ERF Round 1

County:	Contra Costa
Awarded Entity:	City of Richmond – Rydin Rd and Castro St
ERF Program Funds Awarded:	\$4,881,272.00
Funded Activities:	The City of Richmond will provide interim and permanent housing support for 102 individuals residing in a vehicle encampment in collaboration with CORE. CORE program will be providing mental health services and ERF will provide security and services on site, housing navigation, and a flexible “Housing Trust Fund” to support clients in interim and permanent housing.

County:	Fresno
Awarded Entity:	City of Fresno — Downtown Fresno Encampment
ERF Program Funds Awarded:	\$5,070,057.68
Funded Activities:	The City of Fresno will support 100 individuals across three encampments with pallet shelters, shared permanent housing, and street outreach. The plan includes mental health referrals and builds upon prior partnerships with Caltrans to support infrastructure repairs near highways and canals.

County:	Marin
Awarded Entity:	Marin County — Lee Gerner Park
ERF Program Funds Awarded:	\$317,236.00
Funded Activities:	Marin County will transition 18 individuals from a greenway encampment into stable housing, combining immediate hotel placements with intensive housing navigation and case management.

County:	Alameda
Awarded Entity:	City of Berkeley – People's Park
ERF Program Funds Awarded:	\$4,708,015.00

Funded Activities:	The City of Berkeley along with Alameda County, UC Berkeley, and First Presbyterian Church will provide interim housing, permanent housing support, and mental health services for 45 individuals at a UC Berkeley encampment leveraging an expiring Project Roomkey shelter and a drop-in center. The plan focuses on a single non-congregate shelter with the site eventually becoming affordable housing.
---------------------------	--

County:	Los Angeles
Awarded Entity:	City of Long Beach — Anaheim St
ERF Program Funds Awarded:	\$1,322,281.41
Funded Activities:	The City of Long Beach will leverage an existing street outreach team with embedded mental health clinicians to reach and serve 40 individuals. The project will provide 6-month hotel vouchers, case management, and connection to CalAIM and Project Homekey. Additionally, the city will work to restore an adjacent park site.

County:	Los Angeles
Awarded Entity:	City of Los Angeles — Los Angeles River
ERF Program Funds Awarded:	\$1,747,385.00
Funded Activities:	The City of Los Angeles award includes funding 90-day motel stays, case management, housing navigation, landlord incentives, and behavioral health referrals for 60 individuals along the Los Angeles River. They will leverage rental assistance in partnership with the CoC, providing time-limited subsidies.

County:	Monterey
Awarded Entity:	City of Salinas — Natividad Creek Park
ERF Program Funds Awarded:	\$4,079,416.72
Funded Activities:	The City of Salinas will engage and connect 55 encampment residents to interim and permanent housing solutions, with a focus on those living in vehicles (cars

	and RVs). The proposal was developed through community input, including focus groups with encampment residents and individuals with lived experience. Key strategies include rapid rehousing, housing vouchers, and family reunification support with a focus on Spanish speaking and immigrant services.
--	---

County:	San Diego
Awarded Entity:	City of Vista — East Emerald Drive and West Melrose Drive
ERF Program Funds Awarded:	\$1,828,394.00
Funded Activities:	The City of Vista will connect 35 individuals living in encampments along a creek channel to permanent housing through rental assistance and targeted partnerships. The \$1.8 million proposal emphasizes housing navigation while addressing health barriers through coordinated care.

County:	San Mateo County
Awarded Entity:	City of Redwood City — Hwy 101 Woodside Rd and Seaport Blvd
ERF Program Funds Awarded:	\$1,843,500
Funded Activities:	Redwood City will serve 70 encampment residents at the intersection of a highway and a major boulevard through outreach to provide housing navigation and rapid rehousing. The city will leverage existing partnerships with county behavioral health and is pursuing additional partnership towards a Homekey site.

County:	Santa Cruz
Awarded Entity:	Santa Cruz County — San Lorenzo Park
ERF Program Funds Awarded:	\$2,370,460.00
Funded Activities:	The County of Santa Cruz will provide housing and comprehensive support services to 65 individuals living in a large riverwalk encampment through a "housing

	scholarship fund” designed to secure and provide stable housing for 2 years.
--	--

County:	Santa Barbara
Awarded Entity:	Santa Barbara County — Hwy 101 and Hwy 1
ERF Program Funds Awarded:	\$1,787,998.00
Funded Activities:	The County of Santa Barbara will serve 200 individuals in high-risk encampments along transportation corridors through an intervention combining a multi-disciplinary outreach team and property storage with non-congregate shelter and scatter-site housing solutions.

County:	Orange
Awarded Entity:	Orange County — Talbert Regional Park
ERF Program Funds Awarded:	\$3,627,030.00
Funded Activities:	Orange County proposes to serve 60 individuals living in densely vegetated park encampments through outreach with embedded behavioral health staff, motel vouchers, and rapid rehousing. The project will also address ecological restoration at the park.

County:	Sonoma
Awarded Entity:	City of Petaluma — Cedar Grove Park
ERF Program Funds Awarded:	\$1,321,215.00
Funded Activities:	The City of Petaluma will provide outreach, non-congregate shelter, housing navigation, case management, and employment support for 60 individuals in a flood zone. The project will leverage Homekey sites and wraparound health services for encampment residents.

County:	San Bernardino
Awarded Entity:	San Bernardino County — Santa Ana River

ERF Program Funds Awarded:	\$1,787,998.00
Funded Activities:	The city will connect 150 individuals living in two riverbeds to permanent housing through flexible housing assistance, intensive case management and housing navigation, and coordinated services. The proposal was developed through the state's 100-Day Challenge initiative.

County:	Tulare
Awarded Entity:	City of Tulare — Tulare Skate Park
ERF Program Funds Awarded:	\$1,566,604.18
Funded Activities:	The City of Tulare will rehouse 57 individuals from park encampments through an enhanced rental assistance program paired with critical behavioral health services. This \$1.5 million initiative addresses both housing instability and health barriers through coordinated care.

County:	Santa Clara County
Awarded Entity:	City of San Jose — Guadalupe River Park & Gardens
ERF Program Funds Awarded:	\$2,085,216
Funded Activities:	The City of San Jose will engage 100 individuals living in encampments along a downtown park, connecting them to permanent housing, supportive services, and crisis care. The proposal emphasizes rapid rehousing, behavioral health support, and leveraging state-funded housing programs.

County:	Marin
Awarded Entity:	City of San Rafael — Fifth Ave & Irwin St
ERF Program Funds Awarded:	\$522,619.00
Funded Activities:	The City of San Rafael will serve 34 individuals living in an encampment under a highway overpass, providing permanent housing navigation, intensive case management, and on-site behavioral health support. The

	proposal emphasizes collaboration with Caltrans and leverages existing Homekey housing resources.
--	---

County:	Humboldt
Awarded Entity:	City of Eureka — Eureka Waterfront Trail
ERF Program Funds Awarded:	\$1,670,000.00
Funded Activities:	Proposed activities include modular interim/permanent housing and trauma-informed behavioral health care for 50 individuals along a 3.5-mile bay path with a focus on mixed interim and permanent housing in a community setting.

County:	Alameda
Awarded Entity:	City of Oakland — Wood St
ERF Program Funds Awarded:	\$4,731,300.01
Funded Activities:	The City of Oakland will build and operate a 2-year cabin village for 100 individuals which includes job opportunities with behavioral health services via county providers.

ERF Round 2 Lookback

County:	Alameda
Awarded Entity:	City of Oakland — Wood St
ERF Program Funds Awarded:	\$3,595,247.99
Funded Activities:	<p>The City of Oakland was an ERF 1 recipient. This ERF 2L award of \$3.6M is in addition to the partial ERF 1 award of \$4.7M to fulfill their original request for a total of \$8.3M.</p> <p>Under its ERF 1 award, Oakland pursued interim housing site preparation for 100 people with the plan to provide services to 50 persons. The funding from ERF 2L enables service delivery to an additional 50 persons bringing the total to 100 persons served in alignment with the original application.</p>

County:	Los Angeles
Awarded Entity:	City of Montebello — Rio Hondo River
ERF Program Funds Awarded:	\$1,168,774.00
Funded Activities:	<p>The City of Montebello's award will serve 65 individuals in a wildfire-prone area, deploying a 5-person team with housing supports, while a new fire department outreach team establishes community presence. The team and housing supports include a housing navigator, non-congregate shelter through motel vouchers and/or tiny homes, and housing support funds (rental assistance, deposits, utilities, etc.).</p>

County:	Riverside
Awarded Entity:	County of Riverside - Santa Ana River Bottom (SAR)
ERF Program Funds Awarded:	\$10,997,001.36
Funded Activities:	<p>The County of Riverside's award aims to serve 200 individuals across a 13-mile stretch of river with a 20-person interdisciplinary team, offering housing navigation and peer support. The county is partnering with several local cities, the housing authority, and health care providers. The proposal will expand non-congregate interim housing</p>

	options and provide housing connections and rental assistance.
--	--

County:	Butte County
Awarded Entity:	City of Oroville — East of Lower Wyandotte Ave
ERF Program Funds Awarded:	\$2,733,374.11
Funded Activities:	The city will serve 70 people through intensive outreach that include mobile medical services, providing case management, services, interim housing at Mission Esperanza, and permanent housing connections.

County:	Los Angeles
Awarded Entity:	Los Angeles City and County CoC — Skid Row
ERF Program Funds Awarded:	\$14,958,332.00
Funded Activities:	The award will focus on serving 500 women in Skid Row, combining outreach, non-congregate shelter, and rental assistance to bridge clients to permanent housing, covering 64% of a larger encampment effort.

County:	San Francisco
Awarded Entity:	San Francisco County — Polk St
ERF Program Funds Awarded:	\$10,849,032.35
Funded Activities:	The San Francisco County proposal will support 100 individuals through outreach and supporting operations at several interim housing locations (sanctioned encampments, cabins, and non-congregate shelters) where clients can stabilize and be connected to permanent housing.

County:	Shasta County
Awarded Entity:	City of Redding — Lake Blvd and Barbara Rd
ERF Program Funds Awarded:	\$950,000

Funded Activities:	The City of Redding's award will serve 60 individuals in a 232-acre forested encampment by creating a non-congregate pallet shelter, providing motel vouchers, and connecting clients to permanent housing.
---------------------------	---

County:	San Diego
Awarded Entity:	City of San Diego — East Village
ERF Program Funds Awarded:	\$2,446,500.00
Funded Activities:	The City of San Diego's award will serve 50 individuals through outreach, offering navigation, support services, and flexible funds to facilitate and support housing stability.

ERF Round 2 Rolling

Window 1

County:	Marin
Awarded Entity:	Marin County — Binford Rd
ERF Program Funds Awarded:	\$1,579,137.00
Funded Activities:	Marin County will shelter 37 people and permanently house 23 people in rapid rehousing or shared housing from an encampment in a flood zone. ERF 2R will pay for motel vouchers and street outreach services.

County:	Santa Barbara
Awarded Entity:	Santa Barbara County — Santa Maria and Santa Ynez Riverbeds
ERF Program Funds Awarded:	\$6,000,000.00
Funded Activities:	Santa Barbara County will serve 250 people and transition 100 people to permanent housing from encampments near state right of ways and waterways. ERF 2R funds will expand interim housing, and permanent housing options. The county will also leverage permanent supportive housing, rapid rehousing, and interim shelter operations.

County:	Los Angeles
Awarded Entity:	Los Angeles City and County CoC — Grand Corridor
ERF Program Funds Awarded:	\$13,918,423.00
Funded Activities:	The Los Angeles City and County CoC plans to shelter 150 people and permanently house 200 people using ERF 2R funding for time limited subsidies, non-congregate shelter, permanent housing master leases, outreach, and services.

County:	Tulare
Awarded Entity:	City of Tulare — I St Rail Corridor
ERF Program Funds Awarded:	\$4,822,586.00
Funded Activities:	City of Tulare will shelter 157 people and permanently house 57 during the grant period, and permanently house 26 people per year thereafter. ERF 2R funds will be used for interim housing construction, rapid rehousing subsidies, and outreach.

County:	Napa
Awarded Entity:	City of Napa — Hwy 29 and Kennedy Park
ERF Program Funds Awarded:	\$15,000,000.00
Funded Activities:	The City of Napa will shelter 120 people and permanently house 80 from encampments on public property. ERF 2R will be used to master lease and operate a motel for three years as non-congregate shelter.

County:	Mariposa
Awarded Entity:	Mariposa County — Frank Wilson Rd
ERF Program Funds Awarded:	\$607,336.86
Funded Activities:	Mariposa County will shelter 15 people and permanently house 10 from the prioritized encampment. ERF 2R funds will improve existing shelter, increase non-congregate shelter capacity, and support permanent housing placement and retention.

County:	San Francisco
Awarded Entity:	San Francisco County — Mission St
ERF Program Funds Awarded:	\$6,460,884
Funded Activities:	The City and County of San Francisco will provide housing- focused case management to 232 individuals at the Mission encampment, a population disadvantaged due to systemic racism. The award will shelter 205 people and permanently house 68. ERF 2R funds will expand

	outreach and provide operating costs for Mission Cabins shelter.
--	--

County:	San Luis Obispo
Awarded Entity:	San Luis Obispo County — Bob Jones Bike Trail
ERF Program Funds Awarded:	\$13,361,999.19
Funded Activities:	San Luis Obispo County will shelter 100 people and permanently house 60 people from an encampment in a flood zone and wildfire risk area. ERF 2R funds will support outreach, acquisition of interim shelter units, and development and operation of permanent housing.

County:	Sonoma
Awarded Entity:	City of Santa Rosa — South Project Area
ERF Program Funds Awarded:	\$3,883,032.30
Funded Activities:	The City of Santa Rosa will shelter 90 people and permanently house 60 people from an encampment that includes 25% of the county's homeless population. ERF 2R will fund service coordination, safe parking, and rapid rehousing capacity. The city also will leverage other outreach, shelter, and permanent housing.

County:	San Diego
Awarded Entity:	San Diego County — Riverbed Corridor
ERF Program Funds Awarded:	\$16,951,298.83
Funded Activities:	San Diego County will shelter 250 people and permanently house 168 from two encampments along the state right of way, and near drainage areas. ERF 2R funds will expand interim shelter, service coordination, housing case management and rapid rehousing.

County:	Contra Costa
Awarded Entity:	City of Richmond — Greenway Trail

ERF Program Funds Awarded:	\$8,602,587.00
Funded Activities:	The City of Richmond will shelter 90 people and permanently house at least 25 from encampments along the state right of way. ERF 2R funds will be used for interim housing, rapid rehousing, and diversion.

County:	San Diego
Awarded Entity:	City of Carlsbad — The Village
ERF Program Funds Awarded:	\$2,358,408.94
Funded Activities:	City of Carlsbad will shelter 100 people and permanently house 75 people from encampments with highly vulnerable residents experiencing serious behavioral health challenges. ERF 2R funds and other leveraged resources will support expanded outreach, interim shelter, rapid rehousing, and permanent housing service coordination.

County:	Marin
Awarded Entity:	Marin County — Hamilton Parkway
ERF Program Funds Awarded:	\$1,084,718.78
Funded Activities:	Marin County will shelter 10 people and permanently house 17 people from an encampment with numerous safety risks. ERF 2R funds will support outreach, interim motel housing, and permanent housing support services. The county will also leverage rapid rehousing and other permanent housing resources.

County:	Butte
Awarded Entity:	Butte County — Cemetery and Barn
ERF Program Funds Awarded:	\$1,075,300.00
Funded Activities:	Butte County will shelter 5 people and permanently house 34 people from two prioritized encampments. ERF 2R funds will pay for rapid rehousing and support services, outreach, and interim housing. The county will also leverage outreach and additional permanent housing.

County:	Fresno
Awarded Entity:	City of Fresno — Downtown Encampment
ERF Program Funds Awarded:	\$17,000,000.00
Funded Activities:	City of Fresno will shelter 420 people and permanently house 100 people from the same encampment funded under ERF 1. ERF 2R funds will expand interim shelter through master leasing and acquisition and develop permanent housing using tiny homes.

County:	Alameda
Awarded Entity:	City of Berkeley — Northwest Zone
ERF Program Funds Awarded:	\$4,931,058.30
Funded Activities:	City of Berkeley will shelter 184 people and permanently house at least 40 people from two prioritized encampments. ERF 2R funds will go toward master leasing a motel and operating the motel as non-congregate shelter, and will also facilitate permanent housing placements.

County:	Riverside
Awarded Entity:	City of Banning — Smith Creek and Railside
ERF Program Funds Awarded:	\$980,461.00
Funded Activities:	City of Banning will shelter 90 people and permanently house 60 from an encampment in a flood plain. ERF 2R funds will be used for outreach and a motel master lease. Permanent housing will be increased through master leasing..

County:	San Bernardino
Awarded Entity:	City of Redlands — CA I-10, I-210, and Hwy 38
ERF Program Funds Awarded:	\$4,529,069.00
Funded Activities:	The City of San Bernardino will shelter 100 people and permanently house 200 people from three encampments near interstates and riverbeds. ERF 2R funds will be used

	for interim housing, outreach, service coordination, and permanent housing subsidies.
--	---

County:	Monterey
Awarded Entity:	Monterey County — Pajaro River
ERF Program Funds Awarded:	\$7,986,354.26
Funded Activities:	Monterey County will shelter 60 people and permanently house 42 people from an encampment area along the Pajaro River near the Santa Cruz County border. ERF 2R funds will support new non-congregate shelter development, operations, and staffing. The county will also leverage rapid rehousing and outreach.

County:	Sonoma
Awarded Entity:	Sonoma County — Joe Rodota Trail (JRT)
ERF Program Funds Awarded:	\$4,567,130.00
Funded Activities:	Sonoma County will shelter and permanently house 130 people from an encampment along an extended stretch of a multi-use path. ERF 2R funds will add non-congregate shelter capacity, service coordination, and secure permanent housing through master-leased houses.

County:	Ventura
Awarded Entity:	City Oxnard — 5th St Canal and Ormond Beach
ERF Program Funds Awarded:	\$4,015,638.88
Funded Activities:	The City of Oxnard will shelter 60 people and permanently house 75 from encampments along the Pacific coast. ERF 2R funds will primarily support outreach, expanded interim housing operations, and permanent housing.

County:	Los Angeles
Awarded Entity:	Los Angeles County — Skid Row
ERF Program Funds Awarded:	\$59,483,733.55

Funded Activities:	Los Angeles County will shelter 2500 people and permanently house 2000 people from the Skid Row encampment area. ERF 2R funds will increase interim housing, enhance existing shelter, expand intensive housing case management services, and expand housing subsidies. The county will also leverage investments in outreach, shelter, and permanent supportive housing.
---------------------------	---

County:	Marin
Awarded Entity:	City of San Rafael — Albert Park
ERF Program Funds Awarded:	\$250,341.00
Funded Activities:	The City of San Rafael will shelter and permanently house 20 people from the prioritized encampment. ERF 2R funds will be used to expand non-congregate shelter, and the city will leverage permanent housing and outreach resources.

Window 2

County:	San Joaquin
Awarded Entity:	San Joaquin County — I-5 and Hwy 4 Interchange Complex
ERF Program Funds Awarded:	\$11,172,186.58
Funded Activities:	The award will address one of the largest encampments in Stockton, in an intersection of I-5 and Highway 4, by providing at least 72 people with permanent housing and the remaining ~75 with other interim and housing options. The ERF 2R funding will support with the rehabilitation of single-family homes to be used for permanent supportive housing, and outreach and services for people engaged through the program.

County:	Los Angeles
Awarded Entity:	City of Long Beach — Pacific Ave and 1st St
ERF Program Funds Awarded:	\$5,330,545.08
Funded Activities:	This award will support a large and highly vulnerable population of people in a large encampment in the City of Long Beach. The city will use funds to master lease 60

	non-congregate interim housing units and transition 125 people to permanent housing using rapid rehousing and coordinated entry. ERF 2R funds will support motel master-leasing and rapid rehousing, with significant leveraged long-term subsidies.
--	--

County:	Sonoma
Awarded Entity:	Sonoma County — Russian River
ERF Program Funds Awarded:	\$2,763,142.00
Funded Activities:	Sonoma County's award will provide permanent housing solutions to all 37 encampment residents. The award makes use of leveraged funding to support interim sheltering opportunities.

County:	Los Angeles
Awarded Entity:	Pasadena CoC — I-210 and State Route 134
ERF Program Funds Awarded:	\$2,080,379.50
Funded Activities:	The award will fund non-congregate shelter stays, provide robust services and housing connections, and support upfront housing costs. Pasadena CoC anticipates transitioning 90 individuals from unsheltered homelessness to interim shelter and 45 individuals to permanent housing outcomes

County:	Ventura
Awarded Entity:	City of Thousand Oaks — Thrive Grove
ERF Program Funds Awarded:	\$5,828,740.80
Funded Activities:	The City of Thousand Oaks' award will support the development and operation of a 30-bed navigation center that includes health and behavioral health services to aid people with transitioning from unsheltered homelessness to permanent housing. The proposal anticipates transitioning all 44 encampment residents from

	unsheltered homelessness to interim shelter and/or permanent housing.
--	---

County:	Kern
Awarded Entity:	Bakerfield Kern County CoC — Kern River
ERF Program Funds Awarded:	\$7,048,875.34
Funded Activities:	The Bakersfield Kern County CoC will shelter 25 people and permanently house 95 people from encampments along the Kern River and near a busy freeway junction. The funding will be used for street outreach, services, and acquisition and rehabilitation of a motel site.

County:	Tulare
Awarded Entity:	City of Visalia — Hwy 198, State Route 63, and Saint John's River
ERF Program Funds Awarded:	\$3,628,371.00
Funded Activities:	This award supports the development of a 100-bed navigation center that will support transitioning people from unsheltered homelessness to permanent housing and provides an interim option while permanent supportive housing units are being developed and refurbished. The ERF 2R funding will support filling in the construction gap for the navigation center.

ERF Round 3L

County:	Monterey
Awarded Entity:	City of Salinas — Carr Lake
ERF Program Funds Awarded:	\$8,081,101.25
Funded Activities:	The City of Salinas will transition 80 people to shelter and 55 people to permanent housing from an encampment at Carr Lake. The people in the encampment are largely engaged in agricultural work. ERF 2R funds support outreach, non-congregate interim housing operations, housing case management, and rapid rehousing/client assistance.

County:	Sacramento
Awarded Entity:	County of Sacramento — Roseville Rd.
ERF Program Funds Awarded:	\$3,665,920.46
Funded Activities:	This award will support the development and operation of a 30-bed navigation center that includes health and behavioral health services to aid people with transitioning from unsheltered homelessness to permanent housing. The award will transition all 44 encampment residents from unsheltered homelessness to interim shelter and/or permanent housing.

County:	Sacramento
Awarded Entity:	County of Sacramento — W/X Corridor
ERF Program Funds Awarded:	\$17,675,219.69
Funded Activities:	The award will resolve unsheltered homelessness for the people residing in the W/X corridor encampment. The ERF 2R funding will support interim sheltering, with leveraged funding supporting outreach and rehousing. The award aims to provide shelter to 311 people and permanently house 160 people.

County:	Orange
Awarded Entity:	City of Garden Grove — Beach Blvd
ERF Program Funds Awarded:	\$1,921,500.00
Funded Activities:	The City of Garden Grove will provide services to 300, interim housing to 100, and permanent housing to 50 people over the grant term. The focus of the award is to expand services and interim shelter through a navigation center as well as provide more permanent housing and increase street outreach services through a combination of ERF 2R and other leveraged sources.

County:	Butte
Awarded Entity:	City of Oroville — Foothill Blvd and Olive Highway
ERF Program Funds Awarded:	\$1,730,450.00
Funded Activities:	The award will support 81 individuals with non-congregate shelter and house 65 people in permanent housing from two encampments. ERF2R funds will be used to complete the development and operation of programming initially funded through an earlier ERF round.

County:	Riverside
Awarded Entity:	Riverside County — San Jacinto River Bottom
ERF Program Funds Awarded:	\$12,065,912.49
Funded Activities:	Riverside County will transition 123 people to shelter, and 112 to permanent housing, from an encampment area in the San Jacinto River Bottom. The proposal encompasses a range of permanent housing options, including partnerships for seniors and people with behavioral health issues. ERF 2R funds will be used for a range of non-congregate shelter, rapid rehousing and permanent housing strategies, including acquisition of 4-bedroom homes.

County:	Del Norte
Awarded Entity:	Del Norte County — Crescent City
ERF Program Funds Awarded:	\$10,823,724.00
Funded Activities:	Del Norte County will transition 330 people to shelter, and 150 people to permanent housing through this project. The encampment south of Crescent City is 180 acres and has been cleared in the past only to be reencamped. The county's strategy includes a 60 bed navigation center and 50-unit micro-unit non-congregate shelter. ERF 2R funds will support primarily interim housing operations, and rapid rehousing.

County:	San Diego
Awarded Entity:	San Diego County — Plaza Bonita
ERF Program Funds Awarded:	\$5,095,063.03
Funded Activities:	San Diego County will serve 75 people experiencing homelessness in an encampment site located partially on Caltrans state-right-of-way. The award will engage encampment residents, provide non-congregate interim shelter through motel/hotel stays, and utilize housing navigation to place residents in permanent housing programs or provide short-term rental assistance.

County:	San Diego
Awarded Entity:	City of San Diego — I-15 Corridor
ERF Program Funds Awarded:	\$3,156,000.00
Funded Activities:	The City of San Diego will use a combination of street outreach, diversion/problem solving, interim shelter, and shallow rental subsidies to connect 60 people residing in encampments along the I-15 freeway with permanent housing.

County:	Tuolumne
Awarded Entity:	Tuolumne County — Sonora
ERF Program Funds Awarded:	\$6,254,250.00
Funded Activities:	The award will support outreach, services, non-congregate shelter, and the acquisition of three homes and a hotel which will be converted into permanent housing. The award aims to serve 50 people, transition 30 people into interim shelter, and permanently house 30 people.

County:	Los Angeles
Awarded Entity:	City of Los Angeles — Ballona Wetlands
ERF Program Funds Awarded:	\$2,428,329.75
Funded Activities:	The City of Los Angeles will transition people from an encampment site with approximately 50 people in varying RVs, within a larger encampment, to interim and permanent housing opportunities as a component of a larger initiative to address unsheltered homelessness. This encampment is located in an ecological reserve and poses health and safety concerns.

County:	Shasta
Awarded Entity:	City of Redding — Linden Canyon and Progress Drive
ERF Program Funds Awarded:	\$8,354,955.00
Funded Activities:	The City of Redding will move 90 people into shelter and 50 people into permanent housing, primarily adults, many experiencing chronic homelessness, from two associated encampments that are the largest in the city limits. The city will engage housing placement specialists and fund non-congregate shelter, but primary ERF 2R investment is in development and operation of a Day Resource Center. This award leverages significant permanent housing resources, including from the housing authority.

ERF 3R

Window 1

County:	Marin
Awarded Entity:	Marin County — Mahon Creek Area
ERF Program Funds Awarded:	\$5,999,241.68
Funded Activities:	Marin County will address the Mahon Creek Area encampment in San Rafael, where 65 individuals currently reside, and connect them to interim and permanent housing. The proposal includes 65 interim housing placements through a mix of motel-based shelter and transitional housing, and permanent housing for 46 individuals via supportive housing vouchers and rapid rehousing.

County:	Merced
Awarded Entity:	City of Los Banos — Rail Trail
ERF Program Funds Awarded:	\$11,842,621.00
Funded Activities:	The City of Los Banos will address the Rail Trail encampment, where 92 individuals currently reside, and connect them to permanent supportive housing. The city aims to fund a 50-unit modular housing project with on-site services. The proposal was developed with input from encampment residents and persons with lived experience, and includes permanent housing for up to 95 individuals, case management, and access to vital services.

County:	San Diego
Awarded Entity:	City of Oceanside — Buena Vista Creek
ERF Program Funds Awarded:	\$11,398,466.52
Funded Activities:	The City of Oceanside, in collaboration with the City of Carlsbad, seeks to address encampments along SR 78 and Buena Vista Creek, where 200 individuals currently reside, and connect them to interim and permanent housing. The proposal includes 262 interim housing placements through the Oceanside Navigation Center,

	Bridge Housing, La Posada Shelter, and motel vouchers, as well as permanent housing for 196 individuals via rapid rehousing, housing vouchers, and family reunification assistance.
--	---

County:	Marin
Awarded Entity:	Marin County — Mesa Rd
ERF Program Funds Awarded:	\$8,678,324.00
Funded Activities:	Marin County will address the Tacherra Ranch encampment of 60 mostly Latinx agricultural workers and their families through the actions of a well-established collaborative to deliver 27 new units of permanent housing. Project partners and existing funders include Habitat Greater San Francisco (HGSF), Bolinas Community Land Trust (BCLT), West Marin Community Services (WMCS), Petaluma Health Center (PCH), Marin Community Foundation (MCF), West Marin Fund (WMF), Marin County Board of Supervisors, Health and Human Services (HHS), and Community Development Agency (CDA).

County:	San Mateo
Awarded Entity:	San Mateo County — CHEZ
ERF Program Funds Awarded:	\$14,134,200.12
Funded Activities:	San Mateo County will serve 211 people living unsheltered in a Critical Homeless Encampment Zone (CHEZ) that contains 26 small, scattered sites along the corridors of U.S. Route 101, Interstate 280, Highway 1, and State Route 92 in the cities of Burlingame, Menlo Park, Half Moon Bay, San Bruno, San Mateo, and South San Francisco. People in the CHEZ will benefit from a unified service approach that recognizes their similarities but is nimble enough to offer individualized solutions. The county will deploy a multi-disciplinary team with low caseloads to provide outreach, health care, and housing supports and house 108 people in permanent housing.

County:	Orange
Awarded Entity:	City of Anaheim — La Palma Park and State Route 91
ERF Program Funds Awarded:	\$3,182,054.17
Funded Activities:	The City of Anaheim will address three linked but noncontiguous sites on Caltrans property along SR-91. The City of Anaheim will fund two dedicated outreach workers and housing navigation services to meet the service, interim housing, and permanent housing needs of 75 individuals.

County:	Monterey
Awarded Entity:	Monterey County — Soledad
ERF Program Funds Awarded:	\$4,726,963.50
Funded Activities:	Monterey County, in partnership with the City of Soledad, will address the Salinas Riverbed encampment, where 40 individuals currently reside, and connect them to interim and permanent housing. The proposal includes expanded outreach, 12 units of non-congregate interim housing, motel vouchers, and rental subsidies to support permanent housing placements. The project will serve 40 individuals, permanently housing 30 individuals.

County:	Monterey
Awarded Entity:	Monterey County — King City
ERF Program Funds Awarded:	\$6,441,326.33
Funded Activities:	Monterey County seeks to address the King City encampment and connect 50 residents to interim and permanent housing. This includes continued operation of the Monarch Inn interim housing and the acquisition and renovation of a 45-unit Homekey permanent housing project at the Days Inn. The project will serve 50 individuals, with 46 obtaining permanent housing in either the newly developed site or through rental assistance for larger families.

County:	Tehama
Awarded Entity:	Tehama County CoC — Red Bluff
ERF Program Funds Awarded:	\$14,103,946.98
Funded Activities:	Tehama County CoC will serve up to 275 people in five encampments. This award brings together nonprofits and government partners to help individuals transition from long-term encampments into permanent housing. The initiative includes four key components: Outreach & Engagement (street outreach, mobile healthcare, safe camping, and day shelters), Interim Housing (non-congregate shelters, bridge housing, and confidential housing for domestic violence survivors), Permanent Housing (including 15 mobile homes and 100 RRH units), and Case Management, which provides personalized support throughout the process.

County:	Butte
Awarded Entity:	City of Chico — Hwy 99, Hwy 32, and Cohasset Rd
ERF Program Funds Awarded:	\$2,683,091.00
Funded Activities:	The City of Chico, in collaboration with Butte County, will address seven small encampments in northern Butte County, where 62 individuals currently reside, and connect them to interim and permanent housing. The award will fund 30 interim shelter units at the city's non-congregate shelter and permanent housing for 32 individuals through 22 units at a permanent supportive housing development, and rental assistance for 10 additional units.

County:	Alameda
Awarded Entity:	City of Oakland — MLK, E12th, and Mosswood
ERF Program Funds Awarded:	\$7,216,307.00
Funded Activities:	The City of Oakland, in partnership with Alameda County, will fund a hotel conversion. The city will transition approximately 200 encampment residents to interim shelter

	and subsequently permanent housing utilizing leveraged Homekey permanent supportive housing units.
--	--

County:	Los Angeles
Awarded Entity:	Los Angeles County — I-605, I-105, and I-710 Zones
ERF Program Funds Awarded:	\$51,554,398.92
Funded Activities:	The County of Los Angeles will address encampments across six zones along I-605, I-105, and I-710, where 254 individuals currently reside, and connect them to interim and permanent housing. The funding plan includes 203 motel-based interim housing units and permanent housing for 446 individuals through time-limited subsidies and master leasing.

County:	Nevada
Awarded Entity:	Nevada County — Hwy 20
ERF Program Funds Awarded:	\$2,508,622.54
Funded Activities:	Nevada County will address the encampment on the Brunswick Basin, a 0.7 mile square mile radius area located between the City of Grass Valley and The City of Nevada City. There are 50 individuals, with a potential inflow of 100 individuals. The proposal includes expanded interim shelter through motel stays, case management, rental assistance for 20 individuals/year, and a Landlord Liaison Team to secure housing placements.

County:	Santa Cruz
Awarded Entity:	City of Santa Cruz — Coral St and Harvey West Blvd
ERF Program Funds Awarded:	\$4,032,184.38
Funded Activities:	The City of Santa Cruz will address the Coral Street and Harvey West encampments and connect 55 individuals to interim and permanent housing. The funding plan includes 20 new non-congregate shelter units, expanding outreach

	and navigation services, and permanent housing for 30 individuals.
--	--

County:	Fresno
Awarded Entity:	City of Fresno — Downtown and State Route 41
ERF Program Funds Awarded:	\$10,926,075.48
Funded Activities:	The City of Fresno will build on the two previous rounds of ERF funding. The funding plan will address encampments along the State Route 41 corridor, where 250 individuals currently reside, and serve a total of 600 individuals throughout the grant period. The proposal includes adding 30 dedicated shelter beds on top of 65 beds funded in previous ERF projects through Hope Pointe and Village of Hope, expanding navigation, mental health, and housing stability services, and adding an additional 100 dedicated permanent housing placements. The City of Fresno will build on the previous rounds of ERF funding, sustaining those initiatives and leveraging Cal AIM, ARPA and other private sector funds to support the award.

County:	Marin
Awarded Entity:	Marin County — Binford Rd Expansion
ERF Program Funds Awarded:	\$3,720,706.26
Funded Activities:	Marin County will address the Binford Road encampment, where 98 individuals currently reside, and serve a total of 110 individuals throughout the grant period. The county will build off an existing ERF 2 funded project by adding housing-based case managers to help connect people to permanent supportive housing, additional outreach staff, and interim shelter options through safe parking and motel vouchers. The county will leverage an RV buyback program, the existing ERF 2 project, and housing vouchers. The proposal will serve 110 individuals, with 90 projected to be permanently housed.

County:	Humboldt
Awarded Entity:	Humboldt County CoC — Redwood Drive
ERF Program Funds Awarded:	\$3,498,431.13
Funded Activities:	Humboldt County CoC's funding plan includes a 10-15 unit pallet shelter site set up in a campground model with shared laundry, shower, and services space, and 50 beds of rapid rehousing, including staffing to support encampment resident placement and navigation in permanent housing. The award will serve 110 people and permanently house 50 people.

County:	San Bernardino
Awarded Entity:	City of San Bernardino — Waterman Ave
ERF Program Funds Awarded:	\$4,569,511.00
Funded Activities:	The City of San Bernardino will address the Waterman Avenue encampment, where 200 individuals currently reside, and connect 110 people to interim and permanent housing. The funding plan includes 50 interim housing placements through beds at a recovery center and a motel-based shelter and permanent housing for 60 individuals via through six-month rapid rehousing rental subsidies and board and care units.

County:	Ventura
Awarded Entity:	City of Ojai — City Hall
ERF Program Funds Awarded:	\$12,667,461.04
Funded Activities:	The City of Ojai will address the Ojai City Hall encampment, where 30 individuals currently reside, and serve a total of 38 individuals. The funding plan includes 20 permanent supportive housing units and interim shelter for 18 individuals through motel vouchers with wraparound services while the site is being developed.

County:	Santa Barbara
Awarded Entity:	Santa Barbara County — Vehicles
ERF Program Funds Awarded:	\$7,975,380.00
Funded Activities:	Santa Barbara County will address 21 vehicle encampments, where 306 individuals currently reside, and serve a total of 300 individuals. The award will fund outreach and service coordination tailored to people residing in vehicles, additional safe parking program slots, and rapid rehousing. The award will serve 300 people and permanently house 150 people.

Window 2 (funded by ERF 3R and ERF 4L)

County:	Contra Costa
Awarded Entity:	Contra Costa – Raley's encampment San Pablo
ERF Program Funds Awarded:	\$5,708,516.21
Funded Activities:	Contra Costa County, in partnership with the City of San Pablo, will provide interim housing and permanent housing options that vary to meet the diverse needs and preferences of the 50 residents living in an encampment on city property that has been in place for 12 years.

County:	Contra Costa
Awarded Entity:	City of Richmond – Homeless Encampment Corridor
ERF Program Funds Awarded:	\$9,336,746.00
Funded Activities:	The city of Richmond proposes to serve 165 encampment residents through with a comprehensive, cohort-based mix of job placement vocational training opportunities, prevention/diversion, and Interim/Permanent housing opportunities. The project aims to transition 90 people into permanent housing and 105 into interim housing. Funds are requested for rental subsidies, flex funds for diversion, and personnel to run the suite of offered services.

County:	Santa Clara
Awarded Entity:	City of San Jose – Cherry Avenue
ERF Program Funds Awarded:	\$4,821,082.88
Funded Activities:	The City of San Jose will address an encampment that is located in an area with Federal and State protected water resources, 2 percolation ponds, and that goes under an overpass of SR 85. In total, the project would serve up to 150 people through targeted outreach, interim housing, case management, housing problem solving, and permanent housing solutions.

County:	Tulare
Awarded Entity:	City of Visalia – Hwy 198 and State Route 63 Majestic
ERF Program Funds Awarded:	\$3,000,000.00
Funded Activities:	Visalia proposes to fund final costs associated with development and operations of Navigation Center, as well as a small percentage of construction costs on motel conversion to Permanent Supportive Housing, along with RRH and permanent housing subsidies.
County:	Sacramento
Awarded Entity:	City of Sacramento — Parkway Rapid Rehousing
ERF Program Funds Awarded:	\$5,846,242.50
Funded Activities:	The City of Sacramento will permanently house 100 individuals residing in an encampment by providing a combination of case management support, up to 24 months of rental assistance per household, and landlord incentives.

County:	Alameda
Awarded Entity:	City of Berkeley — 2nd St
ERF Program Funds Awarded:	\$5,395,637.04
Funded Activities:	The City of Berkeley will master lease a 26-bed hotel for interim housing to transition the encampment residents to

	the new interim housing while waiting for coordinated entry resources or using flex funding to permanently house residents.
--	---

County:	Riverside
Awarded Entity:	Riverside — Murrieta Creek
ERF Program Funds Awarded:	\$12,612,778.95
Funded Activities:	Riverside County will serve 60 encampment residents living in unincorporated Murietta, Wildomare, and Lake Elsinore using targeted outreach, interim/bridge housing, time limited subsidies and Housing Choice Vouchers.

County:	Sonoma
Awarded Entity:	City of Petaluma — Hwy 101
ERF Program Funds Awarded:	\$8,098,978.00
Funded Activities:	The City of Petaluma will expand outreach to an encampment on the state right of way and will provide housing to adults and children residing there, The project will also expand the city's interim housing options. Over the term of the grant, this project will permanently house 75 people.

County:	Contra Costa
Awarded Entity:	City of Antioch — Sunset Drive
ERF Program Funds Awarded:	\$6,812,686.00
Funded Activities:	Using a dedicated outreach team and a motel master lease, the City of Antioch will move 32 people into interim housing, and is budgeting for ten 24-month vouchers along with move in support for eight people who go through coordinated entry and four more who find other permanent housing options.

County:	Los Angeles
Awarded Entity:	City of Los Angeles — Arroyo Seco Parkway
ERF Program Funds Awarded:	\$6,309,880.50
Funded Activities:	The City of Los Angeles will provide interim housing, outreach and navigation, and rapid rehousing subsidies to 70 individuals in an encampment site along a Caltrans state right of way.

County:	Los Angeles
Awarded Entity:	City of Los Angeles — San Fernando Osbourne
ERF Program Funds Awarded:	\$5,041,400.16
Funded Activities:	The City of Los Angeles will provide intensive outreach, interim housing, and housing navigation services to connect 125 individuals in an RV encampment to permanent housing. The project will also fund time-limited rental subsidies.

County:	San Francisco
Awarded Entity:	San Francisco — Bayview Encampment
ERF Program Funds Awarded:	\$7,975,486.41
Funded Activities:	The County of San Francisco proposes creating a 60 unit tiny home, and 20 space RV interim housing project called Jerrold Commons to provide housing for residents of an encampment in the Bayview Neighborhood of San Francisco. Outreach teams will engage residents to connect them to interim and/or permanent housing utilizing coordinated entry system resources.

County:	Humboldt
Awarded Entity:	Humboldt CoC — Arcata
ERF Program Funds Awarded:	\$3,784,294.00
Funded Activities:	The Humboldt CoC's project will provide targeted outreach to an encampment, fund pallet shelter interim housing expansion, and fund housing "vouchers" to facilitate

	permanent housing placement. The project will shelter 45 residents and permanently house 35 residents during the term of the grant.
--	---

County:	San Bernardino
Awarded Entity:	City of Redlands — Santa Ana River
ERF Program Funds Awarded:	\$5,341,800.00
Funded Activities:	The City of Redlands project will provide funding for shelter and rapid rehousing, and fund outreach staff and maintenance workers serving the residents of an encampment in the Santa Ana River bottom. The project will serve 100 individuals by providing a clear path to permanent housing.

County:	San Diego
Awarded Entity:	City of Carlsbad — Village and Barrio
ERF Program Funds Awarded:	\$2,994,224.71
Funded Activities:	The City of Carlsbad will outreach, engage, and connect 150 encampment residents to interim and permanent housing pathways. The city is seeking to address encampments where residents are living in vehicles (cars and RVs). The city developed its proposal through focus groups with encampment residents and persons with lived experience, and it includes rapid rehousing, housing vouchers, and family reunification assistance.

County:	San Bernardino
Awarded Entity:	City of Victorville — I-15 and Hwy 18
ERF Program Funds Awarded:	\$6,365,069.60
Funded Activities:	The City of Victorville will provide interim housing to 200 encampment residents through their recently developed wellness center and permanently house 100 encampment residents through housing navigation and rapid rehousing. The project will fund operating subsidies for the

	community's wellness center and the rapid rehousing program for encampment residents.
--	---

County:	Riverside
Awarded Entity:	City of Palm Springs — Palm Canyon Wash
ERF Program Funds Awarded:	\$5,106,730.65
Funded Activities:	The City of Palm Springs will provide interim and permanent housing resources to 50 residents of an encampment in a desert canyon. The city engaged and surveyed the residents in the design of its proposal. The project will fund modular non-congregate interim sites, motel stays, outreach and housing specialists, time limited subsidies, and support for accessing permanent supportive housing in the form of security deposits, move-in furniture, etc.

County:	San Bernardino
Awarded Entity:	San Bernardino — Highland Ave Corridor
ERF Program Funds Awarded:	\$11,000,000.00
Funded Activities:	San Bernardino County will expand outreach and provide interim and permanent housing options for people encamped on a 7-mile corridor. Outcomes could be as high as 105 people moved into permanent housing through the project. The project will also fund 25 interim housing cabins and 25 “tiny home” permanent housing units.

County:	Sacramento
Awarded Entity:	City of Sacramento — Parkway Roseville Rd Campus
ERF Program Funds Awarded:	\$12,353,418.09
Funded Activities:	The City of Sacramento will expand interim housing opportunities to accommodate the 497 residents of an encampment near its Roseville Road campus. The city will also create Rapid Rehousing programming to accommodate 100 encampment residents transitioning to

	permanent housing. The project leverages community outreach teams and other funds to support this expansion project.
--	--

County:	Los Angeles
Awarded Entity:	Pasadena CoC — Metro and Scatter Site
ERF Program Funds Awarded:	\$2,772,800.53
Funded Activities:	City of Pasadena proposes to continue a model developed with its Round 2 funding for outreach targeting eight encampments with high need populations for transition to motel-based interim housing and other interim options, and to connect them to housing navigation that will yield permanent housing placements for 24 people.

Window 3 (funded by ERF 4L)

County:	Los Angeles
Awarded Entity:	City of Los Angeles – I-10
ERF Program Funds Awarded:	\$45,226,723.00
Funded Activities:	The City of Los Angeles will serve 350 people living in encampments along the I-10 Freeway in the South Central neighborhood of LA. 140 people will be permanently housed through a variety of housing interventions, including a master lease program.

County:	San Diego
Awarded Entity:	City of Vista – State Route 78
ERF Program Funds Awarded:	\$7,800,942.09
Funded Activities:	The City of Vista will serve 300 people and permanently house 150 people using a Safe Parking Program supported by wrap-around services, master leasing, shared housing, and rapid rehousing assistance.

County:	Los Angeles
Awarded Entity:	City of Long Beach – Los Angeles Riverbed
ERF Program Funds Awarded:	\$11,051,737.20
Funded Activities:	The City of Long Beach, in partnership with the Long Beach CoC, will permanently house 174 people through 100 new rapid rehousing slots, 30 Housing Choice Vouchers, and access to Permanent Supportive Housing with intensive case management, ensuring 95% housing retention for at least two years.

County:	Tulare
Awarded Entity:	City of Visalia – Hwy 198 and State Route 63 Sequoia Village
ERF Program Funds Awarded:	\$3,103,963.00
Funded Activities:	The City of Visalia will serve 126 individuals in prioritized encampments, including daily meal services and case management to support stabilization. The permanent housing strategy involves converting a motel into 41 units of permanent housing, with 19 units subsidized for 24 months, and rapid rehousing services will help 100 households find permanent housing.

County:	Lake
Awarded Entity:	Lake County CoC – Clear Lake
ERF Program Funds Awarded:	\$1,514,618.00
Funded Activities:	Lake County CoC will serve 300 individuals by providing interim and permanent housing. The strategy for permanent housing involves securing private landlord-offered units, with subsidies, along with at least 5 new permanent units for chronically homeless individuals and families, along with supportive services.

County:	Ventura
Awarded Entity:	City of Fillmore – State Route 23
ERF Program Funds Awarded:	\$1,496,069.40
Funded Activities:	The City of Fillmore will provide permanent supportive housing and case management to 20 individuals, including connection to health care and behavioral health services.

County:	San Diego
Awarded Entity:	San Diego City and County CoC – State Route 94
ERF Program Funds Awarded:	\$8,388,375.00
Funded Activities:	The San Diego CoC will serve 170 people living in encampments in Lemon Grove through rapid rehousing subsidies paired with landlord recruitment and tenancy services, while 27 individuals will secure housing through one-time diversion assistance. The project also leverages the Regional Flexible Housing Pool to provide access to private rental units and reduce barriers to housing.

County:	Los Angeles
Awarded Entity:	City of Los Angeles – LA River Expansion
ERF Program Funds Awarded:	\$4,011,357.95
Funded Activities:	Council District 4 in the City of Los Angeles will serve 90 individuals leveraging 30 interim housing slots, connecting them to housing and case management services, mental health care, substance use care, employment services, and benefits. The strategy for permanent housing focuses on using 60 time-limited subsidy slots to provide street-to-home housing placements, with ongoing case management to support long-term stability.

County:	Los Angeles
Awarded Entity:	City of Los Angeles – Hollywood Blvd
ERF Program Funds Awarded:	\$7,123,956.51
Funded Activities:	The City of Los Angeles will serve an area of encampments in the Hollywood area, located between Highland Boulevard and Western Avenue (West to East), and Franklin Avenue to Santa Monica Boulevard (North to South). The project strategy involves moving people into one of the nine interim housing sites overseen by the Council District, while preparing individuals for permanent housing by providing vital documents, and access to essential services (mental health, substance abuse, and hygiene) and connecting them to the county's Continuum of Care, with an expected 160 available permanent housing placements.

County:	Ventura
Awarded Entity:	City of Camarillo – Pleasant Valley Rd
ERF Program Funds Awarded:	\$7,305,292.89
Funded Activities:	The City of Camarillo will assist 17 individuals living in motor homes at the prioritized encampment. The plan includes constructing 9 units of permanent supportive housing (PSH) by March 2027. Clients will be transitioned into permanent housing either at the new PSH or other PSH under construction, including two apartment complexes. Interim shelter will also be provided through hotel vouchers, along with comprehensive wrap-around services such as healthcare and behavioral health services.

County:	Merced
Awarded Entity:	Merced City and County CoC – Atwater
ERF Program Funds Awarded:	\$3,267,633.60
Funded Activities:	The Merced City and County CoC will serve 27 individuals at a prioritized encampment in Atwater. Residents will

	transition to interim shelter through a master lease at the nearby Valley Inn motel. The permanent housing strategy involves Rapid Rehousing into dedicated affordable housing units. Additionally, the project includes up to two years of post-placement case management to ensure stability and long-term success.
--	---

County:	San Mateo
Awarded Entity:	City of Redwood City – State Route 84
ERF Program Funds Awarded:	\$2,850,628.24
Funded Activities:	<p>The city of Redwood City will serve 70 individuals in the prioritized encampments. Residents will transition to interim housing using on-demand units, hotel respite programs, and non-congregate, low-barrier shelters.</p> <p>Permanent housing strategy includes flexible housing subsidies, permanent supportive housing vouchers. Individuals will receive two years of intensive case management and housing subsidies post-placement to ensure housing stability and prevent returns to homelessness.</p>

County:	Stanislaus
Awarded Entity:	City of Modesto – Yosemite Boulevard
ERF Program Funds Awarded:	\$5,757,847.00
Funded Activities:	<p>The City of Modesto will serve 140 individuals residing in a prioritized encampment along Yosemite Boulevard. Interim housing will be offered through two providers, featuring case management and housing navigation services. The permanent housing strategy includes a rapid rehousing program, providing permanent supportive housing, housing vouchers, landlord engagement, deposit assistance, habitability items and 12 months of rental assistance.</p>

County:	Ventura
Awarded Entity:	City of San Buenaventura – Harbor Blvd
ERF Program Funds Awarded:	\$9,811,345.17
Funded Activities:	The City of San Buenaventura will serve 60 individuals from a prioritized encampment. 15 renovated rooms at the Valentine Road site will provide interim housing, offering case management and service coordination while permanent housing is being developed. The project includes constructing 30 permanent supportive housing units at Pasteur Drive. Residents will receive case management, rental assistance, and access to supportive services.
