Section 1. Program Overview

Section 1.1 Notice of Funding Availability (NOFA)

The California Department of Housing and Community Development (HCD) is pleased to announce the availability of approximately \$28.5 million in Tribal Homeless Housing, Assistance and Prevention (Tribal HHAP) grant funding. These funds are available for California Federally Recognized Tribes and are designed to be flexible to meet the unique needs of each community in their goals to prevent and end homelessness.

Since its creation in 2022, the Tribal HHAP Program has been developed in collaboration with California Federally Recognized Tribes and other key stakeholders. Pursuant to Health and Safety Code (HSC) section 50157, and in accordance with subdivision (e) of Section 50231, administrative responsibility for the program transitioned from the California Interagency Council on Homelessness (Cal ICH) to HCD in July 2024. As part of this transition HCD will continue to reflect the state's commitment to strengthening support for Tribal communities and ensuring the program remains responsive to Tribal priorities and governance structures.

Tribal HHAP is a dedicated Tribal set-aside within the broader Homeless Housing, Assistance and Prevention (HHAP) Program developed specifically for—and in partnership with—California Federally Recognized Tribes. Through direct consultation and feedback, HCD aims to continue improving access, alignment, and culturally responsive implementation of these funds.

Section 1.2 Applicable Laws

This document provides HCD's guidelines for administering the Tribal HHAP Program and explains the program and procedures. Tribal HHAP, including the terms, conditions, forms, procedures, and other mechanisms that HCD deems necessary to administer Tribal HHAP, are not subject to the rulemaking provisions of the Administrative Procedure Act. (HSC section 50232(h).) The guidelines in this document are considered to have "the dignity of statutes." (*Ramirez v. Yosemite Water Company, Inc.* (1999) 20 Cal. 4th 785, 799.)

Tribal HHAP was originally created by [Assembly Bill \(AB\) No. 140](#) (2021-2022 Reg. Sess.), which was signed into law by Governor Gavin Newsom on July 19, 2021. Tribal HHAP Round 4 is authorized by Section 13 of [AB No. 166](#) (Chapter 48 Statutes of 2024; Health and Safety Code (HSC) Section 50239, et seq.) which was signed into law by Governor Newsom on July 2, 2024. State funding for housing and homelessness is subject to the Welfare & Institutions Code, Section 8255, which includes programs and services be provided with Housing First philosophy and principles.

The application materials submitted in response to this NOFA are public records available for public review pursuant to the California Public Records Act (CPRA). After final awards have been issued, HCD may be legally required to disclose materials provided by the Applicant to any person making a request under the CPRA.

See Section 5: Appendix for references to key statutes that support Tribal HHAP implementation and guidance.

Section 1.3 Timeline

January – March 2025	Initial Outreach	HCD sought feedback from Tribal partners through government-to-government consultations and public listening sessions to inform revisions to the NOFA and application. These sessions offered Tribes the opportunity to share concerns, submit comments, and help ensure the program reflects community-defined priorities.
June 10, 2025	Release of DRAFT NOFA	Release of the Draft Tribal HHAP Round 4 Notice of Funding Availability (NOFA) and Standard Agreement boilerplate, followed by a 30-day public comment period. Comments may be submitted to TribalHHAP@hcd.ca.gov .
July 10, 2025	Comment Deadline	Deadline to submit comments on the Draft Tribal HHAP Round 4 NOFA and Standard Agreement boilerplate.
September 30, 2025	Release of FINAL NOFA	Final Tribal HHAP Round 4 NOFA, application, and Standard Agreement boilerplate released following review of submitted comments.
January 16, 2026	Application Deadline	Final applications due to HCD by 5:00 PM PDT. Applicants will receive an acknowledgment of receipt.
February 2026	Application Follow Up	HCD may contact Applicants with questions necessary to finalize review and approval of submitted applications.
March 2026	Allocation & Conditional Awards	If more than \$28.5 million in applications is received, an allocation formula based on need will be applied. See Section 3.2 for details on the allocation formula and process. After determining allocations available to each Applicant, HCD will inform Tribes of their allocations through a conditional award.
March – May 2026	Budget Revision & Disbursement	Following conditional awards, Tribes will provide a revised budget based on the allocation for HCD approval. Upon approval of the revised budget and execution of the Standard Agreements, payments will be disbursed. The goal for the payment of the grant award is April 2026; however, the actual date may vary, depending on the speed in which the contract and paperwork are completed by the Applicant.

Annual program reports include:

- Fiscal data of program funds obligated and expended in each eligible use category
- Narrative information about project progress
- Aggregate data regarding the individuals served and their outcomes in each eligible use category

Reporting Schedule

Report Type	Report Period Through	Report Template Given to Grantees	Report Due

Draft annual report templates are available for viewing in advance of Tribal HHAP Application submission. HCD may request additional information separately from the annual reports as needed.

Please note that data entry into a Homeless Management Information System (HMIS) is not required for Tribal HHAP. If a Tribe who is applying for Tribal HHAP has an active data sharing agreement for their nation, it is requested they submit the agreement with their Tribal HHAP Application.

Section 3.2 Application Approval, Allocation Methodology, and Award Process

Application Approval

After applications are submitted, HCD may follow up with Applicants to verify eligibility, clarify proposed activities and budgets, and ensure all required materials have been provided.

Allocation Methodology

If total requested funding **does not exceed** the amount available under this NOFA, all eligible Applicants will receive their full requested amount, subject to application approval. In accordance with Health and [Safety Code Section 50241\(a\)\(3\)\(A\)](#), if the total amount requested by all eligible and approved Applicants exceeds the amount available under this NOFA, HCD will apply a proportional allocation methodology based on each Applicant's demonstrated need relative to all Tribes that apply.

If funding requests exceed the allocated amount available under this NOFA, the following methodology will be utilized to distribute the funds:

1. Base Award: Seventy-five percent (75%) of the total THHAP R4 funds will be allocated as base awards, divided equally among all eligible Applicants.
2. Proportional Award Based on Need: Following the distribution of base awards,

twenty-five percent (25%) of the total THHAP R4 funds will be allocated based on community need. Community need will be determined by the Applicant's reported eligible community size and estimated number of people to be served, along with any other federal, state, or other funding sources received within the last three (3) years to address your housing and homelessness needs. HCD staff will review and verify this information for accuracy.

3. Maximum Award Cap: Depending on the volume of applications received, HCD may impose a maximum cap of \$1.5 million. Any awarded funds exceeding this cap will be redistributed among Applicants who have not yet reached the cap or received their full requested amount.

Award Notification and Budget Adjustment

Once applications are approved and award amounts determined, HCD will issue **conditional award letters** notifying each Tribe of its funding amount. If a Tribe receives less than its requested amount due to the proportional allocation formula, it must submit a **revised budget** reflecting the awarded amount, subject to HCD approval.

Standard Agreement Execution

Following conditional awards, or full awards, as applicable, HCD will then prepare and issue the Standard Agreement for signature and execution. **Please note that the Tribal HHAP's Standard Agreement does not require a waiver of sovereign immunity as a condition of receiving grant funds.**

Disbursement of Funds

Awarded funds will be disbursed in a one-time payment directly to the California Federally Recognized Tribe upon the completion of the following:

- Signed and executed STD 213 Standard Agreement
- If an allocation formula was applied and the Tribe was not awarded the original requested amount from their revised budget, they must have submitted a revised budget within the awarded amount, and it must be approved by HCD.

Section 3.3 Appeals

HCD's decision to approve or deny an application, as well as the determination of the funding amount, shall be final and not subject to appeal. ([HSC section 50239\(e\)](#)).

Section 4. Miscellaneous Information

Section 4.1 Culturally Responsive Technical Assistance

The Tribal HHAP team will provide technical assistance and application support to assist

California Federally Recognized Tribes with their applications and award implementation. Additionally, HCD makes available culturally responsive technical assistance to support Tribal communities in their goals to address and prevent homelessness with respect for self-determination.

To be connected with technical assistance, please contact: TribalHHAP@hcd.ca.gov.

Section 4.2 Further Information

Additional information and updates such as the application, a list of upcoming workshops, and resources can be found on the Tribal Program [website](#). You may contact Amy Lopez, Tribal HHAP Program Manager, at Amy.Lopez@hcd.ca.gov or TribalHHAP@hcd.ca.gov.

For additional information, or to request a consultation or a presentation on Tribal HHAP for your community or Tribal Council, please contact us at TribalHHAP@hcd.ca.gov.

Section 4.3 Requests for Program Flexibility

In accordance with Health and Safety Code [Section 50406\(p\)](#), and as expanded under AB 1878, HCD recognizes the unique legal, cultural, and governance structures of California Federally Recognized Tribes. As such, HCD may modify or waive standard program requirements to prevent administrative or legal barriers to Tribal participation in Tribal HHAP Round 4. Tribal Applicants may request flexibility in areas including, but not limited to, instrument recordation, security and title insurance requirements, affordability thresholds, target population definitions, service area delineations, housing element compliance, income limits, and timeline requirements. **Additionally, consistent with Section 50469, HCD does not require a waiver of tribal sovereign immunity as a condition of receiving funds under this NOFA.** These flexibilities are designed to ensure that Tribal Applicants can fully access and implement the Tribal HHAP Program in a manner consistent with their laws, customs, and self-determined priorities. Requests for program flexibility must be submitted in writing, with sufficient explanation of the Tribal legal or structural circumstances necessitating the request.

The department shall not award more than 40 percent of the allocation made pursuant to this subparagraph to a continuum of care.

(B) Forty-two percent of the funds described in this paragraph shall be available to each city, or a city that is also a county, that has a population of 300,000 or more, as of January 1, 2022, according to data published on the Department of Finance's internet website. (C) Twenty-eight percent of the funds described in this paragraph shall be available to each county. The department shall calculate the allocation to a county based on the county's proportionate share of the total homeless population of the region served by the continuum of care within which the county is located, based on the homeless point-in-time count.
