VAWA Compliance Policy
I. Introduction

The Emergency Solutions Grant (ESG) Program is a federal program operated by the U.S. Department of Housing and Urban Development (HUD) to make grants to states, local governments, and territories for the purposes of funding activities that directly serve people experiencing homelessness, including people at risk of homelessness. The California Department of Housing and Community Development (CA HCD) is a direct recipient of ESG from HUD. CA HCD administers an annual allocation of ESG and an additional one-time allocation of ESG made available under the CARES Act.

For the purposes of this document, “annual ESG” refers to CA HCD’s annual allocation of ESG, “ESG-CV” refers to CA HCD’s one-time allocation of CARES Act ESG, and “ESG” refers to the program in general and to aspects of the program that apply to both annual ESG and ESG-CV.

This ESG VAWA Compliance Policy (the “Policy”) provides the structure under which ESG-funded activities are required to comply with certain requirements of the Violence Against Women Act (VAWA).

A. Applicability

This Manual applies to ESG grants funded using:

- Annual ESG
- ESG-CV

II. Definitions

A. Domestic Violence

For the purposes of this Policy and the ESG Program, the definition of domestic violence includes dating violence, sexual assault, stalking, and human trafficking. The definition is also considered to include any additional nuances as defined by HUD; for example, there may be additional circumstances that are considered domestic violence for youth aged 24 and under. For more information, please refer to the relevant external document published by HUD.
B. Covered Housing Providers

Some of the provisions of this Policy refer to Covered Housing Providers (CHPs). A CHP is any entity that meets any of the following criteria:¹

- A recipient or subrecipient that administers rental assistance (for the purposes of the Emergency Transfer Plan procedure
- A housing owner with respect to the limitations of VAWA protections enumerated in 24 CFR 5.2005(d)
- The housing owner and the entity administering rental assistance (recipient, subrecipient, or sub-subrecipient) for the purposes of 24 CFR 5.2005(d)(2), which clarifies the circumstances under which a victim of domestic violence may or may not be evicted or have their ESG assistance terminated
- The housing owner and the entity administering rental assistance (recipient, subrecipient, or sub-subrecipient) for the purposes of 24 CFR 5.2007, which defines procedures for documenting the occurrence of domestic violence
  - Note: recipients and subrecipients may limit these requests in accordance with 24 CFR 576.409(b)(4)

III. General Requirements

A. Overview

The ESG Program’s primary regulatory body is 24 CFR Part 576, the ESG Program Interim Rule.² The ESG Program Interim Rule provides various protections for victims of domestic violence (which includes domestic violence, dating violence, sexual assault, stalking, and human trafficking).³ These protections and their associated requirements are enumerated in this section of the Policy.

¹ 24 CFR § 576.409(b)
³ 24 CFR § 576.409
B. HMIS Comparable Databases

Domestic violence service providers (VSPs) are prohibited from maintaining participant data in the CoC’s HMIS; instead, they are required to maintain participant data in an HMIS comparable database.

For the purposes of ESG, HUD defines a VSP as “a private nonprofit organization whose primary mission is to provide direct services to victims of domestic violence.”

CA HCD is required to affirmatively record that VSPs receiving ESG are maintaining participant records in an HMIS comparable database.

VSPs are encouraged to connect with other VSPS and with the California Partnership to End Domestic Violence for more information about HMIS comparable databases. There is also information about HMIS comparable databases available from SafeHousingPartnerships.org: https://safehousingpartnerships.org/sites/default/files/2017-08/CD101_CSNNEDV.pdf

Please review the table below to determine whether a given project is required to maintain participant data in HMIS or an HMIS comparable database.

C. Prohibition on Denial or Termination of Assistance or Eviction on the Sole Basis of Domestic Violence—Housing

An ESG applicant or participant cannot be denied assistance, have their assistance terminated, or be evicted from their housing solely because they are a victim of domestic violence.

---

D. Prohibition on Denial of Admission or Removal on the Basis or as a Result of Domestic Violence—Emergency Shelter

An ESG applicant or participant cannot be denied admission to or removed from an emergency shelter on the basis or as a direct result of the fact that the applicant/participant is or has been a victim of domestic violence if they would otherwise qualify for admission or occupancy.

E. Notice of Occupancy Rights under the Violence Against Women Act and Certification Form

Each entity that determines eligibility for or administers ESG rental assistance is responsible for providing the following two forms to each applicant for ESG rental assistance and each participant receiving ESG rental assistance:

- “Notice of Occupancy Rights under the Violence Against Women Act” (Form HUD-5380), available here: https://www.hud.gov/sites/documents/5380.DOCX
- “Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternative Documentation” (Form HUD-5382), available here: https://www.hud.gov/sites/documents/5382.docx

These forms must be provided at each of the following times:

- When an applicant is denied ESG rental assistance
- When an applicant’s application for a unit receiving project-based rental assistance is denied
- When a participant begins receiving ESG rental assistance
- When a participant is notified of termination of ESG rental assistance
- When a participant receives notification of eviction

F. Bifurcation

When a family receiving tenant-based rental assistance separates under the lease bifurcation clause of 24 CFR 5.2009(a), the family’s tenant-based rental assistance and utility assistance, if any, shall continue for the family member(s) who are not evicted or removed.

If a family living in a unit receiving project-based rental assistance separates under the lease bifurcation clause of 24 CFR 5.2009(a), the family member(s) who are not evicted or removed can remain in the assisted unit without interruption to the rental assistance or utility assistance provided for the unit.
G. VAWA Lease Language

Subrecipients are required to ensure that the requirements listed under 24 CFR Part 5, Subpart L, are included or incorporated into all rental assistance agreements and leases for units that receive ESG-funded short-term or medium-term rental assistance.

If a landlord-provided lease includes all protections listed in 24 CFR Part 5, Subpart L, subrecipients do not need to take any further action. Under most circumstances, however, subrecipients will need to provide and require a lease amendment including the necessary language. Subrecipients may choose between two options for VAWA lease amendments:

- Subrecipients may use the sample “Lease Addendum” (HUD-91067), provided here: [https://www.hud.gov/sites/documents/91067.doc](https://www.hud.gov/sites/documents/91067.doc)
- Subrecipients may create their own lease addendum, which must incorporate all protections listed in 24 CFR Part 5, Subpart L.

Subrecipients should define their approach to ensuring VAWA protections are included in all rental assistance agreements and leases in their project policies and procedures.

H. Emergency Transfer Plan

Each subrecipient that administers ESG assistance is required to develop and implement an Emergency Transfer Plan (ETP). An ETP provides the subrecipient and other CHPs in the subrecipient’s funding stream with a process that enables participants who are victims of domestic violence to transfer from their existing unit to another safe unit without losing their ESG assistance.

Participants who are victims of domestic violence qualify for an emergency transfer under an ETP if:

- They expressly request the transfer; and,
- Either of the following is true:
  - They believe there is a threat of imminent harm from further violence if they remain within their existing unit; or,
  - Only if they are a victim of sexual assault: if the sexual assault occurred on the premises of their existing unit within the 90-calendar-day period preceding the participant’s transfer request.

ETPs must:

- Meet all requirements for ETPs listed in 24 CFR 5.2005(e)
Emergency Solutions Grant Program (ESG)

In addition to the requirements above, subrecipients are encouraged to create ETPs that are integrated with the CoC’s Coordinated Entry process and that do not contract and are substantially similar to the CoC’s ETP for CoC Program projects.

As part of the ETP creation process, subrecipients are also encouraged to consult with the CoC’s permanent housing providers, including those funded by the CoC and SSVF Programs, and with the CoC’s victim services providers to ensure ETP provisions are correctly tailored to permanent housing availability and to the specific needs of victims of domestic violence.
