## STATE OF CALIFORNIA BUSINESS, CONSUMER SERVICES AND HOUSING AGENCY DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT DIVISION OF CODES AND STANDARDS REGISTRATION AND TITLING PROGRAM

## STATEMENT OF FACTS SMOKE AND CARBON MONOXIDE DETECTOR/WATER HEATER BRACING

SECTION I.	INSTRUCTIONS

California Health and Safety Code (HSC) requires that on the date of sale all used manufactured homes, mobilehomes, and multifamily manufactured homes be equipped with an operable smoke detector installed in each room designed for sleeping. HSC also requires that on the date of sale all used manufactured homes, used mobilehomes, and used multifamily manufactured homes will have all fuel-gas-burning water heater appliances seismically braced, anchored or strapped pursuant to existing codes. California Code of Regulations requires that carbon monoxide devices be installed near each sleeping area in all new, existing, and used manufactured homes, mobilehomes and multifamily manufactured homes. A declaration may be signed within 45 days prior to the date of sale stating that these requirements have been met.

Upon transfer of title, Sections II, III, IV and V of this form must be completed and submitted to the Department of Housing and Community Development along with the appropriate titling documents. This certification must be provided to the Department of Housing and Community Development each time title to the manufactured home, mobilehome, or multifamily manufactured home is transferred as a result of a sale.

mobilehome, or m	ultifamily manufactured home is transfer	red as a result of a sale.
