

The ReCoverCA OOR Application will Close on December 1

The HCD will close applications for reCoverCA 2017 and 2018 ReCoverCA Owner-Occupied Housing Rehabilitation and Reconstruction Program grants on December 1, 2022. Owners of single-family homes or manufactured housing units who have completed a survey and are interested in ReCoverCA OOR grants apply by December 1 to participate.

To be eligible, homeowners must have completed the ReCoverCA Housing Needs Assistance survey by July 30, 2022. Eligible owners will be invited to complete the completed application through a case manager. If a case manager contacted you and you have not yet completed your completed OOR application, please contact [your case manager](#) as soon as possible.

HCD Launches New ReCoverCA Website

HCD is pleased to announce a redesign of the ReCoverCA website. Starting September 29, Internet users can visit www.hcd.ca.gov/recoverca to get all ReCoverCA information, including program eligibility information, resources and case manager information.

With this redesign, HCD hopes that website visitors will be able to locate and share information and resources more easily. The updated URL also makes it clear that ReCoverCA is an official program of HCD and the State of California. You can continue to contact program staff if you have questions at (916) 202-1764 or RecoverCA@hcd.ca.gov.

Updated Income Verification for ReCoverCA Applicants

HCD has made updates to ReCoverCA OOR's Policies and Procedures that affect the income verification process for applicants. This policy change takes effect as of October 1, 2022. The full memo describing the change can be seen attached to this email and is also available on [the ReCoverCA website](#).

If you have specific questions about your income verification, please [contact your case manager](#). You may also contact program staff if you have questions about the policy at (916) 202-1764 or RecoverCA@hcd.ca.gov.
