

SPEED OF DELIVERY COMMITMENT STATEMENT

On behalf of the Lead Respondent and Lead Respondent Team, we hereby commit to the following if selected:

- a) To strive diligently to meet or exceed all project deadlines that fall within our control, ensuring timely delivery of milestones and deliverables.
- b) To prioritize this project among our broader portfolio of projects, dedicating adequate resources and attention to ensure its successful and timely completion.
- c) To actively pursue technical assistance for all Federal, State and Local funding applications and whenever necessary to overcome challenges and optimize project outcomes, leveraging expertise and resources effectively.
- d) To maintain open and transparent communication with the State throughout the project lifecycle, providing regular updates, promptly addressing concerns, and delivering accurate progress reports.
- e) To consolidate all ground lease comments from all project lenders and investors upon the agreed upon timeline with the State.

This commitment reflects our dedication to delivering high-quality results while fostering a collaborative and communicative relationship with all stakeholders involved.
