**RE: ANNUAL GENERAL PLAN IMPLEMENTATION STATUS REPORT
FOR CALENDAR YEAR 2011**

Margaret A. Curran
Town Manager

Please find attached a copy of the Town of Tiburon's annual general plan implementation status report, intended to satisfy the statutory requirements of Government Code Section 65400(b)(1).

This annual report was reviewed by the planning agency (Tiburon Planning Commission) on March 14, 2012, was accepted by the legislative body (Tiburon Town Council) on March 21, 2012.

Should you have any questions regarding the contents of this annual report, please contact me at (415) 435-7392.

Very truly yours,

Scott Anderson
Director of Community Development

Enclosure: Town of Tiburon Annual General Plan Implementation Status Report for CY 2011

Cc: Digest

**TABLE C: Program Implementation Status
Annual Element Progress Report: Housing Element Implementation (CCR Title 25 Section 6202)
Reporting Period January 1, 2011 through December 31, 2011**

Prog. # Objective Timeframe Status of Program Implementation

H1-A	Commit Town Resources. Marshal and commit Town-controlled resources toward the design, approval, financing, and construction of affordable housing projects on those sites identified in Tiburon's Housing Plan 1999-2006 (Table 9.9-1).	Ongoing	Resources (in-lieu fees and Redevelopment housing set-aside funds) are in place and available for any such project.
H1-B	Improve Community Awareness of Housing Needs, Issues, and Programs. Provide or collaborate with other agencies (e.g., County of Marin, Marin County Housing Authority, Rotary, Chamber of Commerce, Ecumenical Association for Housing, Housing Council) to prepare presentations and distribute informational materials to improve awareness of housing needs, issues and programs, and ensure community participation. Distribute materials to neighborhood groups, homeowner associations, religious institutions, businesses, and other interested groups (Rotary, Chamber of Commerce, etc.) in the Tiburon area.	Beginning in 2005	In 2007, Town Staff participated in public workshops and presentations sponsored by the Workforce Housing Committee of the Tiburon Peninsula Chamber of Commerce, aimed at public outreach and education on affordable workforce housing issues. Staff also participated in a round table discussion by the Marin Consortium for Workforce Housing. In addition, Town staff participated in the Marin Housing Element Workbook process, which included outreach to non-profit housing sponsors and low income service providers.
H1-C	Foster Meaningful Assistance from Other Agencies. Town staff will proactively meet and work with other public agencies and special districts (water, fire, schools, sanitary districts, etc.) to promote affordable	Beginning in 2005	Staff worked in collaboration with other cities in Marin County to have special district fees reduced or waived for secondary dwelling units; MMWD reduced connection fees for secondary dwelling units by 50% for units documented as low-income

**TABLE C: Program Implementation Status

Prog. # Objective Timeframe Status of Program Implementation

	housing through the provision of fee waivers, fee reductions, or other assistance for affordable housing projects.		units. As stated previously, Town staff participated in the Marin Housing Element Workbook process involving all 12 jurisdictions in Marin County.
H-2	Redevelopment Agency. In addition to expending Housing Set Aside Funds for meritorious affordable housing projects, as set forth in Appendix A, the Town will place some or all of the new property tax margin that will accrue to the Town once the Redevelopment Project Area sunsets into a designated fund for affordable housing.	None specified	See discussion under Program H-1A (Commit Town Resources). The Redevelopment Agency stopped collecting tax increment monies in 2003. Due to recent economic conditions and budgeting constraints, the Town did not attempt to add general fund revenue to the Redevelopment Agency housing account.
H-3	Apply for Funds. Apply for affordable housing funds generated by Proposition 46 including, but not limited to, the Multifamily Housing Program, the CalHome Program, and the Homebuyer's Downpayment Assistance Program, and other agencies including the Marin Community Foundation by end of 2005. Commit these funds to one or more projects listed in Table 9.9-1: Tiburon's Housing Plan 1999-2006.	2005	This action was not undertaken due to staff availability and workload and the lack of property owner interest in pursuing affordable housing projects on the available sites.
H-4	Work with Housing Advocates. Coordinate with local businesses, housing advocacy groups, Rotary Clubs, and the Chamber of Commerce and	Ongoing	See H-1B.

<i>Prog. #</i>	<i>Objective</i>	<i>Timeframe</i>	<i>Status of Program Implementation</i>
H-5	participate in the Marin Consortium for Workforce Housing in building public understanding and support for workforce, special needs and affordable housing. Fund County Housing Position. Jointly fund an Affordable Housing Strategist position within Marin County to provide all participating local agencies with technical assistance to facilitate approval and construction of affordable housing projects. This may include adoption by the Countywide Planning Agency of a Strategic Action Plan for Housing in Marin that will be considered for adoption with each jurisdiction's Housing Element. The Strategic Action Plan should be coordinated by the Marin County Affordable Housing Strategist who would also assist participating cities and towns.	Ongoing	This position was initially funded by the County of Marin, but has been eliminated due to budget cuts.
H-6	Staff Training. Hold a training session for Town employees regarding the receipt, documentation, and proper referral of housing discrimination complaints.	2005	Session held for Planning Division with periodic repeat training due to personnel changes.
H-7	Provision of Affordable Housing for Special Needs Households. The Town will facilitate programs and projects	Increase to 10% from 5% currently	Inclusionary Housing ordinance amended in May 2006 to require 10% of units to meet these special housing needs.

<i>Prog. #</i>	<i>Objective</i>	<i>Timeframe</i>	<i>Status of Program Implementation</i>
H-8A	which meet federal, state and local requirements to provide accessibility for seniors, persons with disabilities, large families, and single-person and single parent households. Specific types of housing include: a. Smaller, affordable residential units, especially for lower income single-person and single parent households. b. Affordable senior housing to meet the burgeoning needs of an aging population, including assisted housing and board and care (licensed facilities). c. Affordable units with three or more bedrooms for large family households. d. Affordable housing that is built for, or can easily and inexpensively be adapted for, use by people with disabilities (specific standards are established in California Title 24 Accessibility Regulations for new and rehabilitation projects, augmented by Americans with Disabilities Act guidelines). Emergency Housing Assistance. Participate and allocate funds, as appropriate, for County and non-profit	required	In 2009 and 2010, the Town of Tiburon donated \$8,850 to Homeward Bound of Marin. The money is used to support The Next Key Center, a job

H-8B	programs providing emergency shelter and related counseling services. Modify Existing and Adopt New Zoning Provisions for Emergency Shelters, Transitional and Disabled Housing, and Group Homes for More than 6 Persons. Define "emergency shelters" and "transitional housing facilities" in the Zoning Ordinance. Consistent with SB520 and the Fair Housing Act, adopt an Ordinance relating to requests for reasonable accommodation within the Town's land use regulations. Establish provisions for group homes with more than 6 persons within multi-family residential and commercial zones through a Conditional Use Permit process.	2005	training program and new affordable housing development that will provide 32 homes for homeless adults and families in Hamilton Field, Novato. Zoning Ordinance update addressing these issues commenced in 2007 and was completed in 2010. The updated Zoning Ordinance (adopted April 16, 2010) allows a year-round emergency shelter as a permitted use in commercial zones, subject to specific standards consistent with State law (Policy H-B5); and, allows transitional and supportive housing subject to the same standards as other residential uses in the same zone.
H-9	Develop and Adopt an Employee Housing Assistance Policy and Program	2005	In 2007, this fund was used to assist with the purchase of local housing for the Town Manager. The Town continues to make the seven units of BMR housing that it owns available to its employees. Currently, two employees rent such units; other tenants include a parks and recreation agency employee, a sanitary district employee, and a local school teacher.
H-10A	Rehabilitation Loan Programs. Continue	3 rehabs by	No loans were issued pursuant to this program.

<i>Prog. #</i>	<i>Objective</i>	<i>Timeframe</i>	<i>Status of Program Implementation</i>
	to support rehabilitation loan subsidy programs. In cooperation with the Marin County Housing Authority (MCHA), the Town shall improve citizen awareness of rehabilitation loan subsidy programs.	2006	
H-10B	Acquisition of Rental Housing. Work with non-profit sponsors seeking to acquire and rehabilitate rental housing units in order to maintain ongoing affordability of the units. This will include, but not be limited to: (1) support necessary to obtain funding commitments from governmental programs and non-governmental grants; (2) assistance in permit processing; (3) waiver or subsidy of fees; and (4) use of local funds if available.	Ongoing	The Town has continued to purchase units at the Point Tiburon Marsh project which it rents and keeps as affordable in perpetuity.
H-11	Condominium Conversions. Preserve rental housing by enforcement of Policy H-11 and the Town's condominium conversion ordinance.	Ongoing	No multi-family units allowed to be converted to condominiums in at least the past 10 years.
H-12	Protect "At Risk" Units. Identify assisted properties at risk of conversion to market rates and work with the property owners and/or other parties to ensure that they are conserved as part of the county's affordable housing stock. No affordable housing units are currently at risk of conversion in Tiburon.	Ongoing	Twelve (12) at-risk units were identified at Bradley House in 2009; with subsidies scheduled to expire on 12/22/10. The Town has been informed that the Marin Housing Authority, the property owner, secured an extension of the affordability of these units in 2010 and they are no longer considered at-risk.

**TABLE C: Program Implementation Status

Reporting Period January 1, 2011 through December 31, 2011**

<i>Prog. #</i>	<i>Objective</i>	<i>Timeframe</i>	<i>Status of Program Implementation</i>
H-13	Modify Zoning in "Old Tiburon". Modify the zoning standards that apply to two-family dwellings in "Old Tiburon" to limit conversion of existing two-family and multi-family dwellings into single-family units or buildings with fewer units than currently legally exist. Adopt provisions to enable two-family and multi-family dwellings to be rebuilt in the event of damage or destruction by fire, earthquake, or similar disaster.	2005	These provisions are contained in the Zoning Ordinance Update adopted by Town Council on March 17, 2010.
H-14	Density Bonus Provisions for Reconstruction. Continue application of Zoning Ordinance section 6.06.00(c) that allows reconstruction to the same density.	Ongoing	This section was re-codified as 16-70.100(B) in 2010, and remains in effect.
H-15	Rental Housing Assistance. Encourage federal, state and local rental housing programs. Work with the Marin County Housing Authority to implement the Section 8, Project Independence rental assistance programs, Marin Renters Rebate program, and any similar programs.	Assist 12 low and moderate income units by 2006	Twenty-five Tiburon residents received assistance from the Marin Renters Rebate program between 1999-2006, with approximately 3 receiving assistance each year. There are 19 households receiving rental assistance (Section 8 vouchers and other program assistance) through the Marin Housing Authority.
H-16A	Work with the Marin Housing Authority. Continue to work successfully with the Marin Housing Authority (MHA) for management of the affordable housing stock in order to ensure permanent affordability, implement resale and rental regulations for	Ongoing	Staff continues to work with the Housing Authority on a variety of fronts.

**TABLE C: Program Implementation Status

<i>Prog. #</i>	<i>Objective</i>	<i>Timeframe</i>	<i>Status of Program Implementation</i>
H-16B	below-market rate units, and assure that these units remain at an affordable price level. Link Code Enforcement with Public Information Programs. Implement housing, building and fire code enforcement to ensure compliance with basic health and safety building standards and provide information about rehabilitation loan programs for use by qualifying property owners who are cited. Contact owners of structures that appear to be in declining or substandard condition, offer inspection services, and advertise and promote programs that will assist in funding needed work.	Ongoing	The Town has identified relatively few housing units in severely substandard condition, usually during the residential resale inspection process or in response to complaints. This program could be improved by handout materials during building inspection on declining or substandard units.
H-17	Publicize Energy Conservation and Tenant Assistance Programs. Provide public information on alternative energy technologies for residential developers, contractors and property owners. Publicize available services for tenants and refer tenants to Marin Mediation Services if problems exist. Publicize tenant assistance and energy conservation programs and weatherization services that are available to provide subsidized or at cost inspection and corrective action.	Ongoing	Town Council adopted a policy waiving building permit fees for solar energy systems that meet simple Town guidelines. The Town approved 27 solar energy system applications in 2007, 39 applications in 2008, 22 applications in 2009, 24 applications in 2010, and 19 applications in 2011.

<i>Prog. #</i>	<i>Objective</i>	<i>Timeframe</i>	<i>Status of Program Implementation</i>
H-18	Modify Zoning. Modify Zoning Ordinance Section 6.07.00 to require in-perpetuity affordability of below-market rate units (rather than simply long-term affordability).	2005	Ordinance No. 493 N.S., effective May 2006, included this provision.
H-19A	Facilitate Development at Key Housing Opportunity Sites. Initiate the necessary General Plan Amendments, rezonings, and other implementing actions to reduce obvious governmental constraints to the construction of affordable housing at sites identified in Tiburon's Housing Plan 1999-2006 (Table 9.9-1).	2004	Ordinance Nos. 491 N.S. (March 2006) and 493 N.S. (May 2006) created the overlay zones and development incentives necessary to implement this program and reduce government constraints on the sites shown in Table 9.9-1.
H-19B	Mixed Use Development Incentives. In order to promote well-designed, affordable mixed-use residential/non-residential projects in commercial zones, prepare and adopt a Zoning Ordinance amendment that incorporates some or all of the following incentives to facilitate mixed use development in commercially-zoned areas in the Downtown, on properties identified in Table 9.9-1: a. An increased maximum height limit or height limit bonuses so that second and third stories could be permitted on buildings with commercial use at ground level and housing above;	2005	Ordinance Nos. 491 N.S. (March 2006) and 493 N.S. (May 2006) created the overlay zones and development incentives necessary to implement this program and reduce government constraints on the sites shown in Table 9.9-1.

<i>Prog. #</i>	<i>Objective</i>	<i>Timeframe</i>	<i>Status of Program Implementation</i>
	location and overall design. Higher densities may be appropriate where units are significantly smaller and would have fewer impacts than the market norm. c. Facilitating Affordable Housing Development Review. Affordable housing developments shall receive the highest priority and efforts will be made by staff and decision-makers to: (1) Provide technical assistance to potential affordable housing developers in processing requirements, including community involvement; (2) consider project funding and timing needs in the processing and review of the application; and (3) provide the fastest turnaround time possible.		
H-19E	Unincorporated Sites in Housing Element Area. Facilitate development at sites identified in the Tiburon's Housing Plan 1999-2006 (Table 9.9-1) that are within the Tiburon Housing Element Area but are currently subject to the jurisdiction of Marin County.	Prezone in 2005; annex in 2006	Both sites were pre-zoned with affordable housing overlay zones in 2006. Annexation not initiated by Town following negative feedback from Marin LAFCO.

	County. Initiate pre-zoning and annexation proceedings for these sites with Marin LAFCO.		
H-19F	Architectural Design in Affordable/Market Rate Projects. Allow affordable units within a market rate development to vary in design from market rate units so long as the project is architecturally harmonious. Attached units, smaller units and other design variations from market rate units are permitted by the Town to reduce costs of providing affordable units and to act as an incentive for their construction.	2005	Ordinance No. 493 N.S. (May 2006) fulfilled this program.
H-20A	Amend Secondary Dwelling Unit Ordinance. Prepare and adopt amendments to the Secondary Dwelling Unit Ordinance that eliminate the requirement for a Use Permit and establish a ministerial process for review and approval of secondary dwelling unit applications.	Done	Completed in 2003.
H-20B	Provide Information to Homeowners. Provide an informational guide to homeowners explaining the benefits, "best practices" and procedures for adding or legalizing a secondary dwelling unit.	Brochure in 2005; 10 second units from 1999-2006	Homeowner information available from Town; 6 secondary dwelling units approved.
H-22	Strengthen Existing Inclusionary Housing Regulations. Amend current	2005	Ordinance No. 493 N.S. (May 2006) fulfilled this program.

	<p>dwelling units and/or in-lieu fees should be set according to empirically based evidence and must comply with all other legal tests.</p> <ul style="list-style-type: none"> b. The inclusion of affordable housing units within developments of hotels, offices, or other commercial buildings if feasible (options may include housing on-site, off-site, subsidizing mortgages or rents, or paying an in-lieu fee for housing production), or c. Payment into a Housing Trust Fund of in-lieu fees based on a dollar amount per square foot of office, commercial, and industrial building development. d. In-lieu fees would be waived in projects containing significant affordable housing components. 		

GENERAL COMMENTS:

On February 1, 2012, the Town Council adopted a comprehensive update of the Tiburon Housing Element.

Annual General Plan Implementation Progress Report *Tiburon 2020* Calendar Year 2011

Reviewed by Planning Commission
March 14, 2012

Accepted by Town Council
March 21, 2012

Introduction

On September 7, 2005, the Town Council adopted a new General Plan, *Tiburon 2020*. This annual report is the seventh performed since that adoption.

This report generally reviews progress on implementing programs contained within *Tiburon 2020* during the Calendar Year 2011, with certain housing data covering the period 2007-2011. The purposes of this annual report are to:

1. Provide information regarding how the General Plan is being implemented with respect to its adopted implementation programs.
2. Identify any approved or needed amendments to the General Plan.
3. Provide information as to specific actions taken and ongoing strategies and practices to implement the General Plan.
4. Provide information regarding the Town's progress in meeting its fair share of regional housing needs and efforts to remove governmental constraints.

The Annual Report is organized by the eight elements in the General Plan, with a list of each implementing program and the status of that program, in the order that the element and implementing program appears in the General Plan. The eight elements of *Tiburon 2020* are as follows:

Land Use
Open Space & Conservation
Downtown
Circulation

Safety
Noise
Parks & Recreation
Housing

Implementing Program #	Program Summary	Lead Dept.	Current Priority	CY2010 Status	CY2011 Status	Description of Activity
Land Use Element						
LU-a	The Town shall periodically review and, if appropriate, revise its Municipal Code and other regulations to reflect the goals, policies, densities, intensities and the land use designations of this General Plan	CDD	Highest	Completed	Completed	All high priority amendments to the Municipal Code to achieve consistency with the new General Plan were adopted in 2006. Lower priority amendments were adopted in 2007 and 2008. Final consistency amendments were incorporated into the comprehensive Zoning Ordinance update which was adopted by the Town Council on March 17, 2010.
LU-b	The Town shall revise the Zoning Map as necessary to achieve consistency with the General Plan	CDD	Highest	Completed; Ongoing	Completed	Ordinances 491 N.S. and 493 N.S. adopted in 3/2006 and 4/2006, respectively, completed high priority rezonings; lower priority zoning map amendments were completed as part of comprehensive Zoning Ordinance update, which was adopted by the Town Council on March 17, 2010.
LU-c	The Town shall periodically revise its application forms, processing procedures, and development review procedures as necessary to reflect and implement the goals and policies of this General Plan	CDD	Highest	Completed; Ongoing	Completed	All CDD application forms reviewed and revised by July 2006; procedures were revised as part of comprehensive Zoning Ordinance update, which was implemented in April, 2010.
LU-e	The Town shall require that plans for new construction include a lighting plan for review as part of the Site Plan and Architectural Review process	CDD	Ongoing	Completed	Completed	Site Plan & Architectural Review application forms revised June 2006 to require exterior lighting plan and details as part of a complete application. Review of lighting plans as part of Site Plan & Architectural Review applications is ongoing.
LU-f	The Town, in conjunction with LAFCO and the County of Marin, shall conduct a study to establish the true cost and other implications of annexing Paradise Drive and work to create with the County of Marin and LAFCO a viable financing plan which would make annexation of properties in the Paradise Drive area feasible and fiscally acceptable to the Town	CDD/DPW	High	Ongoing	No progress	Study completed in September 2006 by CSW/Stuber-Stroeh regarding current conditions and costs of improving and maintaining Paradise Drive. Discussions with County of Marin and Marin LAFCO followed. The Town was unable to reach an agreement with the County over future maintenance. Formal discussions ended in December 2009, although the Town continues to be alert for opportunities to continue the dialogue with the County on this issue. Currently, the only additional portion of Paradise Drive to which the Town has committed to annexation is the Rabin/SODA frontage. The Martha MOU contemplates, but makes no commitment to, annexation of that property's frontage along Paradise Drive.
LU-g	The Town shall identify priority locations for the use of Rule 20A undergrounding funds	DPW	High	Completed	Completed	Town Council adopted priorities list on 9/21/2005. The top priority is the power poles on Tiburon Boulevard near the curve at Trestle Glen Boulevard, and the second priority is the poles along Tiburon Boulevard between San Rafael Avenue and Mar West Street.
Open Space & Conservation Element						
OSC-a	Applicants shall be required to demonstrate that proposals for development minimize environmental impacts and comply with the General Plan and applicable regulations, ordinances and guidelines. The Town shall require an environmental assessment process, similar to that used by the County of Marin,	CDD	Ongoing for Part 1; Low for Part 2	Part 1 completed in 2006 Part 2 Abandoned	NA	Precise Development Plan application submittal requirements revised in June 2006 to incorporate this program. No progress made on establishment of an Environmental Assessment process similar to that used by the County of Marin. Part 2 was abandoned by Town Council on May 6, 2009.

CDD= Community Development Department; DPW=Department of Public Works; Admin=Administration Department; RDA=Redevelopment Agency; All=All Departments

Implementing Program #	Program Summary	Lead Dept.	Current Priority	CY2010 Status	CY2011 Status	Description of Activity
	for Precise Development applications filed for large undeveloped properties					
OSC-b	The Town shall review development applications submitted with the County within its sphere of influence and areas of interest in order to encourage conformance with Town policies, including minimizing the visual impact of development on surrounding hills visible from Tiburon	CDD	Ongoing	Ongoing	Ongoing	County-referral applications are screened on a case-by-case basis and Town comments are submitted as deemed appropriate. Staff performs ongoing review of County referrals.
OSC-c	The Town shall require an environmental assessment for development proposed on sites that may contain sensitive biological resources, including wetlands, occurrences of special-status species and sensitive natural communities, native wildlife nurseries and nesting locations, and native wildlife movement corridors. The assessment shall be conducted by a qualified professional to determine the presence or absence of any sensitive resources which could be affected by proposed development, shall provide an assessment of the potential impacts, and shall define measures for protecting the resource and surrounding buffer habitat	CDD	Ongoing	Ongoing	Ongoing	Environmental review procedures of the Town require this information to be prepared where such resources exist.
OSC-d	Where hill slope stabilization is proposed as part of development proposals, or wherever such stabilization is required by the Town to protect public safety, the Town shall require the project to evaluate all slope repair-related modifications such as the secondary impacts of subsurface drainage on site and watershed ecological communities, including special-status species, sensitive natural communities, and wetlands. In the event impacts are likely, modifications to the proposed project shall be considered. In the event avoidance and project modification are infeasible, appropriate on- or off-site habitat mitigation shall be required prior to project approval, as mandated by the State and federal regulatory agencies	CDD	Ongoing	Ongoing	Ongoing	Precise Development Plan application submittal requirements were revised in June 2006 to incorporate this program.
OSC-e	The Town shall establish a clearinghouse of information for public use related to protection of sensitive biological and wetland resources, maintain contacts for agencies responsible for their protection, and encourage programs dedicated to the restoration and management of the remaining natural area	CDD	Low	Ongoing	Ongoing	The Associate Planner developed an informational list for agencies associated with environmental protection in 2007.
OSC-f	The Town shall consider revising and expanding the Tiburon Tree Ordinance to provide protection of both individual trees and native woodlands. Factors to consider in expanding the current ordinance include the importance of protecting smaller	CDD	Low	Abandoned	Abandoned	Abandoned by Town Council on May 6, 2009.

CDD= Community Development Department; DPW=Department of Public Works; Admin=Administration Department; RDA=Redevelopment Agency; All=All Departments

Implementing Program #	Program Summary	Lead Dept.	Current Priority	CY2010 Status	CY2011 Status	Description of Activity
	sapling trees and balancing their protection against those of designated "protected trees", defining critical management guidelines necessary to maintain healthy woodlands, and methods to encourage natural regeneration in woodland habitats					
OSC-g	The Town shall develop and adopt an Open Space management program that identifies maintenance projects and funding sources	DPW	High	Progress	Completed	The Open Space Management Plan was adopted by the Town Council on November 17, 2010. The Open Space Maintenance Fund receives appropriations each year for ongoing maintenance of open space lands in accordance with the adopted Management Plan.
OSC-h	The Town shall create and adopt an overlay zone for the area containing the Town's Inventory of Local Historical Buildings and adopt additional protection measures for the structures identified in the Inventory	CDD	High	Completed	Completed	Included in comprehensive Zoning Ordinance update, adopted March 17, 2010 by Town Council.
OSC-i	The Town shall either establish an inventory of sites which have known archaeological sites or the possibility of containing archaeological sites; or enter into an agreement with an outside entity which can provide similar services. Where sites have the possibility of containing archaeological resources, project sponsors shall be required to notify contractors to cease construction activities upon encountering archaeological artifacts or human remains until proper authorities have been notified and a mitigation plan is developed	CDD	Medium	Ongoing on Part 1 for small projects. Large projects are subject to detailed cultural resource review procedures; Part 2 is already required by state law	Ongoing on Part 1 for small projects. Large projects are subject to detailed cultural resource review procedures; Part 2 is already required by state law	The Town utilizes an archeological sensitivity map in its review of small projects.
OSC-j	Revise the Town's water conservation ordinance when changes in MMWD's water conservation ordinance require	CDD	Medium	Completed	Completed	Ordinance adopted by Town Council on March 17, 2010.
OSC-k	Consider the adoption of a wood smoke ordinance to reduce the emission of particulate matter into the air	CDD	Medium	Under Consideration	No longer under active consideration	Item tabled until further notice.
OSC-l	The Town shall pursue the gradual replacement of the Town's vehicle fleet with zero or low emission vehicles, where appropriate	All	Ongoing	Progress	Progress	The Community Development Department and Police Department both purchased low emission vehicles in 2009 (Honda Civic Hybrid and Ford Escape Hybrid).
OSC-m	The Town shall attach BMP conditions to permits that are issued by the Town, as appropriate	CDD/DPW	Ongoing	Progress	Progress	BMP conditions routinely attached to Encroachment Permit conditions and selected Zoning Permits. Field review for BMP compliance is routine for Building and Public Works project inspections.
OSC-n	Recycling bins shall be placed adjacent to refuse cans on the Town's public property, with special emphasis on high traffic	DPW	Ongoing	Completed and Ongoing	Completed and Ongoing	

CDD= Community Development Department; DPW=Department of Public Works; Admin=Administration Department; RDA=Redevelopment Agency; All=All Departments

Implementing Program #	Program Summary	Lead Dept.	Current Priority	CY2010 Status	CY2011 Status	Description of Activity
	areas, such as Shoreline Park and the Richardson Bay Lineal Park					
OSC-o	The Town shall continue to be an example and a resource for the community in recycling by continuing programs such as the construction debris program, household battery program and by reducing the waste of resources in conducting the Town's business	All	Ongoing	Ongoing	Ongoing	Construction debris and battery recycling programs continue to be implemented. Solar panels were installed on Town Hall in 2006; other programs are being considered as part of the Town's Green Building Program. The Town's Climate Action Plan was adopted in 2011. This Plan calls for adoption of a Zero Waste Resolution, an ordinance (as opposed to a policy) regarding construction debris waste recycling, and update multi-family residential recycling standards during 2012.
OSC-p	The Town shall develop an ordinance or guidelines for outlining green building principles	CDD	Medium	Completed and Ongoing	Completed and Ongoing	The Green Building Ordinance was adopted in November 2008 and was enforced through the end of 2010. On January 19, 2011 the Town Council adopted the <i>2010 Green Building Standards Code</i> (CGBSC or CALGreen) which supersedes the Green Building Ordinance. The Green Building Ordinance was repealed in 2011 and replaced with the state-wide CALGreen Code, which is implemented through the standardized Building Codes. Town staff continues to monitor and implement the CALGreen Code and at this time is not recommending additional enhancements either through adoption of BERST standards or through adoption of higher tiers of the CALGreen Code.
Downtown Element						
DT-a	The Tiburon Zoning Ordinance shall be revised to be consistent with the goals and policies of this Element and to implement the guidelines of the <i>Downtown Tiburon Design Handbook</i>	CDD	Highest	Completed	Completed	Primary Zoning Ordinance amendments related to the Downtown Element were adopted in early 2008; remaining secondary items were included in the comprehensive Zoning Ordinance update adopted by Town Council on March 17, 2010.
DT-b	Adopt a property maintenance ordinance for Downtown that will require that public and private improvements (including signs) be kept in good repair	CDD	Low	Progress	No progress	The sign ordinance adopted in 2009 contains such provisions. Property maintenance problems in the Downtown are few and are addressed through existing zoning and code compliance mechanisms on those rare instances when they occur.
DT-c	Fulfill the Tiburon Redevelopment Agency requirements for construction of very-low income housing units through creation of additional units in the Downtown	RDA	High	No Progress	No Progress	Zoning Ordinance was amended in 2006 to upzone properties and to provide incentives for affordable housing production. An updated Redevelopment Agency Housing Implementation/Compliance Plan was adopted in 2007. In 2011, the State Legislature abolished all redevelopment agencies in California. The Town Council has appointed the Town of Tiburon as the successor agency to the Tiburon Redevelopment Agency for purposes of fulfilling its housing production requirements. The Housing Element continues to designate several properties in the Redevelopment Project area boundaries for housing purposes, with incentives offered. In 2011 no new affordable units were constructed in the Tiburon Redevelopment Project area, although the Housing Element identifies several sites in the Downtown and Project area.
DT-d	Over the long-term, implement installation of streetscape improvements to Tiburon Boulevard's public right-of-way as described in the <i>Downtown Tiburon Design Handbook</i> . These improvements may include, but are not limited to, widening sidewalks to a minimum of eight feet; providing a landscaped planter strip between sidewalks and streets on both sides of	All	Ongoing	Ongoing	Ongoing	Property owners and agents are advised of these guidelines and are provided copies of the Handbook. Staff continues to hold discussions with property owners for the purpose of encouraging projects that promote the goals of the Handbook. New streetlight fixtures were installed in 2008 to eliminate glare problems from the older fixtures. Staff continues to review development applications for opportunities to implement this program. For example, the Boardwalk Shopping Center improvements associated with Woodlands Market include wider sidewalks and safer vehicle entry points, among other improvements.

CDD= Community Development Department; DPW=Department of Public Works; Admin=Administration Department; RDA=Redevelopment Agency; All=All Departments

Implementing Program #	Program Summary	Lead Dept.	Current Priority	CY2010 Status	CY2011 Status	Description of Activity
	Tiburon Boulevard; installing new street trees in these planter strips; and replanting the existing median strip with lower-growing vegetation					In 2011, the new drug store and pharmacy tenant made numerous property upgrades including but not limited to new and wider sidewalks on its Tiburon Boulevard and Beach Road frontages, new landscaping and lighting, and cross-walk improvements.
DT-e	Facilitate the long-term future improvement of the four corner properties at the intersection of Tiburon Boulevard and Beach Road and adjacent sites	CDD/ Admin	High	Ongoing	Ongoing	Properties on all four corners were up-zoned to a higher FAR limit and affordable housing overlay and density bonus provisions were placed on two of the corner properties. The Woodlands Market completed exterior upgrades in 2011, as did the drug store pharmacy tenant across the street. Staff continues to encourage and work with property owners to renovate and/or replace older buildings in these key locations.
DT-f	The Town shall adopt a street furniture/outdoor seating plan for Main Street, with possible future extension of the plan to other areas of Downtown	CDD/ Private	Low	No progress	Progress	Town staff conducted a survey of downtown street furniture and made recommendations regarding placement of additional seating and trash receptacles along Main Street. The Downtown Committee reviewed and accepted these recommendations. Additional bench seating has been purchased and is scheduled for installation in Spring 2012.
DT-g	The Town shall adopt a resolution designating the former Northwestern Pacific Railroad Yard palm tree as a protected tree	CDD	Low	No progress	No progress	No progress.
DT-h	Consider installation of a Downtown Tiburon entry sign/planter area at an appropriate location	CDD	Low	No progress	Progress	This concept and many other ideas are to be considered as part of the Downtown Vibrancy Project, discussed in more detail below.
DT-i	Consider adoption of a public art ordinance and establishment of a community program to encourage public art where appropriate	CDD	Low	Abandoned	Abandoned	Abandoned by Town Council May 6, 2009.
DT-j	The Town shall install signs or kiosks where appropriate to indicate the location of off-street parking within walking distance of Downtown Tiburon	CDD	Low	Progress	Progress	See DT-h.
DT-k	For the Main Street Parking Lot, designate and enhance pedestrian walkways, stairways, lanes and intersection points through signage, pavement markings or other methods, and enhance or replace existing parking lot landscaping along Juanita Lane. The Town and property owner should study alternative vehicular entry and/or exit points for this parking lot	Private	Medium	No progress	Progress	Decorative signs naming the various paths and stairways leading down from Upper Main Street to the Main Street Parking Lot were installed by Zelinsky Properties in 2010, and other physical improvements to certain of these connections have been made in recent years. Additional measures to improve pedestrian connectivity between Ark Row and other parts of Downtown, as well as throughout the entire Downtown, are being studied as part of the Circulation and Parking Analysis commissioned through the Vibrancy Project process.
DT-l	Pave and improve the Tiburon Boulevard pay parking lot located at 1525 Tiburon Boulevard. If feasible, designate bus parking spaces in this lot, with signage prohibiting the idling of buses	CDD/ Private	High	Completed	Completed	Parking lot paved and improved in 2008.
DT-m	The Town, along with Downtown property owners and merchants, shall periodically review the relationship between Downtown businesses and the time limit regulations of on-street	DPW	Ongoing	Ongoing	Progress and Ongoing	Hours allowed for loading and unloading of trucks on Main Street were expanded in 2008 at the request of the Chamber of Commerce. Parking fines for over-time violations were increased in 2010 by the Town Council. The greater Downtown parking issue is under review as part of the Circulation and

CDD= Community Development Department; DPW=Department of Public Works; Admin=Administration Department; RDA=Redevelopment Agency; All=All Departments

Implementing Program #	Program Summary	Lead Dept.	Current Priority	CY2010 Status	CY2011 Status	Description of Activity
	parking and study changes to the current public street parking regulations to best serve Downtown merchants and their patrons					Parking Analysis commissioned as part of the Vibrancy Project.
DT-n	The Town shall explore the desirability and feasibility of a public parking structure in Downtown	All	Medium	No progress	Progress	Results of the Downtown Vibrancy Committee Report of Findings and Proposed Plan dated May 2011 indicate no lack of overall parking in the Downtown area, reducing the likelihood of need for a parking structure in the near future. This would be a longer-term consideration only.
DT-o	With the owners of Downtown private parking lots, the Town shall examine the feasibility of instituting a preferential parking program for residents	Admin/ CDD	Medium	No progress	Progress	This concept is one of many being studied in the Circulation and Parking Analysis currently in process.
DT-p	Install a traffic signal at Mar West Street and Tiburon Boulevard as soon as permission from Caltrans can be secured	CDD/ DPW	Low	No progress	No progress	Signal warrants not yet met to allow signal installation approval by Caltrans. The Mar West Street intersection was reviewed as part of the Library expansion project processing in 2011, but the EIR concluded that the Library project alone would not trigger signal warrants at this intersection. The traffic studies indicated that signal warrants would be met at build-out of the Tiburon peninsula as projected in the Tiburon General Plan. See D-q below.
DT-q	Reduce the bicycle/vehicular conflict at the Mar West Street/Tiburon Boulevard intersection. Study the installation of a delineated left-turn bicycle lane from westbound Tiburon Boulevard to the multi-use path entrance at this location, as well as other options. Such improvements may (but need not) occur in conjunction with signalization of the intersection	CDD/ DPW	High	No progress	Progress	In association with approval of the general plan amendment for the Library Expansion project in 2011, the Town gained a potential future source of revenue for improvements at this intersection. Also, the Circulation and Parking Study commissioned in 2011 as part of the Downtown Vibrancy Project is examining the potential for alternative roadway improvements (other than a traffic signal), including a roundabout, at this intersection.
DT-r	Relieve the pedestrian congestion points near the intersection of Juanita Lane and Tiburon Boulevard through physical changes and improved enforcement of the public right-of-way	CDD/ DPW	Low	Progress	Progress	Installation of different tables and chairs and minor public improvement relocations have somewhat reduced the congestion in this location. The departure of the Paradise Café in 2010 has further reduced congestion at this point. Staff is currently in communication with the architect working on the design of a new building at this location (1694-1696 Tiburon Boulevard) to further address this issue.
DT-s	Install a paved pedestrian pathway or similar suitable improvement along Mar West Street from Tiburon Boulevard to the Tiburon Peninsula Club, and install a pathway connecting Teather Park to Judge Field	CDD/ DPW	Medium	Part 1 Completed; Part 2 No Progress	Part 1 Completed; Part 2 Progress	The paved pedestrian walkway along Mar West Street from Tiburon Boulevard to the TPC property line was installed in 2007. An easement agreement for public access from Teather Park to the Tiburon Peninsula Club was secured in 2006 and the public access easement recorded in 2007. The trail alignment was subsequently pioneered in 2009 and additional work is scheduled for 2012.
DT-t	Actively monitor the San Francisco Bay Area Water Transit Authority process in order to promote ferry use	Admin	Ongoing	Ongoing	Ongoing	The Town Council has a representative on the Citizen's Advisory Committee for this Agency.
DT-u	Facilitate expansion of the Belvedere-Tiburon Public Library by employing streamlined permit review processes typically used for major public projects	CDD	High	Progress	Progress	The Planning Commission reviewed and recommended approval of the streamlining ordinance in December 2011. Town Council adopted the streamlining ordinance in early 2012.
DT-v	Implement recommendations of the Railroad Marsh Maintenance Plan prepared by Wetlands Research Associates	DPW	Ongoing	Ongoing	Ongoing	A major cattail removal effort took place in 2010 in conformance with the Marsh Maintenance Plan. Additional work is scheduled for 2012.
DT-w	Consider the installation of a small public restroom facility in or near Shoreline Park	DPW	Medium	No progress	Progress	In 2011, the Town Council budgeted CIP money for both improvements to the existing public restrooms at 23-25 Main Street, as well as for determining feasibility of a Donahue Building public restroom.

Circulation Element						
C-a	The Town shall maintain its traffic model and traffic monitoring program, which periodically measures intersection levels of service, evaluates the impact of new projects on the roadway network, and re-evaluates appropriate traffic mitigation fee amounts	CDD	Ongoing	Ongoing	Ongoing	Traffic model was updated as part of the Tiburon 2020 EIR; revised and updated traffic mitigation fees were adopted in January 2007.
C-b	The Town's traffic model shall be used to periodically review the Town's traffic mitigation fees to ensure that they are based on current information and that they are adequately capturing the impacts of new projects on the roadways in the Planning Area. The Town shall update its traffic mitigation fees as necessary	CDD	High	Progress	Progress	See C-a above
C-c	The Town shall re-evaluate its list of needed circulation improvements approximately every five (5) years	CDD/DPW	Ongoing	NA	No progress	
C-d	The Town shall work with the County of Marin and LAFCO to formulate a long-term plan for maintaining and improving Paradise Drive	All	High	See LU-f	No progress	See LU-f
C-e	The Town shall work with the County of Marin and LAFCO to identify and implement a financing strategy for maintenance and improvement of Paradise Drive	All	Highest	See LU-f	No progress	See LU-f
C-f	The Town shall lobby funding agencies such as Metropolitan Transportation Commission and the Transportation Authority of Marin to ensure that funding for critical local roads, including Paradise Drive	Admin	Ongoing	Progress	Ongoing	Town Council successful in having Paradise Drive included in list of County roads to receive sales tax proceeds through Transportation Agency of Marin (TAM).
C-g	The Town shall use the designation of Paradise Drive as part of the Bay Trail as a tool in applying for improvement funding for the road	Admin	Ongoing	Progress	Ongoing	Town Council successful in having Paradise Drive included in list of County roads to receive sales tax proceeds through TAM.
C-h	The Town of Tiburon Traffic Safety Committee shall maintain a list of desired traffic safety improvements for implementation over time	All	Ongoing	Ongoing	Ongoing	Improvements are set forth in the annual CIP budget as funding becomes available.
C-i	The Town shall review the <i>Bicycle and Pedestrian Master Plan</i> periodically, and revise the list of improvements and actions	CDD/DPW	Ongoing	Completed	Completed	Completed. An updated Bicycle and Pedestrian Master Plan was adopted in September 2008.

CDD= Community Development Department; DPW=Department of Public Works; Admin=Administration Department; RDA=Redevelopment Agency; All=All Departments

Implementing Program #	Program Summary	Lead Dept.	Current Priority	CY2010 Status	CY2011 Status	Description of Activity
	called for in the <i>Plan</i> when implementation of adopted improvements has occurred, and/or when conditions warrant					
C-j	The Town will work cooperatively with ABAG and neighboring jurisdictions to improve the Bay Trail around the Tiburon Peninsula	CDD/DPW	Ongoing	Ongoing	Ongoing	Town completed Phase I the Trestle Glen Boulevard (Bay Trail spur route) bicycle and pedestrian improvements in 2005. New signage was added along the Bay Trail route in Tiburon under direction of the Bicycle Pedestrian Advisory Committee. Extensive Multi-use Path improvements were completed in 2007, and new signage installed in early 2008. In 2011, the Town received an ABAG planning grant for the design of Bay Trail improvements extending from Blackie's Pasture to the East Strawberry Drive/Bay Vista. That study is underway with ALTA Consulting assisting the Town.
C-k	Encourage the provision of adequate transit facilities in cooperation with other agencies and operators	All	Ongoing	Ongoing	Ongoing	Council representative to TAM lobbied and encouraged Marin County Transit District for bus route funding. The Town has received a \$314,000 grant from TAM for work on the Lyford Drive multi-modal parking project. The Town Council approved the permits for that project in 2011 but has not yet authorized public bidding of the project.
C-l	The Town shall make available schedules for buses, ferries, and any transit agencies that connect with those modes	Admin	Ongoing	Ongoing	Ongoing	Town's website has links to ferries, buses and other transit services through the 511 system and Golden Gate Bridge District websites.
C-m	The Town shall continue to work with the Reed Union School District and St. Hilary School to promote alternative transportation programs to reduce traffic congestion around schools	All	Ongoing	Progress	Progress	In 2007, the Town and the Reed Union School District received a Safe Routes to School Grant in the amount of \$352,000 for improvements focusing around Del Mar Middle School. Construction of these improvements was completed in 2010. In 2011, the Town spear-headed formation of CART (Community Action to Reduce Traffic), a joint effort by the Town of Tiburon, the City of Belvedere, the Town of Corte Madera, the Reed Union School District, and the local Safe Routes to School coordinator to explore traffic congestion reduction measures for the peninsula.
C-n	The Town shall promote and publicize the RIDES program to employers and employees as a resource for exploring ways to reduce traffic and parking congestion	CDD	Low	No progress	No progress	
C-o	Coordinate with Marin County for the adoption of complementary roadway improvement and mitigation fee programs for roads and intersections located in unincorporated sections of the Tiburon Planning Area	CDD	High	No progress	No progress	Town has adopted a traffic mitigation fee for development within Town limits that affects the unincorporated intersections within the Tiburon Sphere of Influence. No progress has been made in convincing the County to adopt a reciprocal mitigation fee to address impacts of development in unincorporated portions of the peninsula that affect Tiburon roads.
C-p	Maintain an active role in the Transportation Authority of Marin and/or U.S. Highway 101 Corridor planning program with the purpose of ensuring that improvements enhance inter-city movement	Admin	Ongoing	Ongoing	Ongoing	The Town Council representative maintains an active role on the TAM Board and Executive Committee.
Safety Element						
SE-a	Where possible, the Town should advise residents of the Tiburon Planning Area of ways that they can reduce geologic, fire and flooding hazards	All	Ongoing	Ongoing	Ongoing	

CDD= Community Development Department; DPW=Department of Public Works; Admin=Administration Department; RDA=Redevelopment Agency; All=All Departments

Implementing Program #	Program Summary	Lead Dept.	Current Priority	CY2010 Status	CY2011 Status	Description of Activity
SE-b	The Town shall require project applicants for new development to prepare a hydraulic and geomorphic assessment of on-site and downstream drainageways that are affected by project area runoff. Characteristics pertinent to channel stability would include bank erosion, excessive bed scour or sediment deposition, bed slope adjustments, lateral channel migration or bifurcation, and the condition of riparian vegetation. In the event existing channel instabilities were noted, the applicant could either propose their own channel stabilization program, or defer to the mitigations generated during the Town's environmental review. Any proposed stabilization measures shall anticipate any project-related changes to the drainageway flow regime	CDD	Ongoing	Complete	Complete	Precise Development Plan submittal requirements revised June 2006 to require this information as part of a complete application.
SE-c	Through the application review process, the Town shall continue to require review by the appropriate Fire District for fire prevention considerations	CDD/DPW	Ongoing	Ongoing	Ongoing	Working with the Fire Districts, the Town has added Vegetation Management Plans to submittal requirements for certain projects and has incorporated Wildland-Urban Interface (WUI) regulations into its review process.
SE-d	As part of an Open Space Management program, the Town shall develop a plan, including funding sources and/or other opportunities, such as volunteer groups, for reducing fire hazards and maintaining fire roads on Town-owned open space	DPW	Medium	Ongoing	Ongoing	See OSC-g
SE-e	The Town shall continue to review and update the <i>Emergency Operations Plan</i> to ensure that it remains up-to-date	Police	Ongoing	Ongoing	Ongoing	
SE-f	The Town shall adopt a Local Hazard Mitigation Plan to comply with the federal Disaster Mitigation Act of 2000 and maintain eligibility for hazard mitigation funding from FEMA	CDD	High	Progress	Progress	Plan adopted in October 2005; Resolution 53-2005. The Town fully participated with ABAG and other municipalities in the LHMP update process in 2009. The draft regional plan is currently under review by FEMA, and once accepted by them, the Town will have several months to its updated plan. The Planning Commission held a public hearing on the Town's draft updated Mitigation Strategies portion of the LHMP in November 2010. Council adoption of the updated LHMP is anticipated in March 2012.
SE-g	The Town shall use its best efforts to disseminate emergency preparedness information to the community	Police	Ongoing	Ongoing	Ongoing	Get Ready!! Program launched in 2006. To date, over 1,700 persons have signed up for or received emergency preparedness training. The program is ongoing. The Town's Emergency Services Coordinator releases email news bulletins to inform residents of emergencies and preparedness issues and lists preparedness tips in the Tiburon <u>Ark</u> newspaper.
SE-h	The Town shall conduct an immediate post-earthquake assessment of critical facilities and buildings in the Planning Area to determine the extent of damages, if any, to essential Town infrastructure. This should be performed by trained	CDD	Ongoing	NA	NA

Implementing Program #	Program Summary	Lead Dept.	Current Priority	CY2010 Status	CY2011 Status	Description of Activity
	professional(s) utilizing the current state-of-knowledge regarding post-earthquake assessment					
SE-i	The Town shall coordinate with the Marin Municipal Water District to replace the piping and fittings in those water tanks in the Planning Area that are not currently fitted with flexible, earthquake-resistant joints. In addition, the water tanks should be evaluated to ascertain their ability to withstand strong seismic ground shaking	CDD/DPW	Low	Progress	Progress	Over the past several years, new MMWD tanks have been installed at Spring Lane and Mount Tiburon, and older tanks have been upgraded. The Sugar Loaf Tank project, which involves the replacement of a redwood tank with a welded steel tank and the installation of a second welded steel tank was fully completed in 2011.
SE-j	The Town shall create and implement a Seismic Improvement Program. The Program shall include conducting a seismic risk assessment of existing Town infrastructure, which would help to create a list which would prioritize the buildings and equipment that should be retrofitted. Following risk assessment, the Town should adopt a program that would upgrade vulnerable facilities based on the priority list	DPW	High	No progress	No progress	
SE-k	The Town shall increase education regarding upgrading of buildings using structural and non-structural mitigation measures	CDD	Low	No progress	No progress	
SE-l	The Town shall evaluate the potential impacts related to hazardous materials during the environmental review process for new developments or businesses where the production, use, storage, transport, or disposal of hazardous materials is proposed. The potential impacts should be fully mitigated	CDD	Ongoing	Ongoing	Ongoing	This potential safety impact is addressed in the environmental review process and included in the Initial Study Checklist.
SE-m	The Town shall coordinate hazardous materials with other public agencies	All	Ongoing	Ongoing	Ongoing	
	Noise Element					
N-a	The Town should periodically assess the noise environment to identify noise sources that should be regulated to reduce excessive or offensive noise	All	Ongoing	Progress	Progress	Building construction hours in the Municipal Code were modified to address week-end noise problems. Town Council updated and amended the Leaf Blower and Hedge Trimmer Ordinance (Ordinance 518N.S.) in 2009 which went into effect February 18, 2010.
N-b	The Town should contact the appropriate regulatory agencies to ensure that they are aware of the Town's policy discouraging aircraft flyovers of the Tiburon Planning Area	Admin/CDD	Ongoing	No progress	No progress	Staff is not aware of any recent legitimate complaints regarding aircraft noise.

Implementing Program #	Program Summary	Lead Dept.	Current Priority	CY2010 Status	CY2011 Status	Description of Activity
	Parks & Recreation Element					
PR-a	The Town should work with the Belvedere - Tiburon Recreation Department and the City of Belvedere to consider the long and short term need for additional parklands, sporting facilities, picnic facilities, play areas, and to develop a master plan for meeting the community's recreational programming and facilities needs	CDD/DPW	High	Ongoing	Progress	Phase 1 study of recreation needs authorized in 2006 and completed in 2007. Phase 2, the Recreation Needs Assessment Report prepared by The Sports Management Group, was accepted by the Town Council on July 20, 2011. The study found that recreation needs of peninsula residents are being met through a variety of methods. The study found no obvious gaps in the provision or availability of recreation facilities or programming. One of the findings in the Needs Assessment was that the proposed Ned's Way Recreation Facility would provide additional space and opportunity for enhanced recreation services on the peninsula.
PR-b	The Town shall examine development applications for the existence and potential creation of easements and/or trails that connect or continue to allow public access to shoreline, recreation and open space areas; Town Staff shall monitor construction with a view toward the successful creation and/or maintenance of such easements and/or trails	CDD	Ongoing	Progress and Ongoing	Progress and Ongoing	Public access easements secured in 2006 from Tiburon Peninsula Club and Tiburon Glen development projects. A public access easement offer of dedication was secured as part of the Stony Hill Road (Ling) project in 2008. The Town also performed work on the Teather Park to Tiburon Peninsula Club path in 2009, with additional work planned for 2012. The Town approved plans for upgrading of the Esperanza Street to Mar West Street path in 2009. Work was completed on this path improvement in 2010.
PR-c	The Town should explore the need and desirability for establishing a community center which would accommodate recreational and other needs for the entire community	Admin	High	Progress	Progress	Within its limited scope and resources, the Recreation Needs Assessment touched upon the issue of demand for a community center. The term "community center" is broad and means different things to different people. While 48% of residents surveyed rated the importance of a community center with space for programs, classes, and events as "extremely" or "very important", the survey fell short of identifying strong support for pursuing a community center on the Peninsula. The Assessment's authors concluded that in any future [recreation-related] study, the interest in and specific features of a community center should be explored. This should include a "willingness to pay" component for a major facility of this type.

CDD= Community Development Department; DPW=Department of Public Works; Admin=Administration Department; RDA=Redevelopment Agency; All=All Departments
