HOUSING CRISIS ACT of 2019 – SB 330

PRELIMINARY APPLICATION FORM

PURPOSE

This form serves as the preliminary application for housing development projects seeking vesting rights pursuant to SB 330, the Housing Crisis Act of 2019.

GENERAL INFORMATION

An applicant for a housing development project that includes (1) residential units (2) a mix of commercial and residential uses with two-thirds of the project's square footage used for residential purposes; or (3) transitional or supportive housing, shall be deemed to have submitted a preliminary application upon provision of all of the information listed in this Preliminary Application form and payment of the permit processing fee to the agency from which approval for the project is being sought.

After submitting this Preliminary Application to the local agency, an applicant has 180 days to submit a full application or the Preliminary Application will expire.

Submittal Date Stamp*1,2:

*1Submittal of all the information listed and payment of the permit processing fee freezes fees and development standards as of this date, unless exceptions per Government Code § 65889.5(o) are triggered.

*2Note: Record keeping pertaining to which standards and fees apply at date of submittal is imperative, as **penalties may apply for imposing incorrect standards**

Notes:

- 1. California Environmental Quality Act (CEQA) and Coastal Act standards apply.
- 2. After submittal of all of the information required, if the development proponent revises the project to change the number of residential units or square footage of construction changes by 20 percent or more, excluding any increase resulting from Density Bonus Law, the development proponent must resubmit the required information so that it reflects the revisions.

PROPERTY OWNER AFFIDAVIT

Before the application can be accepted, the owner of each property involved must provide a signature to verify the Preliminary Application is being filed with their knowledge. Staff will confirm ownership based on the records of the City Engineer or County Assessor. In the case of partnerships, corporations, LLCs or trusts, the agent for service of process or an officer of the ownership entity so authorized may sign as stipulated below.

- Ownership Disclosure. If the property is owned by a partnership, corporation, LLC or trust, a disclosure identifying the agent for service or process or an officer of the ownership entity must be submitted. The disclosure must list the names and addresses of the principal owners (25 percent interest or greater). The signatory must appear in this list of names. A letter of authorization, as described below, may be submitted provided the signatory of the letter is included in the Ownership Disclosure. Include a copy of the current partnership agreement, corporate articles, or trust document as applicable.
- Letter of Authorization (LOA). A LOA from a property owner granting someone else permission to sign the Preliminary Application form may be provided if the property is owned by a partnership, corporation, LLC or trust, or in rare circumstances when an individual property owner is unable to sign the Preliminary Application form. To be considered for acceptance, the LOA must indicate the name of the person being authorized to file, their relationship to the owner or project, the site address, a general description of the type of application being filed and must also include the language in items 1-3 below. In the case of partnerships, corporations, LLCs or trusts, the LOA must be signed by the authorized signatory as shown on the Ownership Disclosure or in the case of private ownership by the property owner. Proof of Ownership for the signatory of the LOA must be submitted with said letter.
- **Grant Deed.** Provide Copy of the Grant Deed if the ownership of the property does not match local records. The Deed must correspond exactly with the ownership listed on the application.
- **Multiple Owners.** If the property is owned by more than one individual (e.g., John and Jane Doe, or Mary Smith and Mark Jones) signatures are required of all owners.
