

HCD Communication Designee Form

Purpose: Primary Applicants may designate a third party, known as a Communication Designee, to obtain information about their program status in person, by phone, by email, and by mail. However, Communication Designees are not authorized to make any decision on behalf of the Primary Applicant, or to sign the grant acknowledgment or any other program documents or affidavits on behalf of the Primary Applicant unless they also hold a valid Power of Attorney. If an individual currently holds Power of Attorney for a Primary Applicant, that POA does not need to complete this form. Instead, they should provide the Program with the executed Power of Attorney document.

Instructions: The Primary Applicant and Communication Designees should provide their full legal names, addresses, and phone numbers (with area codes). To be valid, this form must be signed and dated by both the Primary Applicant and Communication Designee. A separate form must be completed for each Communication Designee, i.e., multiple Communication Designees may not be authorized in a single form.
