1. DATE OF ACCEPTANCE OF CITY OF HOLLISTER ANNUAL 2013 GENERAL PLAN PROGRESS REPORT BY THE CITY OF HOLLISTER CITY COUNCIL

The City of Hollister Annual 2013 General Plan Progress report was reviewed and accepted by the City Council at the regular City Council meeting of March 17, 2014.

2. MEASURES ASSOCIATED WITH IMPLEMENTATION OF GENERAL PLAN ELEMENTS

LAND USE AND COMMUNITY DESIGN ELEMENT	Implementation Status
<p>Zoning Ordinance (1-2 Years)</p> <p>LU.A Develop signage ordinance (Planning)</p> <p>LU.C Revise zoning regulations (Planning/Engineering)</p> <p>LU.J Develop guidelines for the preparation of lighting plans</p>	<p>Sign ordinance was completed in 2008 with the approval of Ordinance 1038. Ongoing implementation.</p> <p>Zoning review standards were adopted in 2008 with Ordinance 1038. Ordinance 1083 was adopted in June 2012 providing minor clarifications, corrections and amendments to the zoning ordinance to assure internal consistency within the municipal code for residential setbacks, lot size, and fence heights, minor change to commercial and mixed use zone uses and permit requirements, requirement for all secondary residential units to have their own meter for services, minor changes to chapter 15.22.050 Water Efficient Landscape.</p> <p>Section 17.16.090 of Ordinance 1038 provides design guidelines for the preparation of lighting plans consistent with Implementation Measure LU.J of the 2005 Hollister General Plan</p>
<p>LU.B Investigate inclusionary housing programs (Housing)</p>	<p>1. Measure U Growth Management: In December 2012 the City Council approved Resolution No. 2012-171 approving the final map and subdivision improvement agreement for the Hillview II subdivision for 30 single family self-help affordable residential</p>

	units. Building permits were issued in 2013 and the project is currently under construction. Final occupancy is anticipated in 2014.
LU.E Initiate a process to amend the AMBAG forecasts	Completed in 2006
LAND USE AND COMMUNITY DESIGN ELEMENT	Implementation Status
LU.F Conduct outreach and education for sustainable building and green product types	<ol style="list-style-type: none"> 1. Title 24 of the California Code of Regulations includes Part 11 California Green Building Standards Code. 2. Collaborate with the building department to streamline applications for photovoltaic permits. 3. Collaborate with applicants of affordable housing projects to promote available state programs for placement of photovoltaic solar panels.
LU.G Develop and adopt design review guidelines in the zoning code for gateway districts, special planning areas, streetscape, circulation and site planning.	On August 19, 2014, The City of Hollister City Council adopted Resolution No. 2013-123, a resolution adopting the west gateway streetscape beautification plan. It was anticipated that funds from a 2009 bond would have been used to begin the initial phase of streetscape beautification improvements in the West Gateway. The dissolution of the Redevelopment Agencies prohibited the use of the bond. It is anticipated that by 2014 the bond money would be available. The environmental document was prepared and in May 2012 the city council approved resolution number 2012-71 adopting a mitigated negative declaration for the West Gateway Streetscape Beautification Plan.
LU.H Develop a street tree program (Engineering)	No change to program in 2013. Staff continued implementation of existing adopted ordinance and programs.
LU.I Develop streetscape improvement guidelines	Engineering Department is updating Engineering Standards and Specifications to

<p>(Engineering)</p>	<p>develop uniform standards with San Benito County.</p> <p>Resolution No. 2012-105 was adopted in June 2012 authorizing and allocating the use of FY 07/08 and 09/10 Proposition 1B Transportation Funding for the City of Hollister's Capital Improvement Program for street rehabilitation and approve the appropriation of funding for project design.</p> <p>The successor agency got approved for a fund transfer and was awarded an Environmental Justice grant for complete streets from Caltrans. The grant will be for the research and design of the streetscape improvements of the Nash Road/Tres Pinos Road/Sunnyslope Road and McCray Street corridor.</p> <p>On June 17, 2013 the City Council of the City of Hollister adopted Resolution No. 2013-82, a resolution approving a professional services contract with Nelson Nygaard Associates, Inc. for a complete streets planning study of the Nash Road/Tres Pinos Road/Sunnyslope Road and McCray Street Corridor. On July 1, 2013 the city council approved Resolution No. 2013-95 approving a supplemental appropriation for a complete streets planning study for an environmental justice transportation planning grant for the complete streets project.</p>
<p>LU.K Formulate and implement an economic development strategic plan (2008)</p>	<ol style="list-style-type: none"> 1. On October of 2012 Resolution No. 2012-163 approved the Community Development Block Grant (CDBG) Business Assistance Loan Program guidelines. 2. Resolution no 2012-166 was approved in November 2012 authorizing ratification of a loan advisory board for the CDBG grant business assistance loan program. 3. Planning staff provided a series of educational presentations to the economic development corporation regarding zoning and general plan guidelines.

<p>LU.L Inventory and designate historical sites</p>	<p>Ordinance 1063 was adopted by the City Council in November 2010 to repeal and replace in its entirety Chapter 15.16 Historic Preservation of the Hollister Municipal Code. The ordinance will create a Council appointed historic advisory body. The advisory body could then assist with implementation of program LU.L</p>
<p>LU.M Inventory illegal or dangerous housing sites (2010).</p> <p>LU.X Rehabilitate, replace or eliminate illegal or dangerous housing units</p>	<p>Housing conditions survey for City of Hollister Housing Element revision completed in Summer of 2008</p> <p>Code Enforcement review ongoing</p>
<p>LU.N Assemble parcels for development in accordance with RDA programs – (purchase parcels to assemble for one large lot and build a RDA funded project or offer land to private developer (2010)</p>	<p>The State of California adopted AB 1X26 and Clean Up Legislation AB 1484 that abolished all RDA's in the state of California on February 1, 2012.</p>
<p>LU.O Assess existing Downtown Hollister parking district (2010)</p>	<ol style="list-style-type: none"> 1. Parking needs reviewed in 2009 Hollister Downtown Strategy and Plan. 2. Position of Community Services Officer for parking enforcement approved in May 2009. 3. Ordinance 1048 established civil penalties for parking violations
<p>LU.P Evaluate capital improvement program (2010)</p>	<ol style="list-style-type: none"> 1. Resolution 2012-01, was approved by the city council in January 2012 approving the project list for the airport Capital Improvement Program at the Hollister Municipal Airport from 2012-2022. 2. Resolution No. 2012-36, was approved by the city council in March of 2012 approving appropriation of fund 269 for the "street lighting retrofit project, CIP 3019." This Resolution approved the expenditure of additional grant program funding for the purpose of extending the number of street lights to be converted from high pressure sodium to LED within the City of Hollister. 3. Resolution No. 2012-37, was approved by the city council in March of 2012 approving professional services agreement with Todd

	<p>Engineers for the Fallon Road Well #3 Rehabilitation Project, CIP 2912 and Resolution No. 2012-38, approving an appropriation of fund 620 for the Fallon Road Well #3 rehabilitation project, CIP 2912.</p> <p>4. Resolution No. 2012-64 was approved by the city council in April of 2012 accepting the Kennedy/ Jenks proposal to provide professional design services for the Lessalt Disinfection Byproducts Project, CIP 2501.</p> <p>5. Resolution No. 2012-105, was approved by the city council on June 18, 2012 authorizing and allocating the use of FY 07/08 and 09/10 Proposition 1B Transportation Funding for the City of Hollister's Capital Improvement Program for street rehabilitation and approve the appropriation of funding for project design.</p> <p>6. Resolution No. 2012-144, was approved by the city council on September 2012 authorizing staff to apply for and use 2012-2013 FAA & Cal Trans airport capital improvement program (ACIP) grant monies at the Hollister Municipal Airport.</p> <p>7. Resolution No. 2012-166, was approved by the city council on November 5, 2012 approving the appropriations of funds for the City's capital improvement program for FY 2012/2013.</p>
<p>LAND USE AND COMMUNITY DESIGN ELEMENT</p>	<p>Implementation Status</p>
<p>LU.Q Encourage intergovernmental coordination (Ongoing)</p>	<p>Council representatives and staff continue to participate in the interagency Intergovernmental and Governance committee for planning management of water and re-use of reclaimed water.</p> <p>Staff has participated with the Hollister School district to evaluate traffic safety near schools and coordinate improvements.</p>

	<p>Resolution No. 2013-59, was approved by the city council on May 20, 2013 authorizing execution of community recreation agreement with San Benito High School District for use of San Benito High School aquatics facility.</p> <p>Resolution No. 2013-146, was approved the the city council on September 16, 2013 approving an agreement with the San Benito County Water District for the transfer of the City 's Lessalt Water Treatment Facility Real Property and Facilities to the San Benito County Water District.</p> <p>Resolution No. 2013-77, was approved by the City of Hollister city council on June 3, 2017 approving an agreement with the City of San Juan Bautista for fire protection Services.</p> <p>Resolution No. 2013-172, was approved by the city council on November 4, 2013 authorizing the execution agreement between the Hollister fire department and south Santa Clara county fire district for automatic aid response to emergency incidents.</p> <p>LAFCO approved the annexation of the Hollister Urban Area Water and Wastewater Master Plan in November of 2012. Collaborating agencies included the City of Hollister, County of San Benito, Sunnyslope County Water District and San Benito County Water District.</p> <p>Staff participates in the county's geographic information system (GIS) technical committee to make GIS more efficient for staff and the public.</p>
<p>LU.R Encourage specific plans (Ongoing)</p>	<p>Ongoing</p>
<p>LU.S Evaluate public facilities fees (Ongoing)</p>	<p>On November 7, 2011 the city council considered a resolution establishing new</p>

<p>LU.Z Review impact fees (Ongoing)</p> <p>LU.AA Study infrastructure “hook-up” fees (Ongoing)</p>	<p>traffic impact fees based on a study prepared by Willdan Financial Services. The nexus study identified transportation projects, associated costs, and a funding mechanism based on new development’s fair share of impacts on the region’s circulation system. The council approved Resolution No. 2011-142 adopting a transportation impact fee. Implementation began in January 2012. City Council Resolution 2012-10 was approved on January of 2012 approving a budget appropriation of fund 304 for the city’s share of the cost of the traffic impact mitigation fee study performed by Willdan Financial Services.</p>
<p>LAND USE AND COMMUNITY DESIGN ELEMENT</p>	<p>Implementation Status</p>
<p>LU.T Fund RDA housing projects (Ongoing)</p>	<p>The State of California adopted AB 1X26 and Clean Up Legislation AB 1484 that abolished all RDA’s in the state of California on February 1, 2012.</p>
<p>LU.U Implement phasing strategy to determine priority areas for development and sequence for long-range development outside the Sphere of Influence (Ongoing)</p>	<p>Priority within Hollister has been infill development of city lands and initiating the process to annex unincorporated islands. The City Council adopted a resolution requesting LAFCo to initiate proceedings for the annexation of territory for each of 9 parcels that together make up an area of 41.14 acres between Meridian St. to the north, Hillcrest Road to the south, McCray St. to the west and Highway 25 bypass to the east.</p>
<p>LU.V Offer development incentives(Ongoing)</p>	<p>Zoning ordinance Article II. Density Bonus ongoing implementation. Also, residential performance overlay zones for vacant infill residential properties provides flexible standards for new development with a variety of lot sizes and choices for housing types, new street patterns; site planning and neighborhood design that have connections among new neighborhoods with the rest of the City for pedestrians and bicyclists.</p>
<p>LU.W Promote improvements during design review(Ongoing)</p>	<p>Ongoing implementation. City’s review includes pre-application meeting with the applicant as well as Development Review Committee (DRC) with city officials</p>

CIRCULATION ELEMENT	Implementation Status
C.F. Prioritize Road Improvements C.F.1 Highway 25 bypass	Funding for North Street extension delayed to prioritize construction of Highway 25. Highway 25 bypass was completed in 2009.
C.F.2 Buena Vista extension Westside Boulevard to McCray Street C.F.3 Memorial Extension to Santa Ana C.F.4 Widen Sunnyslope El Toro to Fairview C.F.5 Extend Union from Cerra Vista to Fairview Road C.F.6 Widen Highway 25 Sunset to Fairview Road C.F.7. Widen Fairview Highway 25 to McCloskey Road C.F.8 Extend Westside Boulevard Nash to San Benito Street C.F.11 Extension Memorial from Santa Ana to Shelton Drive, Fallon Road or Flynn Road as two lane major collector C.F.12 Four lane new east-west thoroughfare between Fairview Road and San Felipe Road north of McCloskey Road C.F.13 Two lane east-west collector between Fairview Road and Future Memorial Drive south of McCloskey Road C.F.14 Widen to Fairview Road between McCloskey and Highway 156 to four lane thoroughfare C.F.15 Widen Union Road between Highway 25 and Highway 156 to four lane arterial	Funding for part of the cost of some of these road improvements will be from traffic impact fees. → West of Fairview Development Agreement
C.F.9 New Traffic Signals	On March 5, 2012 Resolution No. 2012-36 was adopted by the city council approving appropriation of fund 269 for the “street lighting retrofit project, CIP 3019” for the purpose of extending the number of street lights to be converted from high pressure sodium to LED within the City of Hollister.
C.F.10 Street and Highway Maintenance	Ongoing pavement overlay of City streets in 2013

CIRCULATION ELEMENT	Implementation Status
C.G Promote walk ability through design review	<p>Ongoing. Standards for circulation plan with pedestrian connections are found in Section 17.18.030 of the Hollister Municipal Code as well as in the Performance Overlay, Commercial and Industrial zoning districts adopted in December 2008 with Ordinance 1038.</p> <p>On February 22, 2011, the city council approved Resolution No. 2011-20 adopting the 2009 San Benito County Bikeway and Pedestrian Master Plan.</p> <p>Development Review Committee reviews applications for compliance with design requirements.</p>

COMMUNITY SERVICES AND FACILITIES ELEMENT

COMMUNITY SERVICES AND FACILITIES ELEMENT	Implementation Status
CSF.A Adopt an Information Technology Plan (1 year)	Continued interagency coordination with Geographic Information Systems including 1) staff training, 2) goals setting for informational needs for departments
<p>CSF.B Evaluate fire service consolidation opportunities (1 year)</p> <p>CSF.E Consider the formation of a planning area-wide Fire District (2 year)</p>	Fire Task Force reviewed between 2005-2007. Consolidation of Fire Services between City of Hollister and San Benito County occurred in 2013.
CSF.C Implement joint use agreements with school districts (1 year)	<p>Ongoing programs at Calaveras, Cerra Vista, Maze and Rancho San Justo school city parks.</p> <p>Resolution No. 2013-59, was approved by the city council on May 20, 2013 authorizing execution of community recreation agreement with San Benito High School District for use of San Benito High School aquatics facility.</p>
CSF.D Adopt a performance standards ordinance (2 year)	Ordinance not adopted but the intent to assure adequate services has been met with other strategies. Updates to impact fees between 2006 and 2009 have been approved

	<p>to fund drainage improvements, expand sewer capacity and treatment, water supply, and recreation. Community Facilities District rates for police and fire protection are updated annually based on the CPI and new residential development is required to annex to the district. Adoption of the Grading and Best Management Ordinance 1053 includes performance standards for drainage improvements to reduce peak flows from new development and to retain storm water on site. Ordinance 1053 combined with Dust Control and Storm Drainage Standards in Chapter 17.18 of the Municipal Code require measures to reduce particulate dust emissions from construction and maintenance of property. Environmental review is used to mitigate if necessary air pollutants impacts of new development that is subject to environmental review.</p>
<p>CSF.F Coordinate with San Benito County Water District, (SBCWD) San Benito County and Sunnyslope County Water District (SCWD) in water and wastewater system expansion needs (2 year)</p> <p>CSF.R Update the City's Water System Master Plan in coordination with SCWD and SBCWD.</p> <p>CSF.G Coordinate with the Sunnyslope County Water District in water system expansion needs (2 year)</p> <p>CSF.DD Maintain data on sewer and water system capacity (Ongoing)</p>	<ol style="list-style-type: none"> 1. Continued coordination for water reclamation and supply with the Governance Committee 2. City and San Benito County Water District in partnership for the reclaimed water master plan 3. Include Sunnyslope County Water District in Development Review Committee process 4. Coordination for environmental review to use Lessalt plant for water supply in 2009 to implement Mitigation Measure in General Plan Final EIR. After further consideration with SBCWD and SCWD it was determined that the environmental review would be completed in conjunction with environmental review scheduled for 2010 for the Hollister Urban Area Water and Wastewater master Plan. A Program EIR was completed and made available for public review in October of 2010. In October of 2011 Resolution No. 2011-129 accepted the program EIR for the Hollister Urban Area Water and Wastewater Master Plan and authorized staff to prepare an

	<p>application to LAFCo to initiate proceedings to establish the boundary lines of the Hollister Urban Area.</p> <ol style="list-style-type: none"> 5. On September 6, 2011 the city council approved Resolution 2011-117 accepting the Hollister Urban Area Water Supply and Treatment Agreement Statement of Intent. 6. LAFCO approved the annexation of the Hollister Urban Area Water and Wastewater Master Plan in November of 2012. Collaborating agencies included the City of Hollister, County of San Benito, Sunnyslope County Water District and San Benito County Water District. 7. Resolution No. 2013-146, was approved by the city council on September 16, 2013 approving an agreement with the San Benito County Water District for the transfer of the City 's Lessalt Water Treatment Facility Real Property and Facilities to the San Benito County Water District.
<p>COMMUNITY SERVICES AND FACILITIES ELEMENT</p>	<p>Implementation Status</p>
<p>CSF.H Establish procedures and requirements for well and ditch tail water tests. (2 year)</p>	<p>Ongoing compliance with State Department of Public Health and Department of Resources for well testing. This follows the written plan for testing for the drinking water system.</p>
<p>CSF.I Establish requirements for water conservation in new development (2 year)</p> <p>SSF.Q Identify opportunities for water recycling (3 year)</p>	<ol style="list-style-type: none"> 1. On June 20, 2011, the city council approved Resolution 2011-81 approving the Hollister Area Urban Water Management Plan. 2. Ordinance 1046 established fees and provisions for collection of liquid water at the Hollister Water Reclamation Facility 3. Ordinance 1049 established permit procedures and requirements for use of recycled water 4. Ordinance 1055 adopted to comply with state law for water efficient landscapes 5. Commercial, industrial and multi-family projects required to include a separable with a meter for use of recycled water

	<p>6. Coordination to use the 50 acre water reclamation facility (Brigantino) to establish an agricultural trial field.</p> <p>7. On June 6, 2011 the city council approved Resolution 2011-70 adopting the water system emergency/disaster response plan.</p>
CSF.J Identify opportunities for library service expansion in coordination with San Benito County (2 year)	Intergovernmental committee reviewed but determined funding resources were unavailable in 2009. In 2013 CSF.J has been a recognized priority for the mayor and city council.
CSF.L Implement actions for pesticide and fertilizer management(2 year)	The City employees or contractors are trained or qualified to comply with regulations for pesticide and fertilizer management.
COMMUNITY SERVICES AND FACILITIES ELEMENT	Implementation Status
CSF.M Provide information on water conserving landscaping (2 year)	Ordinance 1055 Water Efficient Landscape Ordinance was adopted in December 2009 and its implementation is ongoing. The City contracts with the Water Resources Association of San Benito County (WRASBC) to review all landscape applications submitted and to verify that they are in accordance to Ordinance 1055. Staff works together with the WRASBC to make information available to the public about water conservation methods.
LU.D Update public service master plans (Police and Fire)	No activity in 2013
CSF.N Update the Fire Protection Master Plan (2 year)	
CSF.O Adopt a Storm Water Master Plan (3 year)	On August 15, 2011 the city council adopted Resolution No. 2011-113 adopting the 2010 Storm Drain Master Plan prepared by Wallace Group, Inc. for current and future general plan buildout.
CSF.P Identify drainage system improvements (3 year)	Ongoing maintenance of storm drains
CSF.R(2) Coordinate with San Benito County on Landfill Capacity Needs (3 year)	Approved non-exclusive franchise agreements for roll-off refuse and commercial recycling (ongoing implementation)

<p>CSF. AA Implement the City's Solid Waste Management Plan(Ongoing)</p>	<p>Approved Ordinance 1040 which requires waste diversion plans for new construction and demolitions (ongoing implementation) Approved a new franchise agreement that includes recycling as part of the rates (ongoing implementation) Approved an environmental purchasing policy (ongoing implementation) Approved use of recycled materials at city parks (ongoing implementation)</p> <p>On June 3, 2013 the city council adopted Ordinance No. 1093, an ordinance of the City of Hollister amending Chapter 15.24 "Grading and Best Management Practices Control" of the Hollister Municipal Code relating to solid waste diversion plans.</p>
<p>COMMUNITY SERVICES AND FACILITIES ELEMENT</p>	<p>Implementation Status</p>
<p>CSF.S Prepare guidelines for water quality source control program (5 year)</p>	<p>The City of Hollister has adopted a storm water management program as well as a grading ordinance for low impact development. It is city policy to condition bio retentions, vegetative swales, permeable paving or other sources of storm water management for developments. The City has adopted storm water management best management practices (BMP) CASQA manuals for construction, municipal government and industrial uses which address spill prevention and clean up.</p>
<p>CSF.T Conduct water quality education programs (Ongoing)</p> <p>CSF.U Continue to require proper disposal of pollutants</p>	<p>The City of Hollister helps fund the San Benito County Water Resources Association in partnership with Sunnyslope County Water District and San Benito County Water District. The agency provides training to home owners on water use and discharge from homes (ongoing)</p> <p>Ongoing implementation with monthly hazardous collection</p>
<p>CSF.V Coordinate with water resources association of San Benito County</p>	<p>Agency provided training for certification of irrigation auditors for water efficient</p>

(Ongoing)	landscaping in 2012 Coordinated for implementation of water efficient landscape ordinance 1055. Staff collaborated with the Water Resources Association of San Benito County (WRASBC) to implement Ordinance 1055. The WRASBC reviews applications for consistency with Ordinance 1055.
CSF.X Enhance facilities for police and fire services (Ongoing)	Planning Commission Resolution PC 2010-15 was approved in May 2010 for the demolition and reconstruction of Fire Station 1 (fault, environmental, design). Demolition of the building and reconstruction started in 2011 and completed in 2012.
COMMUNITY SERVICES AND FACILITIES ELEMENT	Implementation Status
CSF.Y Evaluate coordinated funding strategies for infrastructures and services	Ongoing coordinated billing for sewer and water for residents located in the Sunnyslope County Water District Coordinated water efficient landscape applications process with Water Resources Association in 2010. Ongoing
CSF.Z Implement plans for a regional wastewater treatment facility (Ongoing)	Completed in 2008
CSF. BB Implement the City's Parks and Recreation Master Plan (Ongoing)	Ongoing <ol style="list-style-type: none"> 1. Environmental review adopted for San Benito River Greenway for development of river trails 2. Park Hill Master Plan adopted in June 2010 with Resolution 2009-100 3. Ordinance 1045 update of Park and Recreation Dedications and :Fees 4. February 2011, the council approved Resolution 2011-10 approving the design for a dog park at the Hollister Municipal Airport Park. Resolution 2011-11 approved the appropriation of monies to begin work on phase 1 of the Hollister Dog Park. On July 5, 2011, the approval of Resolution 2011-74 approved appropriation of monies to complete work on phase 1 of the Hollister Dog Park. 5. Ongoing programs at Calaveras, Cerra Vista, Maze and Rancho San Justo school

	city parks.
CSF. CC Maintain and update Capital Improvements Program (Ongoing)	Resolution No. 2012-166 was adopted in November 2012 approving the appropriations of funds for the City's capital improvement program for FY 2012/2013.
CSF.EE Monitor water quality at the wastewater treatment plant (Ongoing)	Ongoing monitoring to comply with requirements of waste discharge permits.
CSF.FF Provide for new elementary and middle schools (Ongoing)	Staff participated in the Hollister School District Facility Master Plan data collection and interagency meetings. Staff provides Hollister School District with annual update of new and proposed housing for their student forecast studies.
CSF.GG Publicize the City's waste management program (Ongoing)	Coordinate with waste haul contractor for education about designated drop-off days for household hazardous waste and recycling programs.
CSF. HH Inspect drainage channels and culverts (Ongoing)	Ongoing inspection and general maintenance as needed.
COMMUNITY SERVICES AND FACILITIES ELEMENT	Implementation Status
CSF.II Require fire agency review (Ongoing)	The Police, Fire Department, Utilities and Sunnyslope County Water District attend Development Review Committee meetings to review applications and identify fire improvement and water supply needs and identify conditions for new development or re-imbusement agreements for area-wide benefits. New development is required to be annexed into the Community Facilities District to fund for staff for police and fire protection
CSF.JJ Require fire protection mitigation in new development (Ongoing)	
CSF.KK Require law enforcement review (Ongoing)	
CSF.LL Require storm water runoff measures. (Ongoing)	Ordinance 1053 for grading and best management practices adopted in December 2009
CSF.MM Require utility providers review (Ongoing)	Ongoing
CSF. NN Support construction of a second high school (Ongoing)	Coordination as needed.

OPEN SPACE AND AGRICULTURE ELEMENT

OPEN SPACE AND AGRICULTURE	Implementation Status
-----------------------------------	------------------------------

ELEMENT	
OS.A Create an agricultural community disclosure ordinance	This type of ordinance is applicable to unincorporated areas where the noise, odor and mud from agricultural uses can be a perceived nuisance to rural residential land uses. Most agricultural uses in the city limits are in the industrial zoning districts where disclosure would be unnecessary. Other agricultural areas are unincorporated lands near the edge of the City limits.
OS.B Development open space management plans OS.B Development open space management plans (continued)	Through the development review process, staff ensures the preservation of open space areas and encourages the dedication of open space areas that are adjacent to public open space. In addition, when potential open space is not contiguous to existing public open space, the preference is to retain the open space in private ownership. When portions of a site are retained as private open space, the City ensures the preservation and management of that open space through appropriate means, including required maintenance, as determined through development review.
OS.C Investigate voluntary “Subscription Farm” or Community Supported Agriculture (CSA) programs	Implementation program is more applicable to projects that abut agricultural areas. The City has supported the Hollister Farmer’s Market which is a source for local agricultural vendors.
OS.D Enact a farm land trust	No activity. There is an existing non-profit San Benito Agricultural Land Trust.
OS.E Coordinate with other jurisdictions in open space planning	Implementation on an as needed basis.
OS.F Manage provide open space	Implementation on an as needed basis.
OS.G Provide open space access points	Included in growth management ranking and point system application for Allocations.
OS.H Create open space preservation opportunities	Performance Overlay zoning district allows flexible densities in hazard areas such as flood zones to preserve the areas as open space. Ordinance 1056 also requires residential development to avoid flood hazard areas
OS.I Restrict utilities in open space	Ordinance 1056 added prohibitions to the establishment of utilities in Flood Plain overlay zoning district.

NATURAL RESOURCES AND CONSERVATION ELEMENT

NATURAL RESOURCES AND CONSERVATION ELEMENT	Implementation Status
NRC.A Conduct air quality education programs (2 year)	Limited staff resources
NRC.B Explore regional planning opportunities to preserve habitats (2 year)	No activity in 2013
NRC.C Identify opportunities for PG&E assistance (2 year)	Continued cooperation with Association of Monterey Bay Area Governments and PG&E for energy conservation programs.
NRC. D Provide for backup energy provision for city facilities (2 year)	Back up power has been installed at the City corporation yard, City Hall, police station and Fire Station Number 2.
NRC.E Encourage “green” building standards and processes (3 year) NRC.P Promote solar design NRC.O Implement the LEED program NRC.Q Publicize energy conservation programs NRC. S Require building and site design review for energy conservation	<ol style="list-style-type: none"> 1. Growth management ranking criteria encourages green building by offering higher points in point ranking criteria. Ordinance 1070 was adopted by the City Council in December of 2010 which added to the Hollister Municipal Code the 2010 edition of the California Building Standards, Title 24 of the California Code of Regulations in its entirety including Part 11 California Green Building Standards Code 2. Hillview 25 unit self-help very low income subdivision constructed in 2011 was designed for passive solar. In addition, solar panels were installed on the roofs of each unit. 3. Gateway palms low income apartment units include solar panels. The former City of Hollister RDA assisted with the cost of the project. 4. Vista Meadows 72 senior unit apartments included solar panels on the units. The former City of Hollister RDA assisted with the cost of the project. 5. The City of Hollister promotes LEED green building for sustainable site development. 6. Continued participation in presentations from Green Building Council and AMBAG on green building programs for existing and new buildings.

	7. Provide bilingual informative brochures from PG&E and other organizations on front counter at planning/building department to publicize energy conservation.
NRC.G Establish mitigation for the burrowing owl colony in the Fairview Road/Santa Ana Road Area (3 year)	The San Benito County Santana Ranch Specific Plan Draft Environmental Impact Report (EIR) was prepared in April 2010. Per the draft EIR, mitigation measures were implemented to avoid impacts as outlined in the California Department of Fish and Game Guidance. Mitigation Measures for the burrowing owl are listed in the San Benito County Santana Ranch Specific Plan Draft EIR pg. 3.4-38.
NATURAL RESOURCES AND CONSERVATION ELEMENT	Implementation Status
NRC.H Apply air quality standards in development review (Ongoing) NRC.T Require construction techniques that minimize wind erosion	Section 17.16.040 of Ordinance 1038 adopted in December 2008 includes performance standards for dust and dirt control. Per Air District's requirements the California Emissions Estimator Model (CalEEMod) is used for CEQA review on projects for greenhouse gases and air quality. The prior model used was the Urban Emissions Model (URBEMIS). Ordinance 1053 for grading and best management practices adopted in December 2010 requires practices to reduce particulate dust.
NRC.I Apply standards to sensitive air quality receptors to buffer sources from toxic air contaminants or odors(Ongoing) NRC.M Establish buffers to protect air quality (Ongoing) NRC.R Require appropriate landscaping to mitigate air quality impacts	Development review process is used for inter-departmental review of discretionary planning applications.
NRC.J Apply Title 24 requirements (Ongoing)	Ongoing – standards are used for building permit review.
NRC.K Conduct surveys for burrowing	Ongoing – Biological assessment is required

owls (Ongoing) NRC.U Require pre-construction surveys for nesting raptors NRC.V Require project mitigation for habitat NRC.X Require wetlands delineation NRC.Y Require wetlands replacement plans	per the California Environmental Quality Act on discretionary projects and conditions/mitigation measures are implemented to protect sensitive bird species including conditions to protect birds in nesting season. Wetlands delineation was not applicable to discretionary applications reviewed in 2013
NATURAL RESOURCES AND CONSERVATION ELEMENT	Implementation Status
NRC.L Coordinate with Monterey Bay Unified Air Pollution Control District and other agencies in air quality planning (Ongoing)	1. City sends environmental documents to MBUAPCD for review and comment 2. City representative on the air board 3. City staff participation in the Blue Print
NRC.N Identify opportunities for transit-oriented development	1. Solicit comments and include Council of Governments in Development Committee Review process review of applications

HEALTH AND SAFETY ELEMENT

HEALTH AND SAFETY ELEMENT	Implementation Status
HS.A (2-year) Designate travel routes for hazardous materials HS. B (2-year) Designate truck routes HS.M Designate emergency evacuation routes in conjunction with San Benito County (Ongoing)	Highway 25 bypass opened in 2009. Staff recommends coordination with San Benito County and the Council of Governments to update the hazardous materials and truck routes in relation to the new highway alignment. HS.B: California Truck route established along Airline Highway (25 Bypass). Signs being posted currently.
HS. C Implement airport land use plan (2-year) HS.U Review new development for compatibility with the Hollister Municipal Airport Comprehensive Land Use Plan (Ongoing)	1. Planning applications in Airport influence area get referred to the Airport Land Use Commission (ongoing) 2. Staff coordinated with the San Benito County Council of Governments (COG) and the County of San Benito for the update to the Airport Land Use Comprehensive Plan (ALUCP) for the Hollister Municipal Airport and completed the plan in 2012.
HS. D Provide public awareness and education about noise issues (2-year)	Provided on an as needed basis.

HS. E Provide public information on safety and emergency preparedness issues (2-year)	Interagency coordination with preparation of Hazard Mitigation Plan. Staff participated in county wide Emergency Operations Plan with the San Benito County Office of Emergency Service (ongoing participation).
HS.F Compile complaint information and periodically evaluate enforcement needs for noise impacts (3 year)	Code enforcement tracks complaints and prepares an annual summary.
HS. G Update geologic, flooding and other hazard maps (3-year)	GPA 2009-2 General Plan land use plan amended to reflect 2009 FEMA flood update and Department of Water Resources flood awareness areas. Ongoing implementation. The former Redevelopment Agency funded a geologic study to compile fault hazard information for the downtown area.
HS.H Update and apply flood control requirement in new development (Ongoing)	General Plan Amendment 2009-2 and Ordinance 1056 added prohibitions for new public facilities in flood hazard area and requirements for new residential development. Residential projects must review a conditional letter of map amendment from FEMA to demonstrate that a lot will not be in a flood hazard area.
HEALTH AND SAFETY ELEMENT	Implementation Status
HS.I Coordinate with San Benito County on hazardous water management planning (Ongoing) HS.S (Ongoing) Review and update the City's Emergency Plan	Hazmat communication is integrated between the City and the County. The County Environmental Health Department has a county wide hazardous management plan. City and county participation includes disaster preparedness planning and exercises. The county has a hazardous waste collection program that serves the City of Hollister.
HS.J Conduct periodic emergency exercises (Ongoing)	Staff attends training coordinated by the Office of Emergency Services
HS.K Conduct periodic noise monitoring(Ongoing)	Insufficient staff resources
HS.L Continue to implement actions related to unreinforced masonry buildings (Ongoing)	Ongoing.
HS.N Identify traffic noise mitigation needs (Ongoing) HS.T Review new development for potential noise impacts	Noise study and conditions for noise reduction are implemented in developments for projects where the environmental CEQA determination determines the need
HS.O Periodically evaluate the City's	No revisions to the noise ordinance in 2013

2013 General Plan Annual Program Report
 March 17, 2014

Noise Ordinance (Ongoing)	
HS.P Provide staff training on noise enforcement (Ongoing)	Ongoing training in conjunction with code enforcement training
HS.Q Regularly update Building Code (Ongoing)	<p>Updated in 2010</p> <p>On January 21, 2014 the City of Hollister City Council adopted Ordinance No. 1096, amending Chapter 15.04 to update the Hollister Building Code regarding the California Code of Regulations Title 24, 2013 edition of the California Building Standards Code.</p>
HS.R Require cleaning on sites with hazardous soils (Ongoing)	<p>Two previous clean-up sites were the former Leatherback property purchased by the former RDA located on Hillcrest and McCray Street and on McCray and 4th Street. Ongoing implementation provided in an as needed basis.</p>

TABLE C
Program Implementation Status City of Hollister
2013 Reporting Period

Program Description (By Housing Element Program Names)	Housing Programs Progress Report – Government Code Section 65583 Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element..		
Name of Program	Objective	Deadline in HE	Status of Program Implementation
H.A Develop program guidelines to establish a Foreclosed Home Reactivation Program	Financial assistance to return foreclosed homes to purchase and rehabilitate foreclosed homes as affordable housing	2010	Completed – program in place
H.B Develop program guidelines to establish a Tenant Based Rental Assistance (TBRA) Program	Program to help rent payments for lower income households so cost does not exceed 30% of the household income.	July 2010	Ongoing program. Former RDA allocated \$50,000 per year for tenant based senior rental assistance for ten years until December of 2019.
H.C Implement impact fees and planning fees that encourage the construction of affordable housing. Lower connection fees for multi-family units	Remove governmental constraint to affordable housing	Ongoing	Tiered impact fees have been adopted that are lower for multi-family residential units. The council approved Resolution No. 2011-142 adopting a transportation impact fee in November 2011 and effective in 2012.
H.D Amend standards for Homeless Shelters and Transitional Housing to comply with SB2	Amend zoning ordinance to comply with state law	August 2010	Completed – Ordinance 1056 Adopted December 2009
H.E Amend zoning ordinance standards for second units and small lots in the Measure Y exemption area	Remove governmental constraints to infill housing with more flexible standards	August 2010	Completed – Ordinance 1056 Adopted December 2009

Name of Program	Objective	Deadline in HE	Status of Program Implementation
<p>H.F Lot Consolidation program to add incentives the Growth Management program 1)reserve 50 units for lot consolidation for 2011-2012 allocations 2) re-allocate unused lots to lot consolidation; 3) RDA to offer below market rate funding in Measure Y exemption area for affordable projects with lot consolidation or re-use of the upper floors</p> <p>Maintain inventory of sites, expedite project plan review</p>	<p>Inventive for lot consolidation with growth management and re-use of the upper floors downtown.</p>	<p>June 2010</p> <p>Ongoing</p>	<p>Ongoing. It's part of the growth management allocation point system. In the event housing allocations are re-allocated, lot consolidation projects in a multi-family or mixed use zoning will be one of the highest priorities. Measure U with Ordinance 979 came to an end in 2012. Efforts to reestablish or continue the residential growth management policy are expected to be accomplished in 2014</p> <p>The State of California adopted AB1X26 and clean up legislation AB 1484 that abolished all RDA's on February 1, 2012.</p> <p>Current – HE Appendix H</p>
<p>H.G Establish partnerships with the community with neighborhood associations, conduct annual housing forums and Intergovernmental Committee</p>	<p>Encourage public participation from all economic segments</p>	<p>Ongoing</p>	<p>Ongoing participation with Intergovernmental Committee and cooperation between county and city's housing programs</p>

Program Description (By Housing Element Program Names)	Housing Programs Progress Report – Government Code Section 65583 Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.		
Name of Program	Objective	Deadline in HE	Status of Program Implementation
H.H Stimulate re-use and infill Downtown 1. Amend zoning ordinance standards for guest parking, minimum lot size 2. Parking Reduction in Measure Y area 3. Maintain inventory of potential re-use sites	Reduce parking constraints and provide more flexible development standards for infill areas downtown	Jan. 2010 Jan 2010 Ongoing	1. Completed – Ordinance 1056 Adopted December 2009 2. After the construction of 100 units in the Measure Y downtown area the City of Hollister shall review the need for a parking district, review the effectiveness of the parking enforcement procedures 3. Current - HE Appendix G
H.I Amend zoning ordinance to stimulate development in Measure Y area	Provide more flexible development standards for infill in the Measure Y area	2010	Completed – Ordinance 1056 Adopted December 2009 - will continued to review and adjust as necessary
H.J Site and Architectural Review process – 1. Two meetings with non-profit housing developers to review constraints for residential developments	Remove constraints to provision of affordable housing from development review process	Dec 2010 2011	Met with local affordable housing developers to review application constrains. The City’s application for new development and conditional use permits were adjusted so it could be easier to follow.

Program Description (By Housing Element Program Names)	Housing Programs Progress Report – Government Code Section 65583 Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.		
Name of Program	Objective	Deadline in HE	Status of Program Implementation
H. K Partner with water purveyors to continue to provide for future water system capacity	Ensure water supply for housing development	Ongoing	Continued City interagency participation in Governance Committee for planning and developing programs for long term water supply and quality
H. L Energy conservation 1. Research funding with PG&E and other sources for development of a program similar to Berkeley First and adopt program information about solar technology for home owners. 2. Award growth allocates to projects with energy conservation 3. Prepare bi-lingual materials & explore site review standards 2011	Reduce utility costs and energy cost with solar roof panels	2011	1. Ongoing 2. Completed - Included in current ranking criteria. The city will continue to encourage energy conservation by awarding growth management allocations to projects with energy conservation methods. 3. Energy Conservation material in English and Spanish provided from PG&E, AMBAG Energy Watch and Central Coast Energy Service at the planning/building department's counter. Ongoing

**ANNUAL ELEMENT PROGRESS REPORT HOUSING ELEMENT
IMPLEMENTATION GENERAL COMMENT**

The city council approved Resolution No. 2013-42 in April of 2013, authorizing the submission of an application for funding from the community development allocation of the state community development block grant (CDBG) program and authorizing the city manager to execute grant agreements, sub recipient agreements and any amendments thereto and authorize the development services director to execute funds requests and other required reporting forms for the purposes of administering the grant. On May 6, 2013, the city council adopted Resolution No. 2013-52 a resolution of the city council of the city of Hollister approving supplemental appropriations for the HOME, first time home buyer, down payment assistance program, and for development services department line items. Resolution No. 2012-56, was also approved by the city council authorizing the Community Development Block Grant (CDBG) Down Payment Assistance Program for First Time Homebuyer (FTHB) and Program Guidelines. The City of Hollister has assisted 13 families with the FTHB program since the authorization of this program, including 5 in 2012 and 8 in 2013.

On June 17, 2013 the city council adopted Resolution No. 2013-82, a resolution of the city council of the City of Hollister approving a professional services contract with Nelson Nygaard associates, inc. for a complete streets planning study. On July 1, 2013 Resolution No. 2013-95 was adopted approving a supplemental appropriation for a complete streets planning study for an environmental justice transportation planning grant for two streets (Nash/Tres Pinos Rd/Sunnyslope and McCray)

In Fiscal Year 2009-10 the RDA agency entered into a contract with Pacific Geotechnical to compile and map the location of prior surface fault hazard investigations to determine whether properties that abut or are within close proximity to a prior surface fault hazard investigation can be cleared from the requirement for a surface fault hazard study. This would allow property owners that abut or are within close proximity to a prior surface fault hazard to know if they are cleared from the requirement of a surface fault hazard study for development.

The City of Hollister promotes LEED green building for sustainable site development. Growth management ranking criteria pursuant to the City's Measure U Growth Management Ordinance encourages green building by offering higher points in the point ranking criteria for projects that include renewable energy/green building components. Ordinance 1070 was adopted by the City Council in December of 2010 which added to the Hollister Municipal Code the 2010 edition of the California Building Standards, Title 24 of the California Code of Regulations in its entirety including Part 11 California Green Building Standards Code.

On August 19, 2013, the City of Hollister City Council adopted Resolution No. 2013-123, a resolution of the City Council of the City of Hollister adopting the west gateway streetscape beautification plan. This west entrance into the City of Hollister is planned to be transitioned as an attractive gateway to the city to stimulate economic development. The general plan and zoning ordinance has designated most of this area as a mixed use corridor for both residential and commercial development.

4. CITY OF HOLLISTER GENERAL PLAN COMPLIANCE WITH THE OFFICE OF PLANNING AND RESEARCH GENERAL PLAN GUIDELINES

5. DATE OF THE LAST UPDATE TO THE CITY OF HOLLISTER GENERAL PLAN

The City of Hollister completed a comprehensive update to the 1995-2005 General Plan when it adopted the 2005-2023 General Plan in December of 2005. The update was prepared to be in compliance with the Office of Planning and Research General Plan Guidelines.

The required revision of the City of Hollister General Plan Housing Element for the 2009-2014 program periods was completed in 2009. As required by section 65302 (d)(3) and (g) (2) of the Government Code, the City of Hollister Natural Resources, Health and Safety and Land Use and Community Design Elements were concurrently amended. The amendments provide more accurate mapping of flood hazard areas (including Flood Awareness Protection Areas) as well as liquefaction and landslide hazards. The amendments also added programs and polices related to development of a local hazard mitigation plan and to avoid establishment of residential and public facilities in flood hazard areas.

6. CITY COUNCIL PRIORITIES FOR LAND USE DECISIONS (E.G. PASSAGE OF MORATORIA OR EMERGENCY ORDINANCES).

The State of California adopted AB 1X26 and clean up legislation AB 1484 that abolished all RDA's on February 1, 2012. The city council approved Resolution No. 2012-06 in January of 2012, a resolution of the City of Hollister to express its intent to serve as the successor agency of the former RDA of the City of Hollister, pursuant to health and safety code section 34171(j) and section 34173, and to elect to retain the housing assets and functions previously performed by the RDA of the City of Hollister, pursuant to health and safety code section 34176. This Resolution establishes that the City of Hollister will serve as both the Successor Agency and the Successor Housing Agency to the former Hollister RDA.

The Measure U Growth Management Allocation Program for 2013 awarded 247 residential allocations of which 124 are for multifamily residential including townhomes and apartments and 123 for single family residential dwelling units. It is possible that for

the 2014 calendar year, the anticipated new construction rates could be higher due to a current approved list of overall remaining residential allocation units of 2,765.

7. Goals, policies, objectives standard or other plans proposals that need to be added or were deleted, amended or adjusted.

-Goals or policies were not deleted, amended or adjusted from the general plan during the 2013 year. Policies and objectives of the general plan have been addressed on this report.

8. Planning activities

a. Planning Activities Initiated:

- i. West Gateway Streetscape Beautification. On May of 2012 the city council approved Resolution No. 2012-71 adopting a mitigated negative declaration for the San Juan Road (West Fourth Street) streetscape improvements. On August 19, 2013, the City of Hollister City Council adopted Resolution No. 2013-123, a resolution of the City Council of the City of Hollister adopting the west gateway streetscape beautification plan. Implementation of the plan shall occur as development occurs in the West Gateway. In 2013, the planning commission approved the construction of a 1,140 square foot retail space and an attached 4,560 square foot mini market to replace an existing vacant mini market to accompany four existing gas pumps on a 0.46 acre parcel. The project is currently under construction and the street improvements will be incorporated pursuant to the West Gateway Streetscape Beautification Plan.
- ii. Complete Street: On June 17, 2013 the city council adopted Resolution No. 2013-82, a resolution of the city council of the City of Hollister approving a professional services contract with Nelson Nygaard associates, inc. for a complete streets planning study. On July 1, 2013 Resolution No. 2013-95 was adopted approving a supplemental appropriation for a complete streets planning study for an environmental justice transportation planning grant for two streets (Nash/Tres Pinos Rd/Sunnyslope and McCray). (Resolution adopted).
- iii. Walnut Park 13 (96 units): Walnut Park 13 located south of Union Road between Cerra Vista Dr., and Calistoga Dr, and north of Panorama Drive received allocations and tentative map approval for 42 single family units. Twenty of the single family residential units have been completed and occupied and the other 22 units are

currently under construction and anticipated to be fully built by the summer of 2014. The project received another 54 residential allocations from the City of Hollister Planning Commission on April 11, 2013 with Resolution No. 2013-3 for multifamily residential units. The total proposed building on the 12.95 acre site is 96 residential units.

- iv. Eden West/Hacienda Square (55 units): Fifty-five (55) single family residential units are currently being constructed in the Eden West subdivision located between Steinbeck Drive to the north, Apricot Lane to the south and east of Line Street. Completion and occupancy of the units is anticipated in the fall of 2014.
- v. Hillock Ranch (40 units): The Hillock Ranch subdivision located west of Hillock Drive, south of Sunset Drive and east of Ladd Lane is currently finalizing the construction of forty (40) single family units. Construction of the forty units initiated in 2013 and construction is anticipated to end at the project site by the spring of 2014.
- vi. In June of 2013, LAFCO of San Benito County approved the annexation of 41.14 acres located between Meridian Street to the north, Hillcrest Road to the south, McCray Street to the west and Highway 25 Bypass to the east.
- vii. In 2013, the City of Hollister initiated work on a prezone for annexation of a 19.49 acre parcel for residential development located South of Southside Road and east of San Benito Street. On 12/16/2013 the city council adopted Resolution No. 2013-210 approving a mitigated negative declaration for the pre zoning of this property. In January 21, 2014 the City of Hollister city council adopted Ordinance 1097 pre zoning the property. Annexation is anticipated in 2014.
- viii. Taliferro & Scagliotti (5 units): In 2012, staff met with the property owner of the property located west of Powell Street near the intersection with South Street, further identified as 808 Powell Street. The property owner applied for a Site and Architectural Review for five (5) residential units and received approval in 2013. The units were built in 2013 and are now occupied.
- ix. Hillview II (30 units): In December of 2012 the city council approved Resolution No. 2012-171 approving the final map and subdivision improvement agreement for the South County Housing Hillview II subdivision consisting of 30 single family self-help units between Central Avenue, Buena Vista Road, and east of Bridgevale Road. The units are

currently under construction and are expected to be complete and occupied by the Spring of 2014.

- x. Rajkovich (81 units): On December 19, 2013 the City of Hollister Planning Commission adopted Resolution No. 2013-31 approving major subdivision no. 2012-1 to subdivide 22.25 acres into 81 single family residential lots with a 3.88 acre remainder parcel located east of San Benito Street, south of Eastview Drive, west of Nora Drive, and south of Southside Road. Construction is anticipated to initiate in the summer of 2014.
- xi. Ladd Lane/North Florida (101 units): On June 26, 2013 the City of Hollister Planning Commission approved Site & Architectural Review Application No. 2013-3 and Tentative Map No. 2013-1 to subdivide an 8.51 acre parcel into forty-four (44) lots consisting of commercial and residential improvements. The project is located on the west end of Ladd Lane across from Hillock Drive, behind the K-Mart shopping center. The residential improvements include 63 apartment units and 38 single family units. The applicant requires final map approval. Construction is anticipated to commence in 2014.
- xii. Valles & Associates LLC (50 units): On December 19, 2013 the City of Hollister Planning Commission adopted Resolution No. 2013-32 approving Site and Architectural Review 2013-8 for the construction of fifty (5) apartment units consisting of five buildings and one rental office building on a 2.7 acre site located at 1605 Cushman Street, near the intersection of Cushman Street and Nash Road. Construction is anticipated to commence in 2014.
- xiii. The Villages of Santa Ana (149 units): On February 22, 2011 the City Council approved Resolution No. 2011-13 approving a development performance agreement with Brigantino Enterprises for 149 residential allocations. The property is located between Santa Ana Road to the north and Brigantino Drive to the south. An application requesting tentative map approval was submitted by the applicant in 2013. The City of Hollister is currently preparing an environmental document pursuant to the California Environmental Quality Act (CEQA) for this project. Planning Commission tentative map review for this project is anticipated in the spring of 2014.
- xiv. Sunnyslope Investments LLC. (29 units): In 2011, the City Council approved the rezoning of 22.62 acres of which 5.98 acres were rezoned for R1 single family housing. LAFCo has approved the annexation and in December 19, 2013 the city of Hollister Planning Commission adopted Resolution No. 2013-29, approving 29 residential allocation units in the 5.98 acre residential portion of the site.

- xv. Tentative Map 2013-5 Cerrato Estates (241 units):The applicant is requesting approval of a Tentative Map 2013-5 encompassing 42 acres in the R3-M/PZ Medium Density Residential Performance Overlay Zoning District. The Tentative Map proposes to subdivide 42 acres as follows: 241 single-family lots (Lots #1 through #241) on 27.14 net acres. The property is located at 510 Hillcrest Road and pending approval of the tentative map construction is anticipated in the fall of 2014.
 - xvi. Prezoning and annexation of unincorporated county islands (ongoing)
 - xvii. In 2013 the City of Hollister initiated a prezone application for the annexation of territory in the low density residential zoning district APN: 020-006-011 consisting of 22.38 acres (Applicant Infelise).
 - xviii. In October of 2013 the City of Hollister City Council approved the initiation of prezoning for annexation of APN: 019-110-031, 019-120-013, and 019-120-011 consisting of a total of 36.69 acres (Gonzalez and Borelli)
 - xix. Measure U allocations awarded.
- b. **General Plan Amendments:** (None in 2013)
- i. General Plan Amendment 2008-2 (January 2009) Amendment to Land Use Plan to correct mapping errors.
 - ii. General Plan Amendment 2009-1 (April 2009). The amendment updated the Housing Element Inventory of sites to reflect the revised zoning map adopted in December 2008.
 - iii. General Plan Amendment 2009-2 (December 2009) Required 2009-2014 revision to the City of Hollister Elements and amendments to the General Plan to comply with requirements in section 65302 of the Government Code for policy and programs related to flood hazards and information related to fire, liquefaction and landslide hazards.

c. **Major Development Applications**

Number	Applicant	Type of Development
Site & Architectural Review 2014-2	Rakesh Patel	Planning Commission approval for the construction of a 51,693 square foot Fairfield Inn & Suites Marriott Hotel.

9. ADDITIONAL CONTENT

a. Interagency and Intergovernmental Coordination Efforts

- Staff participates in the Hollister Downtown Association Design Committee to emphasize quality design in the downtown that is sensitive to the historic fabric and conducive to a pedestrian atmosphere.
- Staff has an active participation in the tourism task force.

- Association of Monterey Bay Area Governments:
 - Participation with energy conservation programs
- Governance Committee: Ongoing
- Hollister School District
 - Review of strategies to review safe routes to school and improve traffic safety
- Intergovernmental Committee:
 - Geographic Information System (GIS) coordination
- San Benito County Council of Governments:
 - Update to Hollister Municipal Airport Comprehensive Land Use Plan
 - Traffic Advisory Committee (Caltrans, COG, San Benito County, San Juan Bautista)

b. **Efforts to promote infill development, reuse and redevelopment particularly in underserved areas**

- Growth allocations priority to infill sites
- Portions of downtown Hollister are within the Alquist-Priolo earth Fault Hazard Zone. Many lots are less than 50 feet wide and a surface fault investigation would need to extend 50 feet beyond both property lines in many cases which can be constrained by buildings, streets and other infrastructure. The former Redevelopment Agency approved a contract with a geologic consulting firm to compile a map of all properties in the downtown area that have been evaluated for surface fault rupture pursuant to the Alquist Priolo Earthquake Fault Zoning Act. Several properties with buildings that were destroyed or demolished as a result of the the1989 Loma Prieta Earthquake were evaluated in the early 1990s but the contiguous property in the 'shadow' of the study was not cleared. One of the purposes of the study is to identify possible locations to clear adjacent properties in the shadow of an approved surface fault hazard investigation to stimulate infill development or re-development of properties.

RESOLUTION NO. 2014-48

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HOLLISTER
APPROVING THE CITY'S ANNUAL 2013 GENERAL PLAN PROGRESS REPORT**

WHEREAS, Government Code Section 65400 mandates that the City of Hollister submit an Annual Progress Report on the status of the General Plan and its implementation to the Governor's Office of Planning and Research by April 1st of each year; and

WHEREAS, the California Department of Housing and Community Development requires the City of Hollister to report on progress in meeting its share of regional housing needs and the status of Hollister's compliance with deadlines in the 2009-2014 Housing Element at a public hearing where members of the public may provide oral testimony or submit written comments as part of the Annual General Plan Progress Report; and

WHEREAS, the guidelines from the Governor's Office and Planning and Research and forms from the California Department of Housing and Community Development were used to prepare the report; and

WHEREAS, the City of Hollister has prepared the Annual 2013 General Plan Progress Report dated March 17, 2014; and

WHEREAS, the Annual Progress Report has been reviewed by the City Council at a public meeting and accepted at a regular City Council meeting; and

THEREFORE BE IT RESOLVED, by the City Council of the City of Hollister, that the City Council has reviewed and accepted the City of Hollister Annual 2013 General Plan Progress Report at the March 17th City Council meeting.

PASSED AND ADOPTED, this 17th day of March 2014, by the following vote:

AYES: Council Members Valdivia, Friend, Scattini, Gomez, and Mayor Velazquez.

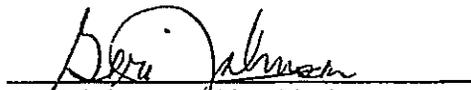

NOES: None.

ABSENT: None.
