date of application.

Applicant may count administration of a program performed by a third party contractor toward experience if the applicant holds the responsibility for the program’s operation.
Section 3 - Eligible Applicants

Local Public Agencies:
CalHome activities are restricted to the applicant’s jurisdiction.

Nonprofits:
CalHome activities are restricted to those counties in which the applicant has operated a housing program within the past four years, or for which they have an existing 523 technical assistance services agreement with the United States Department of Agriculture.

Nonprofit Developers are eligible to apply for this NOFA, but may only use grant funds for Mortgage Assistance activities.
Section 4 - Applications

**Amounts:**

- The minimum application amount for any single activity/program is $120,000. If applying for more than one activity, the minimum application amount is $240,000.
- The maximum application amount for one or more activities is $1,000,000.
- However, applicants that have a population in their jurisdiction which exceeds 400,000 may apply for a maximum amount of $1,500,000 for one or more activities.
- The list of qualifying cities and counties with unincorporated areas that have populations in excess of 400,000 can be found in the application form.
Amounts (continued):

In addition to this list, a county may apply for a maximum amount of $1,500,000 if:

- It operates its programs in the small cities within the county.

- It can provide documentation to show approval from those cities.

- The sum of the populations of the small cities and the population of the unincorporated portion of the county exceeds 400,000.
Section 4 - Applications

Activities:

- The applicant must designate which activity it is applying for.

- Attachment I must be used if requesting funds for First-Time Homebuyer Mortgage Assistance.

- Attachment II must be used if requesting funds for Owner-Occupied Rehabilitation.

- Both Attachments must be used if requesting funds for both activities. Only one application is required.

- A separate Manufactured Home application must be completed if applying for the set aside.
In order to be considered for funding, the Applicant must demonstrate it has met the following minimal requirements:

- The applicant is eligible.
- The activities are eligible.
- The proposed use of funds is eligible.
- The application was received by HCD on time.
- The application is complete.
- The application has not been altered or modified except to accommodate computer software.
- The application is signed by the party authorized in the resolution.
Section 4 - Applications

Submissions:
Application must be made on the forms provided by HCD. Applicants may submit only **one** application in response to this NOFA. Application forms are available at the HCD website: [http://www.hcd.ca.gov](http://www.hcd.ca.gov)

Applications must be submitted in a three-ring binder and delivered to the following address:

Department of Housing and Community Development
CalHome Program
Division of Financial Assistance
2020 West El Camino Avenue, Suite 500
Sacramento, CA 95833
Section 4 - Applications

HCD must receive one original complete application no later than 5:00 p.m. on July 10, 2014.

No facsimiles, incomplete applications, or application revisions will be accepted prior to or after the application deadline. It is the applicant’s responsibility to ensure that the application is clear complete, and accurate.

CalHome staff may request clarifying information provided that the information would not result in a competitive advantage to the applicant. No applicant may appeal HCD’s evaluation of another applicant’s submission.
Section 5 - Funding Allocations

**Threshold:**

All applications will be reviewed to determine if they meet eligibility and threshold requirements. Those that pass will be rated for Baseline Criteria and then for Bonus Points.

Applications must meet all eligibility requirements upon submission.

If an Applicant has submitted an application for both activities, and one does not pass the Threshold Review, the remaining activity will be considered on its own merits. The funding amount requested will be adjusted by HCD to be only that amount designated by the applicant for the activity which passed the Threshold Review.
Section 5 - Funding Allocations

**Baseline Criteria:**
All applications passing the Threshold Review are scored for a **minimum of 550 points to a maximum of 900 points** in the following Baseline Criteria categories:
- 400 points - Capability
- 150 points - Community Need
- 250 points - Feasibility
- 100 points - Community Revitalization

The explanation for these criteria is found in the table attached to this NOFA (Appendix A).

Each activity which has passed the Threshold Review will be scored for Baseline Criteria. For those applications which include both activities, this will result in two separate scores. If both activities pass the Baseline Criteria Review, the application will proceed for a determination of Bonus Points, if any, and the two separate scores will be averaged into a single score.
Performance Penalty:

- Applicants that have previously received a CalHome grant will be reviewed for performance [reference 25 CCR, Section 7751(c)].

- Failure to have expended at least 95% of the most recently completed grant will result in a 100 point penalty to the score of this application [reference 25 CCR, Section 7755(a)(1)(B)].

- If the Applicant has been penalized in the prior NOFA round, the penalty will not be deducted in the current round.
Geographic Distribution:

CalHome’s enabling statute requires the program to “ensure a reasonable geographic distribution of funds”. HCD will further review the rankings for the geographical distribution of awards, and adjust the list to meet the following targets for allocation of available funds:

- **45%** - for activities in **Southern California** (the counties of San Luis Obispo, Kern, San Bernardino and all counties to the South)
- **30%** - for activities in **Northern California** (all other counties of the state)
- **10%** - for activities in **rural areas** as defined in 25 CCR, Section 50101.

If there are insufficient eligible applications in any of the targeted distributions, the balance of the allocation for that targeted area will be used to fund eligible applications in any area of the State based on highest ranking order.
Section 5 - Funding Allocations

**Allocation Adjustments:**

- In case of a tie score, the application for an area demonstrating the highest poverty level will be funded first.

- Allocations will be made to the highest scoring applications and down the list until the full extent of funds available is reached.

- Funding decisions will be made by the Deputy Director of HCD’s Division of Financial Assistance. The decision of the Deputy Director is final.
Section 6 - Awards

Process:

- When decisions have been finalized, all Applicants will be notified. Until letters of Notice of Award or Denial are sent, CalHome Staff may not discuss the standing of any application. Upon receipt of a Letter of Denial, unsuccessful Applicants may direct questions to the CalHome Program Manager at (916) 263-2755.

- A Standard Agreement (contract) will be sent to successful Applicants, to be signed by the person authorized in their enabling Resolution. Upon return of the executed Standard Agreement, HCD will sign the contract, and a date stamp will be affixed. A fully executed copy of the Standard Agreement will be returned to the Applicant, and the status of the Applicant will be changed to Recipient.
Section 6 - Awards continued

Release of Funds:

- Funds may not be obligated by the Recipient prior to the date stamp on the Standard Agreement.
- Funds will be released by the CalHome Program when the Recipient has submitted the following items and they have been reviewed and approved:
  - Loan Servicing Plan.
  - Reuse Account Plan.
  - Program Guidelines.
  - Loan Document templates.
  - Homebuyer Education Plan (Mortgage Assistance activity only).
  - Fully executed 20-Year Monitoring Agreement.

If a Recipient contracts with a Third Party for Loan Servicing or Homebuyer Education, a current copy of the contract must also be submitted for HCD review.

- Funds may be requested as either a reimbursement or as an advance. Advances are limited to 25 percent of the grant amount. Documentation showing usage of at least two-thirds of the funds released must be submitted before another 25 percent advance can be processed.
Timeframes for Performance:

- The Standard Agreement allows a maximum of 36 months from the date of the Award Letter to expend funds. All documentation to support the Recipient’s expenditure of funds must be received within this timeframe.

- At the end of 36 months, the Standard Agreement terminates. Recipients remain subject to the terms of the audit provisions of the Standard Agreement and the terms of the 20-year Monitoring Agreement.

- HCD anticipates the processes of rating and ranking of applications and the awarding of funds should be completed within three months of the application due date.
Section 7 - Legal Matters

HCD reserves the right, at its sole discretion, to suspend or amend the provisions of this NOFA. If such an action occurs, HCD will notify interested parties.

Maximum points: 400
Community need in a geographic area of the proposed local program or project will be based on the following factors:

- For an owner-occupied rehabilitation application, percentage of the population living at or below the federal poverty level, and the number and percentage of households who are overcrowded and living in substandard housing as reflected in U.S. Census data;

- For a mortgage assistance application: the factors used will be the percentage of low-income households overpaying for their housing.

Voluntary tiers are intended to further encourage building practices that improve public health, safety and general welfare by promoting the use of building concepts that minimize the building’s impact on the environment and promote a more sustainable design. CALGreen Tier 1 and Tier 2 buildings contain voluntary green building measures necessary to meet the threshold of each level. For the submission of your application, you may self-certify that you intend to meet the CALGreen Tier 1 or Tier 2 design criteria (see application self-certification check list and attach as Bonus Exhibit A to the Application).
