Program Implementation Status

Program Description (By Housing Element Program Names)	Housing Programs Progress Report - Government Code Section 65583. Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.	Timeframe In H.E.	Status of Program Implementation
Name of Program	Objective		
Conduct Annual Housing Element Review (H1A-1)	Annual Review per Govt. Code Section 65583 (3)	Annually	Complete for 2014. This report fulfills the obligation for 2014. The City will continue to conduct the annual Housing Element Review in subsequent years.
Explore Housing Development Partnerships (H1A-2).	Seek opportunities to work with public agencies and developers	Ongoing	The City has been meeting with the potential buyer for Bayside Apartments (330 Sunnyview) about the possibility of collaborating on affordable housing opportunities on the current mixed rate units.
Periodically Review Residential Development Partnerships (H1A-3)	Monitor effectiveness of established regulations needed to streamline housing development	Ongoing	New residential developments were adopted November 2010 through the General Plan Update, Three Corridors Specific Plan, and the Zoning Code update.
Zoning Ordinance Update (H1A-4)	Update Zoning Ordinance to be consistent with General Plan	2011	Complete. New General Plan and Zoning Code were adopted in 10/2010 and 11/2010, respectively.
Apply Design Review Guidelines (H1A-5)	Apply to new residential development and residential additions to ensure compatibility with surrounding area	Ongoing	The City continues to implement the residential Design Review Guidelines for existing residential additions. The City has received one application for a new single family dwelling, however the building permit has not been issued yet.
Adequate Sites to Meet Regional Fair Share of Housing Growth (H1A-6)	Ensure adequate sites are available to developers and provide an inventory of available sites to developers	2011	Complete. Three Corridors Specific Plan complete for San Pablo Avenue, Pinole Valley Road, and Applan way was adopted in November 2010.
	Rezone at least the minimum number of acres necessary to accommodate the remaining RHNA	2011	Complete. The November 2010 adoption of the Zoning Ordinance Update and the Three Corridors Specific Plan for San Pablo Avenue, Pinole Valley Road, and Applan Way completed the rezonings as designated in Table 37 of the housing element
	Implement the Three Corridors Specific Plan and other Planning and Land Use documents that further the City's ability to encourage the development of housing at all affordability levels.	Ongoing	The Three Corridor Specific Plan was adopted in November 2010. The City continues to utilize this and other planning documents to encourage, facilitate, and process housing development requests.

	<p>Continue to provide appropriate land use designations consistent with regional housing needs for mixed use and infill residential development near transit service and other amenities</p>	<p>Ongoing</p>	<p>Adoption of the General Plan Update, Three Corridors Specific Plan, and Zoning Ordinance Update in November 2010 refined land use designations and included provisions to align them with regional housing needs for mixed use and infill development. This effort included the rezoning of a number of Specific Plan sites also identified in the Housing Element to accommodate high density residential and mixed use development. The City will continue to monitor local and regional housing needs and provide appropriate land designations to meet current needs.</p>
	<p>Maintain inventory of sites for housing development</p>	<p>Ongoing</p>	<p>The City continues to compile and update a detailed site-specific inventory of housing sites to facilitate future development.</p>
<p>Rehabilitation Loan Program (HIA-7)</p>	<p>Continue to support rehabilitation loan subsidy programs for rental and ownership properties</p>	<p>Ongoing</p>	<p>Due to the City's financial circumstances and the State's elimination of the City's Redevelopment Agency, local funding for these programs is no longer available. As demand and financial resources allow, the City is committed to continuing to support the rehabilitation of rental and ownership housing, particularly as those opportunities can be utilized to secure affordable housing units. In 2014 the City issued and conducted final building permit inspections to rehabilitate approximately 376 housing units including 73 roof replacement projects and 63 new solar panel installation projects, and five home addition projects.</p>
	<p>Annually review the Five-Year Capital Improvement Program (CIP) to ensure funds are allocated to help the City make progress on quantified objectives</p>	<p>Ongoing (Annually)</p>	<p>The City prepared a CIP in 2013. No funding was available to provide for a rehabilitation loan program due to the loss of the former Redevelopment Agency funds that were used to fund this effort.</p>
<p>Open Space Contributions (HIA-8)</p>	<p>Required for all housing subdivisions to ensure adequate land is available to meet recreation demands</p>	<p>Ongoing</p>	<p>No residential subdivisions were completed in 2014.</p>
<p>Fee Structure Evaluation (HIA-9)</p>	<p>Periodically review current fees to ensure new development contributes its share of costs for</p>	<p>Ongoing</p>	<p>A fee evaluation was completed in 2008 and updated in 2012. The new fees went into effect in 2013. Development impact fees were unchanged.</p>

Jurisdiction City of Pinole
Reporting Period 1/1/2014 - 12/31/2014

General Plan Land Uses (HIA-10)	Incorporate policies of the Three Corridors Specific Plan into the General Plan. Periodically evaluate land use designations.	2011	The General Plan and Three Corridors Specific Plan were adopted in October 2010 and November 2010, respectively. The policies contained in each are consistent. Over the past calendar year, the city has implemented the updated policies and regularly evaluates the policies to ensure ongoing internal consistency.
Housing Construction (HIA-11)	Encourage housing construction through a variety of mixed use incentives and redevelopment programs.	Ongoing	The Housing Element document outlines a number of specific mechanisms designed to encourage housing construction. Currently the range of available incentives have been reduced due to the elimination of former Redevelopment Agency funding. However, the City's commitment to housing construction remains and incentives are available to encourage additional housing development. Incentives include reduced parking requirements and increased maximum building heights. Proposed residential projects that are consistent with the City's Three Corridors Specific Plan are also eligible for expedited environmental review. Extended construction hours may also be available to expedite construction time. Fee deferrals also may be considered when affordable housing projects are included.
Parcel Consolidation (HIA-12)	Include lot consolidation procedures in the Municipal Code	2011	Complete. The Zoning Code adopted in November 2010 includes provisions for lot consolidation by providing for integrated developments comprised of multiple properties.
	Facilitate lot consolidation particularly as it relates to housing opportunity sites	Ongoing	No applications for lot consolidation were received during this reporting period. The City did have discussions with several different owner/developers about this process during the reporting period.
Second Unit Ordinance (HIA-13)	Provide information to the public about the ordinance at City Hall and on its website	15 units before 2014	Information about the Second unit Ordinance is currently available at City Hall and on the City's website.
	Review the Second Dwelling Unit Ordinance development requirements to encourage development of well-designed second units.	2011	New Second Dwelling Unit standards were included in the Zoning Code in November 2010.
Homebuyer Programs (HIA-14)	Continue to provide and monitor the Redevelopment Agency's First Time Home Buyer Program	Ongoing	During the reporting period, no First Time Home Buyer program loans were issued due to the elimination of the City's Redevelopment Agency and accompanying program funding.

Below Market Rate (BMR) Regulations (HIA-15)	Implement and monitor rental and resale restrictions for units assisted by the Redevelopment Agency to ensure their continued affordability	Ongoing	The Redevelopment Agency and now the City of Pinole Successor Agency has deed restrictions in place for all units counted as part of its below market rate portfolio in 2013. The City continues to annually monitor the affordability of all BMR rental units through an annual certification process.
Technical Assistance to Housing Developers (HIA-16)	Provide technical assistance to encourage provision of affordable housing consistent with City goals	Ongoing	The City has held several meetings with affordable housing builder, EAH Housing, regarding the possibility of a future affordable housing development at 600 Robie Avenue and/or within the City's Old Town area. However, no application has been submitted.
Accessible Units for the Physically Disabled (HIA-18)	Facilitate programs and projects to meet Federal, State, and local requirements to provide accessible housing for the physically disabled	5% of new housing units	The City is committed to assisting in the development of new projects that provide accessible housing for the disabled or issuing building permits for projects that improve the accessibility of existing housing units for the physically disabled. In 2014, the City did not receive any new development request for housing for the physically disabled population or for accessibility modifications to existing residential units to improve accessibility. The City continues to inspect Pinole Vista Apartments which is rehabilitating 52 existing units and adding improvements to accommodate physically disabled individuals on the property.
Homeless Assistance (HIA-19)	Annually contribute Redevelopment funds to non-profit agencies involved in providing housing for the homeless	Ongoing	The City's current financial condition and the State's decision to eliminate the City's Redevelopment Agency has necessitated scaling back a significant number of expenditures including homeless assistance.
Housing for the Homeless (HIA-20)	Add transitional and supportive housing to the Zoning Code as a permitted use subject to the restrictions on residential and commercial uses in the same zone	2011	Complete. Updated Zoning Code was adopted in November 2010.
	Include emergency shelters as a permitted use not requiring discretionary action in the Office/Industrial Mixed Use Zone within the San Pablo Avenue Specific Plan Service Sub Area.	2011	Complete. This was accomplished by the 2010 adoption of the General Plan Update, Three Corridor Specific Plan, and Zoning Code Update. Emergency shelters are now permitted by right in the Office Industrial Mixed Use Zone subject to adopted performance standards.

Prevention of Housing Discrimination (HIA-21)	Distribute fair housing pamphlets provided by fair housing organizations; refer housing complaints to local fair housing advocacy organizations	Ongoing	Historically, the City receives few fair housing complaints on an annual basis. No complaints were received in 2013. All housing complaints are referred to local fair housing advocacy firms to provide case assistance and legal advice.
Develop Multi-Family Sites at Medium and High Densities (HIA-22)	Work to maintain supply of multi-family housing sites by requiring minimum densities through the Zoning Ordinance Update.	Ongoing	The Zoning Code Update was adopted in November 2010. The updated Zoning Code includes parcels designated for medium, high, and very high densities for residential and mixed use residential projects.
Conservation of Affordable Housing Units (HIA-23)	Work to ensure that converted affordable housing units are conserved or replaced and remain affordable to moderate and lower income households.	Through 2014; LI.2; 2014-2019; VI.LI.24, LI.2; MOD:85	During the reporting period staff met with several existing property owners and developers to initiate discussion about either extending existing affordability controls that are due to expire or purchasing new affordability controls on existing market rate units to conserve existing affordable housing opportunities within the City.
Explore Options for Senior Assistance Programs (HIA-24)	Explore program revisions / new programs to provide assistance to help seniors live independently	2011	Due to the City's financial circumstances and the State's elimination of the City's Redevelopment Agency, local funding for a residential rehabilitation loan program is not available. The City did issue building permits and inspect more than 500 residential rehabilitation projects during the reporting period. The City also administratively reviews residential modifications intended to improve access for seniors and/or physically disabled individuals.
Energy & Water Conservation (HIA-25)	Support and publicize energy and water conservation programs; promote awareness in conjunction with rehabilitation programs; implement water efficient landscape requirements	Qualifying rehabilitation under RDA programs of 15 VLI and LI through 2014	Information about water and energy conservation is available at City Hall and on the City's web site. The City issued building permits and conducted final building inspections for 65 residential solar energy installation projects during the reporting period. The City also refers members of the public the EBMUD and PG&E web sites for detailed information about water and energy conservation programs provided by these utility service providers.
Energy Efficiency (HIA-26)	Investigate incentives for high performance green buildings	2011	The Zoning Code Update adopted in 2010 includes provisions for development standards flexibility when projects exceed minimum building standards approved by the California Building Standards Commission and the City of Pinole. The City has approved limited use of gray water systems to enhance water conservation when requested. No incentive requests were received during the reporting period.
Green Building Ordinance (HIA-27)	Develop a Green Building Ordinance	2011	The City applies the latest California Green Building requirements to help foster green building within the city for new construction.
