Exceptions to the position of the DR-MHP Regulatory Agreement must be approved in writing and in advance by the Department.

B. Subrecipient shall execute a Development Agreement (defined in section 6 below) with the Developer no later than **June 19, 2022**.

The Developer entity specified in section 1 above shall not be removed or substituted with a different Developer entity without the prior written consent of both the Department and Subrecipient, and the Development Agreement shall contain a provision to this effect. No Developer may be listed on any state or federal debarment list and must be in good standing with the Department and the State of California.

7. **Reporting Requirements**

A. Subrecipient must timely submit the reports prescribed below. The Department reserves the right to request additional detail and support for any report made. Reports must be made according to the dates identified, in the formats provided by the Department and via the Department’s Grants Network unless otherwise specified at the discretion of the Department. The Subrecipient’s performance under this Agreement will be assessed in part on whether it has submitted the reports on a timely basis.

1) **Monthly Activity Report:** Subrecipient must submit a Monthly Activity Report that addresses the following, at a minimum: (1) a description of the current status of the Collective Work, including number of units leased, and Households assisted; (2) a description of activities to be undertaken in the next reporting period; (3) a description of problems or delays encountered in Collective Work and course of action taken to address them; (4) a description of actions taken to achieve Collective Work expenditure deadlines; and (5) a summary of Collective Work fiscal status, including award amount, funds drawn, and remaining balance. Unless otherwise waived in writing by the Department, Monthly Activity Reports must begin on the 10th calendar day of the second month following execution of this Agreement and must continue through the receipt and approval by the Department of the Project Completion Report, detailed below.

2) **Monthly Program Income Report:** Program Income, if identified as a funding source for any Approved Project, must be included in the Project budget and must be substantially expended prior to drawing Grant Funds. During the term of this Agreement, if Program Income is generated, the Subrecipient must submit a Monthly Program Income Report certifying the amount of Program Income.

These forms are located on the Department website and are also available upon request.

5) **Annual Beneficiary Report:** Once a Project is placed in service and through the Affordability Period described in Exhibit D, section 4 of this Agreement, the Subrecipient must submit an Annual Beneficiary Report providing the tenants names, demographics, and income for each DR-MHP unit.

8. **Special Conditions**

A. Subrecipient shall include within its Development Agreement with the Developer for the Approved Project a special condition containing the full text of any mitigation measures that were identified in the NEPA Environmental Review document. The special condition shall require the Developer to complete or coordinate completion of each mitigation measure and shall require the Developer to supply documentation evidencing completion to Subrecipient. Subrecipient shall maintain documentation evidencing completion of the mitigation measures in its environmental review record for the project.

B. **Project Financing.** All other sources of funding (whether in the form of loans, grants, tax credits, or otherwise) that are needed to complete the Approved Project must remain fully committed, binding, and available to timely complete construction of the Approved Project as contemplated by the terms of the Agreement and this Notice to Proceed. The obligation of the Department to fund any amounts, whether in the form of reimbursements or otherwise, under the Agreement and this NTP is expressly conditioned on the continuing satisfaction of the foregoing financing requirements.
condition. Any proposed changes to the terms, conditions, and/or amounts of the funding sources and/or the security of the Project financing are subject to review and approval by the Department in its reasonable discretion. Any such changes may require a re-review and reapproval of the Application by the Department, which could result in delays.
