</tbody>
</table>

Project Categories are as follow (please mark all that apply):
1) Tangible physical property; 2) Maintenance, reconstruction, rehabilitation, demolition for purposes of reconstruction of facilities 3) Equipment (useful life of 5 or more years); 4) Eligible soft costs directly related to the construction, rehabilitation or acquisition of a capital asset project.

Section 2. Project Narrative

The Grantee must include a summary of each project funded in whole or in part with HRP Program funds. The summary must include a description of each project, such as the location, scope of the project, and the community benefit achieved from the project. If available, please submit diagrams or renderings, or before and after pictures of each project. Pictures may be submitted with the Final Report or emailed (if digital) to your HRP representative.

B. Certifications

Table 1: Certificates of Occupancy

The total number of housing starts for residential units affordable to very low and low income households should be the same as indicated in the HRP Program application as submitted to the Department, or, if applicable, as recalculated by HCD. The final closeout report letter, mailed to grantees once all available funds have been requested from the Department will include information on the total number of units used in calculating the award to be entered in this field. Grantees may also contact their HRP Program representative to verify the number on file with HCD.

This table must also include the total number of certificates of occupancy or notices of completion ultimately issued during the calendar year(s) covered by the application and used to calculate the final HRP Program award. HCD does not require documentation of certificates of occupancy or notices of completion for housing starts.

C. Closeout Certification

The Final Grant Report and Closeout Certification must be signed by the Authorized Representative as indicated in the contract resolution certified by the Grantee governing body.
