EXHIBIT A

AUTHORITY, PURPOSE, AND SCOPE OF WORK

1. Authority & Purpose

The California Department of Housing and Community Development (hereinafter “Department”) is the lead and responsible entity for administering the Community Development Block Grant –Mitigation (hereinafter “CDBG-MIT”) funds appropriated under Public Laws 115-254 and 116-20 and allocated to the State of California by the U.S. Department of Housing and Urban Development (hereinafter “HUD”). CDBG-MIT is used by the State of California to assist Local Jurisdictions, Nonprofit Organizations, and Tribal Entities to carry out strategic and high-impact activities to mitigate disaster risks and reduce future losses from the three primary hazards (wildfire, flooding, and earthquake) as established within the Mitigation Needs Assessment (MNA) of the CDBG-MIT Action Plan. These activities will support areas impacted by the Federal Emergency Management Agency’s Major Disaster Declaration DR-4407 and DR-4382. CDBG-MIT Planning and Public Services Program (hereinafter “MIT-PPS”) Projects are funded by CDBG-MIT to assist communities with Mitigation related planning or public services projects that will increase community resilience, reduce the risk of loss of life, and lessen the impact of future national disasters in the Most Impacted and Distressed (MID) Areas.

2. Scope of Agreement

A. Grant Funds

Subject to the terms and conditions of this Standard Agreement (hereinafter “Agreement”), the Department has allocated and agrees to provide grant funds up to the maximum amount identified in the Standard Agreement STD 213 Form to the subrecipient identified as “Contractor” on page 1, Section 1 of the STD 213 form (hereinafter “Subrecipient”) for all Work (defined below) identified in this Agreement. All payments made to the Subrecipient will adhere to the provisions described in Exhibit B, Section 6 (Method of Payment) herein. In no instance shall the Department be liable for any costs in excess of the approved CDBG-MIT budget as shown in the Budget section in Exhibit F, nor for any unauthorized or ineligible costs or expenses.

This Agreement governs the Subrecipient Award and the Project proposed by the Subrecipient and approved by the Department (“Approved Activity”).

EXHIBIT A

B. Implementation of Agreement

By entering into this Agreement and thereby accepting the Award of grant funds, the Subrecipient agrees to comply with and implement this Agreement in a manner satisfactory to the Department and HUD and consistent with all applicable laws, regulations, policies and procedures that may be required as a condition of the Department providing the grant funds, including but not limited to, all applicable MIT-PPS administration and compliance requirements set forth by this Agreement, and in accordance with the 2017/2018 CDBG-MIT Planning and Public Services and Resilient Infrastructure Program NOFA Application (hereinafter "Application") documentation previously provided by the Subrecipient, attached to Exhibit F, and made a part hereof. The Department's providing of grant funds under this Agreement is specifically conditioned on Subrecipient's compliance with this provision and all terms and conditions of this Agreement, the most recently published version of the Department's CDBG-DR Grant Administration Manual for 2017 and 2018 Disasters (www.hcd.ca.gov/grants-and-funding/disaster-recovery-and-mitigation/disaster-grant-administration-and-reporting) and 2018 CDBG MIT-PPS Policies and Procedures Manual (www.hcd.ca.gov/grants-and-funding/disaster-recovery-and-mitigation/mitigation-planning-and-public-services), and any amendments thereto, related Federal Register notices (including future Federal Notices), and the requirements of the authorities cited above, as the same may be amended from time to time.

This Agreement is subject to written modification and termination as necessary by the Department in accordance with requirements contained in any future state or federal legislation and/or state or federal regulations. All other modifications must be in written form and approved by both parties.

3. Subrecipient Scope of Work

The Subrecipient scope of work (hereinafter "Work") for this Agreement shall consist of the following:

The Subrecipient shall perform the funded activities described in the Work, as detailed in Exhibit F.

All written materials or alterations submitted as addenda to the original Application, and which are approved in writing by the Department are hereby incorporated as part of the Application. The Department reserves the right to require the Subrecipient

EXHIBIT A

to modify any or all parts of the Application to comply with CDBG-MIT or state program requirements. The Department reserves the right to monitor all Work to be performed by the Subrecipient, its contractors, and subgrantees in relation to this Agreement. Any proposed revision to the Work must be submitted in writing for review and approval by the Department and will require an amendment to this Agreement. Approval shall not be presumed unless such approval is made by the Department in writing.

- A. For the purposes of performing the Work, the Department agrees to provide the amount(s) identified in Exhibit F, Budget Worksheets. Unless amended in writing, the Department shall not be liable for any costs more than the total approved MIT-PPS budget identified herein. The Department shall not, under any conditions, be liable for any unauthorized or ineligible costs.
- B. Planning activities, as defined in the MIT-PPS Policies and Procedures, are not required to meet a CDBG-MIT National Objective. Public Service Activities, as defined in the 2018 MIT-PPS Policies and Procedures (<https://www.hcd.ca.gov/grants-and-funding/disaster-recovery-and-mitigation/mitigation-planning-and-public-services>), must meet one of the two CDBG-MIT National Objectives:
 - 1) Benefit to Low/Moderate Income Persons (LMI)
 - 2) Urgent Need Mitigation (UNM)
- C. Subrecipient shall meet all project milestones, project-specific special conditions, budgetary and otherwise, and other requirements, as set forth in this Standard Agreement.
- D. Subrecipient shall comply with all Project closeout procedures, timely and accurately, including responding to the Department's requests for additional information in support of Project closeout in reasonable timeframe.
- E. Subrecipient shall collect data and submit reports to the Department in accordance with the reporting requirements detailed in Section 24 of Exhibit D herein. For reports due on a monthly basis, the first report is due following the first full month following the effective date of this Agreement.
- F. The Subrecipient shall monitor all Approved Activities in accordance with the requirements of the Subrecipient Monitoring Responsibilities outlined in the 2018 MIT-PPS Policies and Procedures Manual.

EXHIBIT A

4. **Effective Date and Commencement of Work**

- A. This Agreement is effective upon approval by the Department representative's signature on page one of the fully executed Standard Agreement, STD 213 Form (the "Effective Date").
- B. Subrecipient agrees that prior to execution of this Agreement by the Department, no Work toward the implementation of the program activities, shall commence, nor shall any costs be paid with CDBG-MIT funds incurred or obligated by any party.

5. **Term of Agreement and Performance Milestones**

- A. Term of Agreement:

All grant funds must be expended at least ninety (90) days prior to the Agreement expiration date.

This Agreement will expire as set forth in Section 2 of the STD 213.

- B. Performance Milestones: Subrecipient shall adhere to the performance milestones below. Time is of the essence with respect to all such milestones.
 - 1) Activity Initiation: sixty (60) days from the Effective Date. Activity Initiation is defined as the start of a task or deliverable from the project schedule, as included in Exhibit F.
 - 2) First Financial Report submission requesting reimbursement of grants funds per the project schedule, as included in Exhibit F.
 - 3) Project achieves fifty (50) percent completion, as defined by the subrecipient per the project schedule, as included in Exhibit F.
 - 4) Project reaches seventy-five (75) percent of grant funds submitted to the Department for reimbursement per the project schedule, as included in Exhibit F.
 - 5) A Project achieves one hundred (100) percent completion, as defined by the subrecipient per the project schedule, as included in Exhibit F.
 - 6) Subrecipient must submit Final Financial Report and Close-Out Documents to the Department for final approval by the Department at least ninety (90) days prior to the Agreement Expiration Date.

EXHIBIT A

7) Agreement Expiration Date is as set forth in the STD 213.

C. Failure to meet performance milestones:

- 1) If any performance milestones listed above are not met or not on target to be met, in addition to any other rights and remedies it has hereunder, the Department reserves the right to withhold further payments to Subrecipient (including, but not limited to, reimbursements for Activity Delivery costs) until such time as satisfactory progress is made toward meeting the performance measures.
- 2) The Department has full discretion to determine if the Subrecipient is on target to meet the performance milestones. Subrecipient shall diligently work with the Department's MIT-PPS staff to promptly submit to the Department:
 - i. a written mitigation plan specifying the reason(s) for the delay;
 - ii. the actions to be taken to complete the task that is the subject of the missed measure deadline; and
 - iii. the date by which the completion of said task will occur.

The Department, in its sole and absolute discretion, reserves the right to reallocate unspent grant funds from this contract if the Department determines, in its sole and absolute discretion, that the Subrecipient is unable to meet the performance milestones in a timely manner following the failure to meet said milestones. The Department reserves all rights and remedies available to it in case of a default by Subrecipient of its responsibilities and obligations under the terms of this Agreement. All remedies available to the Department are cumulative and not exclusive.

The Subrecipient and its contractors, as applicable, shall adhere to all performance milestones as established above.

- D. Any changes to the Work set forth in this Agreement must be approved in writing by the Department. Requests for revisions to the Work must be submitted in writing for review and approval by the Department in its discretion. Any approval shall not be presumed unless such approval is made by the Department in writing.

6. **Program Contract Management**

- A. Department Contract Manager: The Department Contract Manager for this Agreement is the MIT-PPS Program Manager or the Program Manager's

EXHIBIT A

designee. Written communication regarding this Agreement shall be directed to the Department Contract Manager at the following address:

**CA Department of Housing and Community Development
Division of Financial Assistance – MIT-PPS Program
Attn: Contract Manager
P.O. Box 952054
Sacramento, CA 94252-2054 or,
electronic mail at: MIT-PPS@hcd.ca.gov**

- B. Contract Management: Day-to-day administration of this Agreement shall take place via Grants Network, including but not limited to:
1. Financial Reports (Funds Requests)
 2. Activity Reports
 3. Risk Assessments and Due Diligence documents
 4. Other Reports, as required.
 5. Submittal of any and all requested supporting documentation.
 6. Standard Agreement Issuance and Amendments
- C. Subrecipient Contract Administrator: The Subrecipient Contract Administrator (must be a Subrecipient employee) is identified in Exhibit G, Subrecipient Profile. Unless otherwise directed by the Department, any notice, report, or other communication required by this Agreement shall be directed via Grants Network or written to the Subrecipient's Contract Administrator at the contact information identified in Exhibit G.

EXHIBIT B

BUDGET AND PAYMENT PROVISIONS

1. **Budget**

All approved budget amounts are specified by line item in Exhibit F, Budget Worksheets section.

2. **Cost Classification**

Subrecipient must classify costs on the budget by distinguishing between Activity Costs and Activity Delivery Costs.

3. **Other Funding Sources**

All other sources of funding required to complete the Approved Activity must be identified, committed, and documented prior to, and as a condition of this Agreement. If at any time, those identified and secured sources change, the Subrecipient must notify the Department within ten (10) calendar days of the Subrecipient's knowledge that funding sources are changing. The terms and conditions of all financing shall be subject to the Department's ongoing review and approval. The Department must-review a Project application at any time there is a change in the amount of, or the material terms and conditions of, any third-party funding for the Work.

4. **Availability of Funds**

- A. The Department's provision of funding to Subrecipient pursuant to this Agreement is contingent on the availability of MIT-PPS funds subject to the requirements that the Department must spend 50% of program funds to benefit the MID and must meet the requirement of 50% of grant-wide funds for LMI benefit, but should strive for 100%, and continued federal and state authorization for MIT-PPS activities. All funding hereunder is subject to amendment or termination due to lack of funds or authorization. Requirements for MID and LMI benefit can be found in greater detail in 2018 MIT-PPS Policies and Procedures.
- B. The Department shall be relieved of any obligation for reimbursing the Subrecipient if funds allocated to the State by HUD cease to be available for any reason or there is any limitation on, or withdrawal of, the Department's authority to administer the CDBG-MIT program or any portion thereof.

5. **Expenditure of Funds**

A. **Activity Costs**

EXHIBIT B

No Activity costs may be incurred, or funds reimbursed, until and unless Subrecipient provides documented compliance with the National Environmental Protection Act (NEPA) requirements established in 24 CFR 50, 24 CFR 58, and 42 USC 4321, et seq. and California Environmental Quality Act (CEQA); California Code of Regulations, Title 14, Division 6, Chapter 3, Sections 15000 – 15387 as referenced in Exhibit D, section 14.

Activity Delivery Costs may be incurred prior to documented NEPA and CEQA compliance. See Section 6(A)(2) below for reimbursement requirements of Activity Delivery costs.

B. Priority of Funds

The Grantee agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available. To the extent available, the Subrecipient must first disburse funds available to the Approved Activity from, among other sources, Subrecipient funding, third-party loans or grants, contract settlements, audit recoveries, and interest earned on such funds before requesting or receiving MIT-PPS funds.

C. Withholding Funds

The Department reserves the right to withhold payments pending timely delivery of activity reports or documents as may be required under this Agreement, and for defaults by the Subrecipient, as noted in Exhibit D.

D. Disencumbering of Surplus Funds

The Subrecipient agrees that funds determined by the Department to be surplus upon completion of the Approved Activity, or that have not been spent on eligible costs prior to the Agreement Expiration Date, will be subject to disencumbrance by the Department.

E. Indirect Costs

The Department will consider reimbursement of indirect cost expenditures from Subrecipients that have an approved Indirect Cost Rate Proposal from the Department, HUD, or other cognizant federal agency. If Subrecipient does not have an approved Indirect Cost Rate Proposal, Subrecipient may utilize the de minimis rate as allowable per 2 CFR 200.414 which may be used indefinitely or until the Subrecipient chooses to negotiate for a new rate based on an indirect cost proposal prior to submission of Financial Reports for reimbursement of

EXHIBIT B

indirect cost expenditures. Procedures for establishing an indirect cost rate can be found at 2 CFR 200.414. All indirect costs that may be reimbursed with grant funds should be shown separately on Exhibit F, Budget Worksheet.

F. Compliance with the OMB Uniform Guidance Audit Requirements

Grant funds will not be disbursed to any Subrecipient identified by the State Controller's Office (SCO) as non-compliant with the Federal Single Audit Act, as described in the OMB Uniform Guidance and 2 CFR Part 200 Sub-Part F. No funds may be disbursed until compliance with the Uniform Guidance is demonstrated to the satisfaction of the Department.

G. Grant Administration

The Subrecipient agrees to administer this Agreement in accordance with the provisions of Section 7097 through and including Section 7126 of Title 25 of the California Code of Regulations.

6. Method of Payment

Payments will be made directly to the Subrecipient as reimbursements based on the documented and satisfactory completion of agreed upon performance milestones detailed in Subrecipient Scope of Work as indicated in Exhibit A, and confirmation of Subrecipient's compliance with the terms of this Agreement. No funds will be advanced to the Subrecipient by the Department.

Financial Reports must be submitted electronically through Grants Network. The Department will not authorize payments or reimbursements unless it has determined that the activities indicated in the Financial Report have been performed in compliance with the terms of this Agreement and any other agreements executed by the parties in connection herewith. Except for the Final Financial Report (see Section 6.8 below), Financial Reports shall be submitted by the Subrecipient to the Department no less frequently than monthly by the 10th of each month or as indicated in the 2018 Program's Policies and Procedures manual.

A. Reimbursements for Costs Incurred

1. The Subrecipient may use grant funds for reimbursement by the Department for Eligible Expenses as defined herein and used for Approved Activities. Eligible Expenses include costs associated with project implementation, delivery, and completion.
2. Activity Delivery Costs expenditures shall be paid only after such costs are

EXHIBIT B

expended for approved Work satisfactorily completed, provided the Department determines that the Performance Milestones in this Agreement are on track.

3. To receive reimbursement for Approved Activities, the Subrecipient must timely submit all required Department forms and necessary supporting documentation via Grants Network. Financial Reports must include the level of documentation specified by the Department in the Department's Grant Administration Manual, and any associated Financial Management memos, located on the Department's website, in order to be reviewed and processed.

B. Final Financial Reports

1. The Final Financial Report for the Subrecipient Award must be submitted to the Department at least ninety (90) days prior to the Agreement Expiration Date this Agreement.
2. If the Final Financial Report for funds expended during the term of this Agreement has not been received by the Department by the deadline cited in Section 6.B.1 of this Exhibit, the Department may disencumber any funds remaining in which case grant funds will no longer be available to the Subrecipient.

7. Recapture of Funds

A Subrecipient may be required to repay all, or a portion of the funds received from the Department, including Activity Delivery, pursuant to this Agreement if the Subrecipient, among other things, does not fulfill its obligations under this Agreement or fails to meet applicable federal requirements. The reasons for a recapture of funds by the Department include, but are not limited to, the following:

- A. The Subrecipient does not comply with the terms of this Agreement, or any agreement executed by the Subrecipient and the Department in connection herewith.
- B. The Subrecipient withdraws from the program prior to completion of the Project(s) or Activity(ies).
- C. The Subrecipient fails to meet a National Objective.

The potential recapture of funds pursuant to this provision is in addition to, and not in

EXHIBIT B

lieu of, any other rights and remedies of the Department under this Agreement.

8. **Project Budget Revisions and Amendments**

Budget line-item adjustments may be made in accordance with the following:

- A. Budget Revisions: Adjustments to the Budget that do not require an increase or reduction of total activity budget, a change in National Objective, or a change in the type or a reduction in number of beneficiaries assisted may be completed as a Budget Revision. Budget Revisions shall include but not be limited to:

- 1) Adjustments that reallocate funds between budget line items
- 2) Adjustments that increase or decrease the detail included in the submitted lined item budgets, including adding and removing budget line items, without increasing or decreasing the scope of work and without changing the overall budget.

Budget Revisions must be approved by the Department prior to implementation. Approval shall be provided either through the online grant management system, or in writing, as appropriate. If approved, Budget Revisions shall automatically be deemed a part of, and incorporated into, this Agreement. Project budget revisions must be submitted through Grants Network and subsequently approved by the Department prior to implementation. Approval shall be provided through Grants Network.

- B. Agreement Budget Amendments: Adjustments to the Subrecipient Award that result in an increased or a reduced total award amount shall require an Agreement amendment. Agreement amendments must be fully executed by both the Subrecipient and the Department prior to implementation.

9. **Approved Activity Closeout Procedures**

Once the Approved Activity is completed, the Subrecipient must submit the following to the Department at least ninety (90) days prior to the Agreement Expiration Date.

- 1) Per Section 6.B of this Exhibit, the Final Activity Report (Project Completion Report) shall be submitted at least ninety (90) days prior to the Agreement Expiration Date. The Final Activity Report must include all required reporting data for the Activity including but not limited to eligible activities, costs, beneficiaries, and National Objective;

EXHIBIT B

- 2) If applicable, a copy of the produced plan;
- 3) If applicable, Final Labor Standards Report as described in Exhibit D(18)(A) herein;
- 4) Signed Closeout Memo asserting all conditions have been met;
- 5) Evidence, satisfactory to the Department, of compliance with any other Special Conditions of this Agreement; and
- 6) A resolution from the governing body of the Subrecipient acknowledging the accomplishments of the Approved Activity and confirming that the Approved Activity is complete and that all Financial Reports have been submitted.

Upon receipt and approval of the above documentation, the Department will close the Activity and finalize the activity in DRGR for final reporting to HUD.

10. Document Retention Policy

Subrecipient shall retain all books, records, accounts, documentation, and all other materials relevant to this Agreement for a minimum period of five (5) years after the Department notifies the Subrecipient that the applicable grant agreement between HUD and the State of California has been closed.

EXHIBIT D

CDBG-MIT-PPS PROGRAM TERMS AND CONDITIONS

1. Definitions

Activity Costs – means any reasonable and necessary costs that are directly related to labor and/or direct construction and/or direct Project implementation costs which will meet a National Objective as defined in 42 U.S.C. 5304(b)(3), as amended and 24 CFR 570.483.

Activity Delivery Costs (ADCs) - means related allowable, reasonable, and necessary costs incurred for implementing and carrying out the eligible MIT-PPS Project. See the MIT-PPS Policies and Procedures Manual, Section 2.1.2 for more information.

Activity Reports – Monthly reports submitted by the Subrecipient that describe Approved Activity progress and/or beneficiaries served during a given reporting period. Activity Reports must be submitted by the 10th of each month.

Approved Activity– An Activity that has been submitted to the Department through the Notice of Funding Availability solicitation and reviewed and approved to receive a Subrecipient Award by the Department.

Area Median Income (AMI) - means the median household income for specific geographic areas, adjusted for household size, as calculated by HUD, and published annually by the Department at <https://www.hcd.ca.gov/grants-funding/income-limits/state-and-federal-income-limits.shtml>.

CDBG-MIT – means the Community Development Block Grant – Mitigation funds which is the funding source for the Approved Activity(ies) the Department has agreed to fund via this Agreement.

California Environmental Quality Act (CEQA) - is a state statute that requires state and local agencies to identify the significant environmental impacts of their actions and to avoid or mitigate those impacts, if feasible.

Department – means the California Department of Housing and Community Development.

Disaster Recovery Grant Reporting System (DRGR) – The electronic system primarily used by the Department to access grant funds from HUD and report performance accomplishments for grant-funded activities to HUD. The DRGR system is used by HUD to review grant-funded activities, prepare reports to Congress and other interested parties, and monitor program compliance.

EXHIBIT D

Duplication of Benefits (DOB) - Financial assistance received from another source that is provided for the same purpose as the MIT-PPS funds, in accordance with Federal Register Notices 84 FR 28836 and 84 FR 28848.

Eligible Activity Costs— Those necessary and reasonable costs under 2 CFR 200.400 through 475, and applicable notices and waivers, and as identified in Section 4.9 of the 2018 MIT-PPS Policies and Procedures Manual, and as approved by the Department. Eligible Activity Costs do not include any costs which are disallowed or otherwise deemed ineligible by the State of California and/or HUD.

Financial Reports (Funds Requests) - Monthly reports submitted by the Subrecipient that include the forms and processes required by the Department for a Subrecipient to use to request grant funds during a given reporting period. Financial Reports must be submitted by the 10th of each month.

Grant Funds – The CDBG-MIT funds allocated to the Subrecipient for the implementation of the MIT-PPS Project. Grant Funds can be used under this Agreement to reimburse for Activity costs, Activity Delivery Costs, and Indirect Costs.

Household - all persons occupying a housing unit. The occupants may be a family, as defined in 24 CFR 5.403; two or more families living together; or any other group of related or unrelated persons who share living arrangements, regardless of actual or perceived, sexual orientation, gender identity, or marital status. (24 CFR 570.3). Note: An individual may be considered a smaller household if the living situation is temporary or transitional. Aging out of foster care, temporarily homeless and formerly incarcerated are examples of individuals that may be temporarily part of a larger household than what will be considered in a “household income calculation”.

HUD – The United States Department of Housing and Urban Development.

Indirect Costs - means those costs incurred for a common or joint purpose benefitting more than one cost objective, and not readily assignable to the cost objectives specifically benefitted, without effort disproportionate to the results achieved.

Indirect Cost Rate Proposal - means the documentation prepared by a governmental unit or subdivision thereof to substantiate its request for the establishment of an indirect cost rate as further defined in 2 CFR 200.56 and 2 CFR 200.57.

Low- to Moderate- Income (LMI) – Low-to-moderate income people are those having incomes not more than the “moderate-income” level (80% Area Median Income) set by the federal government for HUD-assisted programs. This income standard changes from year to year and varies by Household size, county, and the metropolitan statistical area.

EXHIBIT D

Mitigation Needs Assessment (MNA): Analysis of historical data and institutional knowledge provided in state and local Hazard Mitigation Plans and from prior disasters to determine risks of impacts of disasters on housing and infrastructure.

National Environmental Policy Act (NEPA) – The federal law and associated regulations which establishes a broad national framework for protecting the environment. NEPA's basic policy is to assure that all branches of government consider the environment prior to undertaking any major federal action.

Project: Project means any activity or series of activities undertaken by a Federal Agency or with Federal financial assistance received or anticipated in any phase of an undertaking in accordance with the Federal funding Agency guidelines pursuant to 49 CFR 24.2(a)(22)]

Standard Agreement (aka “Agreement”) – The contractual arrangement between the Department and the Subrecipient which sets forth the terms and conditions by which MIT-PPS funds must be utilized with regards to Approved Activity.

Subrecipient – a public or private nonprofit agency, authority, or organization receiving a direct award of grant funds from the Department for the purpose to undertake an Approved Activity that meets a National Objective.

Subrecipient Award – The amount of grant funds allocated to the Subrecipient for an Approved Activity.

Work – the scope of work required of the Subrecipient as set forth in Section 3 of Exhibit A, of this Agreement.

Urgent Need Mitigation (UNM) – The UNM National Objective requires that projects provide documentation that demonstrates a measurable and verifiable impact on reducing risks at the completion of the activity. UNM Projects must meet the following:

- Address the current and future risks as identified in the Mitigation Needs Assessment.
- Result in a measurable and verifiable reduction in the risk of loss of life and property.

2. National Objectives

In accordance with 24 CFR 570.208, Section 104(b)(3) of the Housing and Community Development Act of 1974, all CDBG-MIT funded activities must meet a National Objective. Under Section 101(c) of the authorizing Act (42 U.S.C. 5301), all CDBG-MIT

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2023

EXHIBIT D

Activities must satisfy that one of the named National Objectives. The qualifying National Objective in the MIT-PPS Program are:

- Benefit to low-and moderate-income persons (LMI)
- Urgent Need Mitigation (UNM)

Planning activities are not required to meet a National Objective. HUD's Federal Register Notice (84 FR 45838) governing the CDBG-MIT funds describes planning efforts as addressing the National Objectives without the limitation of any circumstances. All Public Service activities must meet one National Objective criterion, LMI or UNM, related to its specific mitigation impact and defined direct benefits or service area.

Subrecipient must document how CDBG-MIT expenditures benefit LMI persons in accordance with the 2018 MIT-PPS Policies and Procedures Manual, as may be amended and by using the current HUD income limits at the time of beneficiary applications, in a user-friendly format. Subrecipients are expected to maintain clear and accurate records of activity participants to show how the National Objective is met.

Subrecipient must document how CDBG-MIT expenditures meet the UNM National Objective in accordance with the 2018 MIT-PPS Policies and Procedures Manual.

Upon completion of the Approved Activity funded under this Agreement and prior to the funding expiration date of this Agreement, whichever comes first, the Subrecipient must document that the Approved Activity met the LMI National Objective. The Department shall review the actual National Objective achievements of the Subrecipient. If the Subrecipient does not or cannot satisfactorily document the National Objective achievement of an Approved Activity, the Approved Activity may be deemed ineligible, and repayment of funds may be required of the Subrecipient.

3. Duplication of Benefits

A Duplication of Benefits (DOB) occurs when a person, household, business, or other entity receives disaster assistance from multiple sources for a cumulative amount that exceeds the total need for a particular recovery purpose. The amount of the duplication is the amount of assistance provided in excess of the total need for the same purpose. It is the Department's responsibility to ensure that the CDBG-MIT-PPS program provides assistance only to the extent that the disaster recovery need has not been fully met by funds that have already been paid, or will be paid, from another source.

The Subrecipient must report all funds obtained for the same Approved Activity from any source from the date of the disaster until the Approved Activity is completed.

EXHIBIT D

The Subrecipient agrees to repay to the Department immediately upon demand any assistance later received for the same purpose as the CDBG-MIT-PPS funds and that exceeds the total need for the particular recovery purpose.

4. **Remedies and Termination for Noncompliance**

A. Remedies for Noncompliance: In addition to any other rights and remedies the Department may have under this Agreement, at law, or in equity, the Department may initiate remedies for noncompliance as identified in 2 CFR 200.339 at any time it has been determined that the Subrecipient is no longer meeting the terms and conditions of this Agreement. Remedies for noncompliance may be required in addition to, in lieu of, or prior to termination. Such remedies for noncompliance with a federal statute or regulation, a state statute or regulation, an assurance, in a state plan or application, or elsewhere may include, as appropriate:

- 1) Temporarily withhold cash payments pending correction of the deficiency by the Subrecipient.
- 2) Disallow all or part of the cost of the action not in compliance.
- 3) Wholly or partly suspend or terminate the Subrecipient's grant funds.
- 4) Withhold further and/or future awards for CDBG-MIT funds and/or any other funds administered by the Department.
- 5) Request that the Federal Awarding Agency initiate suspension or debarment proceedings.
- 6) Take other remedies that may be legally available, such as:

In the case of costs incurred without meeting a National Objective, require repayment of all funds reimbursed and/or paid to the Subrecipient, including Activity Delivery, as appropriate.

In the case of Duplication of Benefits, require repayment of all CDBG-MIT-PPS funds reimbursed and/or paid to the Subrecipient where other financial assistance was received for the same purpose or in excess of the recovery need.

In taking an action to remedy noncompliance, the Department will provide the Subrecipient an opportunity for such hearing, appeal, or other administrative proceeding to which the Subrecipient is entitled under any statute or regulation applicable to the action involved as per 2 CFR 200.342. Such appeal shall be

EXHIBIT D

governed by, and conducted in accordance with, the appeal processes and procedures set forth in Section 5 herein.

- B. Effects of Suspension and Termination. Subrecipient costs resulting from obligations incurred by the Subrecipient or any of the Subrecipient's contractors during a suspension or after termination of an Agreement are not allowable unless otherwise authorized by the Department in a written notice or as allowable in 2 CFR 200.343. The enforcement remedies identified in this Section do not preclude a Subrecipient or any of the Subrecipient's contractors from being subject to 2 CFR Part 2424. CDBG-MIT funds may not be provided to excluded or disqualified persons pursuant to 24 CFR 570.489(I) and 2 CFR 200.339.

The remedies available to the Department under this Agreement are cumulative and not exclusive.

- C. Termination for Noncompliance: Grant funds provided by this Agreement may be terminated in whole or in part as per federal regulation at 2 CFR 200.340 by HUD or by the Department if Subrecipient fails to comply with the terms and conditions of the Agreement that include the terms and conditions of the federal award. All terminations shall include written notification setting forth the reason(s) for such termination, the effective date, and the portion to be terminated in the case of partial terminations and will follow termination notification requirements identified in 2 CFR 200.341.
- D. Termination Without Cause: This Agreement may be terminated by the Department in whole or in part at any time without cause only with the consent of the Subrecipient. In the case of a termination of the whole Agreement, the parties shall agree upon termination conditions, including the effective date. In the case of a partial termination, the parties shall agree upon termination conditions, including the portion to be terminated and the effective date.
- E. Termination With Cause: This Agreement may be terminated by the Department in whole or in part at any time for cause by giving at least 14 days' prior written notice to the Subrecipient. Termination with cause includes termination prior to the end of the period of performance for failure to comply with the terms and conditions of this Agreement, and pursuant to 2 CFR 200.340(c), such termination shall be reported to the appropriate federal program integrity and performance system accessible through the System for Award Management. Termination with cause also includes, without limitation, a failure by Subrecipient to comply with the Project Schedule, Activity Performance Milestones, Reporting Requirements, and/or Special Conditions issued for an Activity to use CDBG-MIT funds.

EXHIBIT D

5. **Appeals Process for Noncompliance:** If Subrecipient disagrees with a finding and/or corrective action and/or sanction of noncompliance and/or any accompanying remedy and/or termination that are associated with such issue, the Subrecipient may appeal the disputed issue to the Department no later than thirty (30) calendar days from the date of the Department's issuance of the disputed decision. All appeals must be carried out in accordance with the Department's Monitoring Plan, Exhibit 16, "Appeal Process". The Monitoring Plan is posted on HCD's website here: www.hcd.ca.gov/grants-and-funding/disaster-recovery-and-mitigation/disaster-grant-administration-and-reporting
6. **Severability**
- A. If any provision of this Agreement, or an underlying obligation, is held invalid by a court of competent jurisdiction, such invalidity may not affect any other provisions of this Agreement and the remainder of this Agreement shall remain in full force and effect. Therefore, the provisions of this Agreement are, and shall be, deemed severable.
- B. The Subrecipient shall notify the Department immediately of any claim or action undertaken by or against it which affects or may affect this Agreement or the Department and shall take such action with respect to the claim or action as is consistent with the terms of this Agreement and the interests of the Department.
7. **Waivers**
- No waiver or any breach of this Agreement shall be held to be a waiver of any prior or subsequent breach. The failure of the Department to enforce, at any time, the provisions of this Agreement or to require, at any time, performance by the Subrecipient of these provisions shall in no way be construed to be a waiver of such provisions nor to affect the validity of this Agreement or the right of the Department to enforce these provisions. All waivers by the Department must be in writing to be valid.
8. **Uniform Administrative Requirements**
- The Subrecipient, its agencies or instrumentalities, shall comply with the policies, guidelines, and Administrative Requirements of 2 CFR Part 200, et seq., as applicable, as they relate to the cost principles, audit requirements, acceptance and use of federal funds under this part.
- A. Single Audit Compliance: Funds will not be disbursed to any Subrecipient identified by the State Controller's Office (SCO) as non-compliant with the Federal Single Audit Act, as described in the Uniform Administrative Requirements, Cost Principles, And Audit Requirements for Federal Awards at 2 CFR 200 Sub-Part F. No funds may be disbursed until compliance with the Uniform Guidance is demonstrated to the satisfaction of the Department.

EXHIBIT D

- B. Accounting Standards: The Subrecipient agrees to comply with, and administer the activity in conformance with, 2 CFR Part 200.300, et seq., and agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls and maintain necessary source documentation for all costs incurred.
- C. Suspension and Debarment: By executing this Agreement, Subrecipient verifies and affirms that it has not been suspended or debarred from participating in or receiving federal government contracts, subcontracts, loans, grants, or other assistance programs. Subrecipient further agrees to verify that its Contractors have not been suspended or debarred from participating or receiving federal government contracts, subcontracts, loans, grants, or other assistance programs.

9. **Compliance with State and Federal Laws and Regulations**

- A. The Subrecipient, its agencies or instrumentalities and contractors shall comply with all local, state, and federal laws, statutes, and regulations, as well as policies and procedures established by the Department for the administration of MIT-PPS, as the same may be amended from time to time.
- B. The Subrecipient shall comply with the requirements of 24 CFR 570, the HUD regulations concerning Community Development Block Grants, 2 CFR 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Final Guidance, adopted by HUD at 2 CFR 2400, and all federal regulations, rules, and policies issued pursuant to these regulations. The Subrecipient further agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available.

10. **Authority to Impose Additional Special Conditions**

In accordance with 2 CFR 200.208, Department reserves the right and authority to impose additional specific conditions issued under this Standard Agreement under any of the following circumstances:

- A. When, in the Department's sole discretion, the Department finds that Subrecipient has a history of failure to comply with the general or specific terms and conditions applicable to the MIT-PPS funds allocated under this agreement or to other awards of federally funded grant or loan assistance passed through the Department.
- B. When Subrecipient fails to meet expected performance goals under this

EXHIBIT D

agreement.

- C. When Subrecipient poses an increased risk for noncompliance based on factors including, but not limited to, financial stability, quality of management systems, history of performance under Federal awards, history of timeliness under Federal awards, history of conformance with terms and conditions of previous federal awards, and reports and findings from audits.
- D. When, in the Department's sole discretion, such conditions are necessary to ensure timely and compliant performance under the federal award.

Such specific conditions, or special conditions, may include, withholding of authority to proceed to the next phase of an Approved Activity until receipt of evidence of acceptable performance within a given period of performance, requiring additional detailed financial reports, requiring additional Activity monitoring, requiring the Subrecipient to obtain technical or management assistance, establishing additional prior approvals, or any other condition the Department deems reasonable and necessary to safeguard Federal funds.

11. **Equal Opportunity Requirements and Responsibilities**

The obligations undertaken by Subrecipient include, but are not limited to, the obligation to comply with all federal laws and regulations described in Subpart K of 24 CFR Part 570 and specifically with each of the following, among other things, as the same may be amended from time to time:

- A. **Title VI of the Civil Rights Act of 1964:** This act provides that no person shall be excluded from participation, denied program benefits, or subject to discrimination based on race, color, and/or national origin under any program or activity receiving federal financial assistance.
- B. **Title VII of the Civil Rights Act of 1968 (The Fair Housing Act):** This act prohibits discrimination in housing on the basis of race, color, religion, sex and/or national origin. This law also requires actions which affirmatively promote fair housing.
- C. **Restoration Act of 1987:** This act restores the broad scope of coverage and clarifies the application of the Civil Rights Act of 1964. It also specifies that an institution which receives federal financial assistance is prohibited from discriminating on the basis of race, color, national origin, religion, sex, disability or age in a program or activity which does not directly benefit from such assistance.

EXHIBIT D

- D. **Section 109 of Title 1 of the Housing and Community Development Act of 1974 [42 U.S.C. 5309]:** This Section of Title 1 provides that no person shall be excluded from participation (including employment), denied program benefits, or subject to discrimination on the basis of race, color, national origin, or sex under any program or activity funded in whole or in part under Title 1 of the Act.
- E. **The Fair Housing Amendment Act of 1988:** This act amended the original Fair Housing Act to provide for the protection of families with children and people with disabilities, strengthen punishment for acts of housing discrimination, expand the Justice Department jurisdiction to bring suit on behalf of victims in federal district courts, and create an exemption to the provisions barring discrimination on the basis of familial status for those housing developments that qualify as housing for persons age 55 or older.
- F. **The Age Discrimination Act of 1975:** This act provides that no person shall be excluded from participation, denied program benefits, or subject to discrimination on the basis of age under any program or activity receiving federal funding assistance. Effective January 1987, the age cap of 70 was deleted from the laws. Federal law preempts any State law currently in effect on the same topic.
- G. **Section 504 of the Rehabilitation Act of 1973:** It is unlawful to discriminate based on disability in federally assisted programs. This Section provides that no otherwise qualified individual shall, solely by reason of his or her disability, be excluded from participation (including employment), denied program benefits, or subjected to discrimination under any program or activity receiving federal funding assistance.
- H. **The Americans with Disabilities Act of 1990 (ADA):** This act modifies and expands the Rehabilitation Act of 1973 to prohibit discrimination against "a qualified individual with a disability" in employment and public accommodations. The ADA requires that an individual with a physical or mental impairment who is otherwise qualified to perform the essential functions of a job, with or without reasonable accommodation, be afforded equal employment opportunity in all phases of employment.
- I. **Executive Order 11063:** This executive order provides that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in housing and related facilities provided with federal assistance and lending practices with respect to residential property when such practices are connected with loans insured or guaranteed by the federal government.
- J. **Executive Order 12259:** This executive order provides that the administration of all federal programs and activities relating to housing and urban development

EXHIBIT D

be carried out in a manner to further housing opportunities throughout the United States.

- K. **The Equal Employment Opportunity Act:** This act empowers the Equal Employment Opportunity Commission (EEOC) to bring civil action in federal court against private sector employers after the EEOC has investigated the charge, found "probable cause" of discrimination, and failed to obtain a conciliation agreement acceptable to the EEOC. It also brings federal, state, and local governments under the Civil Rights Act of 1964.
- L. **The Uniform Guidelines on Employee Selection Procedures adopted by the Equal Employment Opportunity Commission in 1978:** This manual applies to employee selection procedures in the areas of hiring, retention, promotion, transfer, demotion, dismissal, and referral. It is designed to assist employers, labor organizations, employment agencies, licensing, and certification boards in complying with the requirements of federal laws prohibiting discriminatory employment.
- M. **The Vietnam Era Veterans' Readjustment Act of 1974 (revised Jobs for Veterans Act of 2002):** This act was passed to ensure equal employment opportunity for qualified disabled veterans and veterans of the Vietnam War. Affirmative action is required in the hiring and promotion of veterans.
- N. **Executive Order 11246:** This executive order applies to all federally-assisted construction contracts and subcontracts. It provides that no person shall be discriminated against on the basis of race.

12. **Relocation, Displacement, and Acquisition**

The Subrecipient shall comply with the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and regulations adopted to implement the Act in 24 CFR Part 42, 49 CFR Part 24, and Section 104(d) of the Housing and Community Development Act of 1974 as they apply to the performance of this Agreement.

13. **Economic Opportunities for Low- and Very Low-Income Persons (Section 3)**

- A. The Subrecipient and the Subrecipient's contractors shall comply with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), and implementing regulation at 24 CFR, Part 75. The responsibilities outlined in 24 CFR Part 75.19 include:

EXHIBIT D

- Employment and Training: Implementing procedures designed to notify Section 3 workers about training and employment opportunities generated by Section 3 covered assistance and Section 3 business concerns about contracting opportunities generated by Section 3 covered assistance.
- Contracting: Notifying potential contractors for Section 3 covered projects of the requirements of Part 75, Subpart C and incorporating the Section 3 clause set forth below in all solicitations and contracts in excess of \$100,000 as required at 24 CFR 75.27.

Section 3 Clause

The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted Activity covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

The parties to this contract agree to comply with HUD's regulations in 24 CFR. Part 75, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 75 regulations.

The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 75 and

EXHIBIT D

agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 75. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 75.

The contractor acknowledges that subrecipients, contractors, and subcontractors are required to meet the employment, training, and contraction requirements of 24 CFR 75.19, regardless of whether Section 3 language is included in recipient or subrecipient agreements, program regulatory agreements, or contracts.

The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 75 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 75.

Noncompliance with HUD's regulations in 24 CFR Part 75 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

The contractor agrees to submit, and shall require its subcontractors to submit to them, regular reports detailing the total number of labor hours worked on the Section 3 Project, the total number of labor hours worked by Section 3 Workers, and the total number of hours worked by Targeted Section 3 Workers, and any affirmative efforts made during the quarter to direct hiring efforts to low- and very low-income persons, particularly persons who are Section 3 workers and Targeted Section 3 workers.

The contractor agrees to facilitate the training and employment of Section 3 workers and the award of contracts to Section 3 business concerns by undertaking activities such as described in Section 75.25(b) as appropriate, to reach the goals set forth in Section 75.23 and in Federal Register Vol. 85, No. 189, page 60909, until superseded by HUD in a subsequent publication. As of September 29, 2020, the minimum Section 3 benchmark is twenty-five (25) percent or more of the total number of labor hours worked by all workers on a Section 3 project are Section 3 workers; and five (5) percent or more of the total number of labor hours

EXHIBIT D

worked by all workers on a Section 3 project are Targeted Section 3 workers.

The contractor agrees to document actions taken to comply with the foregoing requirements, the results of those actions taken and impediments, if any.

14. **Environmental Compliance**

- A. The Subrecipient shall comply with the California Environmental Quality Act (CEQA) requirements as they apply to this Activity.
- B. The Subrecipient shall comply with the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251, *et seq.*, as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 of the Clean Air Act and Section 308 of the Clean Water Act, and all regulations and guidelines issued thereunder.
- C. The Subrecipient shall comply with the requirements of the Clean Air Act, 42 U.S.C. 1857, *et seq.*, as amended.
- D. The Subrecipient shall comply with Environmental Protection Agency (EPA) regulations pursuant to 40 CFR Parts 15 and 50, as amended.
- E. The Subrecipient shall comply with the requirements of the Flood Disaster Protection Act of 1973 (42 U.S.C. 4001). The Subrecipient shall assure that for activities located in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, that flood insurance under the National Flood Insurance Program is obtained and maintained as a condition of financial assistance for acquisition or construction purposes (including rehabilitation).
- F. The Subrecipient shall comply with the requirements of the Residential Lead-Based Paint Hazard Reduction Act of 1992 and Section 401(b) of the Lead-Based Paint Poisoning Prevention Act of 1971. The Subrecipient agrees that any construction or rehabilitation of residential structures with assistance provided under this Agreement shall be subject to HUD Lead-Based Paint Regulations at 24 CFR 570.608, and 24 CFR Part 35, Subpart B. Such regulations pertain to all CDBG-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice should also point out that if lead-based paint is found on

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2023

EXHIBIT D

the property, abatement measures may be required.

- G. The Subrecipient shall comply with the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470), the Archaeological and Historical Preservation Act of 1974 (Public Law 93-291), and the procedures set forth in 36 CFR Part 800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties, insofar as they apply to the performance of this agreement. The Subrecipient shall also comply with Executive Order 11593 on the protection and enhancement of the cultural environment. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a federal, state, or local historic property list.
- H. Subrecipient shall comply with all National Environmental Policy Act (NEPA) requirements as applicable to the performance of this Agreement as found in 24 CFR Part 50, 24 CFR Part 58, as applicable, and 40 CFR 1500 – 1508. Subrecipient shall not receive authority to incur activity costs until they have successfully documented compliance with the applicable NEPA requirements, including public noticing and publishing.

The subrecipient understands and agrees that this Agreement does not constitute a commitment of funds or site approval, and the commitment of funds or approval may occur only upon satisfactory completion of environmental review and receipt by the Department of an approval of the request for release of funds and certification from HUD or the Department under 24 CFR Part 58. The provision of any funds to the Activity is expressly conditioned on the Department's determination to proceed with, modify or cancel the Activity based on the results of the environmental review.

15. **Procurement**

The Subrecipient shall comply with the procurement provisions in 2 CFR Part 200.318 – 200.326, Procurement Standards as well as all other Administrative Requirements for Subrecipient and Cooperative Agreements to State, local and federally recognized Indian tribal governments as set forth in 2 CFR 200, et seq., as applicable. All procurements must be conducted in a fair, open, and competitive manner in compliance with both the spirit and the letter of applicable federal laws. See the Procurement and Contracts section of HCD's website at [Disaster Grant Administration & Reporting | California Department of Housing and Community Development](#)

16. **Procurement of Recovered Materials**

In accordance with Section 6002 of the Solid Waste Disposal Act, as amended by the

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2023

EXHIBIT D

Resource Conservation and Recovery Act, the contractor shall procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition. The contractor shall procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the contractor determines that such items: (1) are not reasonably available in a reasonable period of time; (2) fail to meet reasonable performance standards, which shall be determined based on the guidelines of the National Institute of Standards and Technology, if applicable to the item; or (3) are only available at an unreasonable price.

Pursuant to 30 CFR 247.2, this clause shall apply to items purchased under this Agreement where: (1) the contractor purchases in excess of \$10,000 of the item under this contract; or (2) during the preceding Federal fiscal year, the contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of \$10,000 of the item both under and outside that contract.

17. **Construction Standards**

The Subrecipient shall ensure that all Approved Activities comply with the following requirements, as applicable:

The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157)

The Architectural Barriers Act (ABA) stands as the first measure by Congress to ensure access to the built environment for people with disabilities. The law requires that buildings or facilities that were designed, built, or altered with federal dollars or leased by federal agencies after August 12, 1968, be accessible.

California Green Buildings Standards Code (CALGreen) (Title 24, Part 11 of the California Code of Regulations)

All new construction of residential buildings or reconstruction of substantially damaged buildings must incorporate California Green Buildings Standards Code (CALGreen).

Sustainability Requirements

All rehabilitation, reconstruction, and new construction must be designed to incorporate principles of sustainability, including water and energy efficiency, resilience, and mitigating the impact of future disasters. Wherever feasible, the Subrecipient, Subrecipient's and contractors must follow best practices, such as those provided by the U.S. Department of Energy.

EXHIBIT D

National Floodplain Elevation Standards

Subrecipients and contractors must comply with the national floodplain elevation standards for new construction, repair of substantially damaged structures, or substantial improvements to residential structures in flood hazard areas. All structures designed for residential use within a 100-year (or one percent annual chance) floodplain will be elevated with the lowest floor at least two feet above the base flood elevation level and comply with the requirements of 83 FR 5850 and 83 FR 5861.

Wildland-Urban Interface Building Codes (WUI Codes)

All Approved Activities that are located in a CAL FIRE high fire zone must comply with applicable WUI codes, found in Title 24, Chapter 7a of the California Building Code, which offer specific material, design, and construction standards to maximize ignition-resistance.

18. Federal Labor Standards Provisions

The Subrecipient shall always comply, and cause all Activity contractors to comply, with applicable federal labor standards, including without limitation, the following:

- A. Davis-Bacon Act (40 U.S.C. §§ 3141-3148), which requires that workers receive no less than the prevailing wages being paid for similar work in their locality. Prevailing wages are computed by the Federal Department of Labor and are issued in the form of federal wage decisions for each classification of work. The law applies to most construction, alteration, or repair contracts over \$2,000.
- B. "Anti-Kickback Act of 1986" (41 U.S.C. §§ 51-58), which prohibits attempted as well as completed "kickbacks," which include any money, fees, commission, credit, gift, gratuity, thing of value, or compensation of any kind. The act also provides that the inclusion of kickback amounts in contract prices is prohibited conduct in itself. This act requires that the purpose of the kickback was for improperly obtaining or rewarding favorable treatment. It is intended to embrace the full range of government contracting.
- C. Contract Work Hours and Safety Standards Act - CWHSSA (40 U.S.C. § 3702), which requires that workers receive "overtime" compensation at a rate of one and one-half (1-1/2) times their regular hourly wage after they have worked forty (40) hours in one week.

EXHIBIT D

- D. Title 29, Code of Federal Regulations CFR, Subtitle A, Parts 1, 3 and 5, which are the regulations and procedures issued by the Secretary of Labor for the administration and enforcement of the Davis-Bacon Act, as amended.

The Subrecipient shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to the Department for review upon request. Subrecipient shall be responsible for monitoring Developer, contractors, and subcontractors, as applicable, for compliance with these provisions.

19. **State Prevailing Wages**

- A. The Subrecipient shall ensure that the requirements of California Labor Code (LC), Chapter 1, commencing with Section 1720, Part 7 [LC Section 1720-1743] pertaining to the payment of prevailing wages and administered by the California Department of Industrial Relations are met.
- B. For the purposes of this requirement "construction work" includes, but is not limited to rehabilitation, alteration, demolition, installation, or repair done under contract and paid for, in whole or in part, through this Agreement. All construction work shall be done through the use of a written contract with a properly licensed building contractor incorporating these requirements (the "Construction Contract"). Where the Construction Contract will be between the Subrecipient and a licensed building contractor, the Subrecipient shall serve as the "awarding body" as that term is defined in the LC. Where the Subrecipient will provide funds to a third party that will enter into the Construction Contract with a licensed building contractor, the third party shall serve as the "awarding body." Prior to any disbursement of funds, including but not limited to release of any final retention payment, the Department may require a certification from the awarding body that prevailing wages have been or will be paid.
- C. The applicable wage rate determination on construction work will be the more restrictive of the rate prescribed in LC Section 1770-1784 or the Davis-Bacon Wage Determination.

20. **Agreements with Contractors**

- A. The Subrecipient shall not enter into any agreement, written or oral, with any contractor or other party without the prior determination that the contractor or other party is eligible to receive federal funds and is not listed on the Federal Consolidated List of Debarred, Suspended, and Ineligible contractors.

The terms "other party" is defined as public or private nonprofit agencies or organizations and certain (limited) private for-profit entities who receive grant funds from a Subrecipient to undertake Approved Activities.

EXHIBIT D

- B. An agreement between the Subrecipient and any contractor or other party shall require:
- 1) Compliance with all State and federal requirements described in this Agreement including without limitation those that pertain to labor standards, nondiscrimination, Americans with Disabilities Act, Equal Employment Opportunity and Drug Free Workplace, and prevailing wages. In addition to these requirements, all contractors and subcontractors shall comply with the applicable provisions of the California Labor Code.
 - 2) Maintenance of at least the minimum State required Workers' Compensation Insurance for those employees who will perform the Approved Activities.
 - 3) Maintenance, as required by law, of unemployment insurance, disability insurance and liability insurance, which is reasonable to compensate any person, firm, or corporation, who may be injured or damaged by the contractor, or any subcontractor in performing the Approved Activities.
 - 4) Compliance with the applicable Equal Opportunity Requirements described in Section 10 of this Exhibit.
- C. Contractors shall:
- Perform the Approved Activities in accordance with federal, state, and local regulations, as are applicable.
- D. Contractors and Subcontractors: Drug-Free Workplace Act of 1988
- 1) Publish and give a policy statement to all covered employees informing them that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited in the covered workplace and specifying the actions that will be taken against employees who violate the policy.
 - 2) Establish a drug-free awareness program to make employees aware of a) the dangers of drug abuse in the workplace; b) the policy of maintaining a drug-free workplace; c) any available drug counseling, rehabilitation, and employee assistance programs; and d) the penalties that may be imposed upon employees for drug abuse violations.
 - 3) Notify employees that as a condition of employment on a federal contract or grant, the employee must a) abide by the terms of the policy statement;

EXHIBIT D

and b) notify the employer, within 5 calendar days, if he or she is convicted of a criminal drug violation in the workplace.

- 4) Notify the contracting or granting agency within 10 days after receiving notice that a covered employee has been convicted of a criminal drug violation in the workplace.
- 5) Impose a penalty on or require satisfactory participation in a drug abuse assistance or rehabilitation program by any employee who is convicted of a reportable workplace drug conviction.
- 6) Make an ongoing, good faith effort to maintain a drug-free workplace by meeting the requirements of the act.

21. **Rights to Inventions Made Under a Contract or Agreement**

If a Federal award meets the definition of “funding agreement” under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of recipient or subrecipient must comply with requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulation issued by the awarding agency.

22. **Special Conditions Pertaining to Hazards, Safety Standards and Accident Prevention**

- A. Use of Explosives: When the use of explosives is necessary for the prosecution of the work, the contractor shall observe all local, state, and federal laws in purchasing and handling explosives. The contractor shall take all necessary precaution to protect completed work, neighboring property, water lines, or other underground structures. Where there is danger to structures or property from blasting, the charges shall be reduced, and the material shall be covered with suitable timber, steel, or rope mats.

The contractor shall notify all owners of public utility property of intention to use explosives at least 8 hours before blasting is done close to such property. Any supervision or direction of use of explosives by the engineer does not in any way reduce the responsibility of the contractor or his Surety for damages that may be caused by such use.

- B. Danger Signals and Safety Devices: The contractor shall make all necessary precautions to guard against damages to property and injury to persons. The contractor shall put up and maintain in good condition, sufficient red or warning lights at night, suitable barricades, and other devices necessary to protect the

EXHIBIT D

public.

- C. Protection of Lives and Health: The contractor shall exercise proper precaution at all times for the protection of persons and property and shall be responsible for all damages to persons or property, either on or off the worksite, which occur as a result of prosecution of the work. The safety provisions of applicable laws and building and construction codes, in addition to specific safety and health regulations described by Chapter XIII, Bureau of Labor Standards, Department of Labor, Part 1518, Safety and Health Regulations for Construction, as outlined in the Federal Register, Volume 36, No. 75, Saturday, April 17, 1971, Title 29 - LABOR, shall be observed and the contractor shall take or cause to be taken, such additional safety and health measures as the Developer may determine to be reasonably necessary.

23. Prohibition Against Payments of Bonus or Commission

The assistance provided under this Agreement shall not be used in the payment of any bonus or commission for the purpose of:

- A. Obtaining the Department's approval of the Application for such assistance; or,
- B. Any other approval or concurrence of the Department required under this Agreement, Title I of the Housing and Community Development Act of 1974, or the State regulations with respect thereto; provided, however, that reasonable fees for bona fide technical, consultant, managerial or other such services, other than actual solicitation, are not hereby prohibited if otherwise eligible as program costs.

24. Reporting Requirements

- A. Subrecipient must timely submit the reports prescribed below. The Department reserves the right to request additional detail and support for any report made. Reports must be made according to the dates identified, in the formats provided by the Department, and via the Department's online Grants Network portal unless otherwise specified at the discretion of the Department. The Subrecipient's performance under this Agreement will be assessed based in part on whether it has submitted the reports on a timely basis.
- 1) Monthly Activity Report: Subrecipient must submit a Monthly Activity Report that addresses the following, at a minimum: (1) a description of the current status of the Work; (2) a description of activities to be undertaken in the next reporting period; (3) a description of problems or delays encountered in Work and course of action taken to address them, if applicable; (4) performance metrics as requested by the Department and dependent on the type of Activity and (5) project and expenditure status updates. (6) A summary of all Section 3 training opportunities or jobs

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2023

EXHIBIT D

provided, as applicable for covered projects.

Unless otherwise waived in writing by the Department, Monthly Activity Reports must be submitted starting on the 10th calendar day of the first full month following execution of this Agreement and must continue through the receipt and approval by the Department of the Activity Completion Report, detailed below.

- 2) Semi-Annual Labor Standards Report: During the term of construction for each Approved Activity, each April 1st and October 1st, the Subrecipient must submit the Labor Standards Cover Memo, the HUD Form 4710 and the Davis Bacon Labor Standards Report 5.7 (if applicable). These forms are located on the Department's website and are also available upon request.
- 3) Activity Completion Report: At the completion of the CDBG-MIT funded portion of a Program, the Subrecipient must submit an Activity Completion Report as set forth in Exhibit B. The performance metrics are identified in Exhibit F.
- 4) For Financial Reports, see Section 6 of Exhibit B.

25. Fiscal Controls

The Subrecipient shall be responsible for the internal control and monitoring of fiscal and programmatic/operational goals and procedures. The Subrecipient shall establish and maintain such fiscal controls and fund accounting procedures as required by Federal regulations, or as may be deemed necessary by the Department to ensure the proper disbursement of, and accounting for, funds paid to the Subrecipient under this Agreement.

- A. **Deposit of Funds**: Subrecipient shall maintain separate accounts within established bookkeeping systems for the deposit of CDBG-MIT funds and Program Income. Deposits in minority banks are encouraged.
- B. **Fiscal Liability**: Subrecipients shall be liable for all amounts which are determined to be due by the Department, including but not limited to, disallowed or ineligible costs which are the result of Subrecipient's or its contractor's conduct under this Agreement. Subrecipients shall also be liable for the repayment of all amounts it has received under this Agreement and which HUD is seeking reimbursement for from the Department. Subrecipient's obligation to repay the foregoing amounts to the Department shall survive indefinitely the expiration or earlier termination of this Agreement. Subrecipient shall be notified in writing and shall be permitted to respond regarding any controversy or proceeding between the Department and

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2023

EXHIBIT D

HUD arising from this Agreement.

- C. Fiscal Records: All financial transactions must be supported by complete and verifiable source documents. Records shall provide a clear audit trail and shall be maintained as specified in Section 7 herein.

26. **Monitoring Requirements**

During the term of this Agreement, the Department may perform fiscal and/or program monitoring of the Subrecipient and Approved Activities to ensure compliance with federal and state requirements and timely Approved Activity completion. The Department monitors its Subrecipients based upon an assessment of risk posed by the Subrecipient as well as in accordance with specific monitoring criteria per 2 CFR 200.332. The Subrecipient shall be required to resolve any monitoring findings to the Department's satisfaction by the deadlines set by the Department. In the event the Subrecipient disagrees with a finding and/or any accompanying corrective actions or sanction(s) that are associated with such finding, the Subrecipient shall follow an appeals process provided by the Department.

27. **Audit/Retention and Inspection of Records**

- A. The Subrecipient must have intact, auditable fiscal and program records at all times. If the Subrecipient is found to have missing audit reports from the California State Controller's Office (SCO) during the term of this Agreement, the Subrecipient will be required to submit a plan to the State for submitting the audit to the SCO. If the deadlines are not met, the Department may initiate remedies for noncompliance in accordance with Section 4 herein. The Subrecipient's audit completion plan is subject to prior review and approval by the Department.
- B. The Subrecipient agrees that the Department or its designee will have the right to review, obtain, and copy all records pertaining to performance of this Agreement. The Subrecipient agrees to provide the Department or its designee with any relevant information requested and shall permit the Department or its designee access to its premises, during normal business hours for the purpose of interviewing employees and inspecting and copying such books, records, accounts, and other material that may be relevant to a matter under investigation for the purpose of determining compliance with California Public Contract Code (PCC) Section 10115 et seq., Government Code (GC) Section 8546.7 and 2 CCR 1896.60, et seq., and other requirements of this Agreement. The Subrecipient further agrees to maintain such records for a minimum period of five (5) years after the Department notifies Subrecipient that the HUD/the Department contract has been closed according to the record retention requirements at 2 CFR 200.334. The Subrecipient shall comply with the caveats and be aware of the

EXHIBIT D

penalties for violations of fraud and for obstruction of investigation as set forth in Public Contract Code Section 10115.10.

- C. An expenditure which is not authorized by this Agreement, or which cannot be adequately documented shall be disallowed and must be reimbursed to the Department or its designee by the Subrecipient.
- D. Absent fraud or material error on the part of the Department, the determination by the Department of the allowability or validity of any expenditure shall be final and conclusive.
- E. For the purposes of annual audits, Subrecipient shall comply with 2 CFR Part 200 Subpart F. Pursuant to 2 CFR Part 200 Subpart F, the Subrecipient shall perform an annual audit at the close of each fiscal year in which this Agreement is in effect. The costs of the MIT-PPS related portion of the audit may be charged to the program in accordance with Public Law 98-502, 2 CFR Part 200 Subpart F, and Title 25 CCR Section 7122.
 - 1) The audit shall be performed by a qualified State, department, local or independent auditor. The agreement/contract for audit shall include a clause which permits access by the Department to the independent auditor's working papers.
 - 2) If there are audit findings, the Subrecipient must submit a detailed response to the Department for each audit finding. The Department will review the response and, if it agrees with the response, the audit process ends, and the Department will notify the Subrecipient in writing. If the Department is not in agreement, the Subrecipient will be contacted in writing and informed what corrective actions must be taken. This action may include the repayment of disallowed costs or other remediation.
 - 3) The Department shall not approve reimbursement for any expenditures for the audit, prior to receiving an acceptable audit report.
 - 4) If so, directed by the Department upon termination of this Agreement, the Subrecipient shall cause all records, accounts, documentation, and all other materials relevant to the grant activity(ies) to be delivered to the Department as depository.
- F. Notwithstanding the foregoing, the Department will not reimburse the Subrecipient for any audit cost incurred after the expiration of this Agreement.

28. Signs

If the Subrecipient places signs stating that the Approved Activity is funded with private

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2023

EXHIBIT D

or public dollars and the Department is also providing financing, it shall indicate in a typeface and size commensurate with the Department's funding portion of the Approved Activity that the Department is a source of financing through the MIT-PPS Program.

29. **Insurance and Bonding**

- A. The Grantee shall have and maintain in full force and effect prior to the start of work, and at all times during the term of this Agreement such forms of insurance, at such levels as may be determined by the Grantee and the Department to be necessary for specific components of the grant activity(ies) described in Exhibit E and pursuant to 2 CFR 200 sections on bonding and insurance requirements. Prior to the commencement of any work, Grantee shall provide to the Department acceptable proof(s) of insurance confirming the required insurance coverages are in effect and naming the Department as an additional insured, where applicable. No insurance policy may be cancellable on less than thirty (30) calendar days prior notice to the insured and the Department. Grantees are responsible for requiring sufficient insurance, including but not limited to liability and workers compensation insurance, from all contractors and subrecipients. Grantees are recommended to be listed as an additional insured on policies held by contractors or subrecipients for the implementation of this award. Where a Grantee insurance policy is required to be purchased specifically for the execution or implementation of the activity funded through this award, the Department must be listed as an additional insured on the declarations page of the policy.
- B. **Additional Coverages.** In the event that Grantee, and/or any of its Subrecipients or Contractors,, will be engaging in any Hazardous Activity as part of the Collective Work contemplated by this Agreement, then the party(ies) engaging in any Hazard Activity(ies) shall provide to the Department, prior to commencement of any such activity(ies), such insurance coverages in such forms and in such amounts as the Department may require in its sole discretion. Such coverages are in addition to all other insurance coverages required by this Agreement and shall be imposed on any Subrecipient and/or Contractor pursuant to the Subrecipient Agreement or Contract. For purposes of the provision, the term "Hazardous Activity" includes the following: (a) the removal, storage, and/or transportation of any "hazardous material", as such term is defined under federal, state, or local law, ordinance, regulation, or guideline, (b) the removal, storage, or transportation of lead-based paint, (c) blasting, (d) any activity which by its nature is abnormally dangerous, and (d) any "ultrahazardous activity" as defined in California case law. In addition to providing proof of such required coverages, the party(ies) engaging in the Hazardous Activity(ies) shall procure, at its expense prior to the commencement of any work, all required permits, licenses, consents, and approvals that are required for the lawful conduct of such

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2023

EXHIBIT D

activities and shall provide adequate written proof thereof to the Department. No Hazardous Activity work may be commenced, or contracted for, prior to the provision of the required insurance coverages and licensure proof to the Department.

30. **Indemnification**

Subrecipient, at its sole cost and expense, shall indemnify, defend, and hold the Department and its employees, representatives, attorneys, agents, and their respective successors, heirs, and assigns harmless from and against any and all claims, demands, actions, costs, losses, damages, and liabilities, whether direct or indirect, and regardless of their nature or source, which in any way relate to or arise from the actions or inactions of Subrecipient and/or its contractors, subcontractors, employees, owners, agents, and representatives in connection with this Agreement and any agreement or instruments executed in connection herewith. The obligations of Subrecipient under this Section shall survive indefinitely the closeout of Approved Activity and the expiration or earlier termination of this Agreement.

31. **Anti-Lobbying Certification**

The Subrecipient shall require that the language of this certification be included in all contracts or subcontracts entered into in connection with the Approved Activity(ies) and shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into.

Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and no more than \$100,000 for such failure.

- A. No federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- B. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

EXHIBIT D

32. **Conflict of Interest**

Pursuant to 24 CFR 570.489(h), no member, officer, or employee of the Subrecipient, or its designees or agents, no member of the governing body of the locality in which the Approved Activity is situated, and no other public official of such locality or localities who exercise or have exercised any functions or responsibilities with respect to MIT-PPS activities assisted under this part, or who are in a position to participate in a decision making process or gain inside information with regard to such activities, including members and delegates to the Congress of the United States, may obtain a financial interest or benefit from a MIT-PPS assisted activity, or have a financial interest in any contract, subcontract or agreement with respect to a MIT-PPS assisted activity or its proceeds, either for themselves or those with whom they have business or immediate family ties, during their tenure, or for 1 year thereafter. The Subrecipient shall incorporate, or cause to be incorporated, in all such contracts or subcontracts a provision prohibiting such interest pursuant to the purposes of this section.

33. **Obligations of Subrecipient with Respect to Certain Third-Party Relationships**

The Subrecipient shall remain fully obligated under the provisions of this Agreement notwithstanding its designation of any third party or parties for the undertaking of all or any part of the Work with respect to which assistance is being provided under this Agreement to the Subrecipient. The Subrecipient shall comply with all lawful requirements of the Department necessary to ensure that the Work, with respect to which assistance is being provided under this Agreement to the Subrecipient, is carried out in accordance with the Department's Assurance and Certifications, including those with respect to the assumption of environmental responsibilities of the Department under Section 104(g) of the Housing and Community Development Act of 1974 [42 U.S.C. § 5304(g)].

34. **Energy Policy and Conservation Act**

This Agreement is subject to mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the federal Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

35. **State Contract Manual Requirements (Section 3.11, Federally Funded Contracts (Rev. 3/03):**

- A. All contracts, except for State construction projects that are funded in whole or in part by the Federal government, must contain a 30-day cancellation clause and the following provisions:

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2023

EXHIBIT D

- 1) It is mutually understood between the parties that this contract may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds to avoid program and fiscal delays that would occur if the contract were executed after that determination was made.
 - 2) This contract is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the purpose of this Program. In addition, this contract is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this contract in any manner.
 - 3) The parties mutually agree that if the Congress does not appropriate sufficient funds for the Program, this contract shall be amended to reflect any reduction in funds.
 - 4) The Department has the option to invalidate the contract under the 30-day cancellation clause or to amend the contract to reflect any reduction in funds.
- B. Exemptions from provisions A.1 through A.4 above may be granted by the Department of Finance provided that the director of the State agency can certify in writing that Federal funds are available for the term of the contract.
- C. Gov. Code § 8546.4(e) provides that State agencies receiving Federal funds shall be primarily responsible for arranging for Federally required financial and compliance audits, and shall immediately notify the Director of Finance, the State Auditor, and the State Controller when they are required to obtain Federally required financial and compliance audits.

36. **Fraud, Waste, and Abuse**

- A. False, Fictitious or Fraudulent Claims - Warning: Any person who knowingly makes a false claim or statement to HUD or the Department may be subject to civil or criminal penalties under 18 U.S.C. §287, 1001 and 31 U.S.C. §3729.
- B. Detecting, Preventing, and Reporting Fraud - Fraud is a white-collar crime that has a devastating effect on the CDBG-DR program because the CDBG-DR program beneficiaries are victims of this crime when the CDBG-DR program is abused. The Department wants to stop any criminal assault on the CDBG-DR

EXHIBIT D

program it administers, and in doing so ensure all CDBG-DR funds go to people it was designed to help and improve their living conditions.

- C. Combatting Fraud - The HUD Office of Inspector General (OIG) is committed to protecting HUD's programs, operations, and beneficiaries from dishonest individuals and organizations. HUD cannot combat fraud alone; they rely on Department and DR Workforce Development NOFA Applicants to combat CDBG-DR program fraud. HUD also relies on Applicants for and people receiving HUD benefits, such as: tenants receiving rental assistance, borrowers with HUD insured loans, or citizens having their communities restored using HUD grants. The HUD OIG Hotline number is **1-800-347-3735**. This is the primary means to submit allegations of fraud, waste, abuse, mismanagement, or Whistleblower related matters for the CDBG-DR program to the OIG.

HUD OIG accepts reports of fraud, waste, abuse, or mismanagement in the CDBG-DR program from HUD employees, anyone administering the CDBG-DR program, anyone working in the CDBG-DR program, contractors, and the public.

You can report mismanagement or violations of law, rules, or regulations by HUD employees or program participants. Fraud, Waste and Abuse in the CDBG-DR program and its operation may be reported in one of the following four (4) ways:

- 1). By email to: hotline@hudoig.gov
- 2). By phone: Call toll free: 1-800-347-3735
- 3). By fax: 202-708-4829
- 4). By mail: Department of Housing & Urban Development
Office of Inspector General Hotline Manager
400 Virginia Avenue, SW, Suite 120
Washington, DC 20024

37. Whistleblower Protections

- A. Federal Whistleblower Protection Act (5 U.S.C Section 2302(b)(8))

The Federal Whistleblower Protection Act (WPA) protects employees from retaliation for making protected disclosures. The WPA also provides penalties for supervisors who retaliate against Whistleblowers.

- 1) A disclosure is protected under the WPA if the employee discloses information the employee reasonably believes to be evidence of:

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2023

EXHIBIT D

- a. a violation of any law, rule, or regulation,
 - b. gross mismanagement,
 - c. a gross waste of funds,
 - d. an abuse of authority, or
 - e. a substantial and specific danger to public health or safety.
- 2) In general, an employee or applicant may make a protected disclosure to anyone, including non-governmental audiences, unless the information is classified or specifically prohibited by law from release. Options for making a protected disclosure include:
- a. Informing a supervisor or someone higher up in management,
 - b. Submitting a complaint to the OIG by emailing the OIG at oiq@ftc.gov,
 - c. Filing a complaint with the [Office of Special Counsel](http://www.osc.gov/) (OSC) <http://www.osc.gov/>
- B. The California Whistleblower Protection Act (Title 2, Division 1, Chapter 6.5, Article 3.5, Gov. Code §§ 8548-8548.5)
- 1) The California Whistleblower Protection Act authorizes the California State Auditor to receive complaints from state employees and members of the public who wish to report an improper governmental activity. An "improper governmental activity" is any action by a state agency or any action by a state employee directly related to state government that:
- a. Violates any state or federal law or regulation,
 - b. Violates an Executive Order of the Governor, a California Rule of Court, or any policy or procedure required by the State Administrative Manual or State Contracting Manual, or

EXHIBIT D

- c. Is economically wasteful or involves gross misconduct, incompetency, or inefficiency. Complaints received by the State Auditor are confidential, and the identity of the complainant may not be revealed without the complainant's permission, aside from to an appropriate law enforcement agency conducting a criminal investigation.

2) There are many ways to file a complaint:

a. By Telephone

You may call the Whistleblower Hotline at (800) 952-5665 to file a complaint by talking to one of the State Auditor's employees. The hotline generally is staffed Monday through Friday from 8:00 a.m. to 5:00 p.m. If you call when the hotline is not being staffed, or staff is occupied with other calls, you may leave a voicemail message requesting a return call.

b. By Mail or Facsimile

You may file a complaint in the form of a letter to the State Auditor addressed as follows:

Investigations
California State Auditor
P.O. Box 1019
Sacramento, CA 95812

Or you may fax the letter to the State Auditor at (916) 322-2603.

As an alternative, you may complete the electronic version of the complaint form (which is available on the State Auditor website at auditor.ca.gov), print it out, and return it by mail or facsimile as stated above.

c. Online

Although the State Auditor does not accept complaints by e-mail, you may file a complaint online at www.auditor.ca.gov/contactus/complaint

The State Auditor will not undertake an investigation unless there is a basis for believing that your complaint has sufficient merit to warrant spending resources on an investigation. Your complaint should therefore include:

EXHIBIT D

- i. A clear and concise statement of what you are alleging to be improper activity and why you believe it is improper.
- ii. The name or other information that clearly identifies the person you are alleging has acted improperly and the department where that person works.
- iii. The names and contact information for any witnesses who can confirm the truth of what you are saying.
- iv. Copies of any documents that will support what you are saying. (You should not submit original documents, as they cannot be returned.)

38. **Authority to Post Remediated Versions of Agreement**

Subrecipient hereby understands and acknowledges that the Department is obligated under federal law to post on the Department's website copies of all CDBG-DR executed contracts. As posted, such contracts must be compliant with federal and state law accessibility laws, including the California Government Code Section 11546.7 (2017 Assembly Bill 434) and the federal Americans with Disability Act, Section 508. The state law is most stringent of the two, so all posted documents must meet Web Content Accessibility Guidelines 2.0 (WCAG 2.0) accessibility level.

To comply, the Department must utilize document remediation tools that provide the compliant formatting. All remediation will only change formatting, color schemes, and update any tables so that screen readers can properly read out the content of the table. Thus, during remediation, the appearance of this Agreement may change, but under no circumstances shall any terms or tenets of the Agreement be changed in anyway. Additionally, the Department shall offer website visitors the option to receive a scanned, un-remediated copy of this Agreement via email, which option Subrecipient also consents to.

The foregoing Subrecipient authorizations apply to both this original Standard Agreement as well as any and all subsequent amendments thereto.

EXHIBIT E

SPECIAL TERMS AND CONDITIONS

1. Due Diligence Review

Subrecipient has provided, or will provide, the Department with information about the Subrecipient's experience, processes, policies, and procedures related to the management of federal funding by the Subrecipient. These submissions, in addition to discussions with the Subrecipient, have been used to inform this Agreement and are being materially relied upon by the Department in agreeing to enter into this Agreement.

Should there be substantive changes to the organization, key personnel, methods, capacity, policies, or processes of the Subrecipient that impact the implementation of this Agreement, the Subrecipient shall promptly notify the Department of said changes.

Subrecipient agrees to timely provide documents and information to the Department in order for the Department to facilitate its Subrecipient due diligence as required by Federal Register Notice 85 FR 4681. Subrecipient further agrees to comply with the requirements, requests, and results of the Department's due diligence and maintain the capacity to carry out disaster recovery activities in a timely and compliant manner at all times during the term hereof.

2. Risk Assessment

During the term of this Agreement, Subrecipient agrees to timely provide documents and information to facilitate the Department's Subrecipient risk assessment process. Subrecipient further agrees to comply with the requirements, requests, and results of the Department's risk assessment, including participation in Subrecipient monitoring events.

3. Special Conditions

Pursuant to Exhibit A, Section 5 and the Due Diligence and Risk Assessment, as referenced above, Subrecipient agrees to adhere to the following Special Conditions:

A. N/A

DETAILED SCOPE OF WORK, BUDGET, AND APPLICATION

Name of Project: Foothill Rebuild Barrier Removal Project

Grants Network Unique Identifier (Contract Number): 18-MITPPS-23004

1. Program Overview

THE CDBG-MIT-PPS ELIGIBLE ACTIVITY:

- Public Services (Sec 105(a)(8))

THE NATIONAL OBJECTIVE TO BE ACHIEVED FOR EACH ACTIVITY AS A RESULT OF THIS Project:

- Benefit to Low- and Moderate-Income Persons (LMI)

THE METHOD OF MEASURING THE NATIONAL OBJECTIVE, IF LMI:

- Benefit to Low- and Moderate-Income Persons: Limited Clientele

THE NUMBER OF INDIVIDUALS BENEFITTING AS A RESULT OF THIS PROJECT:

- Total beneficiaries: 155
- Total low/mod beneficiaries: 133

2. Activity Scope of Work (“Work”)

The Foothill Rebuild Barrier Removal Project is a new project designed to support individuals in identifying their needs to recovery, whether that be rebuilding or otherwise. The project will consist of targeted outreach, development of individual mitigation and recovery plans, one-on-one professional service and legal support, and offsetting of legal and permit costs. The outcome will be 155 households, currently living in substandard situations, progressing toward permanent housing; by doing so, they mitigate imminent threat to themselves and their community.

A Barrier Removal Team (Team) will be established consisting of a Program Manager, a Rebuild Advocate, a Code Enforcement Officer, a Legal Lot consultant, and a Building Permit Specialist. The Team will develop project processes to include enrollment eligibility standards, including pre-screening and reporting income eligibility compliance with CDBG-MIT LMI beneficiaries.

The Team will launch a media and mail outreach campaign that might include direct marketing such as mailers or organizing information events. Eligibility

criteria will be posted on the outreach material so that residents are informed and prepared for qualifying standards.

Services will be offered at the County Development Service office in Oroville, but outreach and support will also be provided in the communities. Code enforcement officers and a Rebuild Advocate will partner in the field to work in a trauma-informed approach individuals with property owners to help them understand the timing and restrictions of the urgency ordinances as well as the legal supports available to complete the necessary requirements to be issued a permit within one year. This partnership will bring the services provided in the office into the field using a localized, trauma-informed, individually tailored approach. The approach of support will come from two directions, the code enforcement's role to inform residents of ordinances and codes. The officer will provide additional instruction on what conditions are unsafe. The Rebuild Advocate's role is to inform residents of what housing counseling and legal assistance can be offered to bring the property into compliance and make progress toward mitigation and rebuild goals.

Staff and consultants will screen applicants, provide support in assessing mitigation and recovery needs, and facilitate the services to remove recovery barriers. Residents seeking support will work with a Rebuild Advocate to develop an individual mitigation and recovery plan. The plans will be developed on an individual basis to identify each recipient's circumstances related to recovery challenges and barriers. These circumstances may be lack of resources, a sense of overwhelm with the rebuild process, or other factors like properties that are out of compliance. The mitigation and recovery plans designed through this program are meant to identify individual needs to mitigate risks and move towards recovery by removing barriers. Removal of barriers may include those within the domain of local government which could prevent residents from building, specifically offsetting the costs of required permit fees and associated legal lot studies.

Following development of individual plans, the Rebuild Advocate will initiate next steps for qualifying property owners regarding an opportunity to offset a menu of building permit fees and legal lot determinations that may be essential but cost prohibitive to beneficiaries. Depending on the needs of individual property owners, these permits may include Manufactured Housing Unit building permits, Custom Model Home building permits, Master Plan building permits, Fire Sprinkler Permits, and Solar Permits. These permits entail adherence to multiple state and local building codes, inspections, and clearances that are staff time intensive. The permits incorporate state and local mitigation requirements. Butte

County Department of Development Services (DDS) staff will lead property owners through the eligibility requirements, determine their specific permit needs, and use project funding to offset those fees.

A legal lot determination consultant will be hired and fees will be offset to work directly with the property owners and other service providers to work through the legal lot determination studies. This will involve extensive legal research; outreach in the communities; and coordination with realtors, attorneys, engineers, county DDS and Public Works (PW) staff, surveyors, and engineers.

Task Narrative

- Task 1 - Establish project policies, procedures, and practices, including LMI screening and other eligibility requirements according to Scope of Work.
- Task 2 – Establish data and financial tracking of permit fees and study expenses.
- Task 3 – Train DDS and PW staff to screen beneficiaries and provide service delivery.
- Task 4 - Procure consultant and establish contract to provide legal lot determination outreach, services, and coordination according to HCD and County procurement policies and procedures.
- Task 5 – Develop and implement outreach campaign in the selected remote geographic areas for the targeted low-to-moderate income residents, in particular seniors and veterans.
- Task 6 – Operationalize public services, as well as track and monitor data and finances.
- Task 7 – Complete HCD activity and fiscal reports according to the HCD Standard Agreement.

Deliverables Narrative

- Deliverable 1 – Procurement documents and contract for consultant
- Deliverable 2 – Number of beneficiaries served and the type of service(s) provided
- Deliverable 3 - LMI qualifications of beneficiaries
- Deliverable 4 – All HCD-required Standard Agreement, activity, and fiscal reports

3. Budget Worksheets (attached)

The Project budget is included below as Attachments 1 and 2.

Attachment 1 – Grants Network Budget Worksheet is the high level, official budget for the Project. Any adjustments of this budget will result in either a budget revision or amendment.

Attachment 2 – Total Activity Budget Worksheet is the overall, detailed project budget submitted with the application. This budget provides a breakdown of the Grants Network Budget Worksheet. Only changes to the Total Activity Budget Worksheet that impact the Grants Network Budget Worksheet will result in either a budget revision or amendment.

When applicable, documentation that supports the indirect cost rate and ADCs is included as Attachment 6.

4. Performance Measures

The performance measures, included as Attachment 3, have been determined to be required for the monthly activity report, at the discretion of HCD and they are in bold below. Each month the Subrecipient will report on how the Project has progress on reaching the target numbers. The proposed target numbers are based on information provided by the Subrecipient and the Work Deliverable is identified per Activity performance measure. Projects are not required to report on the non-bolded items.

5. Project Schedule

The Project Schedule for the Project is included below as Attachment 4.

6. Application (attached)

In addition to the above detail, the Application is included as Attachment 5 for further details. In the event of a direct conflict between Exhibit F language above and the Application, this Exhibit F supersedes the Application to the extent of the conflict.

Attachment 1: Grants Network Budget Narrative

ACTIVITY COSTS

Photovoltaic Solar Permit Fee (60 permits @ \$482 over 3 years) – Solar permit fees required by CA code for all new Single Dwelling Units.

Fire Sprinkler Permit Fee (60 permits @ \$333 over 3 years) – Fire sprinkler permit fees required by CA code for all new Single Dwelling Units.

MHU Permit Fee (40 permits @ \$2,420 over 3 years) – Building permits required for manufactured housing units.

Custom SFD Model Permit Fee (30 permits @ \$6,009 over 3 years) – Building permits required for custom Single Family Dwelling Units.

Master Plan SFD Permit Fee (55 permits @ \$4,564 over 3 years) – Building permits required for master plan Single Family Dwelling Units.

Legal Lot Determination (30 lots @ \$3,843 over 3 years) – Fees associated with local government review recordation of a certificate of compliance assuring the property owner the right to develop the parcel, or a conditional certificate of compliance if outstanding conditions have yet to be met.

Consultant (\$65,000) Community outreach to targeted property owners; assessment of lot legalization needs; coordination with property owners, county staff, and other service professionals; research historic/legal documentation; coordinate legalization of lot. Costs estimate is based on the professional and experienced review of similar plans online, an estimate of the number of hours needed to facilitate the process and reference to previous consultant proposal who have the necessary field expertise and associated costs.

Rebuild Advocate (\$150,421.54) 0.5 FTE, salary and benefits, 3 years; Community outreach through events and outreach campaigns to serve those affected by recent fires and further targeting the most vulnerable low to moderate income individuals. Work closely with Code Enforcement, Disaster Case Managers, and Housing Navigators to identify those who are in need of assistance navigating County process for legal lot determinations and building permits for permanent housing. The Rebuild Advocate will also assist individuals to navigate temporary housing options in compliance with local ordinances prior to and during construction and will connect individuals with any known assistance programs.

ACTIVITY DELIVERY COSTS

Program Management (\$81,692) 0.15 FTE, salary and wages, 3 years – Vendor procurement and management; timeline oversight; budget and scope of work management; data collection and analysis; project coordination; deliverable compliance. An estimate in the number of hours necessary to contribute field expertise and management of a consultant hired to facilitate and write similar reports. The salary and benefits for a Butte County Program Manager staff member were considered. Actual salary, benefits, and hours will be allocated toward Activity Delivery costs.

Contract Administration (\$25,000) – HCD Standard Agreement management; HCD policy, procedure, compliance and monitoring oversight; activity and fiscal reporting. An estimate in the number of hours necessary to oversee a CDBG-DR MIT-PPS project was completed, using Round 1 hours. The salary and benefits for a Butte County Program Development Manager staff member were considered. Actual salary, benefits, and hours will be allocated toward Activity Delivery costs.

Notes:

Budget shortfalls are not anticipated, but in such an event, they would be the responsibility of the Butte County Department of Development Services.

The total number of permits and legal lot determinations were derived from analyzing several years of building permit data following several catastrophic fires to estimate the types and volume of permits needed and issues to resolve (i.e. legal lot line determinations) for the population proposed for service through this program.

Applications: Butte County - Foothill Rebuild Barrier Removal Project

2017 Round 2 & 2018 MIT-PPS Application

A. General Information

1. Profile

CommunityDevelopment@buttecounty.net

Below, please enter Application Title for your application.

Application Title Format: [Applicant Name] - [Project Name]

Example: Sacramento, City of – Community Food Bank.

2. ApplicationTitle

Butte County - Foothill Rebuild Barrier Removal Project

B. Eligible Activity

All projects funded through the MIT-PPS program must qualify under one of two CDBG-MIT eligible activities:

- Planning and Capacity Building (HCDA Section 105(a)(12)) or
- Public Services (HCDA Section 105(a)(8))

Eligible activities are defined by 24 CFR 570.482 et. Seq.(<https://www.law.cornell.edu/cfr/text/24/570.482>), Policies and Procedures (P&P) MIT- PPS section 2.1 and the 2017/2018 MIT NOFA section II.D.

Choose the eligible activity that applies to your project.

1. Eligible Activity Category

Public Services

2. Explain how your project meets the definition of the eligible activity that you selected in the question above?

The Foothill Rebuild Barrier Removal Project is a provision of public services for the health, safety, and welfare of Butte County residents by assisting in the removal of barriers that prevent residents from rebuilding safe housing after local disasters. These barriers include sufficient housing counseling services, assistance navigating legal processes, and subsistence payments needed to meet prebuilding requirements which secure building permits. The financial support as public services are not provided by the unit of general local government, according to HCDA Section 105(a)(8).

Public Services

To utilize CDBG-MIT funds for a public service, the funds must either be used for a new service or be used to expand an existing service. This provision was put into place by HUD to prevent the substitution of CDBG-MIT funds for support of public services that are recently being supported by local or state government funds.

- A new service: No local or state funding is in place for the service/project.
- An expanded service: CDBG-MIT funds may only be used to expand a service that has been funded by local or state funds at least 12 months prior to the application. Applicants must demonstrate how the CDBG-MIT funds will result in a quantifiable increase in the level of the existing service.

1. Is this a new or expanded service?

New Service

Provide a narrative establishing there is a need for the new or expanded service in your community. Narrative should incorporate third party evidence, studies, analysis, assessments, etc. Anecdotal letters of support are not documentation of need.

For expanded services, include:

- How long the current service has been in operation,
- How this project, if funded, would result in a quantifiable increase in that service, and
- Why the service increase is needed.

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2024

2. Please explain justification for new or expanded services.

The Foothill Rebuild Barrier Removal Project is a new project driven by the need of Butte County low-to-moderate income residents often living in substandard housing conditions in a burn scar area to receive the service, legal and financial support to create a plan to rebuild housing destroyed in local, catastrophic wildfires. The project will focus on seven east foothill communities in which the housing stock has been decimated: Bangor, Berry Creek, Cherokee, Concow, Feather Falls, Magalia, and Yankee Hill. The project will mitigate the potential injury, hardship, and loss of property and life, by helping residents develop a rebuild housing plan; identify barriers and resources to overcome those barriers; and secure building permits to ensure safe housing rather than continue to live in substandard, hazardous conditions on their properties.

CAMP FIRE AREA: Cherokee, Concow, Magalia, and Yankee Hill are four unincorporated communities severally impacted by the 2018 Camp Fire.

- Cherokee is a small unincorporated community with approximately 26 remaining households in the Wildland Urban Intermix area.
- Concow is a small foothill community with an active fire history, burning over 500,000 acres in the past 50 years including the Camp Fire that took 73% of the housing stock, leaving only 305 habitable structures.
- Magalia is an intermix area with densely populated housing scattered among the wildland. Approximately half of the housing in Magalia was destroyed during the Camp Fire, leaving 3,442 habitable structures.
- Yankee Hill neighbors Concow and Cherokee communities with narrow access routes and no pressurized community fire hydrants. It has 140 remaining habitable structures after the Camp Fire.

NORTH COMPLEX FIRE AREA: Berry Creek and Feather Falls are two pioneer communities nearly destroyed by the North Complex Fire.

- Berry Creek is a remote wildland urban intermix area that lost 931 habitable structures in the North Complex Fire, leaving approximately 974 structures.
- The Feather Falls area is located on a wildland urban intermix ridge in which much of the community housing was destroyed in the Ponderosa and North Complex Fires leaving an estimated 64 habitable structures. Those homes are sparsely located, remote, and ill-maintained.

WIND COMPLEX AREA: The Wind Complex Fire resulted from a merging of several fires in the area, and the damage exacerbated by the reassignment of local fire fighters to Napa and Sonoma Counties to fight fires in those areas. Fires in the Bangor area merged and destroyed most structures other than the school, fire station, and community center. This was the third devastating fire of 2017 preceded by the Wall Fire situated in the east foothills near Bangor and the Ponderosa Fire located in the Feather Falls area.

Unprecedented wildfire destruction results in unprecedented impacts on households and government systems. Many lower-income homeowners in the burn scars were uninsured or under-insured before the fire. While some neighbors have received payouts from insurance policies and lawsuits to quickly rebuild, others remain in destitute living situations much like they were immediately following the fire. In fact, permits for 23% of the housing lost in the Camp Fire and permits for only 1% of the housing lost in the North Complex have been secured. Years later, there have only been 609 housing units rebuilt of the approximately 4,500 destroyed in these two fires. The result is several hundred households living in temporary, unsafe sheltering structures on their properties. The hazardous living conditions may ignite fire and spread fires, putting their property, lives, neighbors, and community at great risk. Tragically, barriers for progress toward rebuilding has become impenetrable with these residents thereby sustaining significant risks across communities and contributing to long-term suffering.

The public services being proposed would be a foothold to these barriers, initiating change and progress. The project activities would bring new support, legal, and financial services to lower-income residents with few resources and who are living in substandard living situations. Specifically, these supports would help navigate the permit process and acquire the legal studies and necessary building permits. The project outcome would be 155 household securing the building permits they need to rebuild.

3. Upload evidence of need for new or expanded public service.

Butte County-Barrier Removal-New Program.pdf

Indicate whether there is a lack of service or if existing services do not meet demand. Describe documentation supporting the lack/shortage of services and document there is no reasonable access to the proposed service or program from another service provider.

4. Provide a narrative indicating there is no reasonable access to the service.

The proposed scope of work involves offsetting the cost of a menu of permit fees and legal lot determination studies as identified in a housing recovery plan. These are costly state and local government requirements that are the financial responsibility of property owners when building a house. For low-to-moderate income property owners, these requirements may act as additional barriers to rebuilding. According to the Impacts of Camp Fire Disaster on Housing Market Conditions and Housing Opportunities in the Tri-County Region (September 2020), over 60% of homeowners were under-insured, limiting their financial ability to rebuild. The lack of adequate insurance is further identified in the August 2020 State of California Proposed Action Plan for Disaster Recovery publication. There is no financial support to cover these costs for residents, nor the incremental cost of staffing and contractors to complete lot determination studies that would be necessary to meet the increased demand.

Access to the County's Development Department may be as much as an hour and a half away, creating an additional barrier in completing pre-construction responsibilities when our lowest-income, remote residents do not have the time, resources, or vehicles to travel for services. Therefore, staff will establish a presence in the remote communities, essentially bringing the support system to those most in need.

Documentation may include maps indicating location of closest services, lack of routes or insufficient frequency in public transportation to provide access to existing locations, listings and descriptions of active nonprofits and public agencies in the area to demonstrate a lack of service providers. Documentation should support that there is a need for the service in the community. Letters of support or anecdotal statements of inaccessibility will NOT be considered adequate documentation.

5. Upload Reasonable Access supporting documentation.

Butte County-Barrier Removal-Access.pdf

Describe the target population for the service. Indicate whether the population is growing or shrinking and if/how that change is related to the need for services. Describe how you intend to reach that population in your community.

6. Provide a narrative indicating why the population needs this service.

The population that needs the services proposed in the Foothill Rebuild Barrier Removal Project are low-to-moderate income property owners in the east foothill area in which permit fees and legal lot determination studies pose a financial and process barrier to rebuild housing on their properties. A Rebuild Advocate will serve as the support needed for the population to move forward with a rebuild plan. The target population are those who are living in substandard living situations due to those barriers. The population size is consistent in several hundred that returned to their properties after the fires in 2017, 2018, and 2020 remain inadequately sheltered given there are no services in place to remove these unique barriers.

The lack of affordable housing is demonstrated in the attached 2022 General Plan and Housing Element Annual Progress Report and Memo documents. Table B of the report reflects the number of permits issued by affordability as it relates to the Regional Housing Needs Allocation (RHNA) from 2016 through 2022. During that timeframe, only 82 of the 1,341 units created were identified as meeting the criteria for low or very low-income level. This data along with the CAL-Fire DINS reports reflect the number of units destroyed by recent wildfires, demonstrates the lack of housing in general in Butte County, and more importantly, the lack of affordable housing for those that have lost their homes in recent disasters.

Unfortunately, the current timing and type of services being provided have not led to successful rebuild efforts. However, the proposed activities may be a foothold when used in conjunction with these other resources efforts to increase interest and action. Under the dire circumstances of the unprecedented disasters in these areas, Butte County established ordinances that would allow residents to temporarily reside on their properties. When these emergency ordinances sunset, residents may continue to reside on their property in campers and recreation vehicles only if a building permit has been secured. Therefore, using the time constraints of the urgency ordinance may support progress in securing a rebuild permit so residents do not need to vacate their property while they build. Chapter 53, the ordinance for Camp Fire survivors, has already sunset and Chapter 54, the ordinance for North Complex Fire survivors will sunset in one year. Public Services that assist in developing a rebuild plan and securing a rebuild permit brings fire survivors one step closer to securing safe housing.

Residents are living in unsafe conditions that do not comply with state and local regulations and as such, they avoid interactions with government officials and individuals seeking to collect their personal data. Local government is bound by their mandates and currently have few strategies to remove the barriers that perpetuate the current status quo. The proposed project is a key strategy that can be used to reach and serve these residents. While Code Enforcement must notify residents about upholding the law, they can be partnered with a Rebuild Advocate who can assist in navigating the legal process and securing the services to do so.

This project could also support another service that has not seen the success in Butte county that it intended: The Owner-Occupied Rehabilitation/Reconstruction (OOR) Program. Residents feedback to Butte County staff is that the language in the OOR materials is too complex. There is a perception that a resident is not permitted to reside on the property to be eligible for the program. In addition, many of the residents do not qualify for the OOR program because the home that existed prior to the fire was not a permitted structure; the property owner built the previous home without an inspection or a permit. There is often no proof of land ownership or lot lines because the land was handed down from generation to generation without a deed. There are some properties without a utility bill either because the house was living off the grid. Unfortunately, the OOR program which was meant to specifically support housing stock recovery after specific fires was established with restrictions that are common to the conditions of the same fire.

Documentation may include growth or changes in specific populations (such as the homeless, elderly, youth, large families, individuals living below the poverty line) that are the targeted beneficiaries of the services. Documentation may also include information that identifies the lack of services as a component to population loss (e.g., lack of senior support services means seniors cannot age in place and must relocate to other areas where there are more services) documentation should be as specific as possible and use public data sources (US census, PIT counts, school district data, academic studies, needs assessments, newspaper articles etc.) whenever possible. Letters of support or anecdotal statements of causality will NOT be considered adequate documentation.

7. Population documentation.

Butte County-Barrier Removal-Population.pdf

If fees will result from the Public Services activity, the Applicant must provide additional information.

Note: Fees may not be assessed in order to participate in or benefit from the Public Services project, especially for LMI beneficiaries.

8. Will any fees be assessed as a result of project activities?

No

For CDBG-MIT program purposes, code enforcement is defined as a process whereby local governments gain compliance with ordinances and regulations regarding health and housing codes, land use and zoning ordinances, sign standards, and uniform building and fire codes.

Code enforcement involves the payment of salaries and overhead costs directly related to the enforcement of state and/or local codes. CDBG-MIT

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2024

funds may only be used for targeted code enforcement efforts that meet the definition of mitigation. Eligible code enforcement activities do not include the costs of correcting code violations identified during routine inspections.

9. Is this a code enforcement program?

No

C. Project Location

Provide the address where the project will take place.

If the project will occur in more than one place, the Applicant's address will be used.

For example:

- Project occurs in one location: food bank
- Project occurs in more than one location: community education project for an entire jurisdiction OR planning project for an entire jurisdiction.

1. Will the project occur in one location?

No

D. Scope of Work

Enter a detailed description of your project which should include at a minimum: what the project is, why it is needed, who the beneficiaries will be, where it will take place, how it will be done and when it will be completed. This should be a similar description provided for the NEPA. Additionally, please indicate if this will be a new project, a modification to an existing project, or if a new type of assistance will be added to an existing project. By completing the narratives below the Applicant is demonstrating a knowledge of need for the project and the steps needed to achieve the desired outcome.

For Planning projects only, provide the following information: What is the end result of the project, specifically the outcome or deliverable. How will the end result of the project be immediately actionable? For example, detail the process and timeframe of how the project deliverable will be utilized and implemented.

1. Project description

The Foothill Rebuild Barrier Removal Project will assist individuals in developing recovery plans to support those individuals in identifying their needs to recovery, whether that be rebuilding or otherwise. The outreach and individual housing plans would have a mitigation and resilience focus with an overall goal of educating, informing, and assisting individuals with plans to reduce the overall cost and complexity of rebuilding.

Rebuild plans will be developed on an individual basis taking into account each individual's circumstances. These circumstances may be lack of resources, a sense of overwhelm with the rebuild process, or other factors like properties that are out of compliance. The plans will address individual challenges and barriers through access to information and resources, and assistance with the process. As challenges are identified, the plans will result in the payment of permits and/or legal lot determinations which may be a barrier to recovery as they increase the complexity and cost of recovery. If individuals are hesitant to engage with government due to compliance issues on their properties, code enforcement and other staff will conduct outreach to resolve those fears using a trauma-informed approach meant to assist them in moving toward a plan. The program team's collective goal will be to aid and assist each individual in resolving their housing barriers and to move into a recovery planning process. The goal of the outreach is not to issue citations which may result in a negative outcome.

Overall, the program aims to develop recovery plans to address short-term and long-term barriers to rebuild safe housing in communities impacted by unprecedented wildfires. The east foothill area of Butte County has experienced catastrophic housing loss due to the Camp Fire, North Complex Fire, Wall Fire, Ponderosa Fire, and Wind Complex Fire. The type of destruction and associated costs to housing recovery could not be anticipated and has not been compensated for the most vulnerable, low-to-moderate income households in those areas. Ordinances, regulations, and applications can be complicated legal obstacles to rebuild progress. Further, there are various costly safety regulations associated with rebuilding a home, particularly in a burn scar. These costs typically exceed the available resources of households with limited, fixed incomes, particularly those who lost homes that were uninsured or underinsured. The result has been individuals and families that are precariously sheltered on their properties, many without a fixed structure to inhabit, and few options for resources necessary to rebuild.

Consequently, the County of Butte proposes a project that provides collaborative housing counseling led by a Rebuild Navigator in partnership with code enforcement, building development staff, and legal services to develop 155 housing plans and secure 155 new building permits for low-and-moderate income property owners in the burn scar over three years. Project staff will work directly with low-to-moderate income property owners, county departments, and community professionals to establish a rebuild plan to secure building permits in compliance with existing ordinances. The project will fund outreach and awareness, critical one-on-one professional service and legal support, and offset legal and permit costs. The result will

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2024

be 155 beneficiaries living in compliance with county safety ordinances and with a building permit for safe housing.

Trauma-informed outreach will be developed to access this difficult to reach population, and bridge services to these outstanding long-term survival needs. This approach assumes the presence of trauma and aims to reduce experiences that retrigger trauma. Often the most effective outreach in remote and pioneer communities is generated by word of mouth through engagement with community champions. These champions are the people that live in the community and maintain trusted, informational, and credible connections to reclude residents. Getting timely, understandable, persuasive, non-judgmental information to champions in the seven communities will be the responsibility of both County staff.

The Foothill Rebuild Barrier Removal Project is a new service project designed to meet the needs of property owners who lack the support and funding to develop a rebuild housing plan and secure adequate, permanent, and safe housing on their properties. Plans will help mitigate current and future risks by understanding barriers and identify mitigation solutions for those risks and barriers. The extraordinary destruction caused by previous wildfires has led to hundreds of unhoused low-to-moderate income county residents in the burn scar. Residents with fewer resources, were often uninsured or underinsured, resulting in less money to rebuild, purchase, or rent in a county with little housing stock and inflated housing prices. Consequently, these residents leverage one of the few assets that remained for them - their property – returning to their properties to live in recreation vehicles, campers, and other substandard living habitats. Living under these circumstances poses a threat to safety, health, and well-being without adequate power, water, and sanitation. Further, the management of temporary utility arrangements (propane generators, open fires, and daisy-chain power sources) and storage of belongings is an added fire threat to these Wildland Urban Interface and Intermix communities.

The solution is ultimately to improve the living conditions of those impacted by fire, ideally with rebuilt permanent housing and/or with a recovery plan to aid individuals in moving toward that goal. Rebuild housing plans designed through this program are meant to remove barriers within the domain of local government which could prevent residents from building, specifically offsetting the costs of required permit fees and associated legal lot studies. Building permit fees are a necessary state and local government requirements to ensure housing safety. Therefore, the project proposes offsetting a menu of building permit fees that may be essential but cost prohibitive to beneficiaries. Depending on the needs of individual property owners, these permits may include Manufactured Housing Unit building permits, Custom Model Home building permits, Master Plan building permits, Fire Sprinkler Permits, and Solar Permits. These permits entail adherence to multiple state and local building codes, inspections, and clearances that are staff time intensive. Butte County Department of Development Services (DDS) staff will lead property owners through the eligibility requirements, determine their specific permit needs, and use project funding to offset those fees.

Legal lot determination is another building requirement that poses a significant reconstruction financial barrier, and is of unique consideration for these geographic areas. A great majority of land and lots in these remote areas were bought and sold before the area was colonized and settled. Informal boundaries were drawn and verbally agreed upon but not recorded. The properties were handed down in these remote areas from generation to generation, largely without issue between neighbors who agreed upon how to access the property from private and public roads and bridges, and agreeing to where property lines exist. However, to acquire a building permits and other legal documents necessary to rebuild, there must be a legal determination of the lot. These lot studies are multi-faceted and costly. Therefore, a consultant will be hired and fees will be offset to work directly with the property owners and other service providers to work through the legal lot determination studies. This will involve extensive legal research; outreach in the communities; and coordination with realtors, attorneys, engineers, county DDS and Public Works (PW) staff, surveyors, and engineers. The level of sophisticated coordination and building expertise is a specialty not typical of most property owners, and consequently stands as both a financial and process barrier to rebuilding.

Butte County DDS will establish a project to support low-to-moderate income property owners in the Camp Fire, North Complex, and Wind Complex areas. Staff and consultants will screen applicants, provide support in assessing building needs, and facilitate the provision of the project public services to remove rebuild barriers. Services will be offered at the County DDS office in Oroville but outreach and support will also be provided in the communities. Project costs have been estimated based on the anticipated number of beneficiaries and services in those geographic areas. This new, community-responsive, public service project will be implemented and completed within 34 months. The outcome will be 155 households currently living in substandard situations are progressing toward permanent housing; by doing so, they mitigate imminent threat to themselves and their community.

The process will be as follows:

1. A Barrier Removal Team will be established consisting of a Program Manager, a Rebuild Advocate, a Code Enforcement Officer, a Legal Lot consultant, and a Building Permit Specialist.
2. The project processes will be further developed according to efficiently work through the governance system. Enrollment eligibility standards will be implemented into the system, including pre-screening and reporting income eligibility compliance with CDBG-DR LMI beneficiaries. Property must also be in the burn scar of an impacted community.
3. A media and mail outreach campaign to notify property owners of permit needs and the project resources that will help navigate the process and fund the permit acquisition will be developed for the foothill communities. Outreach will focus in the target population geographic area, and might include direct marketing such as mailers or organizing information events. Eligibility criteria will be posted on the outreach material so that residents

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2024

can be prepared with income, household size, and property ownership at the very first meeting. This will allow the resident to immediately qualify as a beneficiary and to know which resources will be made available, and at what timeline. It is the project's intention to quickly qualify residents to disrupt the current status quo, and initiate progress made toward a permit.

4. Residents may seek support at the DDS office where a Rebuild Advocate will help assess barriers and construct a plan through obtaining a building permit. It is anticipated that residents may be at any state of the rebuild process, but most likely at the stage in which they need a permit from the County. Of course, they may also present at the office as a result of the outreach campaign, seeking housing counseling and financial support. The Navigator will also work on behalf of the resident to initiate additional meetings between the resident and team members to complete the necessary tasks, from a legal lot study to acquire a specific permit or permits. Each household will necessitate an individualized analysis depending on their circumstances and preference in a housing type; therefore the funding amount per household may significantly vary depending on the situation.

5. Code enforcement officers and a Rebuild Advocate will partner in the field to work in a trauma-informed approach individuals with property owners to help them understand the timing and restrictions of the urgency ordinances as well as the legal supports available to complete the necessary requirements to be issued a permit within one year. This partnership will bring the services provided in the office into the field using a localized, trauma-informed, individually tailored approach. The approach of support will come from two directions, the code enforcement's role to inform residents of ordinances and codes. The officer will provide additional instruction on what conditions are unsafe. The Rebuild Advocate's role is to inform residents of what housing counseling and legal assistance can be offered to bring the property into compliance and make progress toward rebuild goals. This strategy allows the single project to adapt to what conditions are most likely motivating for each situation.

6. The next step may be organizing the team to meet with the resident to address barriers, resources and options, including legal issue and permit requirements. The options will mitigate future risks by connecting residents to services and new understanding about the impact of housing. While the OOR program is for the Camp Fire disaster, there is an impetus for residents who lost housing in the North Complex Fire to complete their preliminary work to springboard into an OOR program for two more years. Likewise, Chapter 54 of Butte County Code allows North Complex survivors to temporarily live in a travel trailer on their property with a temporary housing permit will expire June 30, 2025. After the expiration, the resident may only continue to live on the property in a travel trailer if they have a building permit secured for a permanent dwelling. The three-year deliverable period of the CDBG-DR MIT-PPS grant can also drive resident progress to take advantage of available funding to help them with pre-construction expenses. The Rebuild Advocate will identify barriers and feasible resources to develop the recovery plan, ideally with housing and/or with a process to begin moving toward housing. There are a growing number of nominal resources including free Accessory Dwelling Unit master building plans, that can be leveraged. Other funding will need to be sought by residents to assist with actual construction costs.

Provide a detailed narrative describing the steps to be taken to complete the activity (i.e., task 1 - create marketing plan; task 2 - hold town hall meeting; task 3 - analyze feedback etc.) This task narrative should indicate your knowledge of the steps and actions necessary to complete your activity. Narrative should include all actions taken to reach readiness through actions necessary for closeout.

2. Detailed Scope of Work - Task Narrative

Task 1 - Establish project policies, procedures, and practices, including LMI screening and other eligibility requirements according to Scope of Work

Task 2 – Establish data and financial tracking of permit fees and study expenses

Task 3 – Train DDS and PW staff to screen beneficiaries and provide service delivery

Task 4 - Procure consultant and establish contract to provide legal lot determination outreach, services, and coordination according to HCD and County procurement policies and procedures

Task 5 – Develop and implement outreach campaign in the selected remote geographic areas for the targeted low-to-moderate income residents, in particular seniors and veterans

Task 6 – Operationalize public services, as well as track and monitor data and finances

Task 7 – Complete HCD activity and fiscal reports according to the HCD Standard Agreement

Provide a detailed narrative describing the deliverables that will be completed as part of this project (i.e., deliverable 1- marketing plan; deliverable 2- town hall meeting minutes; deliverable 3- labor compliance files etc.). This deliverable narrative should indicate your knowledge of the documentation necessary to monitor and evaluate project compliance. These documents should be part of your project file and will be reviewed as part of your onsite monitoring.

3. Detailed Scope of Work - Deliverable Narrative

Deliverable 1 – Procurement documents and contract for consultant

Deliverable 2 – Number of beneficiaries served and the type of service(s) provided

Deliverable 3 - LMI qualifications of beneficiaries

Deliverable 4 – All HCD-required Standard Agreement, activity, and fiscal reports

E. Project Milestones

Milestones provided in this section are required and will become part of the Standard Agreement. Complete the milestones by providing a length of time to complete each. For example: "60 days from STD 213 execution, 90 days from Milestone #3, etc."

- Milestone #1 - Activity Initiation: No later than 60 days from execution of the STD 213.
 - The first milestone is the proposed activity start date, which is the date by which project activity begins.
- Milestone #2 - First draw of grant funds
- Milestone #3 - 50 percent project completion
- Milestone #4 - Reimbursement of 75 percent of grant funds submitted to HCD
- Milestone #5 - Project completion
 - Projects should plan to be completed no later than 36 months from execution of the STD 213. Projects needing more time must justify the additional time to HCD.
- Milestone #6 - Submission of final financial report and close-out documents
 - Final financial report and closeout documents must be submitted to HCD following completion of the project and at least 120 days prior to contract expiration to allow time for HCD to complete review, processing, and closeout activities.
- Final Milestone: Contract expiration: 72 months from execution of the STD 213.
 - The final milestone is the contract expiration date, which is the date by which all project activity, reporting, monitoring, and closeout activities must be completed.

The Applicant has the option, but is not required, to include additional milestones than those listed above. Please answer "yes" to Question #8 if you would like additional milestones.

1. Enter proposed length of time to meet Milestone #1 - Activity Initiation

60 days

2. Enter proposed length of time to meet Milestone #2 - First draw of grant funds

90 days

3. Enter proposed length of time to meet Milestone #3 - 50 percent project completion

18 months

4. Enter proposed length of time to meet Milestone #4 - Reimbursement of 75 percent of grant funds submitted to HCD

27 months

5. Enter proposed length of time to meet Milestone #5 – Project completion

36 months

6. Enter proposed length of time to meet Milestone #6 – Submission of final financial report and close-out documents

34 months

7. Will more than 36 months be needed in order to complete the project?

No

8. Do you want to add additional optional milestones?

No

F. Project Performance Measures

Choose the projected performance measure(s) the project intends to meet. Select all that apply. There are no wrong answers. If selected for award, HCD will verify the selection to ensure it is aligned with the project's Scope of Work. The performance measure(s) will then be included in the Standard Agreement. Updates on the performance measure(s) will be provided by the subrecipient in the Monthly Activity Report.

1. Public Services Performance Measures

of Households reached

2. Based on the projected performance measure(s) selected above please provide an estimated percent or number this project intends to meet. Example: A community food bank project proposes to serve 200 households. Performance Measure: # of households reached
Answer: 200 households reached.

155 households will receive service support through the Rebuild Advocate-lead team.

155 households will acquire at least one building permit, record a certificate of compliance, or record a conditional certificate of compliance.

G. Geographic Eligibility

Projects must benefit the area designated by HUD as the most impacted and distressed areas, or "MID," within the disaster declared impacted counties under DR-4344, DR-4352, DR-4382, and DR-4407.

See 17MIT-PPS P&Ps Section 2.4. and 18MIT-PPS P&Ps Section 2.3.

2017 MID Counties:

- Sonoma County
- Ventura County

2017 MID Zip Codes:

- 95470 – Mendocino County
- 95901 – Predominantly Yuba County
- 94558 – Predominantly Napa County
- 95422 – Predominantly the City of Clearlake in Lake County
- 93108 – City of Montecito, located in Santa Barbara County

2018 MIDs:

- Butte County
- Lake County
- Los Angeles County
- Shasta County

1. Is the project located in a 2017 or 2018 MID area?

2018

1a. Which 2018 MID area(s) is the project located in or will the project benefit?

Butte County

2. Upload map(s) of project service area in relation to the MID area(s).

Butte County-Barrier Removal - Service Area Map.pdf

H. Mitigation Eligibility

HUD defines mitigation as: Activities that increase resilience and reduce or eliminate the long-term risk of loss of life, injury, damage to and loss of property, and suffering and hardship, by lessening the impact of future disasters. See (17MIT-PPS P&Ps Section 2.6 or 18MIT-PPS P&Ps Section 2.6)

1. Provide a detailed description of how the project will meet the definition of mitigation.

The Foothill Rebuild Barrier Removal Project will provide mitigating services so that 125 beneficiaries living in substandard housing in the burn scar are able to make plans to secure building permits to ensure safe housing. An additional 30 eligible applicants are estimated to process legal lot determinations and record a certificate of compliance or conditional certificate of compliance paving the way for safe, legal, resilient construction. Currently, these are barriers that increase the complexity and cost of rebuilding, and this program aims to lower both challenges. Lowering barriers to recovery and developing plans for reconstruction will reduce the imminent risk of future fire and flood impact of those occupying travel trailers and unsafe structures that may contribute to the start and spread wildfires.

The tremendous loss of countywide housing stock has escalated housing prices, leaving property owners with few options but to reside on the land they own but without stable and secure habitation. Residents often live in recreation vehicles, campers, and other structures not meant for long-term human habitation. These precarious structures may not have adequate or safe power supply, potable water, waste water, or sanitation facilities. Generators and fuel burning appliances installed for cooking and heating are often installed in an unsafe manner increasing the risk of fire, smoke, and carbon monoxide related injuries. These living circumstances, by their nature, are unsafe; they foreshadow long-term risk of injury, illness, and hardship. Over the past several years, Butte County has experienced a significant increase in fires related to recreational vehicles and unsafe living structures resulting in further hardship and suffering to some of our most vulnerable citizens, many of whom have already suffered immeasurably as a result of prior disasters.

These mitigations primarily impact low-to-moderate income residents living in substandard housing conditions within disaster recovery areas. A Rebuild Advocate will work directly with residents to help develop a plan to improve their housing situation by understanding their individual needs and abilities, identifying available resources, and helping residents to better understand and navigate permit processes. For some, the end result may be permanent housing while for others it may be smaller steps such as improving the safety of their current living situation and surroundings or becoming aware of other available housing resources. Currently, there are several hundred low-to-moderate income families in the targeted geographic areas who have not been able to rebuild housing lost in devastating wildfires. Many of the property owners were uninsured or underinsured resulting in a lack of adequate funding to rebuild. There are ancillary expenses beyond what might typically be considered as rebuild costs, such as permitting and other legal fees, that further augment the financial challenges in rebuilding primary housing. Without stable and adequate housing, humans lack the fundamental lifelines for long-term resilience. Fire risk for one property is fire risk to all neighboring people and properties, the community, and neighboring communities. As has been evidenced repeatedly in Butte County, fires spread rapidly and across community in these foothill Wildland Urban Interface and Wildland Urban Intermix areas. This program is intended to resolve fears through outreach intended to inform individuals on the process of rebuilding and the resources available to them to resolve their barriers to safer, more resilient housing. Through education and by removing pre-construction barriers to support residents' ability to acquire building permits, more families will begin to rebuild and in doing so, they will increase resilience to disasters and reduce the risk of loss of life and property, lessening the impact of future disasters.

Therefore, by developing a plan to reduce the cost of reconstruction through access to resources and resolving issues, and reducing the complexity of the rebuilding process through outreach and assistance, this program aims to remove barriers to rebuilding in these foothill areas, so that residents can use these plans to secure adequate housing and move toward recovery and resilience. They can improve health, safety, and well-being for themselves and their families. They can also address substandard living conditions that are creating risk in recovering and vulnerable communities to prevent future disasters that could lead to the loss of life and property. The program recognizes many people are living in fear of government as their properties are out of compliance, and aims to engage these individuals in a rebuild plan to both simplify and reduce barriers to safe, healthy reconstruction.

I. National Objective & Beneficiaries

Choose the national objective from the list. Criteria for national objectives can be located at 24 CFR 570.483 <https://www.law.cornell.edu/cfr/text/24/570.483>, 17MIT-PPS P&Ps Section 2.5 or 18MIT-PPS P&Ps Section 2.5

1. National Objective

Low- and Moderate-Income

1a. National Objective - LMI

Limited Clientele (LMC)

Please indicate the proposed number of beneficiaries that will benefit or be served by this project. Projects utilizing the LMI national objective must have at least 51% of beneficiaries that are low-to-moderate-income individuals.

Depending on the selected national objective, provide the following information:

- LMA: number of LMI persons in the project service area that will benefit. This number will come from the HUD Census data;
- LMC: number of LMI persons that will benefit from the project. This number will come from the project information;

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2024

- UNM total number of individuals to be served.
 - UNM projects must also provide a proposed LMI percentage but there is no threshold requirement for that percentage. The LMI persons proposed to benefit from a UNM project may be determined by using HUD Census data for the project area.

Note: Planning projects must provide the number of proposed LMI beneficiaries and proposed total beneficiaries of the project but there is no LMI percentage requirement as a national objective does not apply to Planning projects.

Only enter numbers, do not enter commas nor periods.

2. What is the total number of proposed beneficiaries to be served by this project?

155

3. What is the total number of proposed LMI beneficiaries to be served by the project?

133

4. What is the proposed LMI beneficiary percentage?

0.86

LMI - Limited Clientele

To qualify under the LMI-Limited Clientele (LMC) national objective, the activity must meet the criteria under HUD's basically CDBG manual, Chapter 3: 3.2.2:

Activities in this category provide benefits to a specific group of persons rather than everyone in an area. It may benefit particular persons without regard to their residence, or it may be an activity that provides a benefit to only particular persons within a specific area.

With respect to determining the beneficiaries of activities as LMI and qualifying under the limited clientele category, activities must meet one of the following tests:

- Benefit a clientele that is generally presumed to be principally LMI. This presumption covers abused children, battered spouses, elderly persons, severely disabled adults (see the box below), homeless persons, illiterate adults, persons living with AIDS and migrant farm workers; or
- Require documentation on family size and income in order to show that at least 51 percent of the clientele are LMI; or
- Have income eligibility requirements limiting the activity to LMI persons only;
- Project is of a nature and in such a location that the Project's beneficiaries are primarily LMI persons.

1. How will the project meet the LMC national objective?

Project will income certify beneficiaries as LMI

4. Describe how the project will implement a process to income certify beneficiaries as LMI.

Butte County will follow the CDBG-National Objective Tool 2-1 – Part 5 and IRS 1040 Income Determinations (version 11/10/22) guidelines to meet the low-and-moderate income justification. According to page 6 of the guidelines, the project will use self-certifications in-lieu of income documentation for public service activities. The beneficiary will state and sign-off on their income at the time of the application for public assistance, using the CDBG Self-Certification of Annual Income by Beneficiary form. Butte County staff, or their representative will qualify the household according to the annual CDBG household size and income spreadsheet.

J. PPS Thresholds

Projects must meet an HCD Program Threshold. Details on HCD Program Threshold compliance documentation, including, when applicable, lists of qualifying geographic areas and maps, are provided in the MIT-PPS Policies and Procedures Section 2.5 and Appendix B.

1. Select the HCD Program Threshold the project will meet:

Benefit low-income communities

Threshold: Benefit Low Income Communities

In order to meet this threshold, Projects qualifying for the LMI-Limited Clientele (LMC) national objective by meeting either of the following:

- Require documentation on family size and income in order to show that beneficiaries are LMI; or
- Have income eligibility requirements limiting the activity to LMI persons only

must also demonstrate that 85% or more of project beneficiaries will be LMI.

18-MITPPS-23004

NOFA Date: 11/14/2023

Approved Date: 10/27/2023

Prep Date: 08/07/2024

1. Provide justification for how project intends to meet the Threshold requirement of serving 85% LMI beneficiaries.

Butte County staff and their representatives will screen residents seeking the public services being offered through the program. This will include reviewing family size and income with the HUD/HCD eligibility matrix. For residents that fall within the 15% LMI non-beneficiary threshold there will be the presence of vulnerability or other extenuating circumstances that are acting as a barrier to rebuilding. These will likely be individuals that fall into other LMC category such as older adults, persons with disabilities, or people experiencing homelessness.

K. Budget

HCD must review projects submitted for funding in terms of cost reasonableness, in accordance with federal regulations found at 2 CFR 200. To fulfill this requirement all projects must be able to support the CDBG-MIT funding request with an explanation of how the amount was determined.

Additionally, projects submitted for CDBG-MIT funding, where CDBG-MIT funding will not fund 100% of the project, must demonstrate that other funds are committed and available to complete the project. The Total Project Budget template found in the application files must be completed to demonstrate the total project cost as well as any other sources of funding.

Funded projects will use Grants Network to submit financial drawdown/reimbursement requests; therefore, the linked eCivis Budget must be completed.

1. CDBG-MIT Funding Amount Requested

\$1,014,383

2. Provide a basis for the requested funding amount.

Historical Data

3. Does the CDBG-MIT funding request equal the total budget amount?

Yes

Total Project Budget (Excel) – must be uploaded using the Total Project Budget Workbook Template provided in the application files. The Total Project Budget must include the following:

- Total Project amount, identifying costs for MIT-PSS as well as any other funding sources.
- Individual line items for all anticipated project costs and expenses.

Reminder, the eCivis Budget must also be completed.

6. Upload the Total Project Budget (Excel template)

Butte County - Barriers - Budget 5-23-24.xlsx

CDBG-MIT budgets found in the Grants Network portal are required at application submission. Required budget information includes direct costs only.

Direct costs for activity must be completed and clearly identified. Do not include any information on indirect cost, match, or cost share.

Applications submitted without a complete Grants Network budget cannot be considered for award and will be returned to the Applicant.

7. Have you completed and submitted your CDBG-MIT budget in the Grants Network portal?

Yes

Budget narrative should include information about activity viability if the project is only partially funded. For instance, can the project scope be reduced the number of beneficiaries be reduced, can the project be scaled to the amount of funding available. Include budget information that describes your activity budget as uploaded. Make sure the budget narrative has a relationship to the tasks and deliverables described in the application.

Applications submitted without a complete Grants Network budget narrative cannot be considered for award and will be returned to the Applicant.

8. Have you completed a detailed narrative of your MIT-PPS budget within the Grants Network budget template?

Yes

The affidavit is divided into three (3) components:

1. Funding Sources
2. Attachments
3. Signature of Authorized Representative

Read each component in full and provide the accurate information.

Part 1. Funding Sources

This affidavit must be completed by all applicant(s) that have applied for and/or received any assistance from the CDBG-DR funded State of California 2017/2018 CDBG-MIT Planning and Public Services and Resilient Infrastructure Program being offered by the California Department of Housing and Community Development (HCD) and signed by the Authorized Representative. The information within this affidavit will provide the California Department of Housing and Community Development (HCD) with vital information for processing the application required by the Stafford Act Section 312 on Duplication of Benefits.

In the table below, indicate with an "X" the program(s) for which you are applying AND any program you have received funds from. Also state the purpose of the assistance and status of the funds.

Source	Purpose of Assistance <i>Ex: Economic Development public services, Rehabilitation & improvements of public facilities</i>	Current Status of Funds <i>Ex: Obligated from FEMA, Pending Approval, etc.</i>	Amount Received (\$)
☐ U.S. Department of Housing and Urban Development			
☐ FEMA National Flood Insurance			
☐ FEMA Individual Assistance or Public Assistance			
☐ FEMA Hazard Mitigation Grant Program (HMGP)			
☐ Small Business Administration			
☐ U.S. Army Corps of Engineers			
☐ U.S. Department of Transportation			

☐ Federal Economic Development Agency			
☐ CARES Act / American Rescue Plan Act			
☐ State and Local Level Housing Department			
☐ State and Local Emergency Management Agency			
☐ State and Local Department of Transportation			
☐ Insurance			
☐ Philanthropic Funds			
☐ Utility Settlement			
☐ Budgeted Local Funds			
☐ Other: _____			
☐ Other: _____			

Part 2. Attachments

Attached to this affidavit are copies of any and all acceptable document for each of the above referenced sources of funds identified as a result of the October 2017, December 2017, August 2018 and/or November 2018 fires, identified as presidentially declared disasters, DR-4344, DR-4353, DR-4382 and/or DR-4407.

Part 3. Signature(s)

I certify that the information provided in this affidavit is true and accurate to the best of my knowledge. I understand that if this information is not correct, it may affect the amount of any funds I may receive or may lead to the recapture of disbursed funds by HCD and/or HUD.
