

The California Department of Housing and Community Development (HCD) is pleased to announce an upcoming Rapid Re-Housing training for Emergency Solutions Grants (ESG) providers.

## ***Save the Date: Rapid Re-Housing 101 & Rapid Re-Housing Institute***

November 5-6, 2015 in Sacramento for Northern CA ESG Funded Providers; or

November 9-10, 2015 in Los Angeles for Southern CA ESG Funded Providers

HCD, California Department of Social Services, and the County Welfare Directors Association of California will jointly be hosting a two day training on rapid re-housing in November for HCD ESG funded providers and CalWORKs HSP funded counties. Identical sessions will be held in both Sacramento and Los Angeles. Training will be conducted by Abt Associates and Focus Strategies and will include:

- ***Rapid Re-Housing 101***: Half day session on rapid re-housing basics for new ESG providers, new HSP funded counties and staff.
- ***Rapid Re-Housing Institute***: 1.5 day session for all current ESG providers and HSP funded counties facing more challenging issues, such as assisting higher-barrier households, working in high cost/low vacancy housing markets, and helping households stabilize and avoid a return to homelessness.

**Please note:** Seating in the Sacramento location is limited to 50 participants, but we do have fewer limitations in the Los Angeles facility. Participants who are not able to attend in Sacramento will have an opportunity to attend an identical session in Los Angeles. We are also limiting registrations to one person per organization.

Additional information and registration details will be forwarded soon!
