This notice sets forth, clarifies, and repeals certain requirements under multiple multifamily financing programs, specifically Accelerator, the Multifamily Housing Program (MHP) and Homekey as described below:

WHEREAS the Department of Housing and Community Development (Department) is authorized to adopt, promulgate, amend, repeal and administer standards, requirements, procedures or guidelines (collectively Program Guidelines) for financial assistance offered pursuant to Department housing finance programs, through the notices of funding availability and related guidelines as identified below:

WHEREAS pursuant to the statutory authority for the programs referenced in the guidelines, solicitation, and NOFA's below, the Program Guidelines shall not be subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code;

3. Augment the amount made available and establish a process for conditional awards pending availability of fund (Homekey).

THEREFORE, by the undersigned execution of the Department's director, the Department hereby adopts and amends into the Program Guidelines the following addendums thereto, as if such provision were originally set forth in each publication of the Program Guidelines as detailed below:

For federally funded programs, where the Sponsor is a subrecipient of a HCD commitment to a locality, where the locality loans those HCD funds to the Sponsor (e.g. CDBG-DR and HOME), said loan shall constitute an Existing HCD Commitment. To the extent necessary, if the prime recipient locality is unwilling or unable to amend its agreement and loan documents to incorporate the provisions of the Accelerator award consistent with this project solicitation, HCD will prepare its own Accelerator documents to memorialize the terms and requirements for the Accelerator funds. Such documents may include but are not limited to a promissory note, deed of trust, grant agreement, disbursement agreement, covenant, and regulatory agreement, all as may be applicable.
- *Part II. Program Requirements, Section E.6. Developer Fee Limits:*
Total developer fee for a Project shall not exceed the lesser of: (a) \$2,200,000; or (b) the sum of 15% of the project's unadjusted residential construction-related eligible basis, 5% of the project's unadjusted acquisition eligible basis and 15% of the eligible basis for the project's nonresidential costs or (c) the amount approved by HCD, pursuant to UMR Section 8312 (b) or (c), as payable from development funding sources under the terms of the Existing HCD Commitment or the federally funded program for which HCD is serving as a pass through entity.
