Division of Financial Assistance

HOMEKEY PROGRAM**

A handwritten signature in blue ink that reads "J Seeger". The signature is written in a cursive style and is positioned to the right of the "FROM:" field.

The California Department of Housing and Community Development (Department) is pleased to announce the availability of approximately \$600 million of Homekey Program (Homekey) grant funding through this Notice of Funding Availability (NOFA). Building on the success of [Project Roomkey](#), Homekey is a statewide effort to rapidly sustain and expand housing for persons experiencing homelessness and impacted by COVID-19.

Of the \$600 million in Homekey funding, \$550 million is derived from the state's direct allocation of the federal Coronavirus Relief Fund (CRF) and \$50 million is state General Fund. The \$50 million in state General Fund money is intended to supplement the acquisition of, and provide initial operating subsidies for, Homekey sites to promote project feasibility. Accordingly, the Department will use these moneys to fund 24-month operating subsidies. **Projects receiving an award from the state's direct allocation of the federal CRF must expend the funds by December 30, 2020.** The portion of a project's award associated with state General Fund must be expended by June 30, 2022. Depending on the funding award, the successful applicant must close escrow by the expenditure deadline.

Due to the Homekey expenditure deadline, and the potential for program oversubscription, eligible applicants are encouraged to submit their completed application as soon as possible. The Department will begin accepting applications on an over-the-counter basis on or about July 22, 2020. Review will be prioritized based on tiered criteria and date of submission. Applicants must submit a complete online application available at <https://www.hcd.ca.gov/grants-funding/active-funding/homekey.shtml>.

On July 24, 2020, the Department will hold a webinar to review the Homekey NOFA and application process. To register, please go to the Department's [Homekey webpage](#). HOMEKEY PROGRAM

NOTICE OF FUNDING AVAILABILITY

Article I – Program Overview

Section 100. Notice of Funding Availability (NOFA)

The California Department of Housing and Community Development (Department) is announcing the availability of approximately \$600 million in Homekey funding to rapidly sustain and expand the inventory of housing for people experiencing homelessness or at risk of homelessness and impacted by COVID-19. The COVID-19 pandemic has exacerbated existing community needs and inequalities. In many communities, homelessness was already experienced disproportionately by race and other protected classes and persons experiencing homelessness are at increased risk of infection and death due to COVID-19. The Centers for Disease Control and Prevention is also reporting evidence points to disproportionate impacts by race and ethnicity for COVID-19 hospitalization and death. As of June 12, age-adjusted hospitalization rates are highest among non-Hispanic American Indian or Alaska Native (5 times white persons) and non-Hispanic Black persons (5 times white persons), followed by Hispanic or Latino persons (4 times white persons).

Homekey is an opportunity for local public agencies to purchase motels and a broad range of other housing types in order to increase their community's capacity to respond to homelessness and the current COVID-19 pandemic. While Homekey builds off the success of Project Roomkey, applications are not limited to Project Roomkey sites.

Of the \$600 million in Homekey grant funds, \$550 million is derived from the state's direct allocation of the federal Coronavirus Aid Relief Funds (CRF) and \$50 million is derived from the state's General Fund to supplement the acquisition of and to provide initial operating subsidies for, Homekey sites.

Each Homekey allocation has the following expenditure deadlines:

- **The \$550 million in CRF must be expended by December 30, 2020.** The Department recognizes this expenditure deadline is challenging; however, the deadline is a requirement of federal CRF funding. The Department will provide ongoing support to assist Grantees in meeting the expenditure deadline and has already developed an accelerated application and award process.

NOTE: For projects that involve an acquisition and are receiving CRF awards, Grantees must expend the funds by the expenditure deadline and the project escrow must be closed by December 30, 2020.

- **The \$50 million in state General Funds must be expended by June 30, 2022.**

Section 101. Purpose and Program Objectives

The purpose of the Homekey program is to provide grant funding to Eligible Applicants and facilitate a partnership with the state to quickly acquire or rehabilitate or master lease a

variety of housing types. Once developed, these projects will provide interim or permanent housing options for persons experiencing homelessness and who are also at risk of COVID-19. For this NOFA, people experiencing homelessness or who are at risk of experiencing homelessness are considered inherently “impacted by COVID-19,” as they are most likely to have a lower life expectancy, be at a higher risk of infectious and chronic illness, and suffer from substance abuse and poor health. The target population may also have the same underlying medical conditions that result in increased risk for severe illness from COVID-19. Additionally, Homekey recognizes the disproportionate racial impacts of homelessness and COVID-19 and encourages Eligible Applicants to examine disproportionate impact in their own communities and to develop strategies to address these impacts.

Section 102. Authorizing Legislation and Applicable Law

Assembly Bill No. 83 (2019-2020 Reg. Sess.) created the statutory basis for Homekey by adding section 50675.1.1 to the Health and Safety Code (HSC) and exempted certain Homekey projects from the California Environmental Quality Act (CEQA) by adding section 50675.1.2 to the HSC.

HSC section 50675.1.1, subdivision (d) states, “The Department of Housing and Community Development may adopt guidelines for the expenditure of the funds appropriated to the Department [for Homekey]. The guidelines shall not be subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.”

The Multifamily Housing Program (MHP) (Chapter 6.7 (commencing with Section 50675) of Part 2 of Division 31 of the HSC), and as subsequently amended, is hereby incorporated by reference. In accordance with HSC section 50675.1.1, subdivision (c), in the event of a conflict between this NOFA and the Multifamily Housing Program, the provisions of this NOFA are controlling.

The MHP Final Guidelines (MHP Guidelines), effective June 19, 2019, and as subsequently amended, are hereby incorporated by reference. In the event of a conflict between any of the MHP Guidelines and this NOFA, the provisions of this NOFA are controlling.

This NOFA establishes the terms, conditions, forms, procedures, and other mechanisms that the Department deems necessary to exercise its powers and to perform its duties pursuant to MHP in relation to Homekey.

The Department reserves the limited right to amend this NOFA after the close of the application period. Such right does not extend to material provisions of the application submission, review, and award process (e.g., scoring and tiering criteria). Post-NOFA amendments will take immediate effect and will govern the Standard Agreement process. After Standard Agreements have been executed, the Department will only amend this NOFA as necessary to provide clarification or to avoid a conflict of law.

The matters set forth herein are regulatory mandates and are adopted as regulations that have the dignity of statutes (*Ramirez v. Yosemite Water Company, Inc.* (1999) 20 Cal.4th 785, 799 [85 Cal.Rptr.2d 844]).

Section 103. Program Timeline

Homekey funds will be initially available to Eligible Applicants on an over-the-counter basis. Applications will be accepted from the release of this NOFA until September 29, 2020. The Department is also reserving a priority application period to allow for geographic equity in the disbursement of funds. The following table summarizes the Homekey program anticipated timeline.

Article II. Application Submission, Review, and Award Process

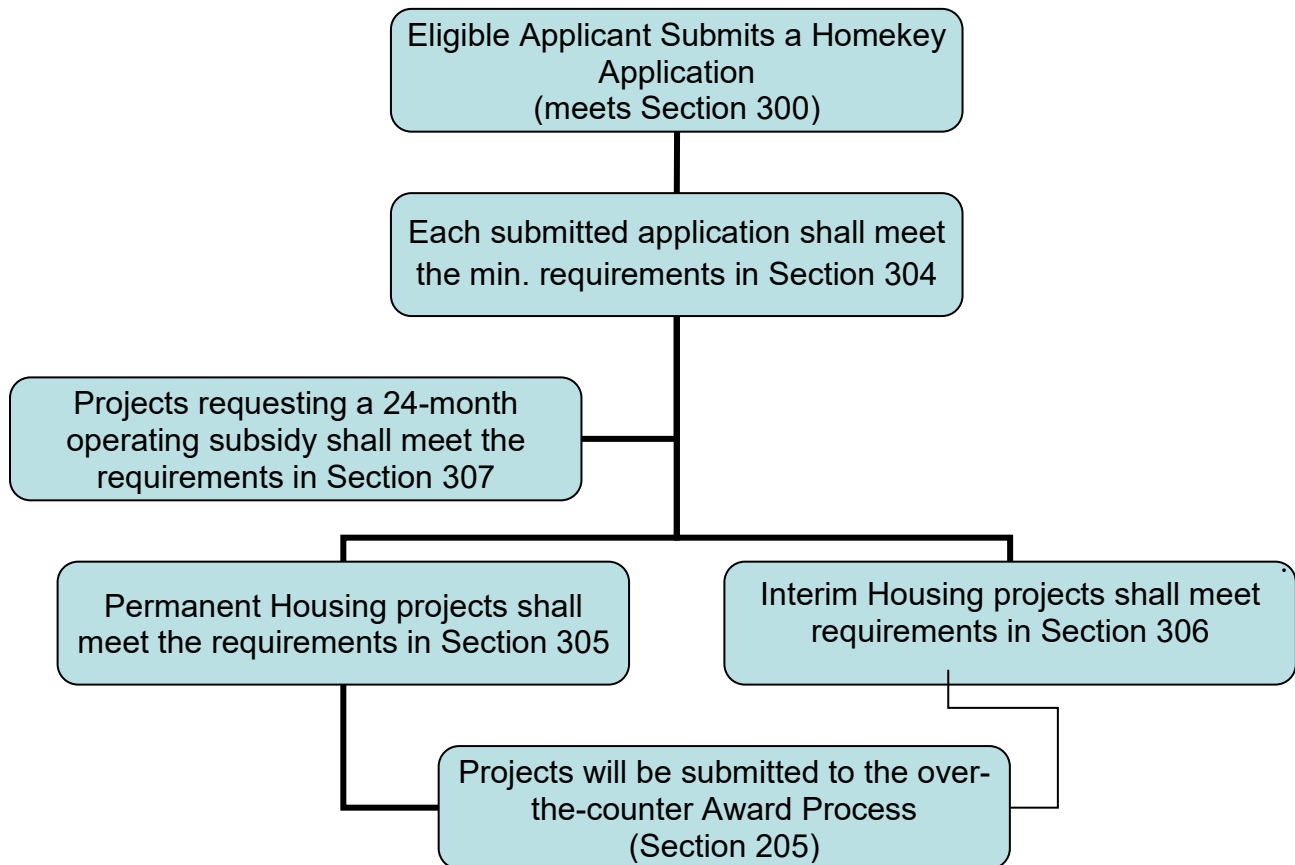

Section 200. Application Process Overview

The Homekey application is available electronically on the [Homekey webpage](#). **The Department anticipates releasing the Homekey application on or about July 22, 2020.**

- i. Applications for this NOFA will be received and reviewed on a rolling, over-the-counter basis until the CRF and the state General Fund moneys are committed.
- ii. Applications will be prioritized as described in Section 202.
- iii. The Department will evaluate applications for compliance with the minimum program requirements set forth in Section 304 and depending on the proposed project Applicants should review requirements in Sections 304, 305, and 306. See the Homekey Application Process Flowchart at the end of this Section.

- iv. After each Applicant has been certified to meet the minimum program requirements, to be considered for a funding award, each project must receive a minimum overall score of 110 points, as outlined in Section 204.
- v. The Department reserves the right to do the following:
 - a. Score an application as submitted even if the information is missing from the application; and/or
 - b. Request clarification of unclear or ambiguous statements made in an application or request additional clarifying documentation or information.

Chart 1: Homekey Application Process Flowchart

Section 201. Pre-Application Consultation and Technical Assistance

The Department requires all Applicants to engage in a pre-application consultation with the Department and/or the Department of General Services (DGS) prior to submitting an application. The consultation will allow the prospective Applicant to discuss the proposed project, along with other applicable programmatic considerations, including those related to site acquisition, the CEQA, land use and land entitlements, and long-term financing approaches. Application consultations will be available upon the release of this NOFA and may be requested by emailing Homekey@hcd.ca.gov.

Section 202. Geographic Distribution and Project Prioritization

COVID-19 impacts people who are experiencing or who are at risk of homelessness throughout California. As such, the Department would like to ensure jurisdictions throughout the state have an equitable opportunity to apply for Homekey funds to protect the health and safety of their most vulnerable residents.

To this end, the Department has divided the state into eight regions, as outlined in Table 2, below. The regions are largely aligned with the various Councils of Government (COGs). As detailed in Table 2, 3, and 4 below, each region has funding reserved on a time-limited basis during the priority application period. Each region's share of the Homekey allocation is calculated based on its proportionate share of the persons experiencing homelessness of both the sheltered and unsheltered 2019 Homeless Point-in-Time counts and extremely low-income (ELI) renter households that are paying more than 50 percent of their income for rent.

Two percent (2%) of the \$550 million in Homekey funds is for Department administrative costs. Twenty percent (20%) of the remaining \$550 million in Homekey funds is being held back by the Department to ensure there is adequate flexibility to issue awards expediently.

Table 4: Estimated Homekey Allocations

Funding Categories	CRF	General Fund

Total Geographic Regional Allocation	\$431,200,000	\$39,200,000

Eligible Applicants who apply within the 30-day priority application period will be grouped into one of the eight geographic regions. The Department will further sort the applications into one of two tiers.

Tier One:

1. Tier One applications will be those projects that: (1) can be occupied within 90 days from the date of acquisition; and (2) are permanent housing or will result in permanent housing as indicated on the application; or
2. Tier One projects include projects that can be occupied within 90 days and used for Interim Housing, provided the project is expected to be developed into permanent housing at a later date **OR** Interim Housing with a coordinated exit strategy adopted by the Continuum of Care to support transitions into other permanent housing. Interim Housing projects shall submit a letter of support from the local Continuum of Care that demonstrates the coordinated exit strategy of the target population.

Tier Two:

Tier Two projects are all other projects and uses, including housing that will be used for interim only and with no expectation of development into permanent housing.

For projects received within the priority application period, the Department will award Tier One projects meeting the program requirements on a rolling basis, up to the regional cap, on a first-come, first-served basis. Tier Two projects meeting the program requirements will be waitlisted and awarded funding if funds are available, after the priority application period, according to the date stamp. Applications that were received after the priority application period, and that met the specified program requirements, will be awarded according to date stamp, as funds are available.

The Department can reimburse eligible Homekey expenditures that occurred prior to the release of this NOFA. Applicants are encouraged to discuss their options at the required pre-application consultation described in Section 201.

The following table summarizes the Homekey application prioritization process and timeline.

Table 5: Anticipated Homekey Application Prioritization Timeline

	Priority Application Review Period July 16 - August 13	Review Period 2 August 14 - September 29	September 29 – December 30, 2020
Applications	Sorted by: a. Regions b. Within Regions, by Tier One or Two c. Within Tiers, by a date stamp	Sorted by date stamp only (not by region or tier) Note: These applications will be put on a waitlist, and not sorted by Region or Tier.	No applications submitted during this period will be accepted.
Awards	Pre-application consultations and application review period. The Department will begin awarding Tier One projects meeting threshold within each region on a rolling basis, up to cap for the region.	For applications received through August 13, the Department will continue awarding Tier One projects meeting the Homekey program requirements on a rolling basis, up to the cap for the region. If these Tier One projects are undersubscribed, the Department will award qualified Tier Two projects. If the Tier Two projects are oversubscribed, the Department will award according to date stamp. If Tier Two projects are undersubscribed, The Department will proceed with awards in the following order: a. Any waitlisted applications from other regions received up to August 13, by tier and date stamp. b. Any waitlisted applications received on August 14 or later, by date stamp. For any tiebreaker needed (e.g., applications received on the same date), the Department will use ability to spend quickly, followed by PIT count, then leverage.	

Section 203. Maximum Grant Amounts

For acquisition projects, Homekey will generally fund up to \$100,000 per door, as supported by an appraisal. "Door" refers to the number of units at the time of the acquisition, which may differ from the number of units after a future conversion. For those projects that undergo a future conversion, the number of units may need to be reduced to accommodate kitchenettes and other amenities.

The Department recognizes that some acquisitions may have a higher per-door appraised value in certain high-cost areas. Some properties may also have a higher per-door value because they need less upfront work and already have the necessary amenities to support permanent housing solutions—for example, units with kitchenettes.

To support these efforts, the Department will accept requests from Tier One projects up to \$200,000 per door. However, for this \$200,000 per door maximum, the following applies:

- i. The Department will contribute the first \$100,000 per door of the Homekey proposed project. This contribution does not require a local match.

- ii. The eligible Applicant will be required to contribute an identical match of \$50,000 or a 1:1 local match to receive an additional \$50,000 contribution from the Homekey program.
- iii. The eligible Applicants will be required to contribute \$100,000 or a 2:1 local match to receive an additional \$50,000 contribution from the Homekey program.

Table 6: State contributions to projects

Homekey	Eligible Applicant Contribution	Total Per Door
FIRST \$ 100,000	No Match Required	\$100,000
NEXT \$ 50,000 (TIER ONE PROJECTS)	1:1, Up to \$50,000	\$200,000
NEXT \$ 50,000 (TIER ONE PROJECTS)	2:1, Up to \$100,000	\$350,000

Eligible Applicants can request the highest state contribution of Homekey funds if they meet the following criteria:

- i. The proposed project meets the Tier One category specified in Section 202.
- ii. The proposed project is close to permanent occupancy, or there is a clear demonstration of occupying the units with tenants from the target population within 90 days of acquisition, e.g., higher purchase price with minimal rehabilitation needed.
- iii. The Department may consider additional criteria unique to the proposed project that reduce the overall cost of a project when future rehabilitation needs are considered, support catalytic investments in disadvantaged communities without causing displacement, and affirmatively further fair housing.

Section 204. Application Scoring Criteria

Applications meeting the minimum program requirements outlined in Article III will require a **minimum score of 110 points to be eligible for funding**. Scores will be based on the following:

Table 7: Homekey Application Scoring Criteria

For any project below \$350,000 per door, if the Eligible Applicant contributes more than a minimum match outlined in Table 5, above, the application will receive one (1) extra point for every additional 5% per door contributed to the project. For example, for an acquisition that costs \$100,000 per door, the Applicant will receive 1 extra point for every \$5,000 per door in match contributed. (Up to 10 points)</p> <p>e. Site Selection (Up to 10 points) The project site is located within 1/3 mile of a bus rapid transit station, light rail station, commuter rail station, ferry terminal, bus station, or public bus stop. Health facility – within 1/2 mile (1 mile for projects in rural areas) of a qualifying medical clinic with a physician, physician's assistant, or nurse practitioner on-site for a minimum of 40 hours each week, or hospital (not merely a private doctor's office). A qualifying medical clinic must accept Medi-Cal payments, or Medicare payments, or Health Care for the Homeless, or have an equally comprehensive subsidy program for low-income patients; (1 point) iii. Library – within 1/2 mile of a book-lending public library (1 mile for projects in rural areas); (1 point) iv. Pharmacy: within 1/2 mile of a pharmacy (1 mile for projects in rural areas). (2 points)

In the event of program oversubscription, where Applicants have the same score and the same date stamp, the following tiebreaker system will be applied to determine the project funding:

- i. The Department will take into consideration the highest score for each project received in the expenditure category. (Immediate ability to expend funds by December 30, 2020).
- ii. If a funding determination cannot be made from (i) above, the Department will provide the grant funding to the project with the highest 2019 Homeless Point-in-Time count.
- iii. If the funding determination cannot be made from (i) or (ii) above, the Department will provide funding to project that leverages the most non-Homekey funds (government, private, or philanthropic).
- iv. The Department may consider additional criteria, including but not limited to the cost-effectiveness, community impact, affirmatively furthering fair housing, innovative housing types, tenant stability and proximity to transit, services and amenities.

Section 205. Application Submission

The Department will be accepting over-the-counter applications beginning on or about **July 22, 2020**. Instructions for submittal of an application can be found on the website. The Department will set aside a priority application period to immediately begin reviewing and awarding qualified projects from **July 22, 2020 to August 13, 2020**. All other applications received after the application priority period must be received by the Department no later than 5:00 p.m. PDT on **September 29, 2020**.

Applicants must submit the Homekey application and required attachments provided by the Department. The Department will not accept modified application forms. It is the Applicant's responsibility to ensure that the submitted application is accurate. Department staff may request additional clarifying information.

The application is a public record, which is available for public review pursuant to the California Public Records Act (CPRA) (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code). After final Homekey awards have been issued, the Department may disclose any materials provided by the Applicant to any person making a request under the CPRA. The Department cautions Applicants to use discretion in providing information not specifically requested, including but not limited to, bank account numbers, personal phone numbers, and home addresses. By providing this information to the Department, the Applicant is waiving any claim of confidentiality and consents to the disclosure of submitted material upon request.

Section 206. Application Award Process

The Department will send both an award letter and a Standard Agreement to the successful Applicant. When the Standard Agreement is signed and returned by the Applicant, the Applicant will simultaneously submit a request for funds. Funds will be disbursed after the Department has received a request for funds and a fully executed Standard Agreement.

The Department is committed to disbursing Homekey funds in a timely manner.
