**Re: Fee Proposal for Design Development through Construction Administration  
Tuolumne County Community Resiliency Center**

Dear Maureen:

Lionakis is pleased to submit our updated fee proposal for the New County of Tuolumne Community Resiliency Centers located within Tuolumne and Groveland. As requested this proposal reflects the current scope of the resiliency center's as depicted in the April 5, 2019 Schematic Design drawings.

## DESCRIPTION OF PROJECT

In 2015, in response to state and local officials, President Obama announced the National Disaster Resilience Competition (NDRC). The federal government allocated \$1 billion towards this competition and invited communities that experienced a natural disaster to compete for funds to help them rebuild and increase their resilience to future disasters. The goal of this competition was to support innovative resiliency projects at the local level while encouraging communities to adopt policy changes and activities that plan for the impact of extreme weather and climate change and rebuild affected areas to be better prepared for the future.

The NDRC is being administered through the U.S. Housing and Urban Development's (HUD) Community Development Block Grant Disaster Recovery (CDBG-DR) Program. Any State, County or City that received a federal disaster declaration between the years of 2011 and 2013 was eligible to apply for this funding. Tuolumne County's eligible event was the Rim Fire.

In 2016, the State of California teamed up with Tuolumne County to submit a NDRC grant application. In January 2017, the State and County were notified of a NDRC award of roughly \$70 million. The grant application included the following three pillars.

1. Forest and Watershed Health,
2. BioMass Facility and Wood Projects Campus, and
3. **A Community Resiliency Center (CRC), \$19,261,125**

At the conclusion of Programming and Site Selection (Phase 1) and Schematic Design (Phase 2) it was determined that the County could only be adequately served by the construction of two resiliency centers. One center to be in Tuolumne and the other in Groveland.

### Tuolumne

This project consists of a 9,000 square foot CRC within the unincorporated community of Tuolumne. The resiliency center consists of a main assembly space, a commercial kitchen, a classroom, private offices and core spaces such as mechanical, electrical, janitorial and restrooms.

The resiliency center will be located on the southeast corner of Cherry Loop and Bay Street on approximately 1.0 acre. In addition to the center this site will include approximately 15 parking spaces, a minimal amount of landscaping and pedestrian and vehicular access points on the west and north sides of the parcel. An additional parcel of approximately 1.5 acres will comprise the remainder of this project and will serve for parking only. There

will be approximately 110 parking spaces at this location which is directly across the street at the northeast corner of Cherry Valley Boulevard and Bay Street.

Per the Construction Estimate dated April 9, 2019 it is assumed that the construction budget for this project will be approximately \$8,000,000.

### **Groveland**

This project consists of a 9,000 square foot CRC within the unincorporated community of Groveland. The resiliency center consists of a main assembly space, a commercial kitchen, a classroom, private offices and core spaces such as mechanical, electrical, janitorial and restrooms.

The resiliency center will be located on the north side of Ferretti Road west of the main entrance to Pine Mountain lake on approximately 5.0 acres. In addition to the center this site will include approximately 150 parking spaces, an outdoor amphitheater, a standalone restroom and a hiking trail.

Per the Construction Estimate dated April 9, 2019 it is assumed that the construction budget for this project will be approximately \$10,000,000.

This proposal is for both Community Resiliency Center's (CRC's).

Lionakis anticipates the construction cost for the Tuolumne and Groveland CRC's will be approximately \$8,000,000 and \$10,000,000 respectively. Design Development architectural services are anticipated to begin in December 2019. The anticipated durations for the phases of work for the project are as follows:

---

#### **Phase 2**

Design Development	4.0 Months
Construction Documents	5.0 Months
Agency Approvals	3.0 Months
Bidding	3.0 Months
Construction Administration Services:	14.0 Months

---

Please note the above durations are approximate and may need to be adjusted based on actual time frames for such things as agency reviews and approvals.

We propose a scope of services and deliverables for Architectural, Structural Engineering, Mechanical Engineering, Electrical Engineering, Civil Engineering, Cost Estimating and Landscape Architecture as follows:

## **SERVICES**

**CDBG-NDR TERMS AND CONDITIONS**

**1. Effective Date and Commencement of Work**

This Agreement is effective upon approval by the Department.

- A. Consultant cannot incur any costs until the execution of this Agreement, unless prior written approval has been given by County.
- B. For certain project activities, County must receive the Authority to Use Grant Funds from HUD prior to the commitment and/or commencement of project work.
- C. A Consultant cannot be reimbursed for any project costs until the Department has issued written clearance of all general conditions and any special conditions required.

**2. Sufficiency of Funds**

- A. It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties in order to avoid program and fiscal delays, which would occur if this Agreement were executed after the determination was made.
- B. As noted in Section 38 below, this Agreement is valid and enforceable only if sufficient funds are available to the Department by the United States Government for the purposes of the CDBG-NDR Program. In the event there is a withdrawal of, or any limitation on, the Department's expenditure authority or any funding of the Program, the Department may elect to terminate this Agreement, in whole or in part, in its sole discretion and upon ten (10) days written notice to Consultant. In addition, this Agreement is subject to any additional restrictions, limitations, conditions or statute enacted by the Congress or State Legislature, promulgated in State or federal regulations or any State or federal statute, as now in effect and as may be amended from time to time which may affect the provisions, terms, or funding of this Agreement in any manner.

**3. Litigation**

- A. If any provision of this Agreement, or an underlying obligation, is held invalid by a court of competent jurisdiction, such invalidity, at the sole discretion of the Department, shall not affect any other provisions of this Agreement and the remainder of this Agreement shall remain in full force and effect. Therefore, the provisions of this Agreement are, and shall be, deemed severable.
- B. Consultant shall notify the Department immediately of any claim or action undertaken by or against it which affects or may affect this Agreement or the Department and shall take such action with respect to the claim or action as is consistent with the terms of this Agreement and the interests of the Department.
- C. In the event that any legal or administrative claim or action ("Claim") is taken, filed, or asserted by or against any party to this Agreement, or any contractor or subcontractor thereof, or with respect to the NDR project(s), the Department may, in its sole and absolute discretion, and in addition to any other rights or remedies it may have

hereunder, elect to either suspend or terminate this Agreement, in whole or in part, or to proceed forward under this Agreement. The Department shall have a period of ninety (90) days from its receipt of notice of a Claim to notify Consultant in writing of its decision to either suspend, terminate, or proceed forward. In the event the Department elects to terminate this Agreement, Consultant shall promptly submit its final Funds Request, together with those of its contractors and subcontractors, to the Department for processing, and upon payment thereof, the parties shall have no further rights or obligations under this Agreement, except for those rights and obligations which are expressly stated as surviving such a termination. Consultant shall ensure that all contracts or agreements with its contractors or subcontractors shall contain a provision similar to this section 4(C).

#### **4. National Objectives**

All grant project activities performed under this Agreement must be CDBG-NDR eligible, have eligible costs and be documented as meeting one of the National Objectives of the HUD regulations as included in the Application authorized by HUD. For the CRC project activities under this Agreement, HUD must provide a waiver before it will be considered eligible as a low-moderate income area benefit project. National Objective standards are found under Title I of the Housing and Community Development Act of 1974, Section 104(b)(3), as amended and 24 CFR Part 570.483. Waivers of National Objective Standards are published over the course of the CDBG-NDR Program. For the purposes of the NDR grant, General Administration and Planning Activities are assumed to meet a CDBG National Objective.

- A. Activity primarily benefits HUD defined low- or moderate-income ("LMI") person (family) or household. The term low- or moderate-income is defined as a family or household having an annual income of no more than 80% of the median area income on a county level, which is annually determined by HUD, per 24 CFR, Part 570.483(b); unless a formal waiver is provided in a CDBG-NDR federal register notice.
- B. Activity eliminates conditions of Slum or Blight (on a spot or area basis) is an eligible CDBG National Objective. Slum and Blight's definition is found in 24 CFR, Part 570.483(c). The use of Slum or Blight is not eligible under CDBG-NDR without prior Departmental written approval.
- C. Meeting an Urgent Need is an eligible CDBG National Objective under 24 CFR, Part 570.483(d). This National Objective was provided a waiver under Federal Register Notice FR-5936-N-01, Section V. A. 1. d. for activities using Urgent Need.

#### **5. Public Benefit Standards for Special Economic Development (ED) Activities**

Per 24 CFR 570.482(f), (g) and 570.483(b)(4), the Consultant is responsible for providing fulfillment of HUD required public benefit standards when activities under this agreement qualify as special ED activities. These special ED activities must also comply with CDBG's six (6) underwriting standards, per 24 CFR Part 570.482(e).

**6. Waivers**

No waiver or any breach of this Agreement shall be held to be a waiver of any prior or subsequent breach. The failure of the Department to enforce at any time the provisions of this Agreement or to require at any time performance by the Consultant of these provisions shall in no way be construed to be a waiver of such provisions nor to affect the validity of this Agreement or the right of the Department to enforce these provisions.

**7. Uniform Administrative Requirements**

The Consultant, its contractors and subrecipients shall comply with the policies, guidelines and requirements of OMB Uniform guidance at 2 CFR 200 the Uniform Administrative Requirements, effective July 1, 2015.

Prior to closing out this Agreement, the Department will review the actual National Objective and/or Public Benefit achievements of the project activities with Consultant.

**9. Affirmatively Furthering Fair Housing**

Per Federal Register Notice FR-5936-N-01, Section 3: V.C.1.b., all activities under this Agreement and under any and all associated agreements, shall be carried out in a manner that affirmatively furthers fair housing, as required by section 808 (e) (5) of the Fair Housing Act, as amended (42 U.S.C. 3608 (e) (5)).

- I. Americans with Disabilities Act of 1990 (ADA): This act modifies and expands the Rehabilitation Act of 1973 to prohibit discrimination against "a qualified individual with a disability" in employment and public accommodations. - J. Executive Order 11063: This executive order provides that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in housing and related facilities provided with federal assistance and lending practices with respect to residential property when such practices are connected with loans insured or guaranteed by the federal government.
- K. Executive Order 11259: This executive order provides that the administration of all federal programs and activities relating to housing and urban development be carried out in a manner to further housing opportunities throughout the United States.
- L. Equal Employment Opportunity Act: This act empowers the Equal Employment Opportunity Commission (EEOC) to bring civil action in federal court against private sector employers after the EEOC has investigated the charge, found "probable cause" of discrimination, and failed to obtain a conciliation agreement acceptable to the EEOC. It also brings federal, state, and local governments under the Civil Rights Act of 1964.
- M. Immigration Reform and Control Act (IRCA) of 1986: Under IRCA, employers may hire only persons who may legally work in the U.S., i.e., citizens and nationals of the U.S. and aliens authorized to work in the U.S. The employer must verify the identity and employment eligibility of anyone to be hired, which includes completing

- G. Notwithstanding the foregoing, the Department will not reimburse the Consultant for any audit cost incurred after the expenditure deadline of this Agreement.

  - 2) If there are audit findings, the Consultant must submit a detailed response to the Department for each audit finding. The Department will review the response and, if it agrees with the response, the audit process ends, and the Department will notify the Consultant in writing. If the Department is not in agreement, the Consultant will be contacted in writing and informed what corrective actions must be taken. This action may include the repayment of disallowed costs or other remediation.
  - 3) The Department shall not approve reimbursement for any expenditures for the audit, prior to receiving an acceptable audit report.
  - 4) If so, directed by the Department upon termination of this Agreement, the Consultant shall cause all records, accounts, documentation and all other materials relevant to the grant activities to be delivered to the Department as depository.

**31. Signs**

If the Consultant places signs stating that the activity is funded with private or public dollars and the Department is also providing financing, it shall indicate in a typeface and size commensurate with the Department's funding portion of the project that the Department is a source of financing through the CDBG-NDR Program.

**32. Citizen Participation**

The Consultant is subject to the requirements concerning citizen participation contained in Federal Regulations at 24 CFR, Part 570.486, Local Government Requirements, Part 91.105 and 91.115. Consultant must follow a detailed citizen participation plan that satisfies 24 CFR, Part 70.486.

**33. Flood Disaster Protection**

- A. This Agreement is subject to the requirements of the Flood Disaster Protection Act (FDPA) of 1973 (Public Law 93-234). No portion of the assistance provided under this Agreement is approved for acquisition or construction purposes as defined under FDPA, Section 3(a) of said act, for use in an area identified by the Secretary of HUD as having special flood hazards which is located in a community not then in compliance with the requirements for participation in the national flood insurance program pursuant to FDPA, Section 102(d) of said act.
- B. The use of any assistance provided under this Agreement for such acquisition or construction in such identified

areas in communities then participating in the national flood insurance program shall be subject to the mandatory purchase of flood insurance requirements of FDPA, Section 102(a) of said act.

- C. Any contract or agreement for the sale, lease, or other transfer of land acquired, cleared or improved with assistance provided under this Agreement shall contain certain provisions. These provisions will apply if such land is located in an area identified by the Secretary of HUD as having special flood hazards and in which the sale of flood insurance has been made available under the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4001 et seq.
- D. These provisions shall obligate the transferee and its successors or assigns to obtain and maintain, during the ownership of such land, such flood insurance as required with respect to financial assistance for acquisition or construction purposes under FDPA, section 102(s) of the Flood Disaster Protection Act of 1973. Such provisions shall be required notwithstanding the fact that the construction on such land is not itself funded with assistance provided under this Agreement.

**34. Procurement**

The Consultant shall comply with the procurement provisions, administrative requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian tribal governments and 2 CFR 200.318 through 200.326, per the Department's certification of these procurement standards.

In accordance with federal register notice FR-5936-N-01, a Data Universal Numbering System (DUNS) number must be collected and reported in the Disaster Recovery Grants Reporting (DRGR) system.

**35. Program Income**

Pursuant to Federal Register Notice FR-5936-N-01 Section 3, V. A. 17 - HUD has waived applicable program income rules at 42 U.S.C 5304(j), 24 CFR 570.500(a) and (b), 570.504, and 570.489(e) to the extent necessary to provide additional flexibility for the use of CDBG-NDR Program Income. The alternative requirements provide guidance regarding the use of program income received before and after grant closeout and address revolving loan funds. Some of the CDBG-NDR program income (CDBG-NDR PI) rules vary slightly from standard CDBG requirements.

For purposes of the NDR project, the Consultant may retain all CDBG-NDR PI generated during the term of this Agreement. Upon the closeout of the entire CDBG-NDR grant, the Consultant must transfer all program income received from completed project activities to the regular CDBG program as normal CDBG funding. At that time, CDBG-NDR exemptions and waivers no longer apply. Any CDBG PI funding generated from CRC facility after project completion/grant close out shall fall under the Consultant's current Program Income Reuse Agreement executed with the Department. The Department and its technical assistance contractor will provide guidance as needed to ensure that the expenditure of all program income is within the regulations noted above.

**36. Obligations of Consultant with Respect to Certain Third Party Relationships**

The Consultant shall remain fully obligated under the provisions of this Agreement notwithstanding its designation of any third party or parties for the undertaking of all or any part of the Scope of Work with respect to which assistance is being provided under this Agreement to the Consultant. The Consultant shall comply with all lawful requirements of the Department necessary to ensure that the Scope of Work, with respect to which assistance is being provided under this Agreement to the Consultant, is carried out in accordance with the Department's Assurance and Certifications, including those with respect to the assumption of environmental responsibilities of the Department under Section 104(g) of the Housing and Community Development Act of 1974 [42 U.S.C.5304(g)] and Certifications in Exhibit F of this Agreement.

**37. Energy Policy and Conservation Act**

This Agreement is subject to mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

**38. State Contract Manual Requirements (Section 3.11, Federally Funded Contracts (Rev. 3/03):**

- A. All contracts, except for State construction projects that are funded in whole or in part by the Federal government, must contain a 30-day cancellation clause and the following provisions:
- 1) It is mutually understood between the parties that this contract may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds to avoid program and fiscal delays that would occur if the contract were executed after that determination was made.
  - 2) This contract is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the purpose of this Program. In addition, this contract is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this contract in any manner.
  - 3) The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this contract shall be amended to reflect any reduction in funds.
  - 4) The Department has the option to invalidate the contract under the 30-day cancellation clause or to amend the contract to reflect any reduction in funds.
- B. Exemptions from provisions A.1 through A.4 above may be granted by the Department of Finance provided that the director of the State agency can certify in writing that Federal funds are available for the term of the contract.
- C. GC § 8546.4(e) provides that State agencies receiving Federal funds shall be primarily responsible for arranging for Federally required financial and compliance audits, and shall immediately notify the Director of Finance, the State Auditor, and the State Controller when they are required to obtain Federally required financial and compliance audits.

**39. Required Federal Expenditure Date**

In accordance with P.L. 113-2, all CDBG-NDR funds must be expended within two years of the date HUD obligates funds to the Consultant (funds are obligated to a Consultant upon HUD's signing of the Consultant's CDBG-NDR grant agreement), unless a waiver is requested and granted by HUD. On July 18, 2016, HUD granted California a waiver of the two-year federal expenditure date, effectively setting the federal expenditure date at September 30, 2022. To meet this federal expenditure date, Consultant must submit final RFF to County by the dates set forth in Exhibit A, Section 9 of this Agreement. Any remaining funds under this Agreement, not included in a final RFF and processed by County before the federal expenditure date, will be cancelled and recaptured by the federal Treasury, and thereafter will not be available for obligation or expenditure for any purpose.

**40. Grant Reduction**

If, after County is awarded funds and enters into a grant agreement with HCD, HCD then or subsequently proposes to make a substantial amendment to any of the CDBG-NDR project activities, then HUD, HCD, and the County reserve the right to amend the award and change the budget amounts under this Agreement.

**41. Withdrawal of Grant Amounts**

If Consultant does not proceed within a reasonable timeframe, County reserves the right to withdraw any funds County has not obligated under the award.

**42. Financial Controls**

The NDRC NOFA requires that any party involved in the CDBG-NDR projects, whether directly or indirectly, must agree to provide any information County requires in order to maintain proficient financial controls; on a project costing over \$100 million, the magnitude of such controls will be wide and varying. County has developed a Grant Management Manual ("GMM") for CDBG-NDR funding and by executing this Agreement, Consultant commits to using the manual as guidance in completing fiscal reports and maintaining accounting records.

**43. Administrative and National Policy Requirements**

Certain Administrative and National Policy Requirements apply to all HUD funding, including CDBG-NDR funding. See NDRC NOFA, Exhibit E, for a list of these requirements. Any party involved in a CDBG-NDR project, whether directly or indirectly, must agree to provide any information County requires in order to meet the aforementioned administrative and national policy requirements.

**44. Reporting**

HUD requires Consultants under the NDRC NOFA to report the sources and uses of all amounts expended and other information for HUD's annual report to Congress or other purposes as determined by HUD. Any party involved in CDBG-NDR project implementation, whether directly or indirectly, shall report amounts shown in project sources and uses forms and all amounts expended on eligible activities under this Agreement. Parties shall provide information as requested by County for purposes of reporting to federal, state and local entities including but not limited to CDBG-NDR quarterly report to HUD, and HUD's annual report to Congress or other purposes as determined by HUD.

Appendix A of the NDRC NOFA contains the requirements applicable to Community Development Block Grant (CDBG) funds made available by the Disaster Relief Appropriations Act, 2013 (PL113-2, approved January 29, 2013) Appropriations Act and awarded under the National Disaster Resilience Competition as CDBG-NDR grants. Appendix A to the NDRC NOFA was subsequently incorporated into Federal Register Notice FR-5936-N-01.

**45. Use of Funds**

- A. The Appropriations Act made funds available for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from a major disaster declared pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (42 U.S.C. 5121 et seq.) (Stafford Act), due to Hurricane Sandy and other eligible events in calendar years 2011, 2012, and 2013. The Appropriations Act requires funds to be used only for these specific disaster-related purposes.

- B. All recipients of CDBG-NDR grants are subject to: (1) the requirements of the Appropriations Act; (2) the Fiscal Year (FY) 2014 Notice of Funding Availability for National Disaster Resilience Competition (NDRC NOFA), including all appendices and incorporated portions of the FY 2014 General Section (as amended); and (3) applicable regulations governing the CDBG program at 24 CFR Part 570, unless modified by waivers and alternative requirements published by HUD in this NOFA or other applicable Federal Register Notice.

**46. Performance Measures and Related Remedies**

Performance Measures and Penalties provisions are set forth in Exhibit B Section 7.

**47. Disputes**

Except as otherwise provided in this Agreement, any dispute arising under or relating to the performance of this Agreement which is not disposed of by mutual agreement of the parties shall be decided by the County Contract Manager, who shall reduce decisions to writing in regard to the dispute and shall transmit a copy thereof to the Consultant and parties involved. The decision of the Contract Manager shall be final, conclusive and binding.

**48. Suspension or Termination**

A. Suspension of Work

The Director of County, the Acting Director, or any designee of either, by written notice may suspend the work of the Consultant, or any portion thereof, for any period up to ninety (90) days, as the Director, Acting Director, or their designee may deem necessary in their sole and absolute discretion.

B. Termination at Option of Department

The Director, Acting Director, or their designee may, in their sole and absolute discretion and upon ten (10) days' written notice to Consultant, terminate this Agreement in whole or in part. Upon receipt of a termination notice, Consultant shall immediately discontinue all services affected unless the notice specifies otherwise.

C. Termination for Default

The Director, Acting Director, or their designee may, upon three (3) day written notice to the Consultant, and without any prejudice to its other remedies, terminate this Agreement in whole or in part for cause. Cause shall consist of violations of any terms and/or special conditions of this Agreement and for the HUD agreement, upon the request of HUD, or the withdrawal of, or any limitation on the Department's expenditure authority. Upon receipt of any notice terminating this Agreement in whole or in part, the Consultant shall (1) immediately discontinue all services affected (unless the notice directs otherwise); and (2) deliver to the Department's Contract Manager all data, reports, summaries, and such other information and materials as may have been accumulated by the Consultant in performing under this Agreement, whether completed or in progress. At the sole discretion of the Department, the Department may offer the Consultant an opportunity to cure any breach(es) prior to terminating for a breach. If after notice of termination for failure to fulfill contract obligations, it is determined that the Consultant had not so failed, the termination shall be deemed to have been affected for the convenience of the Department.

D. Termination at Option Upon Bankruptcy of Consultant

In the event proceedings in bankruptcy are commenced against the Consultant, or the Consultant is adjudged bankrupt or a receiver is appointed, the Consultant shall notify the Department immediately in writing and the Department may terminate this Agreement and all further rights and obligations by giving three (3) days' notice in writing to Consultant in the manner specified herein.

E. Effects of Suspension and Termination

Costs incurred by or paid by Consultant relating to obligations incurred by the Consultant during a suspension or after termination of an award are not allowable unless the Department expressly authorizes them in the notice of suspension or termination or subsequently. Other Consultant costs during suspension or after termination which are necessary and not reasonably avoidable are allowed if:

- 1) The costs resulting from obligations which were properly incurred by the Consultant before the effective date of suspension or termination, are not in anticipation of suspension or termination; and, in the case of a termination, are non-cancellable; and,
- 2) The costs would be allowable if the award was not suspended or expired normally at the end of the funding period in which the termination takes place. Notwithstanding the previous sentence, any costs incurred after this contract is terminated are not reimbursable.
- 3) Relationship to Debarment and Suspension. The enforcement remedies identified in this Section, including suspension and termination, do not preclude a Consultant from being subject to 2 CFR Part 2424.
