INTRODUCTION

Chapter 364, Statutes of 2017 (SB 2, Atkins) was part of a 15-bill housing package aimed at addressing the state’s housing shortage and high housing costs. Specifically, it establishes a permanent source of funding intended to increase the affordable housing stock in California. The revenue from SB 2 will vary from year to year, as revenue is dependent on real estate transactions with fluctuating activity. The legislation directs the California Department of Housing and Community Development (Department) to use 70 percent of the revenue collected, beginning in calendar year 2019, to provide financial assistance to local governments for eligible housing-related projects and programs to assist in addressing the unmet housing needs of their local communities. This program is hereafter referred to as the Permanent Local Housing Allocation (PLHA) program.

Guidelines for the PLHA program are organized into five Articles as follows:

Article I. General provisions: This article includes information on the purpose of the Guidelines, program objectives, and definitions used throughout the document.

Article II. Program funding: This article describes allocation formulas and methodologies, and award amounts.

Article III. Formula allocation component: This article describes the requirements for Applicants to apply for funds under the formula allocation of the PLHA program.

Article IV. Competitive allocation component: This article describes requirements and uses for PLHA competitive allocation funds.

Article V. Administration: This article describes administrative functions such as terms, non-performance remedies, and reporting and monitoring requirements.

ARTICLE I. GENERAL PROVISIONS

Section 100. Purpose and Scope

(a) These Guidelines (hereinafter “Guidelines”) implement, interpret, and make specific Chapter 364, Statutes of 2017 (SB 2, Atkins - hereinafter “SB 2”) as authorized by Health and Safety Code (HSC) Section 50470, which created the Building Homes and Jobs Trust Fund and the PLHA program. The principal goal of this program is to make funding available to eligible local governments in California for housing-related projects and programs that assist in addressing the unmet housing needs of their local communities. Twenty percent of the funding in the Building Homes and Jobs Trust Fund is required to be expended for Affordable Owner-Occupied Workforce Housing, and the program prioritizes investments that increase the supply of housing to households that are at or below 60 percent of the Area Median Income (AMI), adjusted for household size.

(b) These Guidelines establish terms, conditions, and procedures for local governments to submit applications to the Department for funds from the PLHA program’s three components, as listed below:

(1) Entitlement formula component per HSC 50470(b)(2)(B)(i)(I)

(2) Non-entitlement formula component per HSC 50470(b)(2)(B)(i)(II)

(3) Non-entitlement competitive grant program component per HSC 50470(b)(2)(B)(i)(I) (eligible Applicants are the same as for component 2 above)

(c) The non-entitlement competitive grant program component prioritizes assistance to persons experiencing or At risk of homelessness.

The Local government must submit all supporting materials and a signed Standard Agreement within the timeline provided in the instruction.

It is possible that one Activity may score highly enough to receive an award, and the other Activity does not.

(c) In the event of tied point scores and insufficient funding for both applications, the Department shall rank the tied applications as follows:

   (1) If one of the tied applications is for an Affordable Rental Housing Development and the other is for a program Activity or development of a navigation center, the
Affordable Rental Housing Development application will be selected for funding;
(2) If one of the tied applications is for a navigation center and the other is for a program Activity, the navigation center will be selected for funding;
(3) If both of the tied applications are for Affordable Rental Housing Developments, the Project with the lowest weighted average affordability of Restricted Units will be selected;
(4) If both of the tied applications are for navigation centers, the facility that provides overnight shelter to the greatest number of people will be selected;
(5) If both of the tied applications are for programs, the Local government with the highest rate of households experiencing the most severe housing need according to the most recent HUD CHAS dataset will be selected.

(d) In the event there are insufficient funds to fulfill the entire funding request for the next highest scored application (Application A), the Department will determine whether Application A is feasible without the full funding request. If Application A is not feasible without full funding, the Department may offer the remaining funds to the application whose score is immediately below Application A. If the remaining funds are insufficient to fulfill the funding request for that application (Application B), the Department will again determine whether this application is feasible without the full funding request. If Application B is not feasible without the full funding request, the Department will perform the same analysis for the application whose score is immediately below Application B.

Reimbursement of expenses to prepare the PLHA application is subject to the cap on administrative fees.
