IV. NOTES

- Information contained in this report is cumulative since the MRLPP launch date of July 1, 2020.
- HCD does not employ attorneys reviewing the complaints. Allegations that may apply to the complaint are captured in this report. If HCD refers the complaint to an LSP, the LSP will provide a legal evaluation of the allegations. By law, the LSPs have sole authority to determine which referred complaints will be addressed or pursued.
- HCD has contracted with the following LSPs for MRLPP complaint referrals:
 - California Rural Legal Assistance
 - Housing and Economic Rights Advocates
 - Inland Counties Legal Services
- A complaint may have more than one alleged violation of more than one MRL section, so these numbers will not add up to the total number of complaints.
- The information is subject to change as more information is gathered about the complaint.
- HCD has closed approximately 1,507 inquiries or complaints not captured above. These include, but are not limited to, questions regarding MRLPP fees, complaints with insufficient complaint or contact information, non-MRL civil matters, and/or health and safety complaints. MRLPP provided local community resources information to the complainant(s) as appropriate.
- Approximately 849 complaints received contained possible occupational licensing and/or health and safety violations. Allegations were referred to the appropriate HCD program for further evaluation.
- Approximately 182 complaints do not have park information and are not included in the geographic representation.
