Mr. Andrew Myrick
 Enterprise Zone Manager
 Salinas Valley Enterprise Zone
 65 West Alisal Street, 2nd Floor
 Salinas, CA 93901-2639

Re: Approval of the Targeted Employment Area, Retroactive to January 30, 2009

Dear Mr. Myrick:

The Department of Housing and Community Development (Department) received an application, dated July 22, 2009, requesting the approval of a Targeted Employment Area (TEA) for the Richmond Enterprise Zone.

Based on the information provided, the Department has awarded a TEA to the Salinas Valley Enterprise Zone. The approved TEA consists of the following census tracts:

2	9	101.01	108.01	113.02
3	10	102.01	108.02	114.00
4	13	103.02	111.01	115.00
5	14	104.00	111.02	
6	15	105.03	112.01	
7	17	105.04	112.02	
8	18	106.02	113.01	

The effective date for the Targeted Employment Area is January 30, 2009. The Targeted Employment Area will remain in effect until 180 days after updated census data becomes available, at which time each local governmental entity of each city and county that has a jurisdiction in the enterprise zone shall approve a new TEA.

As you may know, the Franchise Tax Board *only accepts* TEA addresses listed on the Department's website. To ensure that the Department's website accurately reflects the Addresses in the approved Census Tracts, please submit the street range listing using the Department template which can be provided by program staff.

If you have questions, please call Adrienne DiLullo at (916) 324-6758.

Sincerely,

Rebecca Matt
 Program Lead
