Program Goals

- Award annually up to $75 million in funding for the development and preservation of affordable housing and related facilities for veterans and their families to maintain housing stability
- Develop and implement programs that focus on those at-risk for homelessness or experiencing temporary or chronic homelessness
- Ensure 45% of the funding serves ELI veterans
Why host this workshop?

We have conducted these sessions since the inception of the program to:

• Notify stakeholders of important changes which may affect planned applications
• Help applicants create and present the best application to represent their projects
Why does the program change every round?

VHHP has always been a program administered by guidelines rather than regulations.

This allows flexibility to:

• Improve the program and application process
• Encourage better, more complete projects at application
• Ensure the program remains properly focused
• Align the program with other HCD funding sources
Guidelines Changes
Operational Issues
Round 5

• Alignment with 2017 UMRs
  – Consistent across all HCD programs
  – Developer Fee has increased per the 2017 UMRs

• Per Unit Loan Amounts
  – Increased to $95,000 from $45,000 on 9% tax credit projects
  – Increased to $175,000 from $125,000 on all other projects
Round 5

• Compatibility with other HCD Programs
  – VHHP funding only on VHHP units (no stacking)
  – IIG is compatible (grant for infrastructure only)
Application Overview
Supplemental Application Overview

- Application Keynotes & Packaging document posted to VHHP website
- Use colored paper to separate attachments to Exhibits
- Adhere to the instructions on Dividers and Labeling
- Use the template to label your binder - front and spine
- CD/Flash Drive must contain:
  - Universal Application and VHHP Supplemental Application in Excel format
  - All attachments - saved as individual .pdf files
  - All attachments - labeled with the Exhibit number and attachment name (e.g. A4 Resident Services Coordination Plan)
Thank you for your interest in the VHHP program. The following instructions will assist you in preparing exhibits and packaging the application to streamline the review process. For questions regarding the exhibits, required attachments, or packaging, please use the following address: hcdvets@hcd.ca.gov.

**Instructions Overview:**

- Be sure to read the General Instructions in the VHHP Supplemental Application.
- The VHHP Supplemental Application contains three sections: A, B, & C. There is a table of contents at the beginning of these sections identifying key information in the Exhibits required for each section. Documents that may be inadvertently omitted from the application package will NOT be accepted after the application deadline.
- **Project Info & Checklist:** Inserting the project name at the top of page will auto-populate the name of the project in the headings of all exhibits. Make sure the Project County and Type of Tax Credits the project is applying for are selected as these are used to auto-populate other fields.
- Complete each exhibit identified on the Application Checklist. Generally, **YELLOW** fields require input from the applicant. If an Exhibit does not apply to the proposed project, use a plain sheet of colored paper marked with the Exhibit number and state "Not Applicable."
Packaging the VHHP Application for Submission

(1) Use a 3 ring binder appropriate for the size of the application.
(2) Label the binder per the template image on page 5. Use the template COLORS as shown.
(3) A template for divider labels is located on page 4.
   - To identify the 5 sections of the application, use LARGE tabs, ALL placed in the UPPER-most position marked: UA, VHHP Supplemental Checklist, A, B, & C.
   - Make tab dividers for each Exhibit number so that the Exhibit can be quickly identified. **Use colored paper to separate any attachments added behind the Exhibit.**
     
     **Note:** The label template includes labels for attachments required with C5.

(4) Submit:
   - A hard copy of the completed (1) Universal Application and (2) the VHHP supplemental Application with required attachments in a D-ring binder.
   - Two (2) electronic copies in CD/Flash Drive (USB Drive) containing the completed Universal Application and the VHHP Supplemental Application in **EXCEL** format. All application attachments must be saved as **individual files** in pdf. format and **labeled with the exhibit number and attachment name**, e.g. A4 Market Demand.
