4. **Availability of Funds**

- A. The Department's provision of funding to Subrecipient pursuant to this Agreement is contingent on the availability of IRPP funds and subject to the requirements that the Department must spend 80% of program funds to benefit the MID and must meet the requirement of 70% of grant-wide funds for LMI benefit, but should strive for 100%, and continued federal and state authorization for IRPP activities. D. Disencumbering of Surplus Funds

The Subrecipient agrees that funds determined by the Department to be surplus upon completion of the Approved Activity, or that have not been spent on eligible costs prior to the Agreement Expiration Date, will be subject to disencumbrance by the Department.

E. Indirect Costs

The Department will consider reimbursement of indirect cost expenditures from Subrecipients that have an approved Indirect Cost Rate Proposal from the Department, HUD, or other cognizant federal agency. If Subrecipient does not have an approved Indirect Cost Rate Proposal, Subrecipient may utilize the de minimis rate as allowable per 2 CFR 200.414 which may be used indefinitely or until the Subrecipient chooses to negotiate for a new rate based on an indirect cost proposal prior to submission of Financial Reports for reimbursement of indirect cost expenditures. Procedures for establishing an indirect cost rate can be found at 2 CFR 200.414. All indirect costs that may be reimbursed with grant funds should be shown separately on Exhibit F, Budget Worksheet.

F. Compliance with the OMB Uniform Guidance Audit Requirements

EXHIBIT B

Grant funds will not be disbursed to any Subrecipient identified by the State Controller's Office (SCO) as non-compliant with the Federal Single Audit Act, as described in the OMB Uniform Guidance and 2 CFR Part 200 Sub-Part F. No funds may be disbursed until compliance with the Uniform Guidance is demonstrated to the satisfaction of the Department.

G. **Grant Administration**

The Subrecipient agrees to administer this Agreement in accordance with the provisions of Section 7097 through and including Section 7126 of Title 25 of the California Code of Regulations.

6. **Method of Payment**

Payments will be made directly to the Subrecipient as reimbursements based on the documented and satisfactory completion of agreed-upon performance milestones detailed in Subrecipient Section 2, Scope of Work as indicated in Exhibit A, and confirmation of Subrecipient's compliance with the terms of this Agreement. No funds will be advanced to the Subrecipient by the Department.

Financial Reports must be submitted electronically through Grants Network. The Department will not authorize payments or reimbursements unless it has determined that the activities indicated in the Financial Report have been performed in compliance with the terms of this Agreement and any other agreements executed by the parties in connection herewith. Except for the Final Financial Report (see Section 6.B below), Financial Reports shall be submitted by the Subrecipient to the Department no less frequently than monthly by the 10th of each month or as indicated in the 2023/2024 IRPP Policies and Procedures manual.

- 2) Activity Delivery Costs expenditures shall be paid only after such costs are expended for approved Work satisfactorily completed, provided the Department determines that the Performance Milestones in this Agreement are on track.
- 3) To receive reimbursement for Approved Activities, the Subrecipient must timely submit all required Department forms and necessary supporting documentation via Grants Network. Financial Reports must include the

EXHIBIT B

level of documentation specified by the Department in the Department's Grant Administration Manual, and any associated Financial Management memos, located on the Department's website, in order to be reviewed and processed.

B. **Final Financial Reports**

- 1) The Final Financial Report for the Subrecipient Award must be submitted to the Department at least one-hundred-twenty (120) days prior to the Agreement Expiration Date of this Agreement.
- 2) If the Final Financial Report for funds expended during the term of this Agreement has not been received by the Department by the deadline cited in Section 6.B.1 of this Exhibit, the Department may disencumber any funds remaining in which case grant funds will no longer be available to the Subrecipient and may be repurposed by the Department without notice.

7. **Recapture of Funds**

A Subrecipient may be required to repay all or a portion of the funds received from the Department, including Activity Delivery, pursuant to this Agreement if the Subrecipient, among other things, does not fulfill its obligations under this Agreement or fails to meet applicable federal requirements. The reasons for a recapture of funds by the Department include, but are not limited to, the following:

- A. The Subrecipient does not comply with the terms of this Agreement, or any agreement executed by the Subrecipient and the Department in connection herewith.
- B. The Subrecipient withdraws from the program prior to completion of the Project(s) or Activity(ies).
- C. The Subrecipient fails to meet a National Objective, if applicable. The potential recapture of funds pursuant to this provision is in addition to, and not in lieu of, any other rights and remedies of the Department under this Agreement. Subrecipient's obligations to repay the Department pursuant to this provision shall survive the expiration or earlier termination of this Agreement.

8. **Project Budget Revisions and Amendments**

Budget line-item adjustments may be made in accordance with the following:

- A. Budget Revisions: Adjustments to the Budget that do not require an increase or

EXHIBIT B

reduction of total activity budget, a change in National Objective, or a change in the type or a reduction in number of beneficiaries assisted may be completed as a Budget Revision. Budget Revisions shall include but not be limited to:

- 1) Adjustments that reallocate funds between budget line items
- 2) Adjustments that increase or decrease the detail included in the submitted lined item budgets, including adding and removing budget line items, without increasing or decreasing the scope of work and without changing the overall budget.

Budget Revisions must be approved by the Department prior to implementation. Approval shall be provided either through the online grant management system, or in writing, as appropriate. If approved, Budget Revisions shall automatically be deemed a part of, and incorporated into, this Agreement. Project budget revisions must be submitted through Grants Network and subsequently approved by the Department prior to implementation. Approval shall be provided through Grants Network.

- B. Agreement Budget Amendments: Adjustments to the Subrecipient Award that result in an increased or a reduced total award amount shall require an Agreement amendment. Agreement amendments must be fully executed by both the Subrecipient and the Department prior to implementation.

9. **Approved Activity Closeout Procedures**

Once the Approved Activity is completed, the Subrecipient must submit the following to the Department at least one-hundred-twenty (120) days prior to the Agreement Expiration Date.

- 1) Per Section 6.B of this Exhibit, the Final Activity Report (Project Completion Report) shall be submitted at least one-hundred-twenty (120) days prior to the Agreement Expiration Date. The Final Activity Report must include all required reporting data for the Activity including but not limited to eligible activities, costs, beneficiaries, and National Objective;
- 2) A copy of the produced plan;
- 3) If applicable, Final Labor Standards Report as described in Exhibit D(18)(A) herein;
- 4) Signed Closeout Memo asserting all conditions have been met;
- 5) Evidence, satisfactory to the Department, of compliance with any other

EXHIBIT B

Special Conditions of this Agreement; and

- 6) A resolution from the governing body of the Subrecipient acknowledging the accomplishments of the Approved Activity and confirming that the Approved Activity is complete and that all Financial Reports have been submitted.

Upon receipt and approval of the above documentation, the Department will close the Activity and finalize the activity in DRGR for final reporting to HUD.

10. **Document Retention Policy**

Subrecipient shall retain all books, records, accounts, documentation, and all other materials relevant to this Agreement for a minimum period of five (5) years after the Department notifies the Subrecipient that the applicable grant agreement between HUD and the State of California has been closed.

2. **National Objectives**

In accordance with 24 CFR 570.208, Section 104(b)(3) of the Housing and Community Development Act of 1974, as further outlined within the waivers and alternative requirements at Federal Register Notice 90 FR 1754, all CDBG-DR funded activities must meet a National Objective, with the exception of Planning activities.

Planning activities do not require a National Objective to be established. HUD's Federal Register Notice 90 FR 1754 governing the DR allocation describes Planning activities as addressing the National Objectives.

3. **Duplication of Benefits**

A Duplication of Benefits (DOB) occurs when a person, household, business, or other entity receives disaster assistance from multiple sources for a cumulative amount that exceeds the total need for a particular recovery purpose. The amount of the duplication is the amount of assistance provided in excess of the total need for the same purpose. It is the Department's responsibility to ensure that the CDBG-DR IRPP provides assistance only to the extent that the disaster recovery need has not been fully met by funds that have already been paid, or will be paid, from another source.

EXHIBIT D

The Subrecipient must report all funds obtained for the same Approved Activity from any source from the date of the disaster until the Approved Activity is completed.

The Subrecipient agrees to repay to the Department immediately upon demand any assistance later received for the same purpose as the CDBG-DR IRPP funds and that exceeds the total need for the particular recovery purpose. This obligation is continual and shall survive the expiration or earlier termination of this Agreement.

A. **Remedies for Noncompliance:** In addition to any other rights and remedies the Department may have under this Agreement, at law or in equity, the Department may initiate remedies for noncompliance as identified in 2 CFR 200.339 at any time it has been determined that the Subrecipient is no longer meeting the terms and conditions of this Agreement. Remedies for noncompliance may be required in addition to, in lieu of, or prior to termination. Such remedies for noncompliance with a federal statute or regulation, a state statute or regulation, an assurance, in a state plan or application, or elsewhere may include without limitation, the following rights and remedies available to the Department:

- 1) Temporarily withhold cash payments pending correction of the deficiency by the Subrecipient.
- 2) Disallow all or part of the cost of the action not in compliance.
- 3) Wholly or partly suspend or terminate the Subrecipient's grant funds.
- 4) Withhold further and/or future awards for CDBG-DR funds and/or any other funds administered by the Department.
- 5) Request that the Federal Awarding Agency initiate suspension or debarment proceedings.
- 6) Take any other remedies or exercise any other rights that may be legally available to the Department, such as:

In the case of costs incurred without meeting a National Objective, require repayment of all funds reimbursed and/or paid to the Subrecipient, including Activity Delivery, as appropriate.

In the case of Duplication of Benefits, require repayment of all CDBG-DR IRPP funds reimbursed and/or paid to the Subrecipient where other financial assistance was received for the same purpose or in excess of the recovery need.

EXHIBIT D

In taking an action to remedy noncompliance, the Department will provide the Subrecipient an opportunity for such hearing, appeal, or other administrative proceeding to which the Subrecipient is entitled under any statute or regulation applicable to the action involved as per 2 CFR 200.342. Such appeal shall be governed by, and conducted in accordance with, the appeal processes and procedures set forth in Section 5 herein.

- B. Effects of Suspension and Termination. Subrecipient costs resulting from obligations incurred by the Subrecipient or any of the Subrecipient's contractors during a suspension or after termination of an Agreement are not allowable unless otherwise authorized by the Department in a written notice or as allowable in 2 CFR 200.343. The enforcement remedies identified in this Section do not preclude a Subrecipient or any of the Subrecipient's contractors from being subject to 2 CFR Part 2424. CDBG-DR funds may not be provided to excluded or disqualified persons pursuant to 24 CFR 570.489(l) and 2 CFR 200.339.

The remedies available to the Department under this Agreement are cumulative and not exclusive.

- C. Termination for Noncompliance: Grant funds provided by this Agreement may be terminated in whole or in part as per federal regulation at 2 CFR 200.340 by HUD or by the Department if Subrecipient fails to comply with the terms and conditions of the Agreement that include the terms and conditions of the federal award. All terminations shall include written notification setting forth the reason(s) for such termination, the effective date, and the portion to be terminated in the case of partial terminations and will follow termination notification requirements identified in 2 CFR 200.341.
- D. Termination Without Cause: This Agreement may be terminated by the Department in whole or in part at any time without cause only with the consent of the Subrecipient. In the case of a termination of the whole Agreement, the parties shall agree upon termination conditions, including the effective date. (6) A summary of all Section 3 training opportunities or jobs provided, as applicable for covered projects.

Unless otherwise waived in writing by the Department, Monthly Activity Reports must be submitted starting on the 10th calendar day of the first full month following execution of this Agreement and must continue through the receipt and approval by the Department of the Activity Completion Report, detailed below.

- 2) Semi-Annual Labor Standards Report: During the term of construction for each Approved Activity, each April 1st and October 1st, the Subrecipient must submit the Labor Standards Cover Memo, the HUD Form 4710 and the Davis Bacon Labor Standards Report 5.7 (if applicable). These forms are located on the Department's website and are also available upon request.

25. Fiscal Controls

The Subrecipient shall be responsible for the internal control and monitoring of fiscal and programmatic/operational goals and procedures. The Subrecipient shall establish and maintain such fiscal controls and fund accounting procedures as required by Federal regulations, or as may be deemed necessary by the Department to ensure the proper disbursement of, and accounting for, funds paid to the Subrecipient under this Agreement.

- A. **Deposit of Funds**: Subrecipient shall maintain separate accounts within established bookkeeping systems for the deposit of CDBG-DR funds and Program Income. Deposits in minority banks are encouraged.
- B. **Fiscal Liability**: Subrecipients shall be liable for all amounts which are determined to be due by the Department, including but not limited to, disallowed or ineligible costs which are the result of Subrecipient's or its contractor's conduct under this Agreement. Subrecipients shall also be liable for the repayment of all amounts it has received under this Agreement and which HUD is seeking reimbursement for from the Department. Subrecipient's obligation to repay the foregoing amounts to

EXHIBIT D

the Department shall survive indefinitely the expiration or earlier termination of this Agreement. Subrecipient shall be notified in writing and shall be permitted to respond regarding any controversy or proceeding between the Department and HUD arising from this Agreement.

- C. Fiscal Records: All financial transactions must be supported by complete and verifiable source documents. Records shall provide a clear audit trail and shall be maintained as specified in Section 7 herein.

26. **Monitoring Requirements**

During the term of this Agreement, the Department may perform fiscal and/or program monitoring of the Subrecipient and Approved Activities to ensure compliance with federal and state requirements and timely Approved Activity completion. The Department monitors its Subrecipients based upon an assessment of risk posed by the Subrecipient as well as in accordance with specific monitoring criteria per 2 CFR 200.332. The Subrecipient shall be required to resolve any monitoring findings to the Department's satisfaction by the deadlines set by the Department. In the event the Subrecipient disagrees with a finding and/or any accompanying corrective actions or sanction(s) that are associated with such finding, the Subrecipient shall follow the appeals process provided by the Department as referenced in Section 5 hereof.

27. **Audit/Retention and Inspection of Records**

- A. The Subrecipient must have intact, auditable fiscal and program records at all times. If the Subrecipient is found to have missing audit reports from the California State Controller's Office (SCO) during the term of this Agreement, the Subrecipient will be required to submit a plan to the State for submitting the audit to the SCO. If the deadlines are not met, the Department may initiate remedies for noncompliance in accordance with Section 4 herein. The Subrecipient's audit completion plan is subject to prior review and approval by the Department.
- B. The Subrecipient agrees that the Department or its designee will have the right to review, obtain, and copy all records pertaining to performance of this Agreement. The Subrecipient agrees to provide the Department or its designee with any relevant information requested and shall permit the Department or its designee access to its premises, during normal business hours for the purpose of interviewing employees and inspecting and copying such books, records, accounts, and other material that may be relevant to a matter under investigation for the purpose of determining compliance with California Public Contract Code (PCC) Section 10115 et seq., Government Code (GC) Section 8546.7 and 2 CCR 1896.60, et seq., and other requirements of this Agreement. The Subrecipient further agrees to maintain such records for a minimum period of five (5) years after the Department notifies Subrecipient that the HUD/the Department contract has been closed according to the record retention requirements at 2 CFR 200.334. The Subrecipient shall comply with the caveats and be aware of the

EXHIBIT D

penalties for violations of fraud and for obstruction of investigation as set forth in Public Contract Code Section 10115.10.

- C. An expenditure which is not authorized by this Agreement, or which cannot be adequately documented shall be disallowed and must be reimbursed to the Department or its designee by the Subrecipient.
- D. Absent fraud or material error on the part of the Department, the determination by the Department of the allowability or validity of any expenditure shall be final and conclusive.
- E. For the purposes of annual audits, Subrecipient shall comply with 2 CFR Part 200 Subpart F. Pursuant to 2 CFR Part 200 Subpart F, the Subrecipient shall perform an annual audit at the close of each fiscal year in which this Agreement is in effect. The costs of the IRRP related portion of the audit may be charged to the program in accordance with Public Law 98-502, 2 CFR Part 200 Subpart F, and Title 25 CCR Section 7122.
 - 1) The audit shall be performed by a qualified State, department, local or independent auditor. The agreement/contract for audit shall include a clause which permits access by the Department to the independent auditor's working papers.
 - 2) If there are audit findings, the Subrecipient must submit a detailed response to the Department for each audit finding. The Department will review the response and, if it agrees with the response, the audit process ends, and the Department will notify the Subrecipient in writing. If the Department is not in agreement, the Subrecipient will be contacted in writing and informed what corrective actions must be taken. This action may include the repayment of disallowed costs or other remediation.
 - 3) The Department shall not approve reimbursement for any expenditures for the audit, prior to receiving an acceptable audit report.
 - 4) If so, directed by the Department upon termination of this Agreement, the Subrecipient shall cause all records, accounts, documentation, and all other materials relevant to the grant activity(ies) to be delivered to the Department as depository.
- F. Notwithstanding the foregoing, the Department will not reimburse the Subrecipient for any audit cost incurred after the expiration of this Agreement.

28. Signs

If the Subrecipient places signs stating that the Approved Activity is funded with private or public dollars and the Department is also providing financing, it shall indicate in a typeface and size commensurate with the Department's funding portion of the Approved

EXHIBIT D

Activity that the Department is a source of financing through the IRPP.

29. Insurance and Bonding

- A. The Grantee shall have and maintain in full force and effect prior to the start of work, and at all times during the term of this Agreement such forms of insurance, at such levels as may be determined by the Grantee and the Department to be necessary for specific components of the grant activity(ies) described in Exhibit F and pursuant to 2 CFR 200 sections on bonding and insurance requirements. Prior to the commencement of any work, Grantee shall provide to the Department acceptable proof(s) of insurance confirming the required insurance coverages are in effect and naming the Department as an additional insured, where applicable. No insurance policy may be cancellable on less than thirty (30) calendar days prior notice to the insured and the Department. Grantees are responsible for requiring sufficient insurance, including but not limited to liability and workers compensation insurance, from all contractors and subrecipients. Grantees are recommended to be listed as an additional insured on policies held by contractors or subrecipients for the implementation of this award. Where a Grantee insurance policy is required to be purchased specifically for the execution or implementation of the activity funded through this award, the Department must be listed as an additional insured on the declarations page of the policy.
- B. Additional Coverages. In the event that Grantee, and/or any of its Subrecipients or Contractors will be engaging in any Hazardous Activity as part of the Collective Work contemplated by this Agreement, then the party(ies) engaging in any Hazard Activity(ies) shall provide to the Department, prior to commencement of any such activity(ies), such insurance coverages in such forms and in such amounts as the Department may require in its sole discretion. Such coverages are in addition to all other insurance coverages required by this Agreement and shall be imposed on any Subrecipient and/or Contractor pursuant to the Subrecipient Agreement or Contract. For purposes of the provision, the term "Hazardous Activity" includes the following: (a) the removal, storage, and/or transportation of any "hazardous material", as such term is defined under federal, state, or local law, ordinance, regulation, or guideline, (b) the removal, storage, or transportation of lead-based paint, (c) blasting, (d) any activity which by its nature is abnormally dangerous, and (d) any "ultrahazardous activity" as defined in California case law. In addition to providing proof of such required coverages, the party(ies) engaging in the Hazardous Activity(ies) shall procure, at its expense prior to the commencement of any work, all required permits, licenses, consents, and approvals that are required for the lawful conduct of such activities and shall provide adequate written proof thereof to the Department. No Hazardous Activity work may be commenced, or contracted for, prior to the

EXHIBIT D

provision of the required insurance coverages and licensure proof to the Department.

30. Indemnification

Subrecipient, at its sole cost and expense, shall indemnify, defend, and hold the Department and its employees, representatives, attorneys, agents, and their respective successors, heirs, and assigns harmless from and against any and all claims, demands, actions, costs, losses, damages, judgments, and liabilities, whether direct or indirect, and regardless of their nature or source, which in any way relate to or arise from the actions or inactions of Subrecipient and/or its contractors, subcontractors, employees, owners, agents, and representatives in connection with this Agreement and any agreement or instruments executed in connection herewith. The obligations of Subrecipient under this Section shall survive indefinitely the closeout of Approved Activity and the expiration or earlier termination of this Agreement, and shall in no way be limited by the amount or existence of any insurance(s) potentially covering such obligations.

31. Anti-Lobbying Certification

The Subrecipient shall require that the language of this certification be included in all contracts or subcontracts entered into in connection with the Approved Activity(ies) and shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into.

Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and no more than \$100,000 for such failure.

- A. No federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- B. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

32. Conflict of Interest

24-IRPP-25001

Approved Date: 11/14/2025

Prep Date: 11/17/2025

EXHIBIT D

Pursuant to 24 CFR 570.489(h), no member, officer, or employee of the Subrecipient, or its designees or agents, no member of the governing body of the locality in which the Approved Activity is situated, and no other public official of such locality or localities who exercise or have exercised any functions or responsibilities with respect to IRPP activities assisted under this part, or who are in a position to participate in a decision making process or gain inside information with regard to such activities, including members and delegates to the Congress of the United States, may obtain a financial interest or benefit from a IRPP assisted activity, or have a financial interest in any contract, subcontract or agreement with respect to a IRPP assisted activity or its proceeds, either for themselves or those with whom they have business or immediate family ties, during their tenure, or for 1 year thereafter. The Subrecipient shall incorporate, or cause to be incorporated, in all such contracts or subcontracts a provision prohibiting such interest pursuant to the purposes of this section.

33. **Obligations of Subrecipient with Respect to Certain Third-Party Relationships**

The Subrecipient shall remain fully obligated under the provisions of this Agreement notwithstanding its designation of any third party or parties for the undertaking of all or any part of the Work with respect to which assistance is being provided under this Agreement to the Subrecipient. The Subrecipient shall comply with all lawful requirements of the Department necessary to ensure that the Work, with respect to which assistance is being provided under this Agreement to the Subrecipient, is carried out in accordance with the Department's Assurance and Certifications, including those with respect to the assumption of environmental responsibilities of the Department under Section 104(g) of the Housing and Community Development Act of 1974 [42 U.S.C. § 5304(g)].

34. **Energy Policy and Conservation Act**

This Agreement is subject to mandatory standards and policies relating to energy efficiency, which are contained in the State Energy Conservation Plan issued in compliance with the federal Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

35. **State Contracting Manual Requirements, Version April, 2022 (Section 3.11, Federally Funded Contracts (Section Rev. 04/22)):**

- A. All contracts, except for State construction projects that are funded in whole or in part by the Federal government, must contain a 30-day cancellation clause and the following provisions:
 - 1) It is mutually understood between the parties that this contract may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds to avoid program and

EXHIBIT D

fiscal delays that would occur if the contract were executed after that determination was made.

- 2) This contract is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the purpose of this Program. In addition, this contract is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this contract in any manner.
 - 3) The parties mutually agree that if the Congress does not appropriate sufficient funds for the Program, this contract shall be amended to reflect any reduction in funds.
 - 4) The Department has the option to invalidate the contract under the 30-day cancellation clause or to amend the contract to reflect any reduction in funds.
- B. Exemptions from provisions A.1 through A.4 above may be granted by the Department of Finance in its sole discretion provided that the director of the State agency can certify in writing that Federal funds are available for the term of the contract.
- C. Gov. Code § 8546.4(e) provides that State agencies receiving Federal funds shall be primarily responsible for arranging for Federally-required financial and compliance audits, and shall immediately notify the Director of Finance, the State Auditor, and the State Controller when they are required to obtain Federally-required financial and compliance audits.

36. **Fraud, Waste, and Abuse**

- A. **False, Fictitious or Fraudulent Claims** - Warning: Any person who knowingly makes a false claim or statement to HUD or the Department may be subject to civil or criminal penalties under 18 U.S.C. §287, 1001 and 31 U.S.C. §3729.
- B. **Detecting, Preventing, and Reporting Fraud** - Fraud is a white-collar crime that has a devastating effect on the CDBG-DR program because the CDBG-DR program beneficiaries are victims of this crime when the CDBG-DR program is abused. The Department wants to stop any criminal assault on the CDBG-DR program it administers, and in doing so ensure all CDBG-DR funds go to people it was designed to help and improve their living conditions.
- C. **Combatting Fraud** - The HUD Office of Inspector General (OIG) is committed to protecting HUD's programs, operations, and beneficiaries from dishonest individuals and organizations. HUD cannot combat fraud alone; they rely on

EXHIBIT D

Department and DR Workforce Development NOFA Applicants to combat CDB-DR program fraud. HUD also relies on Applicants for and people receiving HUD benefits, such as: tenants receiving rental assistance, borrowers with HUD insured loans, or citizens having their communities restored using HUD grants. The HUD OIG Hotline number is **1-800-347-3735**. This is the primary means to submit allegations of fraud, waste, abuse, mismanagement, or Whistleblower related matters for the CDBG-DR program to the OIG.

HUD OIG accepts reports of fraud, waste, abuse, or mismanagement in the CDBG-DR program from HUD employees, anyone administering the CDGB-DR program, anyone working in the CDBG-DR program, contractors, and the public.

You can report mismanagement or violations of law, rules, or regulations by HUD employees or program participants. Fraud, Waste and Abuse in the CDBG-DR program and its operation may be reported in one of the following four (4) ways:

- 1) By email to: hotline@hudoig.gov
- 2) By phone: Call toll free: 1-800-347-3735
- 3) By fax: 202-708-4829
- 4) By mail: Department of Housing & Urban Development
Office of Inspector General Hotline Manager
400 Virginia Avenue, SW, Suite 120
Washington, DC 20024

37. **Whistleblower Protections**

A. Federal Whistleblower Protection Act (5 U.S.C Section 2302(b)(8))

The Federal Whistleblower Protection Act (WPA) protects employees from retaliation for making protected disclosures. The WPA also provides penalties for supervisors who retaliate against Whistleblowers.

- 1) A disclosure is protected under the WPA if the employee discloses information the employee reasonably believes to be evidence of:
 - (a) a violation of any law, rule, or regulation,
 - (b) gross mismanagement,
 - (c) a gross waste of funds,
 - (d) an abuse of authority, or

EXHIBIT D

- (e) a substantial and specific danger to public health or safety.
- 2) In general, an employee or applicant may make a protected disclosure to anyone, including non-governmental audiences, unless the information is classified or specifically prohibited by law from release. Options for making a protected disclosure include:
- (a) Informing a supervisor or someone higher up in management,
 - (b) Submitting a complaint to the OIG by emailing the OIG at oig@ftc.gov,
 - (c) Filing a complaint with the Office of Special Counsel (OSC) <http://www.osc.gov/>
- B. The California Whistleblower Protection Act (Title 2, Division 1, Chapter 6.5, Article 3.5, Gov. Code §§ 8548-8548.5)
- 1) The California Whistleblower Protection Act authorizes the California State Auditor to receive complaints from state employees and members of the public who wish to report an improper governmental activity. An "improper governmental activity" is any action by a state agency or any action by a state employee directly related to state government that:
- (a) Violates any state or federal law or regulation,
 - (b) Violates an Executive Order of the Governor, a California Rule of Court, or any policy or procedure required by the State Administrative Manual or State Contracting Manual, or
 - (c) Is economically wasteful or involves gross misconduct, incompetency, or inefficiency. Complaints received by the State Auditor are confidential, and the identity of the complainant may not be revealed without the complainant's permission, aside from to an appropriate law enforcement agency conducting a criminal investigation.
- 2) There are many ways to file a complaint:
- (a) By Telephone
You may call the Whistleblower Hotline at (800) 952-5665 to file a complaint by talking to one of the State Auditor's employees. The hotline generally is staffed Monday through Friday from 8:00 a.m.

EXHIBIT D

to 5:00 p.m. If you call when the hotline is not being staffed, or staff is occupied with other calls, you may leave a voicemail message requesting a return call.

(b) By Mail or Facsimile

You may file a complaint in the form of a letter to the State Auditor addressed as follows:

Investigations
California State Auditor
P.O. Box 1019
Sacramento, CA 95812

Or you may fax the letter to the State Auditor at (916) 322-2603.

As an alternative, you may complete the electronic version of the complaint form (which is available on the State Auditor website at auditor.ca.gov), print it out, and return it by mail or facsimile as stated above.

(c) Online

Although the State Auditor does not accept complaints by e-mail, you may file a complaint online at [_ https://www.auditor.ca.gov/whistleblower/](https://www.auditor.ca.gov/whistleblower/).

The State Auditor will not undertake an investigation unless there is a basis for believing that your complaint has sufficient merit to warrant spending resources on an investigation. Your complaint should therefore include:

- (i) A clear and concise statement of what you are alleging to be improper activity and why you believe it is improper.
- (ii) The name or other information that clearly identifies the person you are alleging has acted improperly and the department where that person works.
- (iii) The names and contact information for any witnesses who can confirm the truth of what you are saying.
- (iv) Copies of any documents that will support what you are saying. (You should not submit original documents, as they cannot be returned.)

38. Authority to Post Remediated Versions of Agreement

EXHIBIT D

Subrecipient hereby understands and acknowledges that the Department is obligated under federal law to post on the Department's website copies of all CDBG-DR executed contracts. As posted, such contracts must be compliant with federal and state law accessibility laws, including the California Government Code Section 11546.7 (2017 Assembly Bill 434) and the federal Americans with Disability Act, Section 508. The state law is most stringent of the two, so all posted documents must meet Web Content Accessibility Guidelines 2.0 (WCAG 2.0) accessibility level.

To comply, the Department must utilize document remediation tools that provide the compliant formatting. All remediation will only change formatting, color schemes, and update any tables so that screen readers can properly read out the content of the table. Thus, during remediation, the appearance of this Agreement may change, but under no circumstances shall any terms or tenets of the Agreement be changed in anyway. Additionally, the Department shall offer website visitors the option to receive a scanned, un-remediated copy of this Agreement via email, which option Subrecipient also consents to.

The foregoing Subrecipient authorizations apply to both this original Standard Agreement as well as any and all subsequent amendments thereto.

39. Capacity and Authority to Contract.

Subrecipient represents and warrants to the Department that it has the capacity and authority to fulfill the obligations required of it hereunder, and nothing prohibits or restricts the right or ability of Subrecipient to carry out the terms hereof. Subrecipient further represents and warrants that it is fully authorized to execute and deliver this Agreement, and that such authority is evidenced by a duly-authorized resolution of the governing body of Subrecipient. Prior to execution of this Agreement, Subrecipient must provide the Department with a satisfactory authorizing resolution in form and content acceptable to the Department in its sole discretion, and shall provide to the Department any necessary updated authorizing resolutions that may be needed from time to time during the term of this Agreement.

EXHIBIT E

SPECIAL TERMS AND CONDITIONS

1. Due Diligence Review

Subrecipient has provided, or will provide, the Department with information about the Subrecipient's experience, processes, policies, and procedures related to the management of federal funding by the Subrecipient. These submissions, in addition to discussions with the Subrecipient, have been used to inform this Agreement and are being materially relied upon by the Department in agreeing to enter into this Agreement.

Should there be substantive changes to the organization, key personnel, methods, capacity, policies, or processes of the Subrecipient that impact the implementation of this Agreement, the Subrecipient shall promptly notify the Department of said changes.

Subrecipient agrees to timely provide documents and information to the Department in order for the Department to facilitate its Subrecipient due diligence as required by Federal Register Notice 90 FR 1754. Subrecipient further agrees to comply with the requirements, requests, and results of the Department's due diligence and maintain the capacity to carry out disaster recovery activities in a timely and compliant manner at all times during the term hereof.

2. Risk Assessment

During the term of this Agreement, Subrecipient agrees to timely provide documents and information to facilitate the Department's Subrecipient risk assessment process. Subrecipient further agrees to comply with the requirements, requests, and results of the Department's risk assessment, including participation in Subrecipient monitoring events.

3. Special Conditions

Pursuant to Exhibit A, Section 5 and the Due Diligence and Risk Assessment, as referenced above, Subrecipient agrees to adhere to the following Special Conditions:

EXHIBIT F

1. **Program Overview**

THE CDBG-DR IRPP ELIGIBLE ACTIVITY:

- Planning and Capacity Building (Sec. 105(a)(12))

THE NATIONAL OBJECTIVE TO BE ACHIEVED FOR EACH ACTIVITY AS A RESULT OF THIS Project:

- N/A

THE METHOD OF MEASURING THE NATIONAL OBJECTIVE, IF LMI:

- N/A

THE NUMBER OF INDIVIDUALS BENEFITTING AS A RESULT OF THIS PROJECT:

- Total low/mod beneficiaries: Between 18,775-2,184,379

2. **Activity Scope of Work (“Work”)**

The project goals include:

- Provide insurance education and capacity building for select communities located in the most impacted and distressed (MID) areas associated with DR-4699, DR-4707, and DR-4758.
- Identify unmet post-disaster economic needs, insurance gaps, and any other insurance challenges in select MID communities.
- Develop a set of possible solutions, including innovative insurance approaches, to meet the identified challenges in select communities.
- For select communities that are interested in adopting a pilot in the near-term, develop an implementation strategy and roadmap.
- Document findings for transferability to other California communities.

Activity 1: Launch

24-IRPP-25001

Approved Date: 11/14/2025

Prep Date: 11/17/2025

EXHIBIT F

- Insurance for Good will conduct an initial round of community engagement alongside HCD in a subset of MID communities. The purpose will be to identify capacity building and innovation activities jointly with the communities that could be achieved through this project. This initial engagement will determine the communities Insurance for Good will partner with for the remainder of the activities under this project.

Activity 2: Capacity Building

- Insurance for Good will deliver educational sessions for selected communities. Potential topics include: basics on insurance markets, benefits and role of insurance, overview of the California homeowners insurance market, introduction to the National Flood Insurance Program (NFIP) and flood insurance, overview of the CA FAIR plan, insurance gaps, insurance pricing, reinsurance, benefits of risk reduction, and other topics. More specialized seminars on topics such as use of parametric approaches may be offered to select communities interested in deeper learning or innovation.

Activity 3: Needs Assessment

- Deliverable 1: Insurance for Good will synthesize prior reports and analyze existing data on the primary hazards facing select communities and the unmet economic needs when those extreme events occur.

Activity 4: Solutions Development and Stakeholder Evaluation

- Deliverable 2 directly builds off the Needs Assessment and evaluates potential solutions for the well-defined needs identified in Activity 3. These solutions could include a range of approaches such as new private market products, public-private partnerships, and/or needed investments or regulatory changes. Insurance for Good will then undertake a stakeholder engagement process in each selected community to evaluate the solutions across various implementation criteria (such as political feasibility, institutional capacity, staff capacity, regulatory needs, timeframe, cost-effectiveness, funding availability, impact, durability, needed partnerships, social acceptance, etc.). This may be done through one-on-one interviews and focus group discussions. The Insurance for Good team will evaluate strengths, vulnerabilities, and readiness of communities, along with an assessment of the physical and financial factors that determine suitability for various solutions. The result of this process will be recommendation of a solution(s) that scores highest on all criteria.

EXHIBIT F

Activity 5: Pilot Design and Implementation Planning

- Deliverable 3: For a narrow subset of selected communities that are ready to move forward with implementation, Activity 5 will be a further detailing of the solution along with a plan and timeline for implementation that will identify roles, responsibilities, partnerships, costs, performance metrics, and institutional needs, among other factors. This activity will involve ongoing community engagement to determine key partners, capabilities, and needs.

Activity 6: Final Report

- Deliverable 4
 - Insurance for Good will produce a final planning report.

3. **Budget Worksheets (attached)**

The Project budget is included below as Attachments 1 and 2.

Attachment 1 – Grants Network Budget Worksheet is the high level, official budget for the Project. Any adjustments of this budget will result in either a budget revision or amendment.

Attachment 2 – Total Activity Budget Worksheet is the overall, detailed project budget submitted with the application. This budget provides a breakdown of the Grants Network Budget Worksheet. Only changes to the Total Activity Budget Worksheet that impact the Grants Network Budget Worksheet will result in either a budget revision or amendment.

When applicable, documentation that supports the indirect cost rate and ADCs is included as Attachment 6.

4. **Performance Measures**

The performance measures, included as Attachment 3, have been determined to be required for the monthly activity report, at the discretion of HCD and they are in bold below. Each month the Subrecipient will report on how the Project has progress on reaching the target numbers. The proposed target numbers are based on information provided by the Subrecipient and the Work Deliverable is identified per Activity performance measure. Projects are not required to report on the non-bolded items.
