MEMORANDUM FOR: All Potential Applicants

FROM: Jennifer Seeger, Deputy Director  
Division of State Financial Assistance

SUBJECT: Homekey Program  
Notice of Funding Availability, Round 2 (Amended)

The California Department of Housing and Community Development (Department) is pleased to announce the availability of approximately $1.45 billion of Homekey Program (Homekey) grant funding through this Round 2 Notice of Funding Availability (NOFA). Building on the success of both Project Roomkey and the first round of Homekey, this significant investment continues a statewide effort to sustain and rapidly expand housing for persons experiencing homelessness or At Risk of Homelessness, and who are, thereby, inherently impacted by or at increased risk for medical diseases or conditions due to the COVID-19 pandemic.

Of the $1.45 billion in Homekey funding, $1.2 billion is derived from the Coronavirus State Fiscal Recovery Fund (CSFRF) established by the federal American Rescue Plan Act of 2021 (ARPA) (Public Law 117-2) and $250 million is State General Fund. The $250 million in State General Fund money is intended to supplement the acquisition of, and to provide initial operating subsidies for, Homekey sites to promote project feasibility. Five percent of the $1.45 billion in Homekey funds is for Department administrative costs. Projects receiving an award from the state's direct allocation of the federal ARPA must expend the funds within eight months of the date of award. The portion of a project's award associated with State General Fund must be expended by June 30, 2026.

Due to the potential for program oversubscription, eligible applicants are encouraged to submit their completed application as soon as possible. The Department will be accepting the applications on a continuous, Over-the-Counter basis from the release of the Homekey application in late September until May 2, 2022, or until the available funds are exhausted, whichever occurs first. Applicants must submit a complete application available at https://homekey.hcd.ca.gov/.

On September 30, 2021, the Department will hold a webinar to review the Homekey NOFA and application process. To register, please go to the Department's Homekey webpage. To receive information on the workshop and other updates, please subscribe to the Department’s Homelessness Prevention Programs listserv at http://www.hcd.ca.gov/.

If you have any questions, please submit them to Homekey@hcd.ca.gov.

Article I – Program Overview

Section 100. Notice of Funding Availability (NOFA)

The California Department of Housing and Community Development (Department) is pleased to announce the availability of approximately $1.45 billion in Homekey funding to sustain and rapidly expand the inventory of housing for people experiencing homelessness or At Risk of Homelessness and who are, thereby, inherently impacted by or at increased risk for medical diseases or conditions due to the COVID-19 pandemic or other communicable diseases. Before the COVID-19 pandemic, homelessness data showed Black, Indigenous, and People of Color (BIPOC) were overrepresented in the homelessness system. The pandemic made racial disparities more apparent, and communities are dealing with the additional disproportionate impact of illness and death among people experiencing homelessness. Homekey recognizes these impacts and encourages Eligible Applicants to examine disproportionate impacts in their own communities and to develop strategies to address these impacts.

Homekey is an opportunity for state, regional, and local public entities to develop a broad range of housing types, including but not limited to hotels, motels, hostels, single-family homes and multifamily apartments, adult residential facilities, and manufactured housing, and to convert commercial properties and other existing buildings to Permanent or Interim Housing for the Target Population.

Of the $1.45 billion in Homekey grant funds, $1.2 billion is derived from the state's direct allocation of the federal Coronavirus State Fiscal Recovery Fund (CSFRF), which was established by the American Rescue Plan Act of 2021 (ARPA) (Pub.L. No. 117-2). In addition, $250 million is derived from the state's General Fund to supplement the acquisition of, and to provide initial operating subsidies for, Homekey sites.

In addition to the $1.45 billion available in fiscal year 2021-22, the Department will conditionally make available up to an additional $1.3 billion, appropriated for fiscal year 22-23, to fund eligible projects submitted by May 2, 2022. Projects conditionally awarded with funds from the 2022-23 appropriation will not receive Standard Agreements or have funds disbursed until after July 1, 2022.

Section 101. Authorizing Legislation and Applicable Law

Assembly Bill No. 140 (2021-2022 Reg. Sess.) provided the statutory basis for Round 2 of the Homekey Program by adding section 50675.1.3 to the Health and Safety Code (HSC), and it exempted certain Round 2 Homekey Projects from the California Environmental Quality Act (CEQA) by adding section 50675.1.4 to the HSC. The statutory scheme includes new construction of dwelling units as an eligible use and establishes a set-aside of funds for projects serving Homeless Youth and Youth at Risk of Homelessness.

HSC section 50675.1.3, subdivision (e) states, “The Department of Housing and Community Development may adopt guidelines for the expenditure of the funds appropriated to the...
This NOFA serves as the Department's guidelines for the expenditure of Homekey funds and the administration of the Homekey Program. As such, this NOFA establishes the terms, conditions, forms, procedures, and other mechanisms that the Department deems necessary to exercise its powers and to perform its duties pursuant to the Homekey Program. The matters set forth herein are regulatory mandates and are adopted as regulations that have the dignity of statutes. (*Ramirez v. Yosemite Water Company, Inc.* (1999) 20 Cal. 4th 785, 799 [85 Cal.Rptr.2d 844].)

The Multifamily Housing Program (MHP) (Chapter 6.7 (commencing with Section 50675) of Part 2 of Division 31 of the HSC), and as subsequently amended, is hereby incorporated by reference. In accordance with HSC section 50675.1.3, subdivision (d), in the event of a conflict between this NOFA and the MHP, the provisions of this NOFA are controlling.

The MHP Final Guidelines (MHP Guidelines), effective June 19, 2019, and as subsequently amended, are hereby incorporated by reference. In the event of a conflict between any of this NOFA and the MHP Guidelines, the provisions of this NOFA are controlling.

The Department will only amend this NOFA as necessary and in accordance with the Department's guideline authority pursuant to HSC section 50675.1.3, subdivision (e).

1. These guidelines have been amended to incorporate the applicable provisions outlined in the May 5, 2022 omnibus guideline amendment.

All other criteria and matters set forth within the NOFA shall also govern the Tribal Entity set-aside that is further described below, unless and except to the extent expressly provided to the contrary by terms set forth within this NOFA and subject to any potential modification or waiver under or pursuant to Assembly Bill No. 1010 (Stats.2019, c. 660), which is set forth in HSC section 50406, subdivision (p).

Section 102. Program Timeline

Homekey funds will be available to Eligible Applicants on a continuous, Over-the-Counter (OTC) basis, rather than on a competitive basis. The following table summarizes the anticipated Homekey Program timeline.

**Article II – Program Requirements**

**Section 200. Eligible Applicants**

i. Cities, counties, cities and counties, and all other state, regional, and Local Public Entities, including councils of government, metropolitan planning organizations, and regional transportation planning agencies designated in Section 29532.1 of the Government Code; or

ii. Tribal Entities.

For purposes of this NOFA, a “Local Public Entity” is defined in accordance with HSC section 50079. Such definition includes the duly constituted governing body of an Indian reservation or rancheria; a tribally designated housing entity, as specified; and a housing authority, as specified.

Each of the foregoing entities may apply independently, or each entity may apply jointly with a nonprofit or for-profit corporation, a limited liability company (LLC), and/or a limited partnership (LP) as a Co-Applicant.
Section 201. Eligible Uses

Awarded funds must be used to provide housing for the Target Population of individuals and families experiencing Homelessness or who are At Risk of Homelessness and who are inherently impacted by or at increased risk for medical diseases or conditions due to the COVID-19 pandemic or other communicable diseases. With respect to the list of eligible uses below, an Eligible Applicant may choose to target Project Roomkey properties, or other, non-Project Roomkey properties. The list of eligible uses is as follows:

i. Acquisition or Rehabilitation, or acquisition and Rehabilitation, of motels, hotels, hostels, or other sites and assets, including apartments or homes, adult residential facilities, residential care facilities for the elderly, manufactured housing, commercial properties, and other buildings with existing uses that could be converted to permanent or interim housing.

ii. Master leasing of properties for non-congregate housing.

iii. Conversion of units from nonresidential to residential.

iv. New construction of dwelling units.

v. The purchase of affordability covenants and restrictions for units.

vi. Relocation costs for individuals who are being displaced as a result of the Homekey Project.

vii. Capitalized operating subsidies for units purchased, converted, constructed, or altered with funds provided pursuant to HSC section 50675.1.3.

Section 202. Eligible Projects

The Department welcomes and will consider a variety of innovative housing solutions as eligible projects. The following list of eligible projects is not exhaustive.

i. Conversion of nonresidential structures to residential dwelling units.

ii. Conversion of commercially zoned structures, such as office or retail spaces, to residential dwelling units.

iii. Adult residential facilities, residential care facilities for the elderly, manufactured housing, and other buildings with existing residential uses.

iv. Multifamily rental housing projects.

v. Excess state-owned properties.

vi. Shared housing or scattered site housing is permitted as long as the resulting housing has common ownership, financing, and property management, and each household signs a lease.

vii. The Department may, in its sole and absolute discretion, provide express written
approval of structures lacking a permanent foundation, such as manufactured homes, recreational vehicles, and floating homes, for temporary use only. The Department encourages applicants to explore financing alternatives to Homekey for such structures. Applicants that wish to access Homekey funds for these special uses shall submit, in their application, a detailed explanation of how the use will meet all Homekey Program requirements, including the requirements for use and affordability restrictions set forth at Section 208 of this NOFA.

Applicants seeking the Department's approval of structures lacking a permanent foundation are encouraged to discuss their options at the required pre-application consultation.

viii. Existing Homekey Assisted Units, previously awarded under the first round of Homekey funding, are ineligible for funding under this NOFA.

ix. The Homekey program is intended to support the development of housing units and will not fund congregate shelter. Other funding sources should be considered for congregate shelter types of Interim Housing.

Section 203. Geographic Distribution and Set-Asides

COVID-19 impacts people who are experiencing or who are at risk of Homelessness throughout California. As such, the Department would like to ensure jurisdictions throughout the state have an equitable opportunity to apply for Homekey funds to protect the health and safety of their most vulnerable residents.

To this end, the Department has divided the state into eight regions, as outlined in Table 2, below. The regions are largely aligned with the various Councils of Government (COGs). As detailed in Table 3 below, each region has funding reserved. Each region's share of the Homekey allocation is calculated based on its proportionate share of persons experiencing homelessness as indicated by both the sheltered and unsheltered 2019 Homeless Point-in-Time (PIT) counts, plus its proportionate share of extremely low-income (ELI) renter households that are paying more than 50 percent of their income for rent.

The Department has established a four-month priority application period from the release date of the Homekey application in late September through January 31, 2022. During this prioritization period, the Department will group applications into one of the eight geographic regions, unless the application is prioritized for the Homeless Youth or Tribal Entity set-asides.

After January 31, 2022, the Department will stop grouping applications by geographic region, and instead deploy unused funds from any undersubscribed geographic region(s) to fund subsequent applications statewide. The set-aside funding for Homeless Youth and Tribal Entities will remain unchanged. The Department will also redeploy undersubscribed and unused funds beginning May 2, 2022, as specified at Section 400 of this NOFA.

To further encourage the timely submission of Homekey applications, the Department will also award a bonus to applications submitted by January 31, 2022, as further detailed in Section 207.

The Department will reserve 20 percent of a portion of the Homekey money to address unforeseen circumstances and to ensure that funding is effectively aligned with need. (For
instance, the Department may use this reserve money to fund high-scoring projects in oversubscribed regions.)

Of the total amount provided under this NOFA, set-asides shall be reserved for Homeless Youth and Tribal Entity Projects meeting the criteria set forth below, and in the amounts set forth in Table 4 above. Unless otherwise indicated, all scoring criteria and other NOFA provisions shall govern the set-aside awards provided under this NOFA.

1. Homeless Youth: Pursuant to HSC section 50675.1.3, subdivision (c), the Department will set aside eight percent (8%) of Homekey funding for Projects serving Homeless Youth, or Youth at Risk of Homelessness, as defined in 24 Code of Federal Regulations (CFR) part 578.3. Projects within this set-aside may expand the Target Population to include current and former foster youth through the age of 25.

This set-aside is not subject to geographic allocation, but the Department will aim to promote geographic equity. Homekey Projects are not required to serve Homeless Youth, or Youth at Risk of Homelessness. Homekey Projects proposing to serve Homeless Youth, or Youth at Risk of Homelessness, may also serve other qualifying members of the Target Population.

Projects that meet the threshold requirements of Sections 300-303, as well as the following criteria, will be prioritized for Homeless Youth set-aside funds:

- Have at least 25 percent (25%) of Assisted Units reserved for Homeless Youth or Youth at Risk of Homelessness; (See Section 304, 4a for points awarded)

- Have jointly applied and/or partnered with a nonprofit corporation(s), including community-based organization(s), with experience serving Homeless Youth, or Youth at Risk of Homelessness; and (see Section 304, 2a-c for points awarded)

- Have reasonable proximity to youth-centered amenities, including, but not limited to, community colleges, universities, trade schools, apprenticeship programs, employment programs, childcare centers for parenting youth, and community centers for youth (e.g., LGBTQ+ centers, drop-in youth centers). (See Section 304, 4g for points awarded)

The Department will also prioritize Projects that provide supportive services for Youth Assisted Units using a Positive Youth Development (PYD) model and trauma-informed care. Services may include, but are not limited to, case management, income supports, educational and employment counseling, life skills, legal assistance, health and wellness, and family connection services.

2. Tribal Entities: The Department will set aside five percent (5%) of the Homekey funding for Eligible Applicants that meet the definition of a Tribal Entity, as set forth and provided in this NOFA. This set-aside is not subject to geographic allocation, but the Department will aim to promote geographic equity.
The Department will endeavor to provide comprehensive technical assistance to Tribal Entities, and Tribal Entities are highly encouraged to utilize available technical assistance throughout the application process and during implementation of the Project.

The requirements set forth in this NOFA are subject to AB 1010 (Stats.2019, c. 660), which is set forth in HSC section 50406, subdivision (p). Accordingly, and pursuant to HSC section 50406, subdivision (p), (a) where the provisions of tribal law, tribal governance, tribal charter, or difference in tribal entity or legal structure would cause a violation or not satisfy the requirements of this NOFA, said requirements may be modified as necessary to ensure program compatibility; and (b) where provisions of tribal law, tribal governance, tribal charter, or difference in tribal entity legal structure or agency create minor inconsistencies (as determined by the Director of the Department or a duly authorized designee thereof) with the requirements set forth in this NOFA, the Department may waive said requirements, as deemed necessary, to avoid an unnecessary administrative burden. Matters set forth or otherwise provided for in this NOFA that may be modified or waived include, without limitation, threshold scoring requirements and any other matters set forth in HSC section 50406, subdivision (p)(2). Tribal Applicants are accordingly encouraged to discuss any such potential modifications or waivers and their options in that regard at the required pre-application consultation.

Section 204. Program Deadlines

**Capital funds must be expended within eight months of the date of award.** For Projects that involve acquisition and are receiving capital awards, Grantees must expend the funds by the expenditure deadline and the project escrow must be closed by the expenditure deadline. To meet this requirement, the Department will provide ongoing support to assist Grantees and has developed an accelerated award and disbursement process.

Additionally, Grantees shall complete all applicable construction and/or Rehabilitation within 12 months of the date of award. All Projects shall achieve a full occupancy (fully occupied with consideration for an average of 10% vacancy rate at any given time) within 90 days of construction and/or Rehabilitation completion. The Grantee may ask the Department for an extension for construction and/or Rehabilitation completion, where it is clear that the extension is due to circumstances or conditions beyond their control and granting an extension will enable the Project to complete construction and/or Rehabilitation or achieve full occupancy of the Assisted Units. In cases where an extension for construction and/or Rehabilitation completion is granted by the Department, the deadlines for capital fund expenditure and full occupancy may be extended within the constraints of applicable law.

Pursuant to 31 CFR part 35.5, the Department may reimburse eligible costs incurred beginning on March 3, 2021. Applicants are encouraged to discuss their options at the required pre-application consultation.

**All operating funds must be fully expended by the Grantee by no later than June 30, 2026.**
Section 205. Maximum Grant Amounts and Capital Funding Match

Homekey will fund a maximum grant amount per door, pursuant to the conditions of this section, which includes both the acquisition cost and any needed Rehabilitation or new construction. **The award will be the lower of the maximum grant amount, or the sum of the acquisition amount supported by an appraisal and any additional construction and Rehabilitation expenses as supported by documentation required by the Department.** "Door" refers to units at the time of the acquisition, which may differ from the number of units that are available after a conversion of the property. For those projects that undergo a future conversion, the number of units may need to be reduced in order to accommodate kitchenettes, additional bedrooms, space for supportive services and other amenities. For new construction and conversion of office, commercial, or other non-residential structures into residential dwelling units, Homekey will fund a maximum grant amount per completed Assisted Unit serving the Target Population, or an amount as supported by an appraisal, whichever is lower. “Assisted Unit” refers to units that are available after the construction or conversion of the property.

The Department will contribute a baseline amount per door, as outlined below, in whichever category is higher for the Assisted Unit. This baseline contribution does not require a local match.

**Unit Size -- Baseline Capital Amounts:**

i. Studio or one-bedroom units will receive a baseline amount of $150,000 per door;

ii. Two-bedroom units will receive a baseline amount of $175,000 per door; and

iii. Three-bedroom or larger units will receive a baseline amount of $200,000 per door.

Note that Homekey will fund “doors” based upon the number of units and unit size at the time of acquisition. In situations where units are combined to make larger units, awards will default to the number of doors and size of units at acquisition. In situations where multi-bedroom (two or more bedrooms) units at acquisition are divided into smaller unit sizes, awards will default to the number of doors and size of units with the lower baseline amount per door.

**OR**

**Sub-Populations Served -- Baseline Capital Amounts:**

i. Assisted Units reserved for those experiencing Chronic Homelessness will receive a baseline amount of $200,000 per door.

ii. Assisted Units reserved for Homeless Youth or Youth at Risk of Homelessness will receive a baseline amount of $175,000 per door.

**Additional Contribution Amount – Local Match**

Beyond the applicable baseline amount, the Eligible Applicant may leverage a 1:1 local match to provide up to $100,000 in additional funds per door. For example, where the Applicant shows $100,000 in matching funds, the Department will fund no more than
$250,000 for a 1-bedroom Assisted Unit, $275,000 for a 2-bedroom Assisted Unit, $300,000 for a 3+ bedroom Assisted Unit, $300,000 for an Assisted Unit serving those experiencing Chronic Homelessness, and $275,000 per door for an Assisted Unit serving Homeless Youth/Youth at Risk of Homelessness.

Appendix A shows how maximum funding awards from Homekey vary with different per-door costs, unit types, and Applicant contribution levels.

For relocation costs, the Department will pay for one-half of the relocation cost per door in addition to the capital award. For example, if a Project includes $15,000 in relocation costs, then the Department will pay for $7,500 of that relocation cost.

For the purchase of affordability covenants and restrictions, and for master-leasing, the Department may size the award per door based on a recent market study within the past year which conforms to guidelines adopted by the Tax Credit Allocation Committee (TCAC), and/or a rent roll, and/or other supporting documentation. For these uses, the maximum Homekey contribution per door shall not exceed the maximum amounts referenced in this section for acquisition, Rehabilitation, and new construction.

Section 206. Operating Subsidies and Match

i. Where an operating subsidy is requested, the total amount of operating subsidy per Assisted Unit is limited as follows:

   a. Assisted Units reserved for those experiencing Chronic Homelessness, for Homeless Youth, or for Youth at Risk of Homelessness shall not exceed $1,400 per month; and

   b. All other Assisted Units shall not exceed $1,000 per month.

ii. The total duration of the operating subsidy (as described in i. above) is tied to the amount of the Applicant’s matching funds, and is limited as follows:

   a. If Projects can demonstrate a commitment of three years of non-Homekey operating funds for Assisted Units, the Department will provide an operating subsidy sized for two years.

   b. If Projects can demonstrate a commitment of four or more years of non-Homekey operating funds for Assisted Units, the Department will provide an operating subsidy sized for three years.

   c. If Projects have application scores of 140 or more, the Department may consider providing an operating subsidy sized for three years without the Applicant demonstrating a commitment of four or more years of non-Homekey operating funds.

iii. Operating subsidy may pay for necessary, recurring Project Operating Expenses in an amount approved by the Department. Qualifying expenses include utilities, maintenance, management fees, taxes, licenses, and supportive services costs, but not debt service or required reserve account deposits. Operating Expenses should be included in the Project’s submitted budget.
iv. If requesting an operating subsidy, the Eligible Applicant must submit a letter of support from the local Continuum of Care (CoC) or Housing Authority confirming the need for an operating subsidy and evidencing that other operating funding, such as rental subsidies, were sought for the Project, but the funding isn’t available for this use. A letter template and a list of potential Homekey complementary funding can be found on the Homekey webpage.

v. The Homekey-funded portion of the operating subsidy must be expended (liquidated) by June 30, 2026, with the Grantee establishing a capitalized operating subsidy reserve and disbursing the funds as outlined in this NOFA.

vi. Eligible Applicants are required to demonstrate a five-year commitment to provide operating funds for the proposed project. The first two years of operating funds may include an award from Homekey. Operating match may be obtained from any source, including any federal, state, local, private, or philanthropic source. Eligible Applicants will have an opportunity to discuss the match requirements and potential match sources during the pre-application consultation.

Additionally, the following requirements apply to operating match contributions:

i. The Eligible Applicant must ensure the laws governing any funds to be used as matching contributions do not prohibit those funds from being used to match Homekey funds; and

ii. If the State General Funds are used to satisfy the matching requirements of another program, then funding from that program may not be used to fulfill the matching requirements of the Homekey Program.

Section 207. Bonus Awards

Timely Submission of Application

The Department will award an additional $10,000 per Assisted Unit as a bonus award for each Project with a timely submission of a complete application to the Department by January 31, 2022. Application packages that are incomplete or that do not meet the filing requirements will not be awarded the bonus award. This bonus may be used for either operating or capital expenses.

Expeditied Occupancy

The Department will award $10,000 per Assisted Unit as a conditional bonus amount for Projects meeting the following expedited occupancy timeframe:

i. Project’s Assisted Units achieve full occupancy (with consideration for an average of 10 percent vacancy) within eight (8) months of the date of award.

This bonus award can be used for operating costs only, including the reimbursement of operating costs already incurred. Projects eligible for this bonus award must commit to achieving full occupancy within eight (8) months after the award date. Projects will not
receive the bonus award if reaching full occupancy in eight (8) months was not planned in their application, nor required in their Standard Agreement.

The Department will not disburse the conditional bonus amount until proof of full occupancy (rent roll) is provided to the Department within eight (8) months of the date of award. Once the documentation is deemed sufficient by the Department, the Grantee may submit a request for funds disbursement. If Grantee fails to meet the expedited occupancy timeframe as indicated in their application, the Department may reallocate the conditional bonus amount to fund other Eligible Applicants.

Section 208. Affordability Term

The Grantee shall duly encumber all Interim Housing, and Transitional Housing, and Congregate Shelter Projects with a 15-year covenant, declaration, regulatory agreement, or similar use restriction that (a) is recorded in first position against the Project real property for the benefit of the Department, (b) restricts the use, operation, occupancy, and affordability of the Project in accordance with all applicable requirements of this NOFA and all other Program requirements, and (c) is otherwise in form and substance acceptable to the Department.

The Grantee shall duly encumber all Permanent Housing Projects with a 55-year covenant, declaration, regulatory agreement, or similar use restriction that (a) is recorded in first position against the Project real property for the benefit of the state, regional, local, or tribal Grantee, (b) restricts the use, operation, occupancy, and affordability of the Project in accordance with all applicable requirements of this NOFA and all other Program requirements, (c) duly names the Department as a third party beneficiary with the right and privilege, but not the obligation, of enforcement thereof, and (d) is otherwise in form and substance acceptable to the Department. Permanent Housing Projects located on tribal trust land shall be duly encumbered with a covenant, declaration, regulatory agreement, or similar use restriction containing all of the terms listed above excepting that they shall have an initial term of 50 years to match the period of affordability restrictions under the Low-Income Housing Tax Credit (LIHTC) program, commencing with the date of recordation of the Department’s Homekey use restriction.

Section 209. Flexibility

The Department recognizes the limited availability of local, state, and federal funds, and the corresponding imperative for flexibility in the Homekey Program. Therefore, subject to the Department’s advance written approval, a Grantee may use a capital expenditure award to fund the proposed project’s operating costs, or an operating award to fund the proposed capital expenditure, so long as the aggregate Homekey award is expended on eligible uses.
Article III – Threshold and Scoring Criteria

Section 300. Threshold Requirements

To be eligible to receive funding, all Projects must meet the following requirements as they relate to the Eligible Applicant and the project types:

i. Applications may be submitted independently by an Eligible Applicant, as defined in Section 200 and Article VII. Alternatively, each of the foregoing Eligible Applicants may apply jointly with a nonprofit or for-profit corporation as Co-Applicant, as specified.

ii. Projects must serve persons qualifying as members of the Target Population.

iii. Applications must include an initial plan for providing supportive services based on the anticipated needs of the Target Population and any proposed sub-populations to be served by the Project. The initial plan shall be reasonably detailed and comprehensive, as determined by the Department in its sole and absolute discretion. The supportive services plan shall provide a description of the services that will be available at the housing site including but not limited to case management, behavioral health services, physical health services, assistance obtaining benefits and essential documentation, and education and employment services. The plan shall include a description of the on-site staffing plan proposed to deliver these services. Also, the plan shall describe the approach to securing and/or connecting residents to off-site services including primary care and other needed physical health and behavioral health services as well as other tenancy supports.

iv. Applications must include an overview of the plan and timeline for any required entitlements, permits, and environmental clearances. Eligible Applicants will have an opportunity to discuss their land use and environmental clearance plans, and related statutory authorities during the pre-application consultation.

v. Applications must include a completed Racial Demographic Data Worksheet, which reports CoC outcomes by race and ethnicity. The completed worksheet may be submitted by the Applicant and the template can be found on the Homekey webpage.

vi. The Grantee shall have site control of the property at the time of application, and such control shall not be contingent on the approval of any other party. The status and nature of the Grantee's title and interest in the property shall be subject to the Department's approval. Site control may be evidenced by one of the following:

a. Fee title, evidenced by a current title report (within 90 days of application) showing the applicant holds fee title, or for tribal trust land, a title status report (TSR) or an attorney’s opinion regarding chain of title and current title status;

b. A leasehold interest on the property with provisions that enable the lessee to make improvements on and encumber the property provided that the terms and conditions of any proposed lease shall permit compliance with all program requirements;
c. A leasehold estate held by a Tribal Entity in federal tribal trust lands property, or a valid sublease thereof that has been or will be approved by the Bureau of Indian Affairs;

d. An executed disposition and development agreement, or irrevocable offer of dedication to a public agency;

e. A sales contract, or other enforceable agreement for the acquisition of the property;

f. A letter of intent, executed by a sufficiently authorized signatory of the Eligible Applicant, that expressly represents to the Department, without condition or reservation, that, upon successful application, the Eligible Applicant shall purchase or otherwise acquire a sufficient legal interest in the property to accomplish the purpose of the award. The letter of intent must also be acknowledged by the party selling or otherwise conveying an interest in the subject property to the Eligible Applicant. If this form of evidence is relied upon at the time of application, the Department may impose additional milestones, in the Standard Agreement, regarding increased evidence of eventual site control closer to the likely close of escrow; or

g. Other forms of site control that give the Department assurance (equivalent to items a. through f. above) that the Applicant will be able to complete the Project in a timely manner and in accordance with all the Program's objectives and requirements.

h. For Applicants proposing sites that will require a use change for permanent housing, there should be a commitment and plan to facilitate or expedite those processes, so as to not delay expenditure and occupancy requirements.

vii. The Eligible Applicant applying for the Homekey funding is the entity that the Department relies upon for experience and capacity, and will control the project during acquisition, development, and occupancy.

viii. A development plan that supports acquisition of a site and fund expenditure before all program deadlines and demonstrates evidence of strong organizational and financial capacity to develop the project.

ix. Assisted Units and other units of the Project must meet all applicable state and local requirements pertaining to rental housing, manufactured housing, including but not limited to requirements for minimum square footage, and requirements related to maintaining the project in a safe and sanitary condition.

x. Applicants and Co-Applicants must be in good standing with the State of California and all agencies and departments thereof. By way of example and not limitation, an Applicant and Co-Applicant must be qualified to do business in the State of California and must be in good standing with the California Secretary of State and the California Franchise Tax Board. Applicants that are delinquent in meeting the material requirements of previous Department awards may, in the Department’s reasonable discretion, fail threshold review.
xi. The Department will require Eligible Applicants to submit a complete application with all required documents. The Department reserves the right to request clarification of unclear or ambiguous statements made in an application and other supporting documents.

xii. Relocation Assistance Narrative. Applicant shall submit a concise, sufficiently detailed narrative to demonstrate its consideration of, and early engagement with, applicable relocation assistance laws and requirements. (This Relocation Assistance Narrative does not take the place of the relocation plan, or the Certification Regarding Non-Application of Relocation Benefits and Indemnification Agreement, that the Grantee shall submit as a condition of funding.) Applicant’s Relocation Assistance Narrative shall include or identify the following:

a. A diagrammatic sketch of the Project site.

b. Clear, high-resolution photographs of the Project site and all improvements thereon (e.g., buildings, parking lots, billboards).

c. The projected dates of any Homekey-funded acquisition, construction, Rehabilitation, demolition, or similar development activities at the Project site.

d. A description of any persons, businesses, or farm operations that will or may be displaced from the Project site by the foregoing development activities. Applicant shall specify whether any such displacement will be permanent or temporary.

i. If no such displacement will occur, Applicant shall conclude the narrative by expressly confirming that Applicant’s eligible use(s) of the funds will not result in the displacement of any persons, businesses, or farm operations from the Project site.

ii. If such displacement will occur, Applicant shall further develop the narrative by including the additional elements set forth at (e) – (i) below.

e. A description and evidence of attempts made to maintain the tenure of existing residents that may qualify under the criteria for the Target Population.

f. A description of the aggregate relocation needs of the persons, businesses, or farm operations that will or may be displaced by the Homekey-funded activities.

g. A brief description of how those relocation needs will be met, as well as the Applicant’s projected timeline for fully meeting those needs, including the dates of planned notices to displaced persons, businesses, or farm operations.

h. An identification of the Applicant’s relocation consultant and/or relocation services provider in connection with the project site. Applicant shall also submit legible copies of its services contract or letter of intent with or to the relocation consultant and/or relocation services provider.

i. Applicant’s cost estimate (and associated funding strategy) for providing relocation assistance and benefits to the persons, businesses, or farm operations that will or may be displaced by the Homekey-funded activities.
Section 301. Permanent Housing Requirements

In addition to Section 300 above, Permanent Housing projects will also be evaluated on the following requirements:

i. Funding commitments or other reasonable assurance to cover operations and service costs with specific funding sources (government/philanthropic/private) for the proposed project for five (5) years and a budget which covers operations and services costs through year 15 from the recordation of the use restriction.

ii. If the Eligible Applicant is acquiring, rehabilitating, and operating a Permanent Housing project, the Eligible Applicant or Co-Applicant shall demonstrate the following minimum experience and capacity requirements:

   a. Development, ownership, or operation of a project similar in scope and size to the proposed project; or development, ownership, or operation of at least two affordable rental housing projects in the last ten years, with at least one of those projects containing at least one unit housing a tenant who qualifies as a member of the Target Population.

   b. The property manager and supportive service provider shall have three or more years of experience serving persons of the Target Population. If a property manager or supportive service provider is not yet selected for the proposed project, the Eligible Applicant shall certify that this requirement will be reflected in any future solicitation or memorandum of understanding.

   c. Experience administering a Housing First program that includes principles of harm reduction and low barriers to entry.

   d. Current capacity to develop, own, and operate a Permanent Housing project. Evidence of capacity includes evidence of financial resources, an office and payroll.

iii. One-for-one replacement of assisted housing

   a. If the acquired housing or site is to be redeveloped/repositioned as part of the locality's overall goal to address the needs of the Target Population and the community, the Applicant shall provide as part of the application a commitment to ensure one-for-one replacement of units.

   b. If the target site is going to be demolished before any occupancy by the Target Population, no one-for-one replacement commitment needs to be provided. The unit mix will be evaluated based on the project proposal.

   c. The application shall include a site map indicating the original target housing location and all proposed housing location(s). If all proposed housing will be located within the neighborhood, no additional documentation is necessary. If replacement housing is proposed outside the target neighborhood, the application must also include a justification explaining why it is necessary to locate this replacement housing outside the target neighborhood (i.e., offsite) and how doing so supports and enables the Target Population to maintain housing.
Section 302. Interim Housing Requirements

In addition to Section 300 above, Interim Housing projects will also be evaluated on the following requirements:

i. Funding commitments or other reasonable assurance to cover operations and service costs with specific funding sources (government/philanthropic/private) for the proposed project for five (5) years and submit a budget to cover operations and services costs through year 15 from the recordation of the use restriction.

ii. If the Eligible Applicant is acquiring, rehabilitating, and/or operating an Interim Housing project, the Eligible Applicant or Co-Applicant shall demonstrate the following minimum experience and capacity requirements:

a. Successful development, ownership, or operation of an Interim Housing project, such as an emergency shelter or Transitional Housing for at least three of the last ten years for individuals who qualify as members of the Target Population;

b. Experience in linking Interim Housing program participants to Permanent Housing to ensure long-term housing stability; and

c. Experience administering a Housing First program that includes principles of harm reduction and low barriers to entry.

d. Current capacity to develop, own, and operate an Interim Housing project. Evidence of capacity includes evidence of financial resources, an office and payroll.

Section 303. Other Requirements

i. Units serving the Target Population and occupied units serving ELI households are eligible for funding.

a. Homekey may fund all units in a project or a portion of the units. If seeking Homekey funding for a portion of the units in a given project, Applicants must identify committed sources for the non-Homekey units. The non-Homekey units are not required to serve the Homekey Target Population.

b. If, at the time of acquisition, an existing tenant’s household income is at or below the ELI limit, but the tenant does not qualify as a member of the Target Population, the tenant may remain in place and the unit may still be funded by Homekey. When, in the course of normal tenant turnover, the ineligible household moves from the unit, the unit shall thereafter be occupied by the Target Population. There should be no more than 49 percent of the Assisted Units that do not meet the Target Population. An existing household who meets the Target Population definition or was a member of the Target Population at the time they moved into the property will not be counted towards the 49 percent cap. Evidence confirming that existing tenants qualify as either ELI or Target Population will be required of the Applicant.

ii. At year 15 from the recordation of the use restriction, in circumstances where the Grantee has exhausted available operating funding and demonstrated to the
Department that the Project is no longer feasible, the Department may approve an increase in income levels, to the minimum extent required for fiscal integrity, in five percent increments of Assisted Units up to 50 percent AMI.

iii. The Department reserves the right to set restrictions on the unit mix, rent levels, and other factors deemed necessary. To the maximum extent possible, these changes shall minimize the impact on the lowest income Project residents and shall be phased in as gradually as possible. If, following any increase in rents and income limits, or modification of Target Population occupancy requirements, new resources become available, or market demand changes, allowing reversion to the former income and rent limits or Target Population occupancy requirements, the Department may re-impose these income limits and rent limits or Target Population occupancy requirements, in whole or in part, subject to an analysis of Project feasibility.

iv. In addition to Section 300 above, Applicants purchasing affordability covenants and restrictions will also be evaluated on the following requirements:

a. The Grantees that purchase affordability covenants and restrictions for existing residential units shall restrict those units to individuals and families who are Homeless or who are At Risk of Homelessness, as defined in 24 CFR part 578.3. Such restriction shall run for at least 15 years.

v. In addition to Section 300 above, master leasing projects will also be evaluated on the following requirements:

a. The Grantee shall provide a 15-year plan from the recordation of the use restriction to cover operations and service costs for the Project with specific funding sources (government/philanthropic/private). The Department may waive the requirement for a 15-year plan to cover operating and services costs in cases where master-leased units are intended for a shorter-term need, including, but not limited to, the housing of individuals temporarily displaced as a result of Rehabilitation, or immediate and short-term placement of individuals while permanent units are under construction.

b. The Department can consider and has the discretion to approve other master leasing timeframes and scenarios. Applicants are encouraged to discuss their options at the required pre-application consultation.
Section 304. Application Scoring Criteria

In addition to meeting the other minimum program requirements outlined in Article III, Applicants must score a **minimum of 120 points to be eligible for funding**. Scores will be based on the following:

### Article IV. Application Submission, Review, and Award Process

#### Section 400. Application Process and Submission

For OTC funding, applications will be accepted and evaluated on a first-come, first-served basis at any time from the release of the application until May 2, 2022, or until the available funds are exhausted, whichever occurs first. Funds are awarded to those applicants that meet the minimum threshold criteria, including the minimum point score.

Homekey Round 2 application materials must be submitted electronically to the Department’s website.

Electronic Submission - Requirements for uploading the Homekey Round 2 Application and required supporting documentation, including naming conventions, are described in the Homekey Round 2 Application instructions/checklist tab. Applicants must upload all complete application materials to the Department’s website no later than 11:59 p.m. Pacific Daylight Time on Wednesday, May 2, 2022, to the extent that funds remain available at that time.

Application packages that are incomplete or that do not meet the filing requirements will not be considered for funding but may be amended and resubmitted. Applications must be on the
Department’s forms and, forms cannot be altered or modified by the Applicant. Excel forms must be submitted in Excel format, not as a PDF document.

i. Applications will be prioritized as described in Section 203.

ii. The Department will evaluate applications for compliance with the minimum program requirements set forth in this NOFA.

iii. After each Applicant has been certified to meet the minimum program requirements, each project must receive a minimum overall score of 120 points, as outlined in Section 304, to be considered for a funding award.

iv. Each Applicant and Co-Applicant shall submit an authorizing resolution that, in the Department’s reasonable determination, materially comports with the Program’s requirements and is legally sufficient. In addition, each Co-Applicant shall submit a complete set of its organizational documents (including any amendments thereto). The Department will not disburse Homekey funds until it receives the foregoing documentation, as specified.

v. Applicant shall provide documentation of its ability to obtain the insurance coverages outlined in Article VIII of this NOFA.

vi. The application is a public record, which is available for public review pursuant to the California Public Records Act (CPRA) (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code). After final Homekey awards have been issued, the Department may disclose any materials provided by the Applicant to any person making a request under the CPRA. The Department cautions Applicants to use discretion in providing information not specifically requested, including but not limited to, bank account numbers, personal phone numbers, and home addresses. By providing this information to the Department, the Applicant is waiving any claim of confidentiality and consents to the disclosure of submitted material upon request.

vii. The Department reserves the right to do the following:

a. Score an application as submitted even if information is missing from the application;

b. Request clarification of unclear or ambiguous statements made in an application or request additional clarifying documentation or information; and

c. Beginning May 2, 2022, deploy unused funds from an undersubscribed set-aside to fund other Eligible Applicants for other subsets of the Target Population.

viii. To the extent that any Applicant feels its application has been negatively impacted by NOFA amendments, the Department may allow for re-submission of application documentation for review.

ix. At the Department’s discretion, remaining funding appropriated for the 2021-22 fiscal
year may be prioritized for eligible projects that must receive a formal award prior to July 1, 2022. Eligible projects that do not require a formal award prior to July 1, 2022 may receive conditional award letters. The Department, in its sole discretion, will determine which projects do or do not require a formal award prior to July 1. For the purposes of this section formal award refers to a non-conditional award of HCD funds.

Section 401. Pre-Application Consultation and Technical Assistance

The Department requires all Applicants to engage in a pre-application consultation with the Department prior to applying. The consultation will allow the prospective Applicant to discuss the proposed project, along with other applicable programmatic considerations, including those related to site acquisition, the CEQA, land use and land entitlements, CoC coordination and services partnerships, and long-term financing approaches. Pre-application consultations will be available upon the release of this NOFA and may be requested by emailing Homekey@hcd.ca.gov.

Section 402. Award Process

The Department will send an award letter to the successful Applicant. Funds will be disbursed after the Standard Agreement has been fully executed and approved by the Department unless the Standard Agreement specifies conditions precedent to disbursement.

The Department is committed to disbursing Homekey funds in a timely manner. To avoid any expenditure delays, funds may be issued directly to an escrow company that has been approved by the Department if the full award is toward acquisition. The Applicant shall identify the name and address of the escrow company, the name of the escrow officer, the escrow number, and any other information requested by the Department.

Section 403. Appeals

Basis of Appeals.

1. Applicants may appeal the Department’s written determination that an application is incomplete, has failed threshold review, or has otherwise been determined to provide an insufficient basis for an award.

2. No Applicant shall have the right to appeal a decision of the Department relating to another Applicant’s application (e.g., eligibility, point score, award, denial of award).

3. The appeal process provided herein applies solely to decisions of the Department made pursuant to this NOFA.

Appeal Process and Deadlines.

1. Process. To file an appeal, Applicants must submit to the Department a written appeal, which sets forth all relevant facts, arguments, and evidence in support of the appeal. In addition, the Applicant must specify the area(s) of the application that are relevant to or provide context for the appeal. New or supplemental
information must be limited and necessary to provide clarification or to address the insufficiencies identified in the subject application. No new or supplemental information will be considered if it would result in an unfair competitive advantage to the Applicant. Appeals are to be submitted to the Department at Homekey@hcd.ca.gov.

2. Filing Deadline. Appeals must be received by the Department no later than five (5) business days from the date of the Department’s written determination regarding the subject application.

3. Decision. The requirements of this NOFA and all other applicable law will govern the Department’s determination. All decisions rendered shall be final, binding, and conclusive, and shall constitute the final action of the Department.

Article V – Other Program Requirements

Section 500. Article XXXIV

Per HSC section 37001, subdivision (h)(2), article XXXIV, section 1 of the California Constitution (Article XXXIV) is not applicable to development that consists of the acquisition, Rehabilitation, reconstruction, alterations work, new construction, or any combination thereof, of lodging facilities or dwelling units using moneys received from the CSFRF established by the federal American Rescue Plan Act of 2021 (ARPA) (Public Law 117-2). As such, Article XXXIV is not applicable to Homekey-funded development.

Section 501. Housing First

The Eligible Applicant shall certify to employ the core components of Housing First, as set forth at Welfare and Institutions Code section 8255, in its property management and tenant selection practices. Projects shall accept tenants regardless of sobriety, participation in services or treatment, history of incarceration, credit history, or history of eviction in accordance with practices permitted pursuant to Housing First practices, including local Coordinated Entry System prioritization protocols, or other federal or state Project funding sources.

Section 502. Tenant Selection

Referrals to Homekey Assisted Units shall be made through the local Coordinated Entry System (CES) for persons who are experiencing Homelessness. For persons At Risk of Homelessness, CES or another comparable prioritization system based on greatest need shall be used. All referral protocols for Homekey Assisted Units must be developed in collaboration with the local CoC and implemented consistent with the requirements set forth in this NOFA. CoC collaboration in Project and supportive service design is also strongly encouraged to help target and serve greatest need populations. If referrals will be made using a prioritization system other than CES, the Applicant must describe the plan for tenant selection, and it shall be reasonably detailed and comprehensive, as determined by the Department in its sole and absolute discretion.

Section 503. Participation in Statewide HDIS/HMIS
All Homekey Grantees shall support CoC participation in the statewide Homeless Data Integration System (HDIS), and, in accordance with state and federal law (including all applicable privacy law), disclose relevant data to the local Homeless Management Information System (HMIS). Another comparable data collection system may be appropriate for specific projects or sub-populations including, but not limited to, domestic violence victims, veterans, and youth.

Section 504. Relocation

1. Grantee must comply with all applicable federal, state, and local relocation law. Pursuant to relocation law, a Grantee must have a relocation plan prior to proceeding with any phase of a project or other activity that will result in the displacement of persons, businesses, or farm operations. To ensure that displaced persons and entities do not suffer a disproportionate impact as a result of projects which benefit the public, all notices to vacate and relocation services must be provided to them in accordance with applicable law. In addition, before the Homekey award will be disbursed, Grantee must have either:

   a. A Department-approved relocation plan; or

   b. A Department-issued Certification Regarding Non-Application of Relocation Benefits and Indemnification Agreement, which has been duly executed and approved by the Department.

The Department will identify its form, substance, and submittal requirements for these relocation documents in the Homekey application materials. Where the Grantee’s activities will or may result in displacement, the Grantee’s development budget shall include enough funds to pay all costs of relocation benefits and assistance. Any modifications to the foregoing process requirements must be approved in advance by the Department in writing.

Section 505. Accessibility and Non-Discrimination

All developments shall adhere to the accessibility requirements set forth in California Building Code Chapter 11A and 11B and the Americans with Disabilities Act, Title II. In addition, developments shall adhere to either the Uniform Federal Accessibility Standards (UFAS), 24 C.F.R. Part 8, or HUD's modified version of the 2010 ADA Standards for Accessible Design (Alternative 2010 ADAS), HUD-2014-0042-0001, 79 F.R. 29671 (5/27/14) (commonly referred to as "the Alternative Standards" or "HUD Deeming Memo"). Accessible units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout the Project and be available in a sufficient range of sizes and amenities consistent with 24 CFR part 8.26.

Grantees shall adopt a written non-discrimination policy requiring that no person shall, on the grounds of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, age, medical condition, genetic information, citizenship, primary language,
immigration status (except where explicitly prohibited by federal law), arbitrary characteristics, and all other classes of individuals protected from discrimination under federal or state fair housing laws, individuals perceived to be a member of any of the preceding classes, or any individual or person associated with any of the preceding classes be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with program funds made available pursuant to this NOFA.

Grantees shall comply with the requirements of the Americans with Disabilities Act of 1990, the Fair Housing Amendments Act, the California Fair Employment and Housing Act, the Unruh Civil Rights Act, Government Code section 11135, Section 504 of the Rehabilitation Act of 1973, and all regulations promulgated pursuant to those statutes, including 24 CFR Part 100, 24 CFR Part 8, and 28 CFR Part 35.

Section 506. Prevailing Wages

Applicant's contemplated use of Homekey funds is subject to California's prevailing wage law (Lab. Code, § 1720 et seq.). Applicant is urged to seek professional legal advice about the law's requirements. Prior to disbursing the Homekey funds, the Department will require a certification of compliance with California's prevailing wage law, as well as all applicable federal prevailing wage law. The certification must verify that prevailing wages have been or will be paid, and that labor records will be maintained and made available to any enforcement agency upon request. The certification must be signed by the general contractor(s) and the Grantee.

Section 507. Environmental Clearances

The Department encourages Eligible Applicants to fully engage with the Department's technical assistance and to consider the CEQA exemption set forth at HSC section 50675.1.4 and the provision for land use consistency and conformity set forth at HSC section 50675.1.3, subdivision (i).

Applicants should consult with their counsel for legal advice in construing application of the foregoing exemptions to their Project. It is entirely within an Applicant’s discretion to determine whether to use the statutory CEQA exemption, whether the exemption applies to the Applicant’s proposed activity, or whether some other mechanism applies and could be used to satisfy obligations under CEQA.

Section 508. Land Use

Pursuant to HSC section 50675.1.3, subdivision (i), Homekey Projects are deemed consistent and in conformity with any applicable local plan, standard, or requirement, and any applicable coastal plan (local or otherwise). Such Projects shall not be subject to any discretionary local permit review or approval process (e.g., a discretionary use permit process) before being able to proceed as a permitted use.

Article VI – Program Operations

Section 600. Program Oversight
As specified by the Department and upon request, Grantees shall provide progress reports in connection with the development plan and any updates to the timeline for completion of the Project. The development plan should include the Project's completion milestones and any updates or substantial changes.

Grantees shall promptly notify the Department upon any changes in Grantee organization, authorization, or capacity.

Section 601. Reporting

Grantees shall submit an annual Homekey Program and Expenditure Report to the Department for five years following Standard Agreement execution. The report will be due no later than January 31 for the prior calendar year of January 1 to December 31. The report shall be in such form and contain such information as required by the Department in its sole and absolute discretion. At minimum, the report shall include the following data:

i. The amount of funds expended for the project.

ii. The location of any properties for which the funds are used.

iii. The number and size of habitable housing units produced, or planned to be produced, using the funds.

iv. The number and demographics of individuals housed, or likely to be housed, using the funds.

v. The racial and ethnic composition of the tenants assisted.

vi. The number of units, and the location of those units, for which operating subsidies have been, or are planned to be, capitalized using the funds.

vii. Detail of supportive services offered to tenants.

viii. Any lessons learned from the use of the funds.

ix. The proposed development vision that identifies the financial and regulatory mechanisms to be used to maintain the long-term affordability of the project.

x. The progress and status in securing any required entitlements, permits, environmental clearances.

xi. The proposed timeline for the completion of the project.

If a project received an award for an operating subsidy, Grantees shall also report their operating expenditures in the annual report.

In addition to the foregoing, the Grantee shall submit to the Department such periodic reports, updates, and information as deem necessary by the Department to monitor compliance and/or perform program evaluation. Any requested data or information shall be submitted in electronic format on a form provided by the Department.
The Grantee shall ensure that the expenditure of Homekey funds is consistent with the requirements of the Program. The Department shall monitor the expenditures to ensure that those expenditures comply with this NOFA.

The Department may request the repayment of funds or pursue any other remedies available, at law or in equity, for failure to comply with Program requirements.

Section 602. Disbursement of Grant Funds

Pursuant to 31 CFR part 35.5, the Department may disburse funds to cover Homekey-critical expenditures that were incurred beginning March 3, 2021. Homekey Program funds will be disbursed to the Grantee after the Department has received a request for funds from the Grantee and a Standard Agreement between the Grantee and the Department is fully executed. The Standard Agreement will set forth the general conditions of disbursement, any conditions precedent to disbursements (e.g., documentation requirements for pre-Standard Agreement expenditures or conditional performance measures), and the Department’s remedies upon an event of default. The Standard Agreement will also identify the payee.

Where Co-Grantees wish to receive the grant award outside of escrow, they must identify, and memorialize in the Standard Agreement, which Grantee will serve as the designated payee for all award amounts.

Section 603. Legal Documents

Upon the award of Homekey funds to a Project, the Department shall enter into one or more agreements with the Grantee(s), including a Standard Agreement, which shall encumber funds from the Homekey Program, subject to specified conditions. The agreement or agreements shall include, but not be limited to:

i. A description of the approved project and the permitted uses of funds;

ii. The amount and terms of the program grant;

iii. The use, income, occupancy, and rent restrictions, to be imposed on the project through a use restriction (e.g., covenant, regulatory agreement) recorded against the property of the project;

iv. Performance milestones, and other progress metrics, governing the completion of the project, along with the remedies available to the Department in the event of a failure to meet such milestones or metrics;

v. Provisions governing the manner, timing, and conditions of the disbursement of the program grant;

vii. Terms and conditions required by federal and state law;

viii. Requirements for reporting to the Department;
ix. Remedies available to the Department in the event of a violation, breach, or default of the agreement; and

x. Provisions regarding Grantee liability. Specifically, the Grantee will remain liable to the Department for compliance with and the performance of all Program requirements regardless of any Department-approved transfer or assignment of interest. Likewise, each co-Grantee will remain jointly and severally liable to the Department for compliance with and the performance of all Program requirements regardless of any Department-approved transfer or assignment of interest, and notwithstanding the co-Grantees' identification of a designated payee.

The agreement will also include such other provisions as are necessary to ensure adherence to the objectives and requirements of the program.

Section 604. Sales, Transfers, and Encumbrances

An Applicant(s) shall not sell, assign, transfer, or convey the awarded Project, or any interest therein or portion thereof, without the express prior written approval of the Department, which may be granted, delayed, or withheld in the Department's sole and absolute discretion.

Section 605. Defaults and Grant Cancellations

Funding commitments may be canceled by the Department under any of the following conditions:

i. The objectives and requirements of the Homekey Program cannot be met, and the implementation of the Project cannot proceed in a timely fashion in accordance with the timeframes established in the Standard Agreement or the regulatory agreement.

ii. In the event of a breach or violation by the Grantee, the Department may give written notice to the Grantee to cure the breach or violation. If the breach or violation is not cured to the satisfaction of the Department within a reasonable time period, the Department, at its option, may declare a default under the relevant document and may seek legal remedies for the default including the following:

a. The Department may seek, in a court of competent jurisdiction, an order for specific performance of the defaulted obligation or the appointment of a receiver to complete the Project in accordance with Homekey Program requirements; and

b. The Department may seek such other remedies as may be available under the relevant agreement or at law, or in equity.
