RE: CITY OF BANNING GENERAL PLAN PROGRESS REPORT

Dear Ms. Bates,

In compliance with Government Code Section 65400, the City of Banning is pleased to provide the Department of Housing and Community Development (HCD) a copy of the City's General Plan Progress Report. The attached Progress Report was reviewed and approved by the Banning City Council on March 25, 2014 with a recommendation to forward the Progress Report to the Governor's Office of Planning and Research (OPR) and HCD. Attached please find approved Resolution No. 2014-17 including the Housing Element reporting forms and General Plan Progress Report for 2013.

If you have any questions regarding the Progress Report, please contact me at (909) 922-3131.

Sincerely,

Zai Abu Bakar
Community Development Director

cc: Brian Guillot, Associate Planner

RESOLUTION NO. 2014-17

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BANNING, CALIFORNIA APPROVING THE GENERAL PLAN ANNUAL REPORT FOR YEAR 2013 AND FILING WITH THE GOVERNOR'S OFFICE OF PLANNING AND RESEARCH AND STATE HOUSING AND COMMUNITY DEVELOPMENT

WHEREAS, California state law requires that each city and county adopt a general plan to guide development in their city and land outside its boundaries that has relation to its city planning (Govt. Code §65300); and

WHEREAS, the City undertook a comprehensive update to the General Plan and Zoning Ordinance which were adopted by the City Council on January 31, 2006; and

WHEREAS, California State law requires that the General Plan include seven (7) mandated elements which include land use, housing, traffic circulation, safety, parks and recreation, conservation, and noise; and

WHEREAS, the City of Banning General Plan has 21 elements (seven [7] of which are mandated by the State) and contains 299 implementation action programs; and

WHEREAS, Government Code §65400 mandates that cities and counties in California submit an annual report on the status of the General Plan and progress in its implementation to their decision makers (city council or board of supervisors), the Governor's Office of Planning and Research (OPR) and the Department of Housing and Community Development (HCD) by April 1st of each year; and

WHEREAS, the purpose of the General Plan annual report is to provide information to identify the necessary "course adjustments" or modifications to the General Plan and means to improve local implementation; and

WHEREAS, the City is also required to report progress in implementing its Housing Element and the Regional Housing Needs Assessment as part of the annual report; and

WHEREAS, the City continues to take proactive steps in implementing the goals, policies and action programs of the General Plan; and

WHEREAS, the City has implemented, completed and/or has an active/ongoing status of 264 action programs (88%) out of 299 action programs. Only 35 action programs (12%) have not been completed and/or initiated. In summary, the City has done a good job of implementing the General Plan. The primary reasons some of the action programs have not been completed/initiated relates to budget deficits, reduction in staff, and work program priority for each of the City departments; and

WHEREAS, Exhibit "A" to this report contains the reporting forms on progress for implementing the Housing Element; and

WHEREAS, Exhibit "B" to this report details the implementation action programs and status; and

WHEREAS, on March 5, 2014 the Planning Commission considered the staff report, reviewed the General Plan Annual Progress Report for Year 2013, received public testimony, and recommended approval of the report to the City Council; and

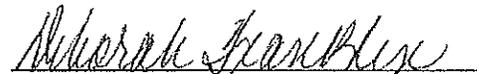

WHEREAS, the City Council has reviewed the General Plan Annual Progress Report for Year 2013 at its meeting on March 25, 2014; and

NOW THEREFORE, the City Council of the City of Banning does hereby find, determine, and resolve as follows:

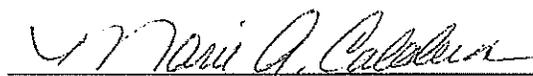

SECTION 1: The City Council determined that this General Plan Annual Report was prepared for compliance with Government Code Section 65400.

SECTION 2: The City Council approved the General Plan Annual Progress Report for 2013 and direct staff to file the report with the State Office of Planning and Research and the State Department of Housing and Community Development.

PASSED, APPROVED AND ADOPTED this 25th day of March 2014.

Deborah Franklin, Mayor

ATTEST:

Marie Calderon, City Clerk
City of Banning, California

**APPROVED AS TO FORM AND
LEGAL CONTENT:**

David J. Aleshire, City Attorney
Aleshire & Wynder, LLP

CERTIFICATION:

I, Marie Calderon, City Clerk of the City of Banning, California, do hereby certify that the foregoing Resolution, No. 2014-17 was duly adopted by the City Council of the City of Banning, California, at a regular meeting thereof held on the 25th day of March 2014, by the following vote, to wit:

AYES: Councilmembers Miller, Peterson, Welch, Westholder, Mayor Franklin

NOES: None

ABSENT: None

ABSTAIN: None

Marie Calderon, City Clerk
City of Banning, California

Annual Building Activity Report Summary - Units Rehabilitated, Preserved and Acquired pursuant
to GC Section 65583.1(c)(1)**

Please note: Units may only be credited to the table below when a jurisdiction has included a program in its housing element to rehabilitate, preserve or acquire units to accommodate a portion of its RHNA which meet the specific criteria as outlined in GC Section 65583.1(c)(1)

Activity Type	Affordability by Household Incomes				TOTAL UNITS	(4) The Description should adequately document how each unit complies with subsection (c)(7) of Government Code Section 65583.1
	Extremely Low Income*	Very Low Income	Low Income			
(1) Rehabilitation Activity	0	4	2		6	The City of Banning Housing Authority and Successor Agency assisted 9 residents to rehabilitate their homes and property using Agency and Authority's Exterior Rehabilitation Grant Program from the 2007 Bond Proceeds. Six of the 9 residents assisted falls into the very low and low income category and three (3) are in the medium income category. The medium income category is not requested to be reported on this form.
(2) Preservation of Units At Risk	0	0	0		0	
(3) Acquisition of Units	0	0	0		0	
(5) Total Units by Income	0	4	2		6	

* Note: This field is voluntary

Program Implementation

Program Description (By Housing Element Program Name)	Name of Program	Objective	Timeframe in H.E.	Status of Program Implementation
Housing Programs Progress Report - Government Code Section 65583. Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the Housing Element.				
Transitional and Supportive Housing	Zoning Ordinance amendment to allow the use	Rezoned sites to provide adequate capacity	Aug 2010	The Banning City Council adopted Ordinance No. 1467 on August 13, 2013 to allow transitional and supportive housing.
Housing for all income groups	Update as required to comply with State law	City publicizes programs on website and flyer	June 2008-June 2014	The City Council adopted Ordinance No. 1466 on August 13, 2013 and rezoned sites to meet the City's RHNA requirements.
Continue to Update General Plan as needed	Fund active public relations program	Encourage and facilitate development	As required by state law	The City amended the Land Use, Circulation, Economic Development and Housing Elements during the Calendar Year of 2013.
Riverside County Housing Assistance	Provide training for future homeowners	Create incentives and procedures	Through 2014	The City published the information on the City's website and have the flier available at the front counter.
Homeless Assistance and Monitoring Program	Create a list of funding sources	Refer Potential Homeowners to the County	Through 2014	In 2013, the City of Banning participated with the County of Riverside in the Homeless count survey.
Single-Room Occupancy	City promote the County Program	Revise the Zoning Ordinance	Through 2014	On-going.
Homeownership Education Program	Identify number of workers and suitable sites	Revise the Zoning Ordinance to allow this use	Ongoing	Program provided in conjunction with Fair Housing Council of Riverside County.
Special Needs Housing	Assist the County in Marketing their Home Purchasing Program		Ongoing	The City Council adopted Ordinance No. 1462 on March 12, 2013 providing reasonable accommodations for special needs housing.
Identify Funding Availability and Sources	Participate in the County Mortgage Credit Certificate Programs		Ongoing	The City actively reach out and work with developers to identify projects and funding sources for development of housing.
Assist the County in Marketing their Home Purchasing Program	Zoning for licensed group homes, foster homes residential care facilities, and similar state-licensed facilities		Ongoing	Ongoing. The City publishes information on the County and State program on the City's website.
Participate in the County Mortgage Credit Certificate Programs	Farm Worker Housing		Ongoing	Ongoing.
Zoning for licensed group homes, foster homes residential care facilities, and similar state-licensed facilities	Employee Housing		Through 2014	Delayed due to budget and staffing cuts and priorities.
Farm Worker Housing			Through 2014	The City Council adopted Ordinance No. 1467 clarifying the definitions of farmworker housing.
Employee Housing			Dec 2010	The Zoning Ordinance currently permits employee housing which allows six or fewer persons.

Table C

Program Implementation

Housing Programs Progress Report - Government Code Section 65583. Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the Housing Element.				
Program Description (By Housing Element Program Name)	Name of Program	Objective	Timeframe in H.E.	Status of Program Implementation
Zoning to ensure compatibility between residential and non-residential uses		Revise the Zoning Ordinance to allow this use	Dec 2010	The Banning Zoning Ordinance currently addresses this item and is implemented on an on-going basis during development review.
Riverside County Housing Authority Vouchers		Monitor vouchers availability and waiting list and promote the County program	Through 2014	Not implemented due to budget and staffing cuts. However, the City provides fliers and information about the county program on the City's website.
Reasonable Accommodations		Update Zoning Ordinance and Adopt Procedures	Ongoing and through 2014	The City Council adopted Ordinance No. 1462 on March 12, 2013 providing reasonable accommodations for people with special needs.
Rezoning to Accommodate High Density Residential		Update Zoning Ordinance and Adopt Procedures	Ongoing and through 2014	The City Council adopted Ordinance No. 1466 on August 13, 2013 and re-zone various sites to meet the City's RHNA requirements including accommodating high density residential.
HOME and CDBG programs for rehabilitation program		Pursue grants programs to rehabilitate extremely low owner/renter occupied units	Ongoing and through 2014	Delayed due to budget and staffing cuts.
Riverside County Home Improvement Program		Publicize County's program at the counter, newsletter, and city's website	Ongoing and through 2014	On-going. The information is provided on the city's website.
Community Redevelopment Agency Housing Rehabilitation Program		Expand the current program to include energy efficiency program	Ongoing and through 2014	This program ended in June 2013. The Successor Agency assisted 9 residents through a \$10,000.00 grant per homes.
Cross training of code enforcement, building inspection, and redevelopment		Training to improve communication and information flow	Ongoing and through 2014	On-going.
Neighborhood Stabilization Plan		Pursue Participation in the Program	Ongoing and through 2014	This program ended.
Funding for At-Risk Units		Pursue funding through HOME and MHP program	Ongoing and through 2014	Not implemented due to budget and staffing cuts.
Home Mortgage Disclosure Act and Community Reinvestment Act		Actively participate in the program	Ongoing and through 2014	Delayed due to budget and staffing cuts.
Zoning Ordinance Update		Review and update the Ordinance to reduce housing construction costs	Every two years	On-going.

Table C

Program Implementation

Program Description (By Housing Element Program Name)	Housing Programs Progress Report - Government Code Section 65583. Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the Housing Element.		
Name of Program	Objective	Timeframe in H.E.	Status of Program Implementation
Development Fees	Survey surrounding cities to ensure rates are reasonable and competitive.	Ongoing and through 2014	On-going.
Concurrent entitlement processing	Encourage developers to take advantage of concurrent entitlement processing and participate in the pre-application meeting	Ongoing and through 2014	This policy is adopted into the Zoning Code and is being implemented.
Permit Streamlining and one-stop-shop	Adopt procedures	Ongoing	Procedures adopted in the Zoning Code and is being implemented. One-stop shop is not implemented; however, there is a development review team that serves as a one-stop-shop.
Reduce parking standards for low income housing	Prepare the zoning code amendment	December 2009	The City council adopted Ordinance No. 1467 to provide reduced parking for affordable housing consistent with State law.
Design Review Process	Ensure that the Design Review Process does not constraint multi-family residential development of 5 or more units and develop alternative procedures if it does	Through 2014 and beyond	On-going. However, there was no application for multi-family housing development in 2013.
Energy Conservation	Augment the current design guidelines to encourage energy conservation	December 2010	Addressed through landscape design guidelines, building code, mechanical and plumbing codes.
Residential building standards	Examine the residential building standards and update as appropriate	Annually through 2014	This is done through the State Building code standards which was adopted by the City.
Expanded Energy Conservation Through the Housing Rehabilitation Program	Expand the current program to include energy efficiency program	Draft to be completed in Dec 2009 and continuous through 2014	This City partners with Western Riverside Council of Governments (WRCOG) on their HERO program regarding the conservation programs.

Table C

Program Implementation

Program Description (By Housing Element Program Name)	Housing Programs Progress Report - Government Code Section 65583. Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the Housing Element.			
Name of Program	Objective	Timeframe in H.E.	Status of Program Implementation	
Title 24 Compliance California Building Code	Residential development must comply with Title 24	Ongoing and through 2014	Ongoing implementation.	
Sustainable Development Standard	Established Ordinance to create standards for sustainable development	Ongoing and through 2014	Implemented through the California Green Building Code	
Inventory of Vacant Land	Create an inventory and update it annually. Post approved project information on the website	Ongoing and through 2014	Completed. The annual update is a challenge due to staffing and budget cuts.	
CalFHA Housing Program	The CRA to provide direct mailing to all residents advertising CalFHA Program	Ongoing and through 2014	Not implemented due to lack of staffing and budget cuts. However information on CalFHA funding is published on the City's website.	
Partner with non-profit and for-profit housing developers and pursue available funding	Pursue other funding sources for affordable housing and provide incentive	Ongoing and through 2014	The City currently partners with Habitat for Humanity to renovate foreclosed homes for very low income residents for a portion of the calendar year, however due to the elimination of the CRA, funding is no longer available to continue the program.	
Rezoning of the Downtown Commercial District.	Rezone to allow development of higher density between 18-30 units per acre and allow mixed-use development	July 2010	The City Council adopted Ordinance No. 1466 increasing residential density from 18 to 20 on three parcels.	
Provide incentives for development in the newly rezoned Downtown Commercial District	The City and CRA to offer incentives	Ongoing and through 2014 and thereafter	CRA is dissolved and there is currently no funds available for the programs.	
City and CRA Funding for multi-family projects	Established partnerships with developers of multi-family housing projects who have proven track record and City and Agency to consider funding.	By December 2010	The CRA has been eliminated by the State. This implementation action is not feasible. Staff continues to explore opportunities with the affordable housing builders	
State and Federal Funding	Pursue various state and federal funding	Ongoing and through 2014	Ongoing.	

Table C

Program Implementation

Introduction

The following discussion will provide a summary of the progress in achieving the Goals, Policies and Implementation Programs for each of the 21 General Plan elements. Each General Plan Element contains implementation programs that identify each department(s) responsible for implementation of the programs and outlines the timing/schedule to complete the programs. The elements have been alphabetized for easier reference. The programs that have been completed and/or active and ongoing are **highlighted in bold** and the programs that have not been completed are *highlighted in italics*.

Air Quality Element (11 programs)

GOAL 1

To preserve and enhance local and regional air quality for the protection of the health and welfare of the community.

Policy 1

The City shall be proactive in regulating local pollutant emitters and shall cooperate with the Southern California Association of Governments and the South Coast Air Quality Management District to assure compliance with air quality standards.

Policy 2

The City shall continue to coordinate and cooperate with local, regional and federal efforts to monitor, manage and reduce the levels of major pollutants affecting the City and region, with particular emphasis on PM₁₀ and ozone emissions, as well as other emissions associated with diesel-fueled equipment and motor vehicles.

Program 2.A

On an ongoing basis, the City shall continue to participate in efforts to monitor and control PM₁₀ emissions from construction and other sources, and all other air pollutants of regional concern. The City shall coordinate with SCAQMD to provide all reporting data for the SCAQMD annual report.

Responsible Agency: Building and Public Works Departments, Planning Department, SCAQMD

Schedule: Continuous; Ongoing

Implementation Status – Ongoing through land development review process and environmental documentation that is required and standard conditions for Public Works. The City consulted with the SCAQMD with regard to air quality impacts from land development projects. The City Public Works inspector also monitors grading activities and enforces dust control.

Policy 3

City land use planning efforts shall assure that sensitive receptors are separated from polluting point sources.

Program 3.A

The General Plan Land Use Map and Element shall be developed and maintained to locate air pollution point sources, such as manufacturing operations and highways, at an appropriate distance from sensitive receptors, including hospitals, schools, hotels/motels and residential neighborhoods.

Responsible Agency: Planning Department, SCAQMD

Schedule: 2005-2006

Implementation Status – This is implemented through the Zoning Ordinance where zoning districts are established to ensure that conflict between land uses - residential, commercial, industrial, and public facilities are minimized. As part of land development review process, City staff consults with the SCAQMD through the environmental review process as required by the California Environmental Quality Act (CEQA) to ensure that land development projects do not have the potential to impact sensitive receptors.

Policy 4

Development proposals brought before the City shall be reviewed for their potential to adversely impact local and regional air quality and shall be required to mitigate any significant impacts.

Program 4.A

Projects that may generate significant levels of air pollution shall be required to conduct detailed impact analyses and incorporate mitigation measures into their designs using the most advanced technological methods feasible. All proposed mitigation measures shall be reviewed and approved by the City prior to the issuance of grading or demolition permits.
Responsible Agency: Planning Department
Schedule: Ongoing
Implementation Status - Implemented through the California Environmental Quality Act (CEQA) and land development review process. Environmental documents are prepared for each of the land development projects that are not exempt under CEQA and mitigation measures are made apart of the Conditions of Approval. Additionally, mitigation measures are implemented and monitored during construction of the project.
Program 4.B
Provide consistent and effective code enforcement of construction and grading activities and off-road vehicle use to assure that the impacts of blowing sand and fugitive dust emissions are minimized.
Responsible Agency: Building Department, Code Compliance, SCAQMD
Schedule: Ongoing
Implementation Status – Ongoing through standard approval process and also monitoring during construction.
Program 4.C
The City shall encourage immediately, and investigate legislating the reduction of TDM requirements to a level of 50 employees or more.
Responsible Agency: Public Works Department/Planning Dept
Schedule: 2005-2006 Pending
Implementation Status - <i>Not Implemented due to budget cuts and staff reduction.</i>

Policy 5

The City shall promote the use of clean and/or renewable alternative energy sources for transportation, heating and cooling.

Program 5.A
Vehicles that use alternative fuel sources, such as compressed natural gas and electricity, shall be purchased and maintained for use in the City's vehicle fleet when new vehicles are purchased.
Responsible Agency: City Manager's Office
Schedule: 2005-2006
Implementation Status – New city vehicles that are purchased use compressed natural gas and the implementation is ongoing.
Program 5.B
The City's Compressed Natural Gas fueling station shall continue to be open to public use.
Responsible Agency: Public Works Department
Schedule: Ongoing
Implementation Status - Active and Ongoing. The CNG Fuel Station is currently open to the public 24 hours a day.

Policy 6

The City shall support the development of facilities and projects that facilitate and enhance the use of alternative modes of transportation, including pedestrian-oriented retail and activity centers, dedicated bicycle paths and lanes, and community-wide multi-use trails.

Program 6.A
The City shall pursue a balance of employment and housing opportunities that encourage pedestrian and other non-motorized transportation and minimize vehicle miles traveled.
Responsible Agency: Economic Development Department, Redevelopment Agency, Planning Department
Schedule: Ongoing
Implementation Status – Ongoing as new development is proposed. The Butterfield Specific Plan (Pardee) will incorporate commercial development with active walking/jogging trails, bike paths, and neighborhood electric vehicles. The Village at Paseo San Gorgonio is a Downtown redevelopment project that encourages people to walk and enjoy the outdoor environment.
Program 6.B
The City shall promote the expanded availability of mass transit services, coordinating with all agencies to link residential and commercial business and employment centers with the City’s residential neighborhoods and nearby communities.
Responsible Agency: Community Services Department, Economic Development Department, Redevelopment Agency, Planning Department
Schedule: Ongoing
Implementation Status – The City coordinates with other regional transit agencies such as the Riverside Transit Agency and attends regional transit meetings. Expansion will occur when population increases demand for expanded service. The City Manager is pursuing opportunities for a regional rail/transit station.
Program 6.C
The City shall promote and support the development of ridesharing, carpooling, flexible work scheduling, telecommuting and Park and Ride programs among public and private employers.
Responsible Agency: Planning Department, Public Works Department, Community Services Department, Transit Agencies, Major Employers
Schedule: Ongoing
Implementation Status - Ongoing as the City currently has a four day work week (4/10 work schedule). This program is codified in Chapter 8.60 of the Municipal Code.
Program 6.D
The City shall require shade trees with non-damaging root systems to be planted in all medians on all streets, to cool the asphalt and reduce the Reactive Organic Compounds (ROC) and Volatile Organic Compounds (VOC) generated by asphalt streets and parking lots. A list of permitted trees with non-damaging root systems shall be developed.
Responsible Agency: Planning Department, Public Works Department
Schedule: Ongoing
Implementation Status - Ordinance in place, active and ongoing. Public Works reviews street tree plans for acceptable species; Planning requires one tree for every seven (7) parking spaces in the parking lot.

Archaeological and Cultural Resources Element (12 programs)

GOAL 1

Documentation, maintenance, preservation, conservation and enhancement of archaeological and historic sites, artifacts, traditions and other elements of the City's cultural heritage.

Policy 1

The City shall exercise its responsibility to identify, document and evaluate archaeological, historical and cultural resources that may be affected by proposed development projects and other activities.

Program 1.A
All new development proposals, except single family dwelling on existing lots of record, shall submit a records search for historic and cultural resources as part of the planning process.
Responsible Agency: Planning Department
Schedule: 2005-2006, Ongoing
Implementation Status – Ongoing and is implemented through the California Environmental Quality Act (CEQA) process during land development review.
Program 1.B
Development or land use proposals which have the potential to disturb or destroy sensitive cultural resources shall be evaluated by a qualified professional and, if necessary, comprehensive Phase I studies and appropriate mitigation measures shall be incorporated into project approvals.
Responsible Agency: Planning Department
Schedule: Ongoing
Implementation Status – Standard conditions for grading.
Program 1.C
The City shall implement the requirements of state law relating to cultural resources, including Government Code 65352.3, and any subsequent amendments or additions.
Responsible Agency: Planning Department
Schedule: Ongoing
Implementation Status – City consults with tribal representatives on all land development projects.

Policy 2

The City shall expand and enhance its historic preservation efforts.

Program 2.A
Prepare a historic preservation plan, which outlines the goals and objectives of the City's preservation programs and serves as an official historic context statement for the evaluation of cultural resources within the City boundaries.
Responsible Agency: Planning Department
Schedule: 2006-2007
Implementation Status – <i>Not implemented due to lack of funding and staffing.</i>
Program 2.B
The City shall consider participating in the Certified Local Government program so that it may benefit from historic preservation expertise, technical assistance, special grants, information exchange, and statewide

preservation programs coordinated by the State Office of Historic Preservation. The evaluation of participation in the program shall be part of the historic preservation plan.
Responsible Agency: Planning Department, Historical Society, City Council
Schedule: 2006-2007
Implementation Status – <i>Not implemented due to lack of funding and staffing.</i>
Program 2.C
Encourage property owners and residents to nominate qualified properties to the City’s inventory system and/or any federal and state registers.
Responsible Agency: Planning Department, Morongo Band of Cahuilla Indians
Schedule: Ongoing
Implementation Status – <i>Not implemented due to lack of funding and staffing.</i>
Program 2.D
Should the Saint Boniface School site be proposed for development, extensive analysis of the site shall be conducted, and mitigation proposed, to document its historic significance.
Responsible Agency: Planning Department
Schedule: 2005-2006, Ongoing
Implementation Status – Tract map approved but a project is not yet developed.

Policy 3

Establish and maintain a confidential inventory of archaeological and historical resources within the City, including those identified by the Eastern Information Center (EIC) at the University of California, Riverside and in focused cultural resources studies.

Policy 4

Sensitive archaeological and historic resources shall be protected from vandalism and illegal collection, to the greatest extent possible.

Program 4.A
Mapping and similar information, which identifies specific locations of sensitive cultural resources, shall be maintained in a confidential manner, and access to such information shall be provided only to those with appropriate professional or organizational ties.
Responsible Agency: Planning Department
Schedule: Immediate; continuous
Implementation Status – Records of sensitive Cultural Resources are maintained by curator at the University of California Riverside.

Policy 5

Encourage public participation in and appreciation of the City’s cultural heritage.

Program 5.A
Implement a systematic program to enhance public awareness of the City’s heritage, generate broad support for its preservation, and enhance community pride.
Responsible Agency: Planning Department, Historical Society, City Council, Morongo Band of Mission Indians
Schedule: 2005-2006, Ongoing
Implementation Status – The Centennial Celebration Committee held various guest speakers on the history of Banning throughout 2013 which enhance public awareness of the city’s heritage.

Program 5.B
Support the efforts of local cultural associations to acquire historical materials and artifacts, and to educate the public about the City's and region's cultural heritage.
Responsible Agency: Planning Department, Historical Society, Morongo Band of Mission Indians
Schedule: 2005-2006, Ongoing
Implementation Status – <i>Not implemented due to lack of funding and staffing.</i>

Policy 6

Support the listing of eligible structures or sites as potential historic landmarks and their inclusion in the National Register of Historic Places.

Program 6.A
Develop procedures for the designation of local landmarks and historic districts.
Responsible Agency: Planning Department, Historical Society, Morongo Band of Mission Indians
Schedule: 2005-2006
Implementation Status – <i>Not implemented due to lack of funding and staffing.</i>

Policy 7

The City shall consider offering economic or other incentives, such as direct subsidies or application/permitting fee reductions or waivers, to property owners to encourage the maintenance and enhancement of significant cultural buildings and sites.

Program 7.A
Develop an application process for City-sponsored incentives to maintain and enhance significant buildings and sites, and provide property owners with information and guidance on eligibility requirements.
Responsible Agency: Planning Department
Schedule: 2006-2007
Implementation Status – <i>Not implemented due to lack of funding and staffing.</i>

Biological Resources Element (7 programs)

GOAL 1

A pattern of community development that supports a functional, productive, harmonious and balanced relationship between the built and natural environment.

Policy 1

The City shall continue to participate in the preservation of habitat for endangered, threatened and sensitive species.

Program 1.A
Through the Western Riverside MSHCP, maintain an accurate and regularly updated map of sensitive plant and animal species and habitat in Banning and its planning area.
Responsible Agency: Planning Department
Schedule: 2005-2006, Ongoing
Implementation Status – Implemented as required by the Multi-Species Habitat Conservation Plan (MHSCP).
Program 1.B
The City shall participate in the Western Riverside County Multiple Species Habitat Conservation Plan.
Responsible Agency: Planning Department, Riverside County
Schedule: Ongoing
Implementation Status – Implemented as required by the MSHCP.
Program 1.C
City staff shall continue to request biological resource surveys for new development.
Responsible Agency: Planning Department, Riverside County
Schedule: Continuous
Implementation Status - Implemented as required by the MHSCP and through the CEQA review process.

Policy 2

As part of the development review process, the City shall evaluate projects based on their impact on existing habitat and wildlife, and for the land's value as viable open space.

Program 2.A
The City shall encourage developers to recover native and drought tolerant plant materials, and incorporate them into project landscaping, to provide or enhance habitat for local species.
Responsible Agency: Planning Department
Schedule: Ongoing
Implementation Status – Ongoing part of land development review process.
Program 2.B
The City shall make available at City Hall a listing of planting materials that emphasizes native vegetation, but may also include non-native, plants that are compatible with the local environment.
Responsible Agency: Planning Department
Schedule: 2005-2006, Ongoing
Implementation Status – The City's Landscape Guidelines contain the list and are available to the public.

Policy 3

The City shall encourage and cooperate with other agencies in establishing multiple use corridors that take advantage of drainage channels and utility easements as wildlife corridors, public access and links between open space areas and the built environment.

Program 3.A
The City shall consult and coordinate with the Riverside County Flood Control District to encourage the establishment of a system of multiple use corridors for movement of people and wildlife between open space areas.
Responsible Agency: Planning Department, Riverside County Flood Control District
Schedule: 2005-2006, Ongoing
Implementation Status – Future trail plans that are proposed to be constructed adjacent to flood control facilities will be coordinated with the Riverside County Flood Control District.

Policy 4

Drainage channels, utility corridors and pipeline easements shall be preserved in natural open space to the greatest extent possible.

Policy 5

The City shall promote the protection of biodiversity and encourage an appreciation of the natural environment and biological resources.

Program 5.A
The City shall coordinate with the Banning and Beaumont Unified School Districts, the County and other agencies as identified, to provide educational programs that offer an understanding of the region's natural environment and make the public aware of biological resource issues.
Responsible Agency: Planning Department, Banning and Beaumont Unified School Districts, Riverside County, and others as identified
Schedule: 2005-2006, Ongoing
Implementation Status – <i>Not implemented due to lack of funding and staffing.</i>

Circulation Element (38 programs)

GOAL 1

A safe and efficient transportation system.

Policy 1

The City's Recommended General Plan Street System shall be strictly implemented.

Program 1.A
Street rights of way shall be 134 feet for Urban Arterial Highways, 110 feet for Arterial Highways, 100 feet for Major Highways, 88 feet for Secondary Highways, 78 feet for Divided Collectors, 66 feet for Collectors, and 60 feet for Local Streets. Local street standards can be amended as described in Policy 2.
Responsible Agency: Community Development Department, Public Works Department, Planning Commission, City Council
Schedule: Ongoing
Implementation Status – Implemented through development process.
Program 1.B
The City's Public Works roadway standards shall be amended to match the standards contained in this General Plan.
Responsible Agency: Public Works Department
Schedule: Ongoing
Implementation Status – The roadway standard plans were completed and approved by City Council on December 11, 2012.
Program 1.C
Minimum lane width for all City streets shall be designed at 12 feet.
Responsible Agency: Planning Department, Public Works Department, Planning Commission, City Council
Schedule: Ongoing
Implementation Status – Ongoing standard requirement for all development projects.

Policy 2

Local streets shall be scaled to encourage neighborhood interaction, pedestrian safety and reduced speeds.

Program 2.A

The design of new local streets can vary from the City's standard of 60 foot right-of-way, 40 foot paved width, under the following conditions:

1. The minimum travel lane width shall be 12 feet.
2. Parking shall be provided on at least one side of any public street. Parking lanes shall be a minimum of 8 feet in width.
3. Parking may be eliminated on private streets, if provisions are made in Conditions, Covenants and Restrictions (CC&R's) for enforcement by the Homeowners' Association.
4. Landscaped traffic circles, chokers, and center islands are encouraged, but must meet the requirements of the Fire Department.
5. The minimum parkway width shall be 10 feet.
6. Linear sidewalks are discouraged. Meandering sidewalks, which provide landscaping and street trees adjacent to the curb, shall be included in local street design.

The design of local streets varying from the City's standard, shall be included in the Tentative Tract Map application, and shall be reviewed by the Planning Commission and approved by the City Council.

Responsible Agency: Community Development Department, Public Works Department, Planning Commission, City Council

Schedule: Ongoing

Implementation Status – Ongoing review as part of development process.

Program 2.B

Existing local streets will be inventoried, and a master plan of potential improvements designed to improve their aesthetic and safety, including landscaped medians, sidewalks and traffic calming devices, shall be developed, cost engineered, and implemented.

Responsible Agencies: Public Works Department, Planning Commission, City Council

Schedule: Ongoing

Implementation Status – Ongoing, Capital Improvement Program (CIP) adopted and being implemented as funding is available. In 2013 the City had all the City street inventoried and inspected for specific conditions which resulted in a condition rating for each street which will be utilized to efficiently maintain the City's street network.

Policy 3

The City shall establish and maintain a 5-Year Capital Improvement Program for streets.

Program 3.A

The Public Works Department shall establish a Capital Improvement Program for 5 years, and update it annually.

Responsible Agency: Public Works Department

Schedule: Ongoing

Implementation Status – The 5 Year Capital Improvement Program is updated and approved annually.

Policy 4

Proactively participate in regional transportation planning.

Program 4.A

Maintain active relationships with the City of Beaumont, the County of Riverside, the Western Riverside County Council of Governments, the California Department of Transportation and the Morongo Band of Mission Indians to share information and promote comprehensive transportation planning in the region.

Responsible Agency: Public Works Department, City Manager's Office, City Council, City of Beaumont, County of Riverside, WRCOG, CalTrans, Tribe

Schedule: Ongoing
Implementation Status – Ongoing.
Program 4.B
Aggressively pursue Banning projects in the Transportation Uniform Mitigation Fee (TUMF) program, particularly the addition of projects to the TUMF project list, including grade separated road crossings.
Responsible Agency: Public Works Department
Schedule: Ongoing
Implementation Status – Ongoing, Funds secured for Sunset Grade Separation Project. Construction to commence in 2013.
Program 4.C
Aggressively pursue the design and development of interchanges at Cottonwood Road (North - South), including all sources of funding, and the coordination of I-10 widening with their installation.
Responsible Agency: Public Works Department, City Manager's Office, City Council, CalTrans, Railroad
Schedule: Ongoing
Implementation Status – Discussions have commenced in regards to Cottonwood; however not much progress has occurred.

Policy 5

Consider amendments to the Highland Home/Highland Springs/18th Street/Brookside street configurations based on public safety, design feasibility and area needs.

Policy 6

The City shall maintain peak hour Level of Service C or better on all local intersections, except those on Ramsey Street and at I-10 interchanges, where Level of Service D or better shall be maintained.

Program 6.A
Periodically review current traffic volumes and the actual pattern of development to coordinate, program and, as necessary, revise road improvements.
Responsible Agency: Public Works Department
Schedule: Ongoing
Implementation Status - Ongoing & Active. In 2013 a General Plan Amendment was approved by City Council which changed the citywide policy for Level of Service (LOS) from C to D.

Policy 7

New development proposals shall pay their fair share for the improvement of streets within and surrounding their projects on which they have an impact, including roadways, bridges, grade separations and traffic signals.

Policy 8

Traffic calming devices shall be integrated into all City streets to the greatest extent possible and all new streets shall be designed to achieve desired speeds.

Policy 9

Street trees within the City right of way shall be preserved, unless a danger to the public health and safety or if the tree is diseased.

Program 9.A
Sidewalks in areas with street trees shall be designed to "wrap around" the tree if they are added to an

existing neighborhood.
Responsible Agency: Public Works Department
Schedule: Ongoing
Implementation Status – Ongoing.

Policy 10

Sidewalks shall be provided on all roadways 66 feet wide or wider. In Rural Residential land use designation pathways shall be provided.

Program 10.A
The Public Works Department shall prepare an inventory of discontinuous sidewalks on all qualifying roadways, and fund individual projects through the Capital Improvement Program annually.
Responsible Agency: Public Works Department, City Council
Schedule: Ongoing
Implementation Status – In progress and is implemented annually through CIP. New inventory of sidewalks and curb and gutters were made a part of the project mentioned in section 2.B.
Program 10.B
All new development proposals located adjacent to qualifying roadways shall be required to install curb, gutter and sidewalk concurrent with construction.
Responsible Agency: Public Works Department, Planning Department
Schedule: Ongoing
Implementation Status – Ongoing through land development review.
Program 10.C
The City shall develop procedures to address neighborhood sidewalk needs as they are requested by that neighborhood.
Responsible Agency: Public Works Department
Schedule: Ongoing
Implementation Status – Ongoing as needed.
Program 10.D
Work with the School District to develop safe routes to school.
Responsible Agency: Public Works Department
Schedule: Ongoing
Implementation Status - Ongoing.

Policy 11

Sidewalks or other pedestrian walkways shall be required on all streets within all new subdivisions.

Policy 12

In the absence of a vehicular grade separation, the City shall aggressively pursue a grade separated pedestrian access across San Geronio, to assure that high school students do not have to cross the railroad tracks on their way to and from school.

Policy 13

Pedestrian access in the Downtown Commercial designation shall be preserved and enhanced.

Program 13.A

All development and redevelopment proposals for the Downtown area shall include enhanced sidewalk, pedestrian walkway, lighting and landscaping designs and assure connections to existing and planned sidewalks.
Responsible Agency: Public Works Department, Planning Department
Schedule: As development proposals are presented
Implementation Status – New development is being reviewed on a case-by-case basis to include enhanced sidewalks, walkways, lighting, and landscaping designs and to ensure that there are connections between existing and new development.

Policy 14

The City shall aggressively pursue the construction of all weather crossings over General Plan roadways.

Program 14.A
The Public Works Department shall prioritize the need for bridges listed in this Element, develop preliminary cost estimates, identify and pursue sources of funding, including developer funding, for each facility.
Responsible Agency: Public Works Department, City Council
Schedule: Ongoing
Implementation Status – Ongoing Capital Improvement Project (CIP) and through private development funding. Sunset Avenue grade separation is currently a priority project.
Program 14.B
All new development proposals shall pay their fair share of bridge construction needed to serve their project.
Responsible Agency: Public Works Department, Planning Department
Schedule: Ongoing
Implementation Status - Implemented through the land development review process.

Policy 15

The City shall develop a Golf Cart Plan compliant with state requirements.

Program 15.A
The City shall develop a golf cart plan and associated ordinances and other required implementation programs.
Responsible Agency: Public Works Department, City Council
Schedule: As budget allows
Implementation Status – A citywide golf cart plan is not implemented due to lack of funding. However, future golf courses that are to be developed as part of development will require a golf cart plan that connects homes to commercial development within the project or beyond based on future opportunities.

Policy 16

Golf cart paths and facilities shall be funded, to the greatest extent possible, by new development.

Program 16.A
The routing and facilities required in the Golf Cart Plan shall be incorporated into the Development Impact Fee when the Plan is adopted.
Responsible Agency: Public Works Department
Schedule: As opportunity arises
Implementation Status – Not implemented since there is no Citywide golf cart plan.

Program 16.B
Golf cart facilities shall be incorporated into new project plans located on golf cart routes.
Responsible Agency: Planning Department, Public Works Department, Planning Commission, City Council
Schedule: Ongoing
Implementation Status - Implemented case-by-case based on future development. The proposed Butterfield Specific Plan (Pardee Homes) includes golf cart routes connecting homes to the commercial area in the development.

Policy 17

Encourage the expansion of an integrated Pass transit system.

Program 17.A
The City will explore the potential for either bus or rail connection to the Metrolink transit system.
Responsible Agency: City Manager's Office, Community Services Department
Schedule: Ongoing
Implementation Status - Ongoing and is actively pursued at the Riverside County Transportation Commission level.

Policy 18

The City shall review its transit service to major regional attractions, and intra-City recreational locations in future planning efforts, based on need.

Policy 19

Bus pullouts shall be designed into all new projects on arterial roadways, to allow buses to leave the flow of traffic and reduce congestion.

Program 19.A
Bus pullouts will be retrofitted on built-out streets, wherever possible.
Responsible Agency: Public Works Department, City Council
Schedule: Ongoing
Implementation Status - Ongoing.

Policy 20

Promote the location of a passenger rail station for long distance and commuter rail service.

Policy 21

Update the Airport Master Plan every five years to meet the needs of the general aviation, business and tourism segments of the community.

Program 21.A
Land use designation decisions within the area of influence of the airport shall be specifically reviewed to assure compatibility.
Responsible Agency: Planning Commission, City Council
Schedule: Ongoing
Implementation Status – Ongoing through land development review process.
Program 21.B
Work with the Chamber of Commerce, the Morongo Band of Mission Indians, and other interested parties

to provide services which meet the needs of passenger and freight transport.
Responsible Agency: Airport Management, Economic Development staff, Chamber of Commerce, Morongo Band of Mission Indians, City Council
Schedule: Ongoing
Implementation Status – Ongoing, implemented through the Airport Committee.

Policy 22

Maintain an accurate mapping of all utility corridors.

Program 22.A
The Building Department shall inventory and map transmission utility easements on the Land Use Map (including electric, fiber optics, natural gas and petroleum).
Responsible Agency: Building Department, Planning Department
Schedule: As budget allows
Implementation Status – The State of California requires these maps to be maintained through the Service Alert System. There has been no comprehensive inventory conducted by the City. The Electric Utility Department maintains its own inventory of electric utility lines.

Policy 23

The City shall purchase and/or replace its fleet of vehicles with alternate fuel vehicles when available to the greatest extent possible, and shall encourage other agencies to do the same.

Policy 24

Public alleys throughout the City shall be maintained to be useful and safe at all times.

Program 24.A
The City shall create a downtown alley master plan and where appropriate pave, light and otherwise improve alleys.
Responsible Agency: Public Works Department
Schedule: Ongoing
Implementation Status – Ongoing
Program 24.B
The Public Works Department shall inventory all public alleys, determine which are necessary, and vacate those that are not.
Responsible Agency: Public Works Department, City Council
Schedule: As budget allows
Implementation Status – Ongoing and active

Policy 25

The City shall develop and implement plans for a coordinated and connected bicycle lane network in the community that allows for safe use of bicycles on City streets.

Program 25.A
The City shall inventory all streets for potential Class I, Class II and Class III bikeways, and shall program their installation in its Capital Improvement Program.
Responsible Agency: Planning Department; Engineering Division; Public Works Department; Planning Commission; City Council
Schedule: As budget allows

Implementation Status – <i>Not yet completed.</i>
Program 25.B
Class I bikeways and sidewalks should be installed on both sides of Wilson Street, Ramsey Street, and Lincoln Street, and other major streets where sufficient right-of-way is available.
Responsible Agency: Engineering Division; Public Works Department
Schedule: Ongoing
Implementation Status – <i>Not yet completed.</i>
Program 25.C
Class II bikeways and sidewalks should be designated on all existing arterial streets that have sufficient width to safely accommodate bicycle travel lanes.
Responsible Agency: Planning Department; Engineering Division; Public Works Department
Schedule: As budget allows
Implementation Status – <i>Not yet completed.</i>
Program 25.D
The City should designate Class III bikeways only where Class I and Class II facilities are not feasible.
Responsible Agency: Planning Department; Public Works Department
Schedule: As budget allows
Implementation Status – <i>Not yet completed.</i>

Policy 26

The City should continue to work with the Morongo Band of Mission Indians and neighboring cities and communities to create a regional bicycle and trail network.

Policy 27

The City shall provide for a comprehensive, interconnected recreational trails system suitable for bicycles, equestrians and/or pedestrians.

Program 27.A
Evaluate the practicality of utilizing flood control channels for multi-use trails, where flooding and safety issues can be accommodated, and negotiate inter-agency agreements for this purpose.
Responsible Agency: Planning Department
Schedule: As opportunity arise
Implementation Status – Ongoing through land development review process.
Program 27.B
Evaluate the practicality of developing a multi-use trails system along the Banning Bench adjacent to and extending into San Bernardino National Forest lands, where environmental and safety issues can be accommodated, and negotiate inter-agency agreements with the U.S. Forest Service for this purpose.
Responsible Agency: Planning Department, U.S. Forest Service/San Bernardino National Forest
Schedule: As opportunity arise
Implementation Status – <i>Not yet completed.</i>
Program 27.C
Establish a multi-purpose trail between Dysart Park and Smith Creek Park, suitable for equestrian, bicycle and pedestrian use.
Responsible Agency: Community Services Department; Public Works Department; Parks and Recreation

Advisory Committee
Schedule: Ongoing as development occurs
Implementation Status – <i>Not yet completed.</i>

Policy 28

Motorized vehicles shall be prohibited on City trails.

Program 28.A
The City shall develop a non-motorized trail system and associated ordinances and other required implementation programs.
Responsible Agency: Public Works Department, Planning Commission, City Council
Schedule: As budget allows
Implementation Status – <i>Not completed.</i>
Program 28.B
The non-motorized trail system shall be funded, to the greatest extent possible, by new development.
Responsible Agency: Public Works Department
Schedule: As budget allows
Implementation Status – Ongoing through land development review process. Butterfield Specific Plan (Pardee Homes) will include non-motorized trail system within the community and for future connection to its surrounding areas.
Program 28.C
The routing and facilities required in the non-motorized trail system Plan shall be incorporated into the Development Impact Fee when the Plan is adopted.
Responsible Agency: Public Works Department
Schedule: As development opportunity arises
Implementation Status – <i>Not yet completed.</i>

Economic Development Element (20 programs)

GOAL 1

A balanced, broadly-based economy that provides a full range of economic and employment opportunities, including sales tax and property tax generation while maintaining high standards of development and environmental protection.

Policy 1

General Plan land use designations and allocations will facilitate a broad range of residential, commercial, industrial and institutional development opportunities.

Program 1.A
The city shall annually monitor the remaining capacity of all General Plan land use categories to assure that a variety of economic development opportunities are available.
Responsible Agency: Economic Development Department and Community Development Department
Schedule: 2005-2006, Annually thereafter
Implementation Status - Ongoing.
Program 1.B
All proposals for new development or redevelopment shall be evaluated to assure that these uses complement, support and are compatible with the City's core economic assets.
Responsible Agency: Economic Development Department, Community Development Department, Finance Department, Public Works, City Council
Schedule: Ongoing
Implementation Status – Ongoing.

Policy 2

The City shall take a proactive role in the retention of existing businesses and the recruitment of new businesses, particularly those that generate and broaden employment opportunities, generate sales tax and property tax, increase discretionary incomes, and contribute to City General Fund revenues.

Program 2.A
Work closely with Mount San Jacinto College throughout their planning process to assist in its efficient and timely development, implement educational programs geared to job creation and retention, and to coordinate synergistic development opportunities.
Responsible Agency: Economic Development Department, Mount San Jacinto College
Schedule: 2005-2006, Ongoing
Implementation Status – Phase I of the Mt. San Jacinto Community College development was completed in December 2010. Additional phases are being discussed by the College.
Program 2.B
Aggressively pursue retail commercial developments which reduce the current retail sales leakage.
Responsible Agency: Economic Development Department, Community Development Department
Schedule: Ongoing
Implementation Status – Active and ongoing contacts with national and non-national retailers, developers, private investors, and potential tenants through social media marketing, press release, target marketing, letters, e-mails, phone calls, and meetings. Attend ICSC national and regional tradeshows to market and brand the City.

Program 2.C
Continue to maximize the role of the Chamber of Commerce, City web site and other mechanisms that promote and enhance the City's business climate.
Responsible Agency: Economic Development Department, Chamber of Commerce
Schedule: Ongoing
Implementation Status - Active and ongoing.

Policy 3

Encourage and promote infill development in orderly and logical development patterns that decrease the costs, and increase the efficiency of new utilities, infrastructure, and public services.

Program 3.A
The City shall maintain a package of economic incentive programs that benefit developers of infill projects.
Responsible Agency: Economic Development Department, Electric Utility Department, Finance Department
Implementation Status – The City Council adopted the Electric Utility Incentive Program for existing business expansion and business attraction. The Electric Utility Incentive Program was enhanced in 2012 to lower the minimum requirement threshold in an effort to reach a broader business base. The City provides a one-stop shop program where developers can meet with City staff at no cost in advance of their formal application to the City. The City also provides a single point of contact from start to the completion of a construction project.
Program 3.B
The City shall contribute to the financing of tertiary treatment facilities as an economic development tool.
Responsible Agency: Economic Development Department, Public Works Department
Schedule: As needed and as budget allows.
Implementation Status - Not yet completed.
Program 3.C
Use the Downtown Charette as a guideline for the Downtown Commercial area, for the development of high quality, pedestrian oriented retail locations.
Responsible Agency: Economic Development Department, Community Development Department, Planning Commission, City Council
Schedule: 2005-2007, Ongoing
Implementation Status - Ongoing.

Policy 4

Attract a greater number of commercial retail businesses to the Downtown Core area to develop a safe, vital and consumer-friendly downtown shopping area.

Program 4.A
Provisions for the Downtown Commercial Zoning District shall encourage specialty retail uses, live-work uses, and other uses which support and expand the pedestrian and tourist-related shopping experience.
Responsible Agency: Planning Department, Planning Commission, City Council
Schedule: Ongoing
Implementation Status - Ongoing.
Program 4.B

The City shall coordinate with public, private and business organizations to explore grant funding to provide funds for rehabilitation and increased code enforcement in the Downtown Core area.
Responsible Agency: Community Development Department, Economic Development Department, Chamber of Commerce, City Council
Schedule: Ongoing
Implementation Status – The Community Redevelopment Agency enters into a number of Owner Participation Agreements with members of the business community who desire to upgrade the façade of their buildings. Redevelopment funds for this program were eliminated by the State in 2012. Code Enforcement efforts are ongoing in the Downtown and throughout the City.

Program 4.C
The City shall work with local non-profits, downtown property owners, and other citizen groups with an interest in development of the Downtown core area, to identify grant monies, private development interests and business synergies to build on existing revitalization activities in this area.
Responsible Agency: City and development community
Schedule: Ongoing
Implementation Status – The City Economic Development Department actively meets with potential developers, investors, and community stakeholders to promote development and investment opportunities throughout the entire City.

Policy 5

Explore opportunities with private entities to fund Smith Creek Park as a viable recreation area.

Program 5.A
Update the Smith Creek Park master plan and actively market this development opportunity among private entities that could fund development and provide for future maintenance of the park and improvements.
Responsible Agency: Community Services Department, Community Development Department, City Council, development community
Schedule: As future funds become available
Implementation Status – <i>Not implemented.</i>

Policy 6

Encourage and facilitate highway-serving commercial development at appropriate Interstate-10 interchanges within the City limits.

Program 6.A
Proactively work with CalTrans to improve on- and off-ramp landscaping and improvements to provide more attractive gateways to the City.
Responsible Agency: Community Development Department, Economic Development Department, Public Works Department, CalTrans
Schedule: Ongoing
Implementation Status - Ongoing
Program 6.B
Preserve highway commercial land use designations at interchange locations, and encourage the location of high quality freeway-serving businesses.
Responsible Agency: Community Development Department, Economic Development Department, Public Works Department

Schedule: Ongoing
Implementation Status – Ongoing.
Implementation Status - Implemented through Zoning and land development review process.
Program 6.C
Code compliance on gateway streets and properties adjacent to Interstate 10 shall be strictly enforced.
Responsible Agency: Code Enforcement
Schedule: Ongoing
Implementation Status - Ongoing.

Policy 7

Explore joint funding opportunities for the improvement of existing at-grade rail crossings, and investigate necessary infrastructure and funding to extend rail access to lands designated for industrial development.

Program 7.A
Consult with representatives of the Railroad, state and federal legislators, and appropriate state agencies to apply for available funding for these improvements.
Responsible Agency: Public Works Department, Railroad, City Council
Schedule: Ongoing
Implementation Status – Ongoing

Policy 8

In order to maintain existing economic activities and attract new commercial and industrial development, the City shall assure the provision of adequate utilities, infrastructure, and other capital facilities.

Policy 9

All development interests, including residential, commercial and industrial project proponents, shall be responsible for their fair share of on-site and off-site improvements required to support their development proposals. Such improvements may include, but are not limited to, street construction and signalization, grade separation, utility extension, drainage facilities, and parks.

Program 9.A
The City shall consider requests for assistance from project developers for the development of infrastructure and compare them to the economic benefit of the proposed project.
Responsible Agency: Public Works Department, Community Development Department, and Economic Development Department
Schedule: 2005-2006; Ongoing
Implementation Status - As part of land development, the projects are required to provide infrastructure to serve the development.
Program 9.B
Proactively work with the Riverside County Transportation Commission in putting Banning projects on the highest priority within the Transportation Uniform Mitigation Fee (TUMF) program.
Responsible Agency: City Manager’s Office, City Engineer, City Council
Schedule: Ongoing
Implementation Status - Ongoing. Attend and participate at monthly meetings with Riverside County Transportation Commission.

Policy 10

Continue to encourage and cultivate cooperative relationships with the Morongo Band of Mission Indians and Bureau of Indian Affairs, particularly regarding development opportunities, joint venture or otherwise, of Indian lands within and adjacent to the planning and development and and enhancement of community facilities that provide joint benefit, and development projects that produce sales tax/property tax/job generation, to the Tribe and the City.

Program 10.A

Continue to pursue development opportunities that benefit the long-term financial sustainability of the City. Pursue larger facilities to attract national tenants that will enhance the City’s financial position via sales tax generation, property tax generation, and who offer employment opportunities. Consult with representative of the Railroad, state and federal legislators, and appropriate state agencies to apply for available funding for these improvements.

Responsible Agency: Economic Development Department, Community Development Department, Public Works Department , Railroad, City Council, City Administrative Office.

Schedule: Ongoing

Implementation Status: Active and On-going

Policy 11

Promote development activities and programs that establish the City as a destination venue and encourages tourism.

Program 11.A
Encourage and promote development activities, special events and activities which strengthen the City’s image and attractiveness to residents, visitors, and businesses. Create development and program opportunities that promote educational potential for youth, highlight the history and culture of the City/region, and that offers visitors a unique experience.
Responsible Agency: City Council, Chamber of Commerce, Morongo Band of Mission Indians, Inland Empire Tourism Council, Banning and Beaumont Unified School Districts.
Schedule: Ongoing
Implementation Status – Ongoing. Special Events are conducted by the Banning Cultural Alliance such as Phineas Festival, Art Hop, and Play House Bowl and many other downtown activities. The Banning Centennial Committee also has a variety of programs and events scheduled for 2013.
Program 11.B
The City shall conduct market research on tourism approaches, target the tourism markets of interest, and create tourism plan goals and an implementation strategy.
Responsible Agency: Economic Development Department, Chamber of Commerce, Local Non-Profits
Schedule: Ongoing
Implementation Status - Ongoing efforts to accomplish tourism plan.

Emergency Preparedness Element (8 programs)

GOAL 1

A detailed, integrated and comprehensive emergency preparedness plan for the City, ensuring a high level of readiness and responsiveness to man-made and natural disasters of any scope, and which maximizes response capabilities of the City, County, State and Federal governments.

Policy 1

The City shall maintain and update its Multi-Hazard Functional Planning Guidance document to ensure maximum operational functionality and to incorporate federal mandates by required deadlines.

Program 1A
The City shall maintain close communication and coordination with Riverside County to expedite adaptation of and compliance with the federal NIMS program.
Responsible Agency: City Manager, Disaster Preparedness Coordinator, Riverside County Emergency Services Department
Schedule: 2005
Implementation Status - The Emergency Services Coordinator/Fire Marshal has completed "NIMSCAST," the national online National Incident Management System (NIMS) compliance evaluation program developed by Federal Emergency Management Agency (FEMA). Continual updates will be done on "NIMSCAST" to ensure current information about the City's compliance is recorded. The latest update was in November 2011. The Emergency Services Coordinator/Fire Marshal monitors the City's Compliance with State Emergency Management System (SEMS) and NIMS and provides training or training opportunities to ensure SEMS and NIMS compliance. The organizational chart was updated in November/December 2012.

Policy 2

The City shall maintain and update the Banning Emergency Plan to keep it updated with staffing and technical capabilities of the City and cooperating agencies.

Program 2.A
Periodically schedule and direct the review and revision of the Banning Emergency Plan.
Responsible Agency: City Manager, Disaster Preparedness Coordinator, Riverside County Emergency Services, Other City Departments, Sun Lakes EPAP
Schedule: Every two years.
Implementation Status - The City's Emergency Operations Plan was updated and approved by the City Council in August 2007. The plan requires review and updates, as needed, every two years. The latest update was in November 2011.

Policy 3

The City shall identify and establish emergency evacuation and supply routes and plans to preserve or reestablish the use of Highland Springs Avenue, San Geronio Avenue, Wilson Street, Ramsey Street, Interstate-10 and other essential transportation routes.

Program 3.A
Through PASSCOM or other appropriate regional organization, the City shall coordinate with adjoining cities, Riverside County, the Morongo Band of Mission Indians and CalTrans to facilitate the designation of emergency evacuation and supply routes, and for the development of a multi-agency emergency response

plan that provides expeditious and timely repair to major streets and highways damaged by earthquakes, flooding or other disasters.
Responsible Agency: City Manager, Disaster Preparedness Coordinator, Public Works Department, Cities of Beaumont and Calimesa, Riverside County Emergency Services, CalTrans, Morongo Band of Mission Indians
Schedule: Continuous
Implementation Status - The Emergency Services Coordinator/Fire Marshal is working with the Emergency Services Coordinator of the Morongo Band of Mission Indians to establish a Mutual Aid Agreement between the Tribe and the City for mutual assistance during disasters. Work continues to designate and develop an alternate east/west route through the Pass Area should I-10 become impassible. Agreement in principle between County of Riverside, Banning City, and Morongo Band of Mission Indians for a route south of I-10. Currently no funds available to proceed.

Policy 4

The City shall identify and establish emergency appropriate locations for emergency supply stockpiles.

Program 4.A
Through County-provided CERT training or other appropriate community venues, the City shall recruit decentralized locations where stockpiles of food, water and emergency medical supplies may be stored and maintained.
Responsible Agency: City Manager, Disaster Preparedness Coordinator, Public Works Department, Riverside County Emergency Services
Schedule: Continuous
Implementation Status - Nothing accomplished as of December 20, 2007 regarding stockpiling food and water except for supplies for use by Emergency Operations Center (EOC) personnel during a disaster. For medical emergencies the Fire Department has purchased a trailer and equipped it to handle "Mass Casualty" incidents. The trailer is stocked with medical and rescue supplies. The County of Riverside provided money for a conex with food and water to be placed on the Banning bench, but the City has not had the funds to provide that within the City. Work continues with local communities to stockpile as a community and also be personally prepared. The City accepted an Emergency Preparedness trailer with 100 cots from the county Office of Emergency Services (OES).

Policy 5

The City shall cooperate and coordinate with Riverside County Emergency Services, local utility purveyors and other agencies and utilities in the preparation of public information materials to assist residents, visitors and business owners in responding to local disasters and emergencies.

Program 5.A
The City shall coordinate and cooperate with County Emergency Services, Banning Water District, Eastern Municipal Water District, Beaumont/Cherry Valley Water District, Southern California Edison, the Gas Company, and other agencies and utilities in the development and dissemination of information and instructions on appropriate actions in the event of a local disaster or emergency.
Responsible Agency: City Council, City Manager, Disaster Preparedness Coordinator, Riverside County Emergency Services, SCE, the Gas Company, Banning Water District , EMWD, and Beaumont/Cherry Valley Water District.
Schedule: Continuous
Implementation Status - The Fire Department Emergency Services Bureau continually communicates with County OES and local agencies to dispense pertinent disaster preparedness Information through public events and organization meetings.

Program 5.B
Coordinate with the County to facilitate with appropriate public and quasi-public agencies and private organizations to assure that CERT training incorporates a public information program to advise the community on how to prepare for and cope in a local disaster or emergency.
Responsible Agency: City Council, City Manager, Disaster Preparedness Coordinator, Riverside County Emergency Services, Banning Unified School District, Sun Lakes EPAP, private schools, nursing homes, and various local business organizations
Schedule: Continuous
Implementation Status - Ongoing Implementation.
Program 5.C
Encourage and train community volunteers to assist police and fire personnel during and after a major emergency.
Responsible Agency: City Manager, Disaster Preparedness Coordinator, Riverside County Emergency Services, Sun Lakes EPAP
Schedule: Continuous
Implementation Status - The Fire Department has an active volunteer program. Emergency Services Coordinator/Fire Marshal, along with one Council member and a citizen volunteer, have provided numerous training programs related to neighborhoods preparing for disasters. PASSCOMM (Pass Communities), County OES, and local groups have provided local training and preparedness.

Policy 6

The City shall thoroughly consider and assess vulnerability to natural and manmade disasters or emergencies when reviewing proposals for the siting and development of critical and essential public/quasi-public facilities.

Program 6.A
In order to assure the maximum possible protection from environmental and manmade hazards, including earthquakes and flooding, the City shall consider their vulnerability to natural and manmade disasters and emergencies when reviewing proposals for critical and essential facilities, as well as sensitive land uses.
Responsible Agency: Planning Department, Public Works Department, Fire Department
Schedule: Continuous
Implementation Status - This is being accomplished by the cooperative efforts between Fire and Public Works to mitigate flooding and mudslides after fires. The City's Grading Standards and Storm Water Code assist in deterring increases in flood levels by new development.

Energy and Mineral Resources Element (9 programs)

GOAL 1

Efficient, sustainable and environmentally appropriate use and management of energy and mineral resources, assuring their long-term availability and affordability.

Policy 1

Promote energy conservation throughout all areas of the community and sectors of the local economy, including the planning and construction of urban uses and in City and regional transportation systems.

Program 1.A
The City shall strictly and consistently enforce all state mandated energy-conserving development and building codes/regulations, and shall investigate and report on the appropriateness of developing more stringent local energy performance standards.
Responsible Agencies: Building Department, Planning Department, Public Utilities
Schedule: Ongoing
Implementation Status – Active and ongoing part of development process.
Program 1.B
The City shall continue to participate in transportation planning efforts and shall encourage the expanded use of public transit, vehicles fueled by compressed natural gas and hydrogen, buses with bike racks and other improvements that enhance overall operations and energy conservation.
Responsible Agency: City Manager’s Office, Community Services Department, Public Utilities Department
Schedule: Ongoing
Implementation Status – Ongoing and Active.
Program 1.C
The City shall strive for efficient community land use and transportation planning and design, and shall assure the provision of convenient neighborhood shopping, medical and other services located to minimize travel and facilitate the use of alternative means of transportation.
Responsible Agency: Public Works Department, Planning Department, Community Services Department
Schedule: Ongoing
Implementation Status - Through Development Review Process; bikeways, golf cart paths & pedestrian trails have been planned for new projects.
Program 1.D
The City shall encourage the use of, and programs for, electric vehicles, hybrids, bicycles and pedestrian facilities.
Responsible Agency: Public Utilities, Department, City Council
Schedule: Ongoing
Implementation Status - Active and ongoing.

Policy 2

Promote the integration of alternative energy systems, including but not limited to solar thermal, photovoltaic's and other clean energy systems, directly into building design and construction.

Program 2.A
The City shall make available to residents, businesses, and the building industry information on commercially available conservation technologies, solar thermal and photovoltaic energy systems, fuel cell and other alternative energy technology. Building regulations and guidelines that provide for the safe and efficient installation of these systems shall also be provided.
Responsible Agency: Building Department, Community Development Department, Public Works Department
Schedule: 2006-2007, Ongoing
Implementation Status - Active and ongoing. Interconnection programs are still available for customers wishing to install "behind the meter" generation. However rebate funds have been exhausted.

Policy 3

Proactively support long-term strategies, as well as state and federal legislation and regulations that assure affordable and reliable production and delivery of electrical power to the community.

Policy 4

Support public and private efforts to develop and operate alternative systems of wind, solar and other electrical production, which take advantage of local renewable resources.

Program 4.A
Support and facilitate the integration of co-generation and other on-site energy production and management systems into larger industrial, commercial and institutional operations in the City to enhance operational efficiencies, reliability, and to provide additional opportunities for local power production.
Responsible Agency: Public Works Department; Planning Department; Building Department
Schedule: Ongoing
Implementation Status - Active and Ongoing.

Policy 5

Assure a balance between the availability of mineral resources and the compatibility of land uses in areas where mineral resources are mined.

Program 5.A
The City shall monitor and regulate the safe and environmentally responsible extraction and recycling of significant mineral resources located within the planning area.
Responsible Agency: Community Development Department, Public Utilities Department
Schedule: Ongoing.
Implementation Status - This is done through the annual inspection report since the City has no funding to hire a geologist who is solely responsible for the daily/weekly monitoring of the mines activities.
Program 5.B
The City shall establish a formal relationship with the County Geologist or other qualified agency to monitor mineral resource operations under SMARA.
Responsible Agency: Planning Department, Riverside County Geologist.
Schedule: 2005-2006

Implementation Status – This is done through a contract with Aragon Geotechnical, Inc. who performs annual inspection for compliance with the State Mining and Reclamation Act (SMARA).
Program 5.C
The City shall strictly enforce the provisions of the existing mining permit within City limits.
Responsible Agency: Code Compliance, Planning Department
Schedule: Ongoing
Implementation Status – The monitoring is being done based on complaints from residents and through the Annual Inspection.

Flooding and Hydrology Element (12 programs)

GOAL 1

A comprehensive system of flood control facilities and services effectively protecting lives and property.

Policy 1

Proactively plan and coordinate with other responsible agencies to upgrade the City's local and regional drainage system.

Program 1.A
Continued implementation of the recommendations of the 1994 RCFC Master Drainage Plan study.
Responsible Agency: Public Works Department, Planning Department
Schedule: Ongoing
Implementation Status – Ongoing.
Program 1.B
Capital Improvement Plans for drainage management and control shall be developed, updated and maintained and shall be based upon the Master Drainage Plan project descriptions.
Responsible Agencies: Public Works Department, Planning Department
Schedule: Ongoing
Implementation Status – Ongoing.
Program 1.C
Monitor and update the Master Plan of Drainage every five years to reflect changes in local and regional drainage and flood conditions.
Responsible Agencies: Public Works Department, Planning Department, Riverside County Flood Control District
Schedule: Ongoing
Implementation Status – Ongoing. The County Flood District has prepared a master plan and is responsible for updates.
Program 1.D
Require all new development to complete on site drainage analysis and improvements, at their expense, as part of project development.
Responsible Agencies: Public Works Department, Planning Department
Schedule: Ongoing
Implementation Status – Ongoing, part of development process.

Policy 2

Major drainage facilities, including debris basins and flood control channels, shall be designed to maximize their use as multi-purpose recreational or open space sites, consistent with the functional requirements of these facilities.

Program 2.A
Coordinate and cooperate with RCFC in achieving multi-use agreements within flood control channels and designing safe, attractive recreational facilities that maintain the functional requirements of the drainage facilities.
Responsible Agencies: Public Works Department, Planning Department, RCFC
Schedule: Ongoing
Implementation Status – Ongoing; through SP’s and other projects adjacent to Flood Control.
Program 2.B
Work with RCFC to design drainage and flood control facilities that minimize negative aesthetic impacts and retain natural groundcover and vegetation to the greatest extent possible.
Responsible Agencies: Public Works Department, Planning Department, RCFC, US Army Corps of Engineers
Schedule: Ongoing
Implementation Status – Ongoing; through entitlement process when designs are submitted for approval.

Policy 3

The City Engineer shall continue to actively participate in regional flood control and drainage improvement efforts and to develop and implement mutually beneficial drainage plans.

Policy 4

The City shall cooperate in securing FEMA map amendments, recognizing the importance of redesignation of the 100-year flood plains within the City boundaries and sphere-of-influence as improvements are completed.

Program 4.A
In conjunction with the RCFC, the City shall coordinate and cooperate in the filing of appropriate FEMA application materials to incrementally secure amendments to the Flood Insurance Rate Maps for the City, consistent with existing and proposed improvements.
Responsible Agencies: Public Works Department, Planning Department, RCFC
Schedule: Ongoing
Implementation Status - Ongoing.

Policy 5

Pursue all credible sources of funding for local and regional drainage improvements needed for adequate flood control protection.

Program 5.A
Consider the establishment of Area Drainage Plans or Assessment Districts for purposes of funding necessary drainage improvements in particular geographic areas of the City.
Responsible Agencies: Public Works Department, Planning Department, Economic Development Agency, Developers
Schedule: Ongoing
Implementation Status –<i>Not yet completed.</i>
Program 5.B
Explore County funding, state funding under the Cobey-Alquist Flood Plain Management Act, other State programs, and federal funding options for local and area-wide flood control projects.
Responsible Agencies: Public Works Department, Planning Department, Economic Development, State;

County
Schedule: Ongoing
Implementation Status – Ongoing.

Policy 6

All new development shall be required to incorporate adequate flood mitigation measures, such as grading that prevents adverse drainage impacts to adjacent properties, on-site retention of runoff, and the adequate siting of structures located within flood plains.

Program 6.A
Stormwater retention shall be enforced through the development review process and routine site inspection.
Responsible Agencies: Public Works Department, Planning Department
Schedule: Ongoing
Implementation Status – Ongoing; through grading approval process.

Policy 7

Assure that adequate, safe, all-weather crossing over drainage facilities and flood control channels are provided where necessary, and are maintained for passage during major storm events.

Program 7.A
Bridging of roadways within new development projects shall be the responsibility of the developer on whose project the bridge occurs, and shall be included as a condition of approval.
Responsible Agency: Planning Department, Public Works Department, Planning Commission, City Council
Schedule: Ongoing
Implementation Status – Ongoing; through land development approval process.
Program 7.B
All new development proposals shall pay their fair share of bridge construction needed to serve their project.
Responsible Agency: Public Works Department, Planning Department
Schedule: Ongoing
Implementation Status - Ongoing; through land development approval process

Geotechnical Element (7 programs)

GOAL 1

Increased protection and safety of human life, land, and property from the effects of seismic and geotechnical hazards.

Policy 1

The City shall establish and maintain an information database containing maps and other information which describe seismic and other geotechnical hazards occurring within the City boundaries, sphere-of-influence and planning area.

Program 1.A
Consult and coordinate with surrounding communities, the California Division of Mines and Geology, Riverside County, other applicable state and federal agencies, and professional engineering geologists to establish, improve and routinely update the database.
Responsible Agency: Planning Department, California Division of Mines and Geology, Riverside County, Consulting Geologists
Schedule: 2005-2006; Continuous
Implementation Status – Continuous.

Policy 2

In accordance with state law, all development proposals within designated Alquist-Priolo Earthquake Fault Zones shall be accompanied by appropriate geotechnical analysis.

Program 2.A
Establish a cooperative agreement with the County Geologist, State Geologist, contract state-certified geologist, or contract geological engineer to review and determine the adequacy of geotechnical and fault hazard studies prepared within the City.
Responsible Agency: City Engineer/Consulting Engineering Geologist
Schedule: 2005-2006, Ongoing
Implementation Status – Completed. In addition, each land development project is required to provide soils and geotechnical report as part of the project.

Policy 3

Development in areas identified as being susceptible to slope instability shall be avoided unless adequately engineered to eliminate geotechnical hazards.

Program 3.A
The City shall make available copies of the General Plan Slope Instability Susceptibility Map and discourage development within areas so designated, or require detailed geotechnical analysis and mitigation measures that reduce potential hazards to insignificant levels.
Responsible Agency: Planning Department, City Engineer/Consulting Engineering Geologist
Schedule: 2005-2006, Ongoing
Implementation Status – Ongoing, implemented through new grading ordinance.

Policy 4

To minimize the potential impacts of subsidence due to extraction of groundwater, the City shall actively support and participate in local and regional efforts at groundwater conservation and recharge.

Program 4.A
Consult and coordinate with the City of Banning Public Utilities – Water Department, U.S. Geological Survey, and other appropriate agencies to routinely monitor groundwater levels and surface elevations in the City.
Responsible Agency: City of Banning Public Utilities – Water Department, U.S. Geological Survey
Schedule: Continuous
Implementation Status – Continuous.
Program 4.B
The City shall encourage the preparation of, support and participate in, the study of the temporary surplus of the Beaumont Water Basin and its impact on subsidence.
Responsible Agency: Water Department, Beaumont/Cherry Valley Water District, San Geronio Pass Water Agency
Schedule: Ongoing
Implementation Status – On going.

Policy 5

The City shall coordinate and cooperate with public and quasi-public agencies to assure the continued functionality of major utility systems in the event of a major earthquake.

Program 5.A
Maintain working relationships and strategies between the Public Works Department (wastewater and electric), utilities, and other appropriate agencies to strengthen or relocate utility facilities, and take other appropriate measures to safeguard major utility distribution systems.
Responsible Agency: Planning Department, Public Works Department, City Engineer, Public and Quasi-Public Utilities
Schedule: 2004-05; Ongoing
Implementation Status –Ongoing, through pre applications and development meetings.

Policy 6

New septic tank leach fields, seepage pits, drainage facilities, and heavily irrigated areas shall be located away from structural foundations and supports to minimize the potential for localized collapse of soils.

Program 6.A
The City shall require that development applications include plans indicating the location of leach fields, seepage pits, drainage facilities, and water-dependent landscaping so that City staff may evaluate the potential for ground saturation.
Responsible Agency: Planning Department, Building Department, City Engineer
Schedule: 2005-2006, Ongoing
Implementation Status – Through grading review, part of development review process.

Hazardous and Toxic Materials Element (10 programs)

GOAL 1

Maintain and promote measures to protect life and property from hazards resulting from human activities and development.

Policy 1

The City shall continue to encourage research on potential and known hazards to public health and safety and make this information available to the general public, commercial interests, and governmental organizations.

Policy 2

The City shall continue to conduct and participate in studies with other agencies to identify existing and potential hazards to public health and safety.

Program 2.A
Maintain, coordinate, and update the location of hazardous spills as a result of accident or intentional action, and community evacuation plans.
Responsible Agencies: Fire Department, Planning Department, County Health Department
Schedule: Ongoing
Implementation Status Ongoing.
Program 2.B
The Fire Department shall maintain a citywide Emergency Response Program, which provides for emergency services in the event of a hazardous spill or airborne release.
Responsible Agencies: Fire Department, City Manager’s Office, County Health Department
Schedule: Ongoing
Implementation Status – SIMS & NEMS ongoing training.
Program 2.C
Coordinate with responsible agencies to assure enforcement of state and federal regulations for the testing and monitoring of underground fuel storage tanks for leakage.
Responsible Agencies: Fire Department, state and federal EPA, County Health Department
Schedule: Ongoing
Implementation Status – City is no longer a Certified Unified Program Agency (CUPA) and County inspects all hazardous businesses within the City for compliance.

Policy 3

The City shall thoroughly evaluate development proposals for lands directly adjacent to sites known to be contaminated with hazardous or toxic materials, traversed by natural gas transmission lines or fuel lines, or sites that use potentially hazardous or toxic materials.

Program 3.A
Consult with the County of Riverside Department of Health on a quarterly basis to identify existing and new hazardous waste sites within the General Plan study area.
Responsible Agencies: Planning Department, Fire Department, County Health Department
Schedule: Ongoing
Implementation Status Ongoing.

Program 3.B
A Conditional Use Permit shall be required for all new development that generates, transports, uses or stores significant amounts of hazardous materials.
Responsible Agencies: Planning Department
Schedule: Ongoing
Implementation Status – Ongoing.

Policy 4

Require and facilitate the adequate and timely cleanup of contaminated sites identified within the City of Banning and its sphere-of-influence.

Program 4.A
Coordinate with responsible county, state and federal agencies to activate cleanup procedures, and monitor the status of cleanup efforts on an ongoing basis.
Responsible Agencies: Planning Department, Fire Department, State and federal EPA, County Health Department, California Regional Water Quality Control Board
Schedule: Ongoing
Implementation Status – Ongoing

Policy 5

The City shall designate appropriate access routes to facilitate the transport of hazardous and toxic materials.

Program 5.A
Coordinate with the Fire Department, Police Department, neighboring jurisdictions, and other appropriate agencies to identify segments of highway or local roads that shall be restricted from transporting hazardous and toxic materials in order to preserve public safety.
Responsible Agencies: Planning Department, Fire Department, Police Department
Schedule: 2005-2006
Implementation - Not yet completed.
Program 5.B
Enforce roadway access restrictions and consider the implementation of fines or penalties for violations.
Responsible Agencies: Fire Department, Police Department
Schedule: 2005-2006
Implementation Status - Not yet completed

Policy 6

Continue to promote programs that encourage or educate the public in the proper handling and disposal of household hazardous waste or dangerous materials.

Program 6.A
Establish a Household Hazardous Waste program through the City's solid waste contractor.
Responsible Agencies: City Manager's office, solid waste contractor
Schedule: Ongoing
Implementation Status - Ongoing.

Policy 7

The City shall actively oppose plans to establish hazardous or toxic waste dumps, landfills, or industrial processes that may potentially adversely affect the City and its Sphere-of-Influence.

Policy 8

Maintain an inventory and information database, including mapping, of all major natural gas transmission lines and liquid fuel lines within the City limits and Sphere of Influence.

Program 8.A
The City shall insure that location of all major natural gas transmission lines and liquid fuel lines that run through the City are clearly identified, that right-of-way and maintenance easements are maintained, and that all existing and proposed development are located a safe distance from these lines.
Responsible Agencies: Building and Safety, Planning Department, Fire Department
Schedule: Ongoing
Implementation Status – Ongoing.

Housing Element (54 Programs)

Housing Element Report is provided under Exhibit "A" - Annual Element Progress Report Housing Element Implementation as required by the State Housing and Community Development Department (HCD).

Land Use Element (17 programs)

GOAL 1

A balanced, well planned community including businesses which provides a functional pattern of land uses and enhances the quality of life for all Banning residents.

Policy 1

The City maintain a land use map which assures a balance of residential, commercial, industrial open space and public lands.

Program 1.A
The city shall annually monitor the remaining capacity of all General Plan land use categories and recommend changes to the City Council as needed.
Responsible Agency: Planning Department, Planning Commission
Schedule: 2005-2006, Annually thereafter
Implementation Status – Ongoing.
Program 1.B
The City's Zoning Ordinance shall directly correspond to General Plan land use designations, and shall be kept consistent with the General Plan.
Responsible Agency: Planning Department, Planning Commission, City Council
Schedule: 2005-2006, Annually thereafter
Implementation Status – Ongoing.

Policy 2

The Planning, Public Works and Economic Development staffs shall be closely coordinated, to assure efficient and cost effective processing of applications.

Program 2.A
The City shall develop a Fast Track application process for projects which enhance the City's economic development. Procedures and timelines shall be provided to qualifying project applicants in writing.
Responsible Agency: Planning Department, Public Works, Economic Development staff, Redevelopment Agency, City Manager's Office
Schedule: 2005-2006
Implementation Status – Ongoing and complies with Permit Streamlining Act.

Policy 3

Development in all land use categories shall be of the highest quality.

Program 3.A
The Zoning Ordinance shall include design standards and guidelines which assist the development community in developing high quality projects.
Responsible Agency: Planning Department, Planning Commission, City Council
Schedule: 2005-2006
Implementation Status – Completed. The current Zoning Ordinance provides design standards and guidelines for residential and commercial development.

Policy 4

Specific Plans shall be required for projects proposing one or more of the following:

- a. More than one residential land use designation;
- b. A combination of residential, recreational, commercial and/or industrial land use designation; or
- c. Extension of infrastructure (water, sewer and roadways) into an area where these do not exist.

Policy 5

All land use proposals shall be consistent with the goals, policies and programs of this General Plan, and with the Zoning Ordinance.

Policy 6

The City shall implement a program for Art in Public Places.

Program 6.A
An Art in Public Places Ordinance shall be prepared and incorporated into the Municipal Code.
Responsible Agency: Community Services Department, Planning Department, Planning Commission, City Council.
Schedule: 2005-2006
Implementation Status – Art in Public Places is currently required as part of new development in Downtown Commercial zoning district. Due to lack of funding and staffing the detail of what the Art in Public Places entails is still to be developed.

Residential Goals, Policies and Programs:

GOAL 1

Preserve and enhance the City’s neighborhoods.

GOAL 2

A broad range of housing types to fill the needs of the City’s current and future residents.

Policy 1

The land use map shall provide a range of housing densities while considering land use compatibility with non-residential land uses.

Policy 2

Projects adjacent to existing neighborhoods shall be carefully reviewed to assure that neighborhood character is protected.

Policy 3

Density transfers resulting in a 50% increase in density shall be permitted in the Residential/Agriculture-Hillside and Rural Residential-Hillside land use designations.

Policy 4

The City’s Zoning Ordinance shall include design standards and guidelines which encourage high quality residential development.

Program 4.A
Design standards and guidelines shall be included in all residential zoning categories.
Responsible Agency: Planning Department, Planning Commission, City Council
Schedule: 2005-2006
Implementation Status – Design standards and guidelines are contained in current zoning ordinance.

Policy 5

The City shall complete Specific Neighborhood Plans when requested by the neighborhood.

Program 5.A
Develop and implement an outreach program and outline of parameters for Neighborhood Plans.
Responsible Agency: Planning Department, Planning Commission, City Council
Schedule: 2006-2007; As requested by neighborhoods
Implementation Status – <i>Not implemented due to lack of funding.</i>

Policy 6

The Zoning Ordinance shall include principles, standards and guidelines which allow for creative and flexible design of residential projects, including clustered housing, narrowed local streets, trails, parks and plazas.

Policy 7

The Zoning Ordinance shall include principles, standards and guidelines which provide for high quality, high density mixed use residential development, in the Downtown Commercial zoning designation.

Policy 8

The City will participate in a Community Plan for the Banning Bench with Riverside County and the Banning Bench Community of Interest. Specific development proposals will continue to be processed during its preparation.

Program 8.A
Negotiate with the Banning Bench Community of Interest as part of the Master Plan for either inclusion in the City’s Sphere of Influence or annexation.
Responsible Agency: City Council, Community of Interest
Schedule: 2005-2006
Implementation Status – <i>Not implemented.</i>

Commercial Goals, Policies and Programs:

GOAL 1 - Commercial

Complementary commercial uses which meet the needs of the City’s residents, increase the City’s revenues, and provide a range of employment opportunities.

GOAL 2 - Industrial

A balanced mix of non-polluting industrial land uses which provide local jobs for the City’s residents.

Policy 1

The land use map shall include sufficient commercial lands to provide a broad range of products and services to the City and region, while carefully considering compatibility with adjacent residential lands.

Policy 2

In coordination with the Economic Development Element, the City shall maintain market information, including information on the City's identified service needs, potential sites, Fast Track System and provide information on those sites to the development community.

Program 2.A
Develop and maintain an inventory of potential commercial sites, including lands which may require consolidation, and demographic information for use by the Economic Development staff in attracting new businesses to the City.
Responsible Agency: Economic Development staff, Planning Department, City Manager's Office
Schedule: 2005-2006
Implementation Status – Ongoing.

Policy 3

The Zoning Ordinance shall include principles, design standards and guidelines which encourage the development of high quality commercial projects.

Policy 4

The Zoning Ordinance shall include principles, design standards and guidelines, based on the Downtown Design Charette, which provide for high quality, pedestrian oriented retail development in the Downtown Commercial zoning designation.

Policy 5

The City shall coordinate with the Banning Unified, the Beaumont Unified School Districts and the Mount San Jacinto Community College to provide vocational education to support commercial and industrial businesses in the City and surrounding areas.

Policy 6

The City shall develop and implement a community identification program, including monument signage, directional signs, etc. which provide attractive entry statements for the City, and which direct visitors to local points of interest.

Policy 7

The land use map shall include sufficient industrial lands for manufacturing, warehousing and distribution, while carefully considering compatibility with adjacent lands.

Policy 8

Industrial lands shall be located on major roadways with good access to Interstate 10, to assure that potential traffic impacts associated with tractor-trailers are minimized.

Policy 9

The Zoning Ordinance shall include principles, design standards and guidelines which encourage the development of high quality industrial projects.

Policy 10

Industrial campuses and master planned projects are encouraged.

Policy 11

The City shall coordinate with developers and the Railroad to secure railroad spurs.

Policy 12

The City shall adequately regulate sand and gravel operations to assure that their impacts to surrounding development is minimized.

Program 13.A
The City shall establish a formal relationship with the County Geologist or other qualified agency to monitor mineral resource operations under the State Mining and Reclamation Act (SMARA).
Responsible Agency: Planning Department, Riverside County Geologist
Schedule: 2005-2006
Implementation Status – The County no longer monitors or performs annual inspections for the mines in Banning for compliance with SMARA. The City contracted with Aragon Geotechnical, Inc. to perform annual inspection. The annual inspection report identifies the mine’s compliance and non-compliance items. Non-compliance items must be fixed by the mine.

Public Facilities Goals, Policies and Programs:

GOAL 1

Sufficient and appropriately located public facilities to serve the needs of the City’s residents, businesses and visitors.

Policy 1

The City shall take a leadership role with all providers of public services in the community to assure they provide adequate and quality levels of service based on future demands.

Program 1.A
The City shall take a leadership role with the various public and private providers responsible for schools, fire, health and other providers.
Responsible Agency: Planning Department, City Manager’s Office, City Council, Fire Department, Banning and Beaumont Unified School Districts, County of Riverside, San Geronio Memorial Hospital
Schedule: Quarterly
Implementation Status - The Fire Department master plan for expansion based on community growth was approved by the City Council and is continually re-evaluated. The Fire Department has been working with the Finance Department to develop a plan for Fire and Police Community Funding districts in new developments.

Policy 2

The City shall review projects, particularly those which propose master planned communities, to assure that public facilities are provided to meet the needs of the project and the surrounding area.

Program 2.A
The City shall, where appropriate, regulate the location of public facilities through conditions of approval.
Responsible Agency: Planning Department, Public Works Department, Planning Commission, City Council
Schedule: Ongoing
Implementation Status – Ongoing through development review and conditions of approval.

Open Space Goals, policies and Programs:

GOAL 1

The conservation and management of open space areas to provide recreational opportunities and protect important resources in perpetuity.

Policy 1

Lands preserved through conservation easements, acquired by private or public agencies, or dedicated for open space shall be designated for the appropriate Open Space land use category on the land use map as they are preserved.

Program 1 A
Review development proposals adjacent to designated open space lands and assure that land uses are compatible, and buffers provided when necessary.
Responsible Agency: Planning Department, Public Works Department
Schedule: Ongoing
Implementation Status – Ongoing as part of land development review process.

Policy 2

The City shall proactively coordinate with private and public agencies so that lands available for conservation are dedicated appropriately to assure their management in perpetuity.

Program 2.A
The City shall coordinate with land owners and private and public agencies to the greatest extent possible to assure that lands proposed for open space either through donation or purchase are conveyed to the appropriate management agency.
Responsible Agency: Planning Department, City Manager’s Office, County of Riverside, State and Federal Agencies, Land Conservation Agencies
Schedule: Ongoing
Implementation Status – Ongoing as part of development review process.

Policy 3

The City of Banning shall protect the peaks and ridgelines within the City, and encourage coordination with adjacent jurisdictions to protect the peaks and ridgelines within the City’s area of influence, to protect the historic visual quality of the hillside areas and natural features of the Pass area.

Program 3.A
The City shall investigate and implement actions and regulations that facilitate hillside development that is compatible with the natural characteristics of the terrain while protecting the significant view sheds, and natural hillside features such as topography, natural drainage, vegetation, wildlife habitats, movement corridors etc.
Responsible Agency: City Council, City Manager’s Office, Planning Department, Public Works Department, City of Beaumont, County of Riverside, Morongo Band of Mission Indians
Schedule: 2005-2006, Ongoing
Implementation Status – Grading ordinance adopted. Implementation is ongoing.

Noise Element (10 programs)

GOAL 1

A noise environment that complements the community's residential character and its land uses.

Policy 1

The City shall protect noise sensitive land uses, including residential neighborhoods, schools, hospitals, libraries, churches, resorts and community open space, from potentially significant sources of community noise.

Program 1.A
The City shall require building setbacks, the installation of wall and window insulation, soundwalls, earthen berms, and/or other mitigation measures in areas exceeding the City's noise limit standards for private development projects as they occur.
Responsible Agency: Planning Department
Schedule: Ongoing
Implementation Status – Ongoing through land development review process.
Program 1.B
The City shall maintain and enforce its Noise Control Ordinances that establish community-wide noise standards and identify measures designed to resolve noise complaints.
Responsible Agency: Planning Department, Code Enforcement, Police Department
Schedule: Ongoing
Implementation Status - Ongoing through land development review process.
Program 1.C
The City shall use the development review process to assure the use of buffers between sensitive receptors and incompatible land uses.
Responsible Agency: Planning Department, Planning Commission, City Council
Schedule: Ongoing
Implementation Status - Ongoing through land development review process.
Program 1.D
The City shall require that commercial compactors, loading zones, and large trash bins be located at a sufficient distance from residential properties to reduce noise impacts to its acceptable standard.
Responsible Agency: Planning Department
Schedule: Continuous
Implementation Status - Ongoing through land development review process.
Program 1.E
The City shall purchase, maintain and operate its own noise monitoring equipment.
Responsible Agency: Code Enforcement
Schedule: 2006-2007, Ongoing
Implementation Status – Equipment is older prior to 2006 and needs to be updated. There is no funding for this item.

Policy 2

The relationship between land use designations in the Land Use Element and changes in the circulation pattern of the City, as well as individual developments, shall be monitored and mitigated.

Program 2.A
The City shall develop guidelines and minimal criteria requirements for noise analyses for proposed development projects. Studies shall evaluate project impacts and the effectiveness of proposed mitigation measures.
Responsible Agency: Planning Department, Public Works Department
Schedule: July 1, 2005; every five years.
Implementation Status – Ongoing through land development review process and through the building code standards.
Program 2.B
The City shall periodically review and amend the Land Use Map to assure reasonable land use/noise level compatibility.
Responsible Agency: Planning Department
Schedule: Annually
Implementation Status – Ongoing and is implemented as part of land development review process.

Policy 3

Private sector project proposals shall include measures that assure that noise exposures levels comply with State of California noise insulation standards as defined in Title 25 (California Noise Insulation Standards) and/or Banning Ordinances 1138 and 1234, whichever is more restrictive.

Policy 4

The City shall maintain a General Plan Circulation Map and assure low levels of traffic within neighborhoods by assigning truck routes to major roadways only.

Program 4.A
The City shall review designated primary truck routes and ensure they are clearly marked throughout the community. Except for traffic providing location-specific services and deliveries, construction trucks and delivery trucks shall be limited to designate truck routes, including: Ramsey Street, and those portions of Lincoln Street, Highland Springs Avenue, Hathaway Street, Sunset Avenue, Eighth Street, San Geronio Avenue and Hargrave Street so designated.
Responsible Agency: Public Works Department, City Engineer
Schedule: Annually
Implementation Status – Ongoing
Program 4.B
The City shall discourage development projects that result in through-traffic in residential neighborhoods.
Responsible Agency: Planning Department, Planning Commission, City Council
Schedule: Ongoing
Implementation Status - Ongoing through land development review process.

Policy 5

The City shall ensure that flight paths and airport improvements adhere to all local, state and federal noise regulations.

Policy 6

All development proposals within the noise impact area of the Interstate and the railroad shall mitigate both noise levels and vibration to acceptable levels through the preparation of focused studies and analysis in the development review and environmental review process.

Policy 7

The City shall coordinate with adjoining jurisdictions to assure noise-compatible land uses across jurisdictional boundaries.

Policy 8

The City shall impose and integrate special design features into proposed development that minimize impacts associated with the operation of air conditioning and heating equipment, on-site traffic, and use of parking, loading and trash storage facilities.

Policy 9

The City shall support development that results in grade separated railroad tracks.

Program 9.A
The City shall assure that new development and project expansions pay their fair share toward grade separations based on their impacts.
Responsible Agency: Planning Department, City Engineer
Schedule: Ongoing
Implementation Status - Ongoing through land development review process.

Open Space and Conservation Element (7 programs)

GOAL 1

Open space and conservation lands that are preserved and managed in perpetuity for the protection of environmental resources or hazards, and the provision of enhanced recreational opportunities and scenic qualities in the City.

GOAL 2

A balance between the City's built and open space environment and local and regional protection and preservation of its unique environment.

Policy 1

Identify and assess lands in the City, its sphere-of-influence and planning area, that are suitable for preservation as public or private, passive or active open space.

Program 1.A
The City shall maintain and use Open Space land use designations on the General Plan Land Use Map.
Responsible Agency: Planning Department, Community Services Department.
Schedule: 2005-2006
Implementation Status – Ongoing, private open space & public parks have been set aside through the Specific Plan process that requires minimum public land set aside.
Program 1.B
Environmental hazard zones, including earthquake fault lines, floodways and floodplains, steep or unstable slopes, shall be designated as open space on the land use map.
Responsible Agency: Planning Department
Schedule: 2005-2006
Implementation Status – These have been identified in the General Plan and no development is permitted in these areas of concern.
Program 1.C
Lands on which cultural resources are identified may be preserved as Open Space
Responsible Agency: Planning Department
Schedule: Ongoing
Implementation Status – Ongoing as part of land development review and Specific Plan process.
Program 1.D
Inventory the costs of land acquisition, maintenance and other administrative functions, and encourage the transfer of public open space and conservation properties to existing land trusts for local property management.
Responsible Agency: Planning Department, City Council.
Schedule: 2005-2006, Update every two years.
Implementation Status – <i>Not implemented due to lack of funding and staffing.</i>

Policy 2

The City shall protect natural hillsides above the toe of slope in perpetuity as undeveloped open space, and shall provide specific parameters under which development can occur within the Rural Residential – Hillside and Ranch/Agriculture Residential – Hillside land use designations. For purposes of this General Plan, the toe of slope is defined as the dividing line between rock formations where there is a noticeable break in the angle of slope from steep to shallow.

Program 2.A
The Zoning Ordinance shall be amended to include detailed provisions for the preservation of natural hillsides above the toe of slope. These provisions shall include, but not be limited to, density transfers from hillside areas to developable areas within the same parcel, building prohibitions for lands with grades exceeding 25%, permitted uses and building standards for developable areas in these hillsides, and grading parameters in these hillsides.
Responsible Agency: Planning Department, City Engineer, Planning Commission, City Council.
Schedule: 2005-2006
Implementation Status – Active and ongoing to comply with the Grading Ordinance that was adopted by the City Council on July 14, 2009.
Program 2.B
The City shall seek recreational usage of desirable hillside lands currently owned by public agencies, such as the Bureau of Land Management, the United States Forest Service or the County of Riverside; and shall secure open space lands from private entities by negotiating public access provisions and/or establishing a density transfer program.
Responsible Agency: City Manager’s Office, Planning Department, City Council
Schedule: 2006-2007; Ongoing
Implementation Status – Open Space lands from private entities are secured through a Specific Plan process and development Agreement from private entities.

Policy 3

Ridgelines shall be preserved as permanent open space.

Policy 4

The City shall preserve all watercourses and washes necessary for regional flood control, ground water recharge areas and drainage for open space and recreational purposes.

Policy 5

The City shall preserve permanent open space edges or greenbelts that define the physical limits of the City and provide physical separation between adjoining neighborhoods.

Program 5.A
The Land Use Map and Zoning Ordinance shall regulate development at the boundaries of the planning area to assure the preservation of a well-defined, functional or visual edge.
Responsible Agency: Planning Department.
Schedule: 2005-2006
Implementation Status – Ongoing as part of land development review process.

Policy 6

Where practical, new development shall integrate pipeline, above- and under-ground utility corridors and other easements (including electric, cable and telephone distribution lines) into a functional open space network.

Policy 7

Drought tolerant landscaping materials and design features shall be incorporated into parks, roadway medians, common area landscaping, public facilities and other appropriate open space lands to retain and preserve the natural environment.

Parks and Recreation Element (26 programs)

GOAL 1

A high quality public park system with adequate land and facilities to provide recreational facilities and activities for the City's residents.

GOAL 2

A comprehensive bikeway, trail and walking path system that connects homes to work places, commercial venues and recreational facilities, and which enhances the safety and enjoyment of cyclists, equestrians and pedestrians.

Policy 1

Update the Master Parks and Recreation Plan so as to assure adequate parklands and facilities that meet the immediate and future needs of the community, and is complementary to the natural environment.

Program 1.A
Update the City's parks master plan to address the proposed and anticipated parks and recreational facilities to be developed within the City.
Responsible Agency: Community Services Department, Public Works Department, Parks and Recreation Advisory Committee, Planning Commission
Schedule: 2005-2006, then every five years
Implementation Status – Park Master Plan was adopted by the City Council on February 22, 2011.
Program 1.B
The parks master plan shall maintain a standard of 5 acres of parkland per 1,000 residents.
Responsible Agency: Community Services Department, Parks and Recreation Advisory Committee
Schedule: Ongoing
Implementation Status – Standard established in the General Plan and the Parks Master Plan and is implemented as part of land development review process.
Program 1.C
Include dog parks, tennis courts and golf facilities in Parks Master Planning updates.
Responsible Agency: Community Services Department, Parks and Recreation Advisory Committee
Schedule: Ongoing
Implementation Status – Addressed in the Parks Master Plan.

Policy 2

The City will distribute parks and recreation facilities in a manner that is convenient to City neighborhoods and balanced within population concentrations.

Program 2.A
The location and design of neighborhood parks shall consider neighborhood suggestions and input regarding facility needs, vehicular and pedestrian access, noise and lighting impacts, and public safety.
Responsible Agency: Community Services Department; Public Works Department; Parks and Recreation Advisory Committee.
Schedule: Ongoing.
Implementation Status – Active policy, ongoing as developments occur.

Program 2.B
City staff shall identify and prioritize park development projects based upon need, land availability, neighborhood suggestions and funding, and shall encourage the planting of trees as in parks and open spaces.
Responsible Agency: Community Services Department; Public Works Department; Parks and Recreation Advisory Committee
Schedule: Ongoing.
Implementation Status- Ongoing. Park projects are reviewed as part of land development review process.
Program 2.C
Investigate and identify the broad range of sources of financing and operating revenue, including Development Impact Fees, Mello Roos special districts, public/private ventures, state and federal grant opportunities, developer fees and inter-agency joint use agreements to supplement revenues collected for parks and recreation purposes.
Responsible Agency: City Manager's Office; Parks and Recreation Division; Community Services Department; Banning and Beaumont Unified School Districts
Schedule: Ongoing
Implementation Status – Under discussion internally.
Program 2.D
Investigate and identify sources of development financing and revenue, including charitable organizations, state and federal grant opportunities to supplement revenues collected for development of parks and recreation facilities and programs.
Responsible Agency: City Manager's Office; Parks and Recreation Division; Community Services Department
Schedule: Ongoing
Implementation Status – Ongoing.
Program 2.E
The City will consider the implementation of a Quimby Ordinance for the purchase of park lands for new developments as they occur.
Responsible Agency: Parks and Recreation Division; Community Services Department, City Council
Schedule: 2005-2006
Implementation Status – Park land dedication is implemented as part of new development through Specific Plan and Development Agreement.

Policy 3

Require developers of new residential projects to provide on-site recreational and/or open space facilities in addition to City-wide park requirements.

Program 3.A
Encourage the planting of trees in parks and open spaces.
Responsible Agency: Community Services Department
Schedule: Ongoing
Implementation Status – Ongoing.
Program 3.B
Recreation facilities within projects will be maintained by the residents within the project either through a

homeowners' association, assessment district or community facilities district.
Responsible Agency: Community Services Department
Schedule: Ongoing
Implementation Status – Ongoing.

Policy 4

Encourage the development of recreational programs and activities that serve all population segments, including children, the elderly and the disabled.

Program 4.A
Develop a community education program for the City's parks and recreation facilities which focuses on the sense of community which parks and recreation facilities can foster.
Responsible Agency: Parks and Recreation Division; Community Services Department
Schedule: 2005-2006, Annually
Implementation Status – Ongoing.
Program 4.B
Develop advertising and publicity programs for recreational programs and events to encourage participation.
Responsible Agency: Community Services Department; Public Works Department; Parks and Recreation Advisory Committee
Schedule: Annually
Implementation Status – Ongoing.
Program 4.C
Develop and distribute educational materials relating to the planting and maintenance of drought tolerant landscaping on private property.
Responsible Agency: Community Services Department; Public Works Department; Parks and Recreation Advisory Committee
Schedule: 2006-2007
Implementation Status – Ongoing and active and is part of the City's Landscape Design Guidelines.

Policy 5

The City shall consider alternative methods of providing park and recreational amenities to meet future population demands.

Program 5.A
Support the development of private recreational ventures that will serve the general population.
Responsible Agency: Planning Department; Community Services Department; Economic Development Department
Schedule: Ongoing
Implementation Status – Addressed in the Parks Master Plan.
Program 5.B
Develop a program by which the City can accept parkland gifts and dedications that would be beneficial to the community.
Responsible Agency: City Attorney; Planning Department; City Council
Schedule: 2005-2006
Implementation Status – Addressed in the Parks Master Plan and on a case-by-case basis.

Program 5.C
Develop a program that establishes public participation in tree or landscaping planting efforts to commemorate special civic occasions.
Responsible Agency: Community Services Department; Public Works Department; Parks and Recreation Advisory Committee
Schedule: 2006-2007
Implementation Status –Ongoing and on a case-by-case basis; Sun Lakes public tree planting.

Policy 6

The City shall develop and implement plans for a coordinated and connected bicycle lane network in the community that allows for safe use of bicycles on City streets.

Program 6.A
The City shall inventory all streets for potential Class I, Class II and Class III bikeways, and shall program their installation in its Capital Improvement Program.
Responsible Agency: Planning Department; Engineering Division; Public Works Department; Planning Commission; City Council
Schedule: 2005-2006.
Implementation Status - <i>Not completed and addressed in the Parks Master Plan.</i>
Program 6.B
Class I bikeways and sidewalks should be installed on both sides of Wilson Street, Ramsey Street, and Lincoln Street, and other major streets where sufficient right-of-way is available.
Responsible Agency: Engineering Division; Public Works Department
Schedule: 2005-2006, Ongoing
Implementation Status – <i>Not completed and addressed in the Parks Master Plan.</i>
Program 6.C
Class II bikeways and sidewalks should be designated on all existing arterial streets that have sufficient width to safely accommodate bicycle travel lanes.
Responsible Agency: Planning Department; Engineering Division; Public Works Department
Schedule: 2005-2006.
Implementation Status – <i>Not completed and addressed in the Parks Master Plan.</i>
Program 6.D
The City should designate Class III bikeways only where Class I and Class II facilities are not feasible.
Responsible Agency: Planning Department; Public Works Department
Schedule: Continuous.
Implementation Status – <i>Not completed and addressed in the Parks Master Plan.</i>

Policy 7

The City should continue to work with the Morongo Band of Mission Indians and neighboring cities and communities to create a regional bicycle and trail network.

Policy 8

The City shall provide for a comprehensive, interconnected recreational trails system suitable for bicycles, equestrians and/or pedestrians.

Program 8.A
Evaluate the practicality of utilizing flood control channels for multi-use trails, where flooding and safety issues can be accommodated, and negotiate inter-agency agreements for this purpose.
Responsible Agency: Planning Department
Schedule: 2005-2006.
Implementation Status – Ongoing, requirement.
Program 8.B
Evaluate the practicality of developing a multi-use trails system along the Banning Bench adjacent to and extending into San Bernardino National Forest lands, where environmental and safety issues can be accommodated, and negotiate inter-agency agreements with the U.S. Forest Service for this purpose.
Responsible Agency: Planning Department, U.S. Forest Service/San Bernardino National Forest
Schedule: 2005-2006.
Implementation Status - Included in the adopted Parks Master Plan.
Program 8.C
Establish a multi-purpose trail between Dysart Park and Smith Creek Park, suitable for equestrian, bicycle and pedestrian use.
Responsible Agency: Community Services Department; Public Works Department; Parks and Recreation Advisory Committee
Schedule: 2005-2006, ongoing as development occurs
Implementation Status – Ongoing.

Policy 9

Motorized vehicles shall be prohibited on City trails.

Program 9.A
The City shall develop a non-motorized trail system and associated ordinances and other required implementation programs.
Responsible Agency: Public Works Department, Planning Commission, City Council
Schedule: 2006-2007
Implementation Status – Included in the adopted Parks Master Plan.
Program 9.B
The non-motorized trail system shall be funded, to the greatest extent possible, by new development.
Responsible Agency: Public Works Department
Schedule: 2006-2007
Implementation Status – Ongoing as part of land development review process.
Program 9.C
The routing and facilities required in the non-motorized trail system Plan shall be incorporated into the Development Impact Fee when the Plan is adopted.
Responsible Agency: Public Works Department
Schedule: 2006-2007
Implementation Status – Not yet completed.

Police and Fire Protection Element (5 programs)

GOAL 1

The highest possible quality and level of service for fire and police protection to preserve and protect the health, welfare and property of residents, business owners, visitors and property owners.

Policy 1

The City shall work closely with the Fire and Police departments to assure that adequate facilities are constructed and service is provided as development and growth occur to maintain and enhance levels of service and insurance ratings.

Program 1.A
On an annual basis, consult and coordinate long-term planning with the Police and Fire departments regarding the optimal location of future police and fire stations, equipment, paramedic/ambulance service, and to ensure that levels of staffing are adequate.
Responsible Agency: City Manager, Police Department, Fire Department
Schedule: Ongoing
Implementation Status - Ongoing. The new police station has been built and occupied. The Fire Department has developed a long-range master plan that outlines the number and placement of fire stations. The master plan was approved by the City Council. The Fire Department uses the master plan to identify fire station requirements when proposed developments are presented. Recent City budgetary concerns have required that the Fire Department consider lowering the number of Stations originally approved in the master plan thereby lowering what it feels is the appropriate level service for Banning residents and explores regional coordination efforts with other cities and the county. Working with Pardee on fire station location within their project to make it more regionalized with Beaumont, Banning and the County for location and cost controls. The best fiscal option for this project is to re-occupy the existing fire station on Wilson Street so personnel and equipment can be added without building a new fire station for the this project.

Policy 2

The City shall review all proposals for new or significant remodeling projects for potential impacts concerning public safety.

Program 2.A
The City shall continue to monitor levels of development in the planning area to assess the need for new fire stations.
Responsible Agency: Planning Department, Fire Department
Schedule: Ongoing
Implementation Status - The Fire Department has developed a long-range master plan that outlines the number and placement of fire stations. The master plan was approved by the City Council. The Fire Department uses the master plan to identify fire station requirements when proposed developments are presented. Recent City budgetary concerns have required that the Fire Department consider lowering the number of stations originally approved in the master plan thereby lowering what it feels is the appropriate level service for Banning residents or explores regional coordination efforts with other cities and the county.
Program 2.B
All development applications shall be routed to the Police and Fire Departments for comment as part of the

application review process.
Responsible Agency: Planning Department, Fire Department, Police Department
Schedule: Ongoing
Implementation Status - All development proposals are routed to the Police Department for comment All development proposals are routed to the Fire Department for comments.

Policy 3

The City shall strictly enforce fire standards and regulations in the course of reviewing development and building plans and conducting building inspections of large multiple family projects, community buildings, commercial structures and motel structures.

Policy 4

All proposed development projects shall demonstrate the availability of adequate fire flows prior to approval.

Program 4.A
Coordinate with the City of Banning Utility Department – Water Division and the Banning Heights Mutual Water Company to ensure availability of adequate water supplies and pressures for fire flows for all existing and proposed development.
Responsible Agency: Planning Department, Fire Department, City of Banning Utility Department – Water Division, Banning Heights Mutual Water Company, and Building Department.
Schedule: Ongoing
Implementation Status - All projects are conditioned to meet appropriate fire flow requirements. The Water Department must verify that the required flow can be met.
Program 4.B
Proposed projects in hilly areas with potential access problems, and/or lack of sufficient water and/or water pressure, may require special on-site fire protection measures. Such measures shall be specified during project review.
Responsible Agency: Planning Department, Fire Department
Schedule: Ongoing
Implementation Status – The fire department will require that developers have in place adequate water systems to support fire protection needs. Effective January 1, 2011, an automatic residential fire sprinkler system shall be installed in all <u>new</u> one-and-two family dwellings in accordance with the 2010 California Residential Code (Title 25, Part 2.5)

Policy 5

Crime prevention design techniques, including the use of “defensible space,” high security hardware, optimal site planning and building orientation, and other design approaches to enhance security shall be incorporated in new and substantially remodeled development. (All development proposals routed to Police Department for comment.)

Policy 6

The City shall continue to support and promote community-based crime prevention programs as an important augmentation to the provision of professional police protection services. (Ongoing through 100 Neighborhoods, KO. Gangs in Neighborhoods, GRATE, BPAL)

Policy 7

The City shall periodically review the level, quality, innovation and cost-effectiveness of police and fire protection services, including contract services. (Five-Year Strategic Plan 2006-2011 has been completed.)

Policy 8

The Police and the Fire Departments shall closely coordinate and cooperate with the City and County emergency preparedness teams and shall assure the most effective emergency response practical. (Ongoing training and coordination with all parties involved.)

Policy 9

The Fire Department shall maintain a 5-minute response time.

Policy 10

The Police Department shall maintain a level of service (LOS) goal of 2.0 sworn officers per 1000 residents. (It is recommended that LOS goal be changed to 1.5.)

Policy 11

The Fire Department Ambulance Services shall maintain a 5-minute response time.

Policy 12

The City shall investigate the requirements for an International Organization for Standardization (ISO) rating specifically for the City. (Commission on Accreditation for Law Enforcement Agencies (CALEA).)

Policy 13

The City shall continue to pursue grant positions for the Police Department. (KO Gangs and GRATE have three positions funded by grant.)

Policy 14

The City shall pursue all funding mechanisms to fund the need for police and fire services generated by new development. (Working to establish CFD's & Development Impact Fees.)

Public Buildings and Facilities Element (5 programs)

GOAL 1

The provision of a full range of dependable, cost-effective, and conveniently located public buildings, services and facilities that meet the functional, social and economic needs of the entire community.

Policy 1

The Land Use Element shall consider the long-term availability of sites for future public and quasi-public buildings, infrastructure, and other facilities.

Program 1.A
The City shall review its official Land Use Map and development patterns every five years to assure the availability of adequate sites for future public and quasi-public buildings, infrastructure, and other facilities. The City shall confer and coordinate with utilities and other public and quasi-public agencies regarding their long-term needs.
Responsible Agency: Community Development Department, Public Works Department, Banning Heights Mutual Water Company, SCE, SCG, Verizon, Time Warner
Schedule: 2005; every five years
Implementation Status – Ongoing. Recommendations of city-approved master plans of facilities such as parks, recreation, sewer, and water will be incorporated into future development as part of land development review process.

Policy 2

Continue to identify and evaluate viable, long-term funding mechanisms that provide for the construction, maintenance and operation of existing and future public buildings and facilities, including assuring that new development funds its fair share of these facilities.

Program 2.A
The City shall explore the possibility of establishing a New Construction tax for the purpose of establishing an ongoing funding source for adequate provision of public buildings and utilities associated with new development.
Responsible Agency: City Council, Finance Department, Public Works Department, Building Department.
Schedule: 2005
Implementation Status – <i>Not yet completed.</i>
Program 2.B
The City shall pursue and encourage joint-use facilities with other local agencies.
Responsible Agency: Community Services Department, Banning and Beaumont Unified School Districts
Schedule: 2005-2006, Ongoing
Implementation Status – Joint use with Banning Unified School District.

Policy 3

Coordinate with public utility providers and other public/quasi-public agencies to assure that utility buildings and facilities are compatible with the surrounding landscape.

Program 3.A
The City shall establish and maintain close working relationships with utility purveyors and other public

and quasi-public agencies serving the City to assure the least intrusive integration of related buildings and facilities into the community.
Responsible Agency: Community Development Department, Public Works Department, Banning Heights Mutual Water Company, SCE, SCG, Verizon, Time Warner
Schedule: Immediate; Continuous
Implementation Status - Ongoing.
Program 3.B
All new maintenance and utility facilities (and their signage) shall be integrated into the surrounding environment using landscape treatments, architectural elements, and/or other appropriate design mechanisms. Whether as a regulatory or advisory function, design plans shall be reviewed by the Community Development Department.
Responsible Agency: Community Development Department, Public Works Department, Banning Heights Mutual Water Company, SCE, SCG, Verizon, Time Warner
Schedule: Immediate; Continuous
Implementation Status – Active as it is implemented.

Policy 4

All public buildings and facilities shall comply with the same development standards as private development.

Policy 5

Encourage the undergrounding of all utility lines and the undergrounding or screening of transformers/facilities.

Policy 6

Critical structures and facilities (including the civic center, hospitals, fire stations, police stations, schools and major communications facilities) shall be restricted from geologically and hydrologically hazardous areas.

Policy 7

The Zoning Ordinance shall be reviewed to facilitate the location of public buildings and offices in a centralized location near the Civic Center.

Schools and Libraries Element (7 programs)

GOAL 1

The provision of quality school and library facilities in the City that is accessible, safe and conveniently located within the community.

Policy 1

Assist, cooperate and coordinate with the Banning and Beaumont Unified School Districts and state agencies in identifying, acquiring and developing school sites needed to meet future growth demands. Encourage the selection of potential school sites that are centrally located in areas of existing or future residential development.

Program 1.A
The City shall review and advise the Banning and Beaumont Unified School Districts on their master plans, development proposals and environmental documentation, and shall otherwise coordinate and cooperate with the Districts to assure the provision of safe, conveniently located and effective educational facilities.
Responsible Agency: Banning and Beaumont Unified School Districts, Planning Department, City Council
Schedule: Ongoing
Implementation Status –Working with Banning Unified School District for coordination & MSJC.

Policy 2

Continue to work with the Banning Unified School District to amend the District’s boundary to encompass all lands within its corporate limits and sphere of influence.

Program 2.A
Maintain effective communication with Banning Unified School District staff and board members to lobby for amendment of the District’s boundary.
Responsible Agency: Banning Unified School District, Planning Department, City Council, Beaumont Unified School District
Schedule: Ongoing
Implementation Status – The amendment to the School District’s boundary was pursued but not successful.
Program 2.B
Establish an organized committee comprised of City officials, interested community members and leaders and Banning Unified School District staff and board members to lobby for amendment of the District’s boundary.
Responsible Agency: City Council, City Manager’s Office, Banning Unified School District
Schedule: 2005-2006
Implementation Status – The amendment to the School District’s boundary was pursued but not successful.

Policy 3

Schools and libraries shall be protected from excessive noise and traffic conditions, incompatible land uses, and the threat of on-site disturbance to the greatest extent practicable.

Program 3.A
The City shall routinely evaluate and update the Land Use Element to assure that school and library sites are compatible with surrounding land uses, arterial roadways and other significant noise generators.
Responsible Agency: Planning Department
Schedule: Ongoing
Implementation Status – Ongoing.
Program 3.B
The City shall work closely with the District to improve the safety of students traveling to and from school over the railroad tracks, and shall strive to provide separate, safe pedestrian and bicycle access, particularly in the vicinity of the high school.
Responsible Agency: Planning Department, Public Works Department, City Council
Schedule: Ongoing
Implementation Status – Ongoing.
Program 3.C
To maximize the safety of students, parents, school staff and the general public, the City shall coordinate with the Banning Unified School District to maintain an adequate staff of school resource officers responsible for monitoring and patrolling school campuses during appropriate school hours.
Responsible Agency: Banning Unified School District, Police Department, Beaumont Unified School District
Schedule: Ongoing
Implementation Status - Active and ongoing.

Policy 4

The City shall cooperate in securing school impact fees from developers, in accordance with state law.

Policy 5

The City shall pro-actively work with the Banning Unified School District to improve the level and quality of education wherever possible.

Policy 6

The City shall encourage and support local higher education institutions that enhance general, career and vocational skills, employment opportunities and personal growth.

Policy 7

The City shall cooperate with Banning Unified School District, the Riverside Office of Education, and Mt. San Jacinto College to facilitate the establishment of a community education committee, which will develop a mission statement and process of committee activities. The committee’s essential goal shall be to enhance the provision of quality education to all students in the City.

Policy 8

As appropriate, the City shall pursue agreements with the school districts to assist in the purchase, lease or joint use of land and facilities for school and recreational purposes, and to provide the neighboring community with access to recreational facilities and open space during non-school hours.

Policy 9

The City shall support and facilitate the development of youth programs to provide quality after-school programs and facilities.

Program 9.A
The City shall establish a committee comprised of education professionals, elected and appointed officials, and County and City staff, and shall explore the possibility of establishing after-school programs targeted towards providing educational, recreational and personal development programs for school-aged children.
Responsible Agency: Banning Unified School District, City Council, Riverside County Office of Education, Community Services Department, Beaumont Unified School District
Schedule: Ongoing
Implementation Status – Active and ongoing coordination.

Policy 10

The City will encourage the Library Board to confer and coordinate with Mt. San Jacinto College to explore the provision of library services, and cooperative efforts with the Banning Public Library, in conjunction with the proposed MSJC Education Center.

Policy 11

The City shall coordinate with the Banning Public Library to assure that adequate library space, services and resources are provided to meet the educational and literary needs of the community.

Policy 12

Recognizing the importance of the library system for educational and cultural development within the community, the City shall explore the need for and feasibility of expanded library facilities and resources, including the potential for and appropriateness of accessing on-line resources associated with the Riverside County library system.

Water Resources Element (11 programs)

GOAL 1

A balance of development which assures the maintenance of the water supply and its continued high quality.

Policy 1

New development projects proposing 50 units on property whose General Plan Land Use designation would allow 50 units, and/or 10 acres of commercial/industrial/other development, or more, whether through a tract map, Specific Plan or other planning application, shall be required to fund the provision of its entire water supply, either through SWP, recycled water or other means, as a condition of approval.

Program 1.A
In accordance with the 2003 Determination of Maximum Perennial Yield for the City of Banning, the City shall implement an annual ground water audit. This process involves evaluating groundwater level trends, production rates, ground water quality or other aquifer/well/pump considerations from the previous year (the water audit should be performed six months prior to the start of the water accounting year) and using this information to make recommendations for pumping in the following year.
Responsible Agency: Public Utilities Department
Schedule: 2005-2006, Continuous
Implementation Status – The Maximum Perennial Yield was updated on March 29, 2011 as part of the Urban Water Management Plan that was adopted by the City Council on June 28, 2011.
Program 1.B
The City shall develop construction plans and cost estimates for the construction of recycled water facilities for both Phase I and II, and make them available to the development community.
Responsible Agency: Public Utilities Department
Schedule: 2005-2006
Implementation Status – Plans are complete and are awaiting funding.
Program 1.C
The City shall coordinate with the San Gorgonio Pass Water Agency and other appropriate agencies to assure that the City's SWP water can be delivered.
Responsible Agency: Planning Department, Public Utilities Department
Schedule: 2005-2006, Ongoing
Implementation Status – Active and ongoing and the City is receiving 1200 acre feet per year.

Policy 2

The City shall require the use of drought-tolerant, low water consuming landscaping as a means of reducing water demand for new development.

Program 2.A
Continue to implement the City's Water Efficient Landscape Ordinance by requiring the use of native and drought-tolerant planting materials and efficient irrigation systems.
Responsible Agency: Public Utilities Department, Planning Department
Schedule: Continuous
Implementation Status – Ordinance adopted and being implemented.

Program 2.B
The City shall coordinate and cooperate with the San Gorgonio Pass Water Agency, Banning Heights Mutual Water Company and the Beaumont-Cherry Valley Water District to expand and strengthen educational/public relations programs regarding the importance of water conservation and water-efficient landscaping.
Responsible Agency: Public Works Department, Planning Department, Banning Heights Mutual Water Company, Beaumont-Cherry Valley Water District
Schedule: Continuous
Implementation Status – Ongoing.

Policy 3

The City shall require the use of recycled wastewater for new development, or where it is unavailable, the infrastructure for recycled water when it becomes available, as a means of reducing demand for groundwater resources.

Program 3.A
Coordinate with the Banning Heights Mutual Water Company regarding the future expansion of recycled wastewater treatment facilities to serve existing and new development projects in the City.
Responsible Agency: Planning Department, Public Works Department, Banning Heights Mutual Water Company
Schedule: Continuous
Implementation Status – No projects identified – will be available for future coordination; expansion is coordinated and conditioned for appropriate projects.
Program 3.B
Aggressively pursue all sources of funding to allow for the installation of a comprehensive recycled water distribution system throughout the City.
Responsible Agency: Public Works Department, City Manager’s Office
Schedule: Immediate, Continuous
Implementation Status – Ongoing.
Program 3.C
The City shall study the potential of providing incentives to developers and property owners for the installation of on-site recycled water reclamation systems. Recycled water systems include the reuse of water from sources such as sink drains, dishwashers and washing machines for irrigation purposes.
Responsible Agency: Public Utilities Department, City Manager’s Office
Schedule: 2005-2006
Implementation Status – Ongoing.

Policy 4

Require that all new development be connected to the sewage treatment system, or install dry sewers until such time as that connection is possible.

Policy 5

The City shall provide guidelines for the development of on-site storm water retention facilities consistent with local and regional drainage plans and community design standards.

Program 5.A
Enforce regulations and guidelines for the development and maintenance of project-specific on-site retention/detention basins which implement the NPDES program, enhance groundwater recharge, complement regional flood control facilities, and address applicable community design policies.
Responsible Agency: Public Utilities Department, Planning Department
Schedule: Continuous
Implementation Status – Ongoing and required as conditions for all projects.

Policy 6

Coordinate with the San Geronio Pass Water Agency, Banning Heights Mutual Water Company and the Beaumont-Cherry Valley Water District, the California Regional Water Quality Control Board and other appropriate agencies to share information on potential groundwater contaminating sources.

Program 6.A
Develop and maintain a system to share records and technical information with the San Geronio Pass Water Agency, Banning Heights Mutual Water Company and the Beaumont-Cherry Valley Water District, CRWQCB and other appropriate agencies regarding all sites that have the potential to contaminate groundwater resources serving the City.
Responsible Agency: Public Works Department, the San Geronio Pass Water Agency, Banning Heights Mutual Water Company and the Beaumont-Cherry Valley Water District, California Regional Water Quality Control Board
Schedule: Continuous
Implementation Status – Ongoing and active.

Policy 7

The City shall ensure that no development proceeds that has potential to create groundwater hazards from point and non-point sources, and shall confer with other appropriate agencies, as necessary, to assure adequate review and mitigation.

Policy 8

Encourage water conservation in existing development.

Program 8.A
Establish incentive programs for conversion of existing buildings to water conserving fixtures and landscaping.
Responsible Agency: Public Utilities – Water Department
Schedule: 2005-2006
Implementation Status – Ongoing.

Water and Waste Water and Utilities Element (10 programs)

GOAL 1

A comprehensive range of water, Wastewater and utility services and facilities that adequately, cost-effectively and safely meet the immediate and long-term needs of the City.

Policy 1

The City shall coordinate between the City Utility Department-Water Division, Banning Heights Mutual Water Company, Beaumont/Cherry Valley Water Agency, San Gorgonio Pass Water Agency, California Regional Water Quality Control Board and Riverside County Environmental Health to protect and preserve local and regional water resources against overexploitation and contamination.

Program 1.A
Support the efforts of the City Utility Department-Water Division, San Gorgonio Pass Water Agency, Banning Heights Mutual Water Company and Beaumont/Cherry Valley Water Agency to develop alternative resources for groundwater recharge, and to expand and construct facilities for the treatment and distribution of reclaimed and/or recycled water.
Responsible Agency: Utility Department-Water Division, Banning Heights Mutual Water Company, Public Works Department, San Gorgonio Pass Water Agency
Schedule: Ongoing
Implementation Status – Ongoing and active. The Public Works Department recently completed the construction of Segment A of the Irrigation Water Line (approx. 2 miles) and is scheduling to construct the last 4 miles in 2014.
Program 1.B
The City, it's Utility Department-Water Division, San Gorgonio Pass Water Agency, and Banning Heights Mutual Water Company shall continue and extend their efforts to increase domestic water conservation by expanding efforts to promote the use of water efficient landscaping in all development, and the installation of efficient water-using technologies in new and substantially remodeled structures.
Responsible Agency: Utility Department-Water Division, San Gorgonio Pass Water Agency, Banning Heights Mutual Water Company, Public Works Department
Schedule: Ongoing
Implementation Status - Ongoing and active.
Program 1.C
The City, it's Utility Department-Water Division and Banning Heights Mutual Water Company shall evaluate and, as appropriate, implement actions and regulations that facilitate residential and business retrofits of landscaping/irrigation and water-using appliances/processes that significantly increase water use efficiencies.
Responsible Agencies: Utility Department-Water Division, Banning Heights Mutual Water Company, Public Works Department
Schedule: 2005-2006, Ongoing
Implementation Status - Ongoing and active.
Program 1.D
The City shall provide water customers with incentives for the conservation of water.
Responsible Agency: Utility Department-Water Division

Schedule: 2005-2006, Ongoing
Implementation Status - Ongoing and active.

Policy 2

Sewer connection shall be required at the time a lot is developed when service is available.

Program 2.A
To the greatest extent practical, the City and its Utility Department-Sewer Division shall require new development to extend and connect to sewer lines rather than permitting the installation of on-lot septic tanks. In the event on-lot septic systems are required, development shall be required to install “dry sewers” and pay connection fee in anticipation of future sewer main extensions.
Responsible Agencies: Utility Department-Sewer Division, Public Works Department, Riverside County Environmental Health Department
Schedule: Ongoing
Implementation Status - Ongoing and active.

Policy 3

In the event a sewer line exists in the right-of-way where a for-sale residential unit is served by a septic system, the septic system shall be properly abandoned prior to a sale and/or close of escrow, and the unit shall be connected to the sewer system.

Program 3.A
The Building and Public Works Departments shall establish procedures for identifying home sales, and shall publicize the requirement for connection of sewers with the mortgage companies and escrow companies of the area.
Responsible Agency: Building Department, Public Works Department
Schedule: 2005-2006, Ongoing
Implementation Status - Ongoing and active.

Policy 4

The City shall make every effort to assure and assist in facilitating the timely and cost-effective extension and expansion of services that support community development and improved quality of life.

Program 4.A
The City shall coordinate its Capital Improvement Program with those of local utility and service providers to assure cost-effective and adequate capacity of services and facilities for future growth and development.
Responsible Agencies: Public Works Department, Utility Department, Banning Heights Mutual Water Company, other utilities and service providers
Schedule: 2005-2006
Implementation Status - Ongoing and active.
Program 4.B
The City shall coordinate with appropriate public and quasi-public agencies and utilities in conducting ongoing assessments of infrastructure capacity and evaluating expansion and improvements needed to carry out responsible growth management.
Responsible Agencies: Public Works Department, Utility Department, Banning Heights Mutual Water Company, other utilities and service providers
Schedule: 2005-2006
Implementation Status - Ongoing and active.

Policy 5

To ensure the timely expansion of facilities in a manner that minimizes environmental impacts and disturbance of existing improvements, the City shall confer and coordinate with service and utility providers in planning, designing and siting of supporting and distribution facilities.

Program 5.A
The City shall encourage the consolidation of underground utility lines and other subsurface transmission facilities to limit the impacts of these facilities on the disruption of traffic and roadways.
Responsible Agencies: Public Works Department, Utility Department, Banning Heights Mutual Water Company, SCE, SCG, other utilities and service providers
Schedule: Ongoing
Implementation Status - Ongoing and active.

Policy 6

The City shall proactively support the widespread integration of energy resource conserving technologies throughout the community.

Program 6.A
The City shall investigate and, as appropriate, implement actions and regulations that facilitate residential and business conservation strategies and the implementation of technology retrofits that significantly increase efficiencies in energy use.
Responsible Agencies: Planning and Public Works Departments, Utility Department, Banning Heights Mutual Water Company, SCE, SCG, other utilities and service providers
Schedule: 2005, Ongoing
Implementation Status - Ongoing and active.

Policy 7

The City shall continue to confer and coordinate with its solid waste service franchisee to maintain and, if possible, exceed the provision of AB 939 by expanding recycling programs that divert valuable resources from the waste stream and returning these materials to productive use.

Policy 8

The City shall support, and to the greatest extent practical, shall encourage commercial and industrial businesses to reduce and limit the amount of packaging and potential waste associated with product sale and production.

Policy 9

Utility lines on scenic roadways, major streets and in the downtown shall have primary consideration for undergrounding.

Policy 10

Major utility facilities, including power and other transmission towers, cellular communication towers and other viewshed intrusions shall be designed and sited to ensure minimal environmental and viewsheds impacts and environmental hazards.

Policy 11

The City shall encourage the planning, development and installation of state-of-the art telecommunications and other broadband communications systems as essential infrastructure.

Policy 12

The City shall encourage in others and itself the use of alternative fuel vehicles.

Policy 13

The City shall investigate lower cable rates for ungated neighborhoods.

Policy 14

The City shall encourage alternative energy use for individual property owners and consider developing an incentive program.

Wildland Fire Hazard Element (15 programs)

GOAL 1

Protect human life, land, and property from the effects of wildland fire hazards.

Policy 1

The City shall establish and maintain an information database containing maps and other information which describe fire hazard severity zones, fire threat zone, and other wildfire hazards occurring within the City boundaries, sphere-of-influence and planning area.

Program 1.A
Consult and coordinate with surrounding communities, the State Board of Forestry and Fire Protection, California Department of Forestry and Fire Protection, Riverside County Fire Department, other applicable state and federal agencies to establish, improve and routinely update the database
Responsible Agency: Planning Department, Banning Fire Department, Beaumont Fire Department, State Board of Forestry and Fire Protection, California Department of Forestry and Fire Protection, Riverside County Fire Department, Morongo Band of Mission Indians.
Schedule: 2005-2006; Ongoing
Implementation Status - A new severity zone map has been developed by the California Department of Forestry and Fire Protection (CalFire) and was adopted by the City Council on 10/28/08. The revised map went into effect July 1, 2008. Revisions to the Map will be ongoing as development occurs but at a minimum of every 5 years.
Program 1.B
The City shall make available copies of the Fire Severity Map and discourage development within areas so designated, or require detailed mitigation measures that reduce potential hazards to insignificant levels.
Schedule: Immediately; Ongoing
Implementation Status - The current map, produced by the State, is currently available to view at the fire department at City Hall. The City Council approved fire severity map will also be a public document. The City adopted the State Code in early 2011 for building standards within the fire hazard areas. The current handout will be revised to reflect the new code. With the new CFC and residential sprinkler codes this issue has been updated in 2011 along with the Fire Hazard Severity map being available on line at ftp://frap.cdf.ca.gov/fhszlocalmaps/riverside
Program 1.C
Prepare an informational handout to be distributed to developers, property owners, and other appropriate parties, which describes the need for and design of fire safe developments.
Responsible Agency: Planning, City Engineer, Fire Department
Schedule: 2005-2006 Ongoing
Implementation Status - The Fire Department has developed a one-page handout briefly describing the requirements. The handout will be revised to match the new building code requirements.

Program 1.D
Establish and maintain a program by which all potentially hazardous structures, which pose a threat due to

inadequate fire hazard construction are identified, inventoried, and retrofitted with fire retardant materials. Program shall include informational handouts describing appropriate methods of retrofitting and possible sources of funding to facilitate the rehabilitation of such structures.
Responsible Agency: Building and Safety Department, City Engineer, Fire Department
Schedule: 2005-2006
Implementation Status – <i>Nothing done at this time.</i>

Policy 2

On going coordination between the Banning Fire Department, Beaumont Fire Department, the Riverside County Fire Department, the California Department of Forestry, the Morongo Band of Mission Indians and the US Forest Service in fire prevention programs.

Program 2.A
Cooperate with all neighboring agencies in order to identify opportunities for fuel breaks in very high hazard severity zones and to ensure that fire breaks are provided where necessary and appropriate.
Responsible Agency: Fire Marshall, City of Beaumont, County of Riverside, Morongo Band
Schedule: 2005-2006, Ongoing
Implementation Status – Approximately 2½ years ago, the Fire Marshal met with representatives from CalFire/Riverside County Fire and San Bernardino County Fire, and the U.S. Forest Service Service to discuss fuel modification projects in the wildland areas north of Banning from Yucaipa to the Morongo Reservation. For budget cycle 2004-2006 the City Fire Marshal proposed a 4 year fuel break construction project in Banning Canyon. The Council approved financing for the project. When funding was requested to continue for the final 2 years of the project, it was denied. Fuel break Projects to the northwest of Banning are being done by CalFire but have little effect toward the protection of the watershed in Banning Canyon. The Fire Department is working with the county fire hazard reduction coordinator for projects within the pass area. The current truck trail system is being improved to maintain access and provide a break in the fuel.
Program 2.B
Development proposals shall be transmitted to the Police Department and the City Fire Marshal, and input shall be incorporated into project design or conditions of approval, as appropriate.
Responsible Agency: Building and Safety Department, Planning Department, Police Department, Fire Department
Schedule: Ongoing
Implementation Status – All development proposals are routed to the Fire Department for comments.
Program 2.C
The Police and Fire Departments shall closely coordinate and cooperate with the City and County emergency preparedness teams and shall assure the most effective disaster response practical.
Responsible Agency: City Manager’s office, Fire Department, Police Department, County of Riverside, PASSCOM
Schedule: Immediately; Ongoing
Implementation Status – The Fire Department’s Disaster Preparedness Bureau has completed the City’s Emergency Operations Plan. The Department has an ongoing training program for City Employees and City residents. Coordination with local disaster preparedness organizations and County OES is ongoing. The Fire Department evaluates all projects to ensure adequate egress in emergency situations. The City’s Emergency Operations Plan (EOP) was updated November 2011.
Program 2.D

Contact and establish working relationships and strategies with Banning Heights Mutual Water Company, High Valley Water District, public utilities, and other appropriate agencies to strengthen or relocate utility facilities, and take other appropriate measures to safeguard major utility distribution systems to the greatest extent practical.
Responsible Agency: Planning Department, Public Works Department, City Engineer, Public and Quasi-Public Utilities
Schedule: 2005-2006; Continuous
Implementation Status – Active and ongoing.
Program 2.E
Encourage and cooperate with CalTrans and the railroad to reduce hazardous fuel loads (vegetation) near bridges, roadways, rail lines and state highways, which may be subject to closure during major wildland fire events.
Responsible Agency: Public Works Department, City Engineer, CalTrans, railroad
Schedule: Continuous
Implementation Status – Active and ongoing.
Program 2.F
The public will be educated regarding disaster prevention and emergency responses including evacuation procedures.
Responsible Agency: Police and Fire Departments, School Districts, PassCom
Schedule: Immediately; Ongoing
Implementation Status – Active and ongoing.

Policy 3

Continue to identify wildfire hazard areas, and to enforce special standards for construction in wildland fire hazard areas.

Program 3.A
New and substantially remodeled structures or developments shall incorporate wildfire prevention design techniques, such as the use of “defensible space,” fire retardant sidings, optimal site planning and building orientation, landscaping orientation, and other design approaches to reduce wildfire hazards.
Responsible Agency: Building and Safety Department, Planning Department, Police Department, Fire Department
Schedule: Ongoing
Implementation Status – Active and ongoing with land development review.
Program 3.B
Require that adequate emergency vehicle access and evacuation routes be available with approval of any new development.
Responsible Agency: Building and Safety Department, Planning Department, Police Department, Fire Department
Schedule: Ongoing
Implementation Status– Active and ongoing.
Program 3.C
The City shall adopt standard requirements for all development proposals in High Fire Hazard Areas, including requirements for the preparation of Fire Protection Plans prior to the approval of Tentative Tract Maps, Tentative Parcel Maps, or other land use permits.

Responsible Agency: Fire Marshal
Schedule: 2005-2006
Implementation Status – Active and ongoing.

Policy 4

The City shall make every attempt to assure that adequate water supplies and pressures are available during a fire, earthquake or both.

Program 4.A
Coordinate with Banning Heights Mutual Water Company, High Valley Water District and other agencies responsible for supplying water to the region to assure sufficient water supplies and pressures are available to provide adequate fire flows for all existing and proposed development.
Responsible Agency: Public Works Department, Building and Safety Department, Planning Department, Fire Department, Banning Heights Mutual Water Company, High Valley Water District
Schedule: Ongoing
Implementation Status– Active and ongoing.
Program 4.B
Special on-site fire protection measures may be required on well vegetated, hilly areas with slopes of 10 percent or greater, with possible access problems, and/or a lack of sufficient water and/or water pressure. Such measures shall be specified during project review.
Responsible Agency: Building and Safety Department, Planning Department, Fire Department, Banning Heights Mutual Water Company, High Valley Water District
Schedule: Ongoing
Implementation Status – Active and ongoing with development project.
