**INSTRUCTIONS FOR CASE MANAGER**

This form shall only be used to document the duplication of benefits determination for financial assistance or rental assistance under the ESG homelessness prevention or rapid re-housing components. Case Managers are responsible to separately determine: 1) the program participant’s eligibility; and 2) the appropriate amount of ESG-CV assistance.

If a program participant has applied for and received financial assistance or rental assistance from other entities, the case manager should ensure that the proposed ESG-CV assistance will not result in a duplication of benefits.

If a program participant has applied for and not yet received a response from another source of assistance, the case manager should identify which applications, if approved, would constitute a duplication of benefit. The program participant shall withdraw those applications prior to receiving ESG-CV assistance.
