Total	\$5,768,075

*The City of Yreka which was at the cut-off on the original funding list requested \$300,000 and was awarded \$262,069 in the first round. With this award package the City will be awarded the balance of their request.

The Program is proposing to fund these twenty-one (21) jurisdictions from un-awarded and disencumbered funds remaining in the Economic Development Allocation. The existing regulations allow for un-awarded Economic Development Allocation funds to be reallocated from one Economic Development funding component to another, based on demand at the end of the program year.
