

## **ESG-CV Client File Checklist**

The Client File Checklist is intended to support ESG-CV subrecipients in obtaining compliant client-level documentation for the Street Outreach (SO) component. Obtaining and maintaining full and complete documentation for each applicant is required for every entity that receives ESG-CV funds. This checklist guides staff to ensure that each client file contains the required information for both California Department of Housing and Community Development (CA HCD) and the United States Department of Housing and Urban Development (HUD).

Instructions:

- Every client served by ESG-CV must have a client file that contains all the relevant information below and includes this Client File Checklist.
- The Client File Checklist itself intended to serve as a means for documenting that SO is being provided consistent with the <u>CA HCD Street</u> <u>Outreach Policy</u>.
- Update the fields below to show which documents are in the client file.
- Gather documents, complete calculations, and add documents and completed forms in the order of each section.

Case Information						
Agency & Program Name:						
Head of Household Client ID:		Application Date:				
		Program & HMIS Entry Date:				
Client Status:	New to program	ESG-CV Program:	Street Outro	each		
	Continuing client					
	Ineligible client (see					
	Eligibility Section below)					
Household Information						
Required Documentation				In File	Date	
HMIS ESG-CV Intake Form (inclusive of all ESG-required HMIS data elements)						
*Household information is entered in HMIS and should be printed and included in the case file						
HMIS Release of Information or equivalent form						
Further Information: ESG Program HMIS Manual						
Documentation of screening or Intake Form for Coordinated Entry						

## **ESG-CV Client File Checklist**

Eligibility			
Required Documentation		Date	
VERIFICATION OF UNSHELTERED HOMELESS STATUS			
For clients experiencing <u>unsheltered homelessness</u> (Category 1/Literal Homelessness, sub-category (1)(i)), a completed homeless verification should come from the Coordinated Entry System through HMIS when a client is referred to the project. Staff should review for eligibility and compliance.			
<ul> <li>Preferred Order for Literally Homeless Documentation (Category 1):</li> <li>Third Party Certification Written (including already available documents such as HMIS record) or Oral (case manager to write out oral statement, sign, and date), OR</li> <li>Staff Observations (must be written, signed, and dated by relevant staff), OR</li> <li>Self-Certification (must be written and dated).</li> </ul>			
While third party certification is the preferred method of verification for ESG-CV, lack of third-party certification MUST NOT be a barrier to street outreach services. Staff observations are acceptable and often the most feasible for street outreach projects.			
Further Information: <u>At a Glance: Criteria and Recordkeeping Requirements for Definition of Homeless,</u> <u>CA HCD Homelessness</u> <u>Eligibility and Documentation Policy, CA HCD Street Outreach Policy</u>			
For <u>clients fleeing domestic violence</u> ("Category 4") and entering the SO project, clients still are only eligible if they are unsheltered. The preferred documentation order differs to consider Category 4 client safety and emergency needs.			
<ul> <li>Victim Service Provider Intake:</li> <li>Oral statement which confirms they are fleeing, have no subsequent residence, and they lack resources. Documented by self-certification of intake worker.</li> </ul>			
<ul> <li>Non-Victim Service Provider Intake:</li> <li>Oral statement which confirms they are fleeing. Documented by self-certification of intake worker (seek third-party verification only so long as doing so does not jeopardize the client's safety); AND</li> <li>Certification that no subsequent residence has been identified; AND</li> <li>Self-Certification, or other written documentation, that household lacks financial resources and support networks to obtain other permanent housing.</li> </ul>
