ESG Updates

- All 2021 ESG applications are due by 5:00pm, October 19, 2021
  - All applications must be submitted through eCivis – the online Grants Network System. **You can access the link to eCivis (online applications) on the ESG Webpage.**
  - Applications can be submitted in both allocations on a 'rolling' basis (prior to the October 19th deadline)
ESG Updates

What's New in the 2021 NOFAs:

- Applications must be submitted through the eCivis online grants network system. (No paper/binders will be accepted this year)

- **Resolution Template – must be used by all applicants**: Please refer to the BoS or CoC NOFAs for information on submitting Resolutions.

- 'The application must include a completed Authorizing Resolution (AR) approved by the Applicant’s governing board. The AR designates a person or persons responsible for, and authorized to execute, all documents related to the application for ESG funds and submittal of funds requests. Please see the instructions for completing the AR, along with AR form (template) on the ESG website. Failure to use the AR form provided by HCD will require execution of a corrected AR and may delay execution of HCD’s Standard Agreement for ESG funds.

- 'If a governing body must prepare a separate resolution concurrently that conforms to its local standard, it may do so, so long as the AR (authorizing resolution) form provided by HCD is completed in full.'
