The Department of Housing and Community Development (Department or HCD) issued a NOFA for the 2008 Disaster Recovery Initiative (DRI) Program on May 12, 2010, announcing the availability of approximately \$38.3 million to assist with the physical and economic recovery of eligible entities affected by the 2008 wild fire disasters.

The NOFA specified that applications would be accepted on an over-the-counter basis beginning on Tuesday, July 13, 2010. The Department has awarded a total of \$44,406,646 during four funding rounds. Of the total, \$5,668,030 was to fund emergency planning activities, \$38,442,018 was for housing and infrastructure activities, and the remaining was general administration for local governments to administer the projects.

Amendment No. 3 is to advise the public and eligible local governments that the DRI NOFA is now closed and no further awards will be made.
