The Recipient shall comply with all lawful requirements of the Department necessary to ensure the completion, occupancy and use of the Infrastructure Project and Housing Development(s) in accordance with this Agreement.

EXHIBIT D

Pursuant to Section 314 of the Guidelines, for the purposes of the State Prevailing Wage Law (Labor Code Sections 1720 – 1781), a grant under the Program shall be considered public funding for the construction, rehabilitation, demolition, relocation, preservation, or other physical improvement of the Infrastructure Project subject to the provisions of the State Prevailing Wage Law. Program funding of an Infrastructure Project shall not necessarily, in and of itself, be considered public funding of a Housing Development(s) unless such funding is otherwise considered public funding under the State Prevailing Wage Law. It is not the intent of the Department to subject Housing Development(s) to the State Prevailing Wage Law by reason of Program funding of the Infrastructure Project in those circumstances where such public funding would not otherwise make the Housing Development(s) subject to the State Prevailing Wage Law. Although the use of Program funds does not require compliance with federal Davis-Bacon wages, other funding sources may require compliance with federal Davis-Bacon wages. The Recipient shall prepare a plan for compliance with this section, which plan shall be subject to the review and approval of the Department.

27. Construction Phase Information

If requested by the Department, the Recipient shall provide the Department:

- A. Should change orders be submitted to the Department for its approval, they shall be deemed accepted if not responded to in writing within 10 (ten) business days of receipt by the Department. Recipient shall not authorize or approve any change orders rejected by the Department where the Department's approval is required.
- B. Information during the construction period including but not limited to all change orders and modifications to the construction documents, all inspection reports prepared by the Housing Development(s) architect and other consultants, and information relative to the Housing Development(s) income, expenses, occupancy, relocation benefits and expenses, contracts, operations and conditions of the Housing Development(s). Upon written notice to Recipient, the Department may require its advance

written approval of all future change orders and modifications. Deviations from the plans and specifications which have the effect of reducing the quality, life or utility of a specified item or system must receive the prior written approval of the Department. Should change orders be submitted to the Department for its approval, they shall be deemed accepted if not responded to in writing within 10 business days of receipt by the Department. If the job sign includes the acknowledgment and/or logo of one or more other public lenders or grantors, the Department acknowledgement and logo shall also be displayed in a similar size and layout. A copy of the Department logo can be obtained by contacting the Department Contract Manager.

Upon installation of the sign, the Recipient shall submit a digital photograph thereof to the Department. Once having undertaken any inspection, neither the Department, nor any representative of the Department shall incur any liability for failing to make any such inspection properly, or for failing to complete any such inspection. The fact that such inspection may or may not have occurred shall not relieve the Recipient, the contractor, the construction lender, the architect, the structural engineer, the locality or anyone else of any obligation to inspect the Infrastructure Project and Housing Development(s).

31. Audit/Retention and Inspection

Recipient further agrees to maintain such records for a minimum period of four (4) years after final payment under the Agreement, unless a longer period of records retention is stipulated.

- B. Payment for any cost which is not authorized by this Agreement or which cannot be adequately documented shall be disallowed and must be reimbursed to the Department or its designee by the Recipient.

At any time during the term of this Agreement, the Department may perform or cause to be performed a financial audit of any and all phases of the Infrastructure Project or the Housing Development(s). At the Department's request, the Recipient shall provide, at its own expense, a financial audit prepared by a certified public accountant.

- E. If there are audit findings, the Recipient shall submit a detailed response to the Department for each audit finding. The Department will review the response and, if it agrees with the response, the audit process ends, and the Department will notify the Recipient in writing. If the Department is not in agreement, the Recipient will be contacted in writing and will be informed as to the corrective actions required to cure any audit deficiencies. This action could include the repayment of disallowed costs or other remediation.
